

# DEMON SCHOOL

## Chapter 7 - Sparring

The Gothic architecture covered with ivy is filled with a strong historical atmosphere. The young students wandering among them are full of fashionable youthful vitality. The two are perfectly integrated in this campus with a history of more than 250 years. It's not that if there is a talk around, everything is so beautiful. "Okay, okay, next time I will help you call Jenny out! Can we change the subject?"

"Hey, Lu, I knew you were a good person!", Patrice took the bag from Lu Qiuqian diligently. "What do you want for dinner? Or should we ask Stella to eat them together? I know A Brazilian barbecue is great! "

"Are you sure they will like this high-calorie, high-fat food?", Lv Qiuqian turned his head for a long time to read a book and caused a slightly sour neck, "Stella told me last night that they will go to New York to participate An academic exchange activity will only come back in three days! "

"This is really unfortunate news!", Patrice was depressed for a moment, and became full of energy again. "What do you say Jenny would like to eat? How about a French meal if Brazilian barbecue is not suitable? But what about me? What do you do if you do n't like a bow tie? Do you say that I will be kicked out by the waiter in a basketball uniform? Or Japanese cuisine? But those people ca n't even cook the meat! Or Mexican food? Thai food? ... .. Lu, did you hear me speak? Give me an opinion? "

“Patrice, do you want to be a great basketball player?”, Lv Qiu Jian was so irritated by his brain that he quickly changed the subject, “I have a way, if you do it, you will become a Genius basketball player! “

“Oh? What’s the way?”, Patrice stopped quickly, turned back and held Lu Qiu Jian’s shoulder, and looked at him seriously, “As long as you can make the Tigers win the Ivy League championship and enter the national competition , Whatever you want me to do! “

“This method is very simple!”, Lu Qiu Jian gently opened Patrice’s hand, said while walking forward, “You only need to fall in love 50 times in a short period of time to automatically obtain basketball talent! Beat Harvard to enter the country The championship is not a problem at all! “

“What’s the relationship between falling out of love and playing basketball?” Of course, Patrice couldn’t understand this terrier from Inoue Inoue. After a long time, he realized that he was being played by Lu Qiu Jian and took his long legs to catch up and hold Lu Qiu Jian’s shoulder, “Lu, it’s not a good habit to play with friends!”

Patrice regretted his hand on Lu Qiu Jian’s shoulder. No one could match his strength in the entire Princeton basketball team. Lu Qiu Jian looked thin and weak in his opinion, I hope this will not let He fell. Just wanting to stretch out his left hand to support Lu Qiu Jian, who was about to fall, a huge traction force came from his right hand. Under this control, his huge body fell forward involuntarily, and he immediately withdrew his left hand and placed it on his chest. At the same time close your eyes to prepare for the impact of the ground!

“Are you okay!” When he opened his eyes, he saw a picture that surprised him. Lu Qiu Jian’s left hand hooked his shoulder. He weighed 265 pounds in Lu Qiu Jian. The seemingly weak left hand was pulled across the ground twenty centimeters from the ground.

“How did you do it?”, Patrice flicked his hands on his back, stood up and walked around Lu Qiujuan a few times, he couldn’t believe that such a thin body seemed to have such great power. .

“Let’s go! I’m hungry, let’s eat first!” Lv Qiujuan didn’t answer, and walked straight forward. Patrice stayed for a while before catching up.

After eating, he returned to the dormitory. Lv Qiujuan opened the European Mathematics Online borrowed from the library. It seemed that Patrice got into the bathroom and took a shower. A few minutes later, he came out of the bathroom wearing a basketball uniform, and after a few laps around Lu Qiujuan, he hurried out.

It did n’t take long before the door of the dormitory was opened again by Patrice. He threw a box in front of Lu Qiujuan. “Hey, Lu, do you like this gift?” Lu Qiujuan shook his head to open the box, and a pair of blue and white basketball shoes appeared. In front of him, the logo of a trapeze inside appeared, “Air-Jordan-XVII, a new product this year! Let’s go, train with me!”

In Princeton, the lives of students are filled with three things, “academic, community activities and sleeping”. Those who can do both are the characters of the campus, and those who can do three will become legends that have been recited for many years. What Lu Qiujuan has to do is not to be accomplished by only one force. He needs to attract geniuses like Alfoss to help himself. If he wants to get support from others, he will quickly become a popular person on campus. shortcut. Besides, after reading the book for a while, my head started to hurt again. Considering the instructions to yourself before hibernation in 1A7488, Lu Qiujuan took over the shoes.

Because of the strict distribution of sports scholarships, Princeton’s NCAA results are very average. Their rugby team has more than fifty years since the last championship. The same is true of the baseball team. As for the basketball team, it has not been involved. NCAA ’s highest honor; this also led

to Princeton 's basketball atmosphere not being as enthusiastic as other schools, UU reading so when the two of them changed clothes and came to the basketball court, not many people were playing .

“Look, this is why I asked you to come!” , Patrice threw the basketball to Lu Qiuqian after finishing the preparations. “Every time except the practice time in the team, I want to find someone to accompany me to practice. No! Lu, help me pass the ball later! “

Okay, it's become a sparring partner! Lv Qiuqian did not object. His control of this body has not yet reached a perfect level. Otherwise, Patrice will not nearly fall down just now, just familiar with it through sports.

“Next!” As soon as Patrice ran to the free throw line, Lu Qiuqian's pass was sent to the front. Patrice took the basketball two steps forward and jumped high, smashing the basketball into the box with a clatter. After falling, he shouted with his chest, “Man, good pass!”

Lv Qiuqian ran under the basketball hoop to pick up the basketball and lost it. In this way, Lu Qiuqian picked up the ball and passed it. Patrice threw the basketball into the frame in various ways.

After playing for a while, Patrice was a little tired. After taking the basketball and throwing it back, “Lu, would you like to try it?”

Lv Qiuqian walked to the free throw line and slapped twice, learning the memory of those NBA stars. His right hand held the basketball and his left hand was supported on the side, bending his knees slightly. With the power of the knee, he pressed his wrist and crossed the basketball A beautiful arc flew towards the hoop and then ... flew over the backboard and landed behind the basketball hoop.
