Chapter 72 - Poor bulldog

NCAA has fifteen teams called the Bulldogs. Unfortunately, these fifteen bulldogs have never won an NCAA championship. The most famous star from these teams is probably from Gang. John Stockton of the Saga Bulldogs.

Among this group of bulldogs, the Yale bulldog is also a relatively thin one, and their strength is totally worth mentioning compared with Princeton, who is now in full swing.

Holding a good-sounding call to participate in the first, not so good to call the soy sauce mentality, Yale's little bulldogs entered the Vladivos Indoor Sports Hall, changed clothes in the locker room, the coach said freely Clapping hands in two sentences, "Okay, guys, come on!"

"I bet Mr. Coach didn't think we would win this game!", Center Matt Minov pulled the point guard Chris Lianza in the aisle.

"Do you think you can do Patrice?", Lianza prayed secretly, hoping that today will not be abused by Lu Qiujian.

"Today I will do the pick-and-roll for you from the outside!", Will patted Lu Qiujian on the shoulder. Everyone knows that his paper was plagiarized by Yale students. The opponent of this game is Yale. Bulldog, everyone is willing to help Lu Qiujian get angry.

"Take a shot if you have the chance, and I will get you a rebound if you can't make a shot!" Patrice patted his chest and promised, "Bulldogs are a bunch of weak chickens. They absolutely can't stop the rebounding king Patrice!"

"I help you pull the line of defense!" Spencer raised his right hand.

"I will block the inside of the bulldog!", Gardson bulged his biceps.

"Well, I'll help you get the towel!" Ed said, scratching his head, and there was a sudden laughter in the dressing room.

As soon as they walked into the aisle, they heard overwhelming boos from the stadium; what happened? The crowd ran out quickly, and the audience in the stadium waved the sign with the word plagiarist in their hands, and they waved vigorously against the Yale players. The Yale children bowed their heads pitifully in a circle.

They also knew what had happened in their school recently, and suddenly felt a sense of being unable to lift their heads, scolding Ferrig and Soman over and over again.

The boos gradually stopped after the game started. Matt, who lost his courage, was Patrice's opponent. He didn't even jump when he was battling.

Looking at the opposite of Chris's flinch, Lv Qiujian was too lazy to talk rubbish, directly flashed him over with an acceleration, Will blocked the Bulldogs shooting guard McHuey, Lu Qiu Jian who was coming to make up the defense A decisive shot outside the three-point line, the first to score three points.

When Matt delivered the ball to Chris, all the spectators on the court burst into boos at the same time, so that Chris shook his hand and the basketball flew aside across him.

Will, who has not yet retreated, quickly grabbed the basketball and passed it to Spencer. Spencer had a chance to shoot, but he still boarded the ball and passed it to Lu Qiu Jian. You're welcome to take advantage of the opportunity of the Bulldogs' defensive formation to reach the inside slam dunk.

The fighting spirit of one side is high, and the morale of the other side is low. In less than three minutes, the Tigers will widen the score to double digits. The Bulldogs coach reluctantly called a timeout.

"Boys, play well, and then continue to work hard to solve the battle in the first half!" Coach Thompson easily wrote on the tactical board, "The Bulldogs' defensive formation"

Pooh, Patrice couldn't help but laughed first, then Ray, then Will, and soon the whole team laughed in the direction of coach Thompson.

what happened? Coach Thompson was inexplicably laughed by them, uh, is my tie not good? Is the zipper still unzipped? "Mr. Coach, please look back!", Gardson couldn't help but remind.

Coach Thompson looked back and saw the Princeton mascot-a tan tiger was holding the same tactical board, and peeked over his tactical board while writing on his own board Draw.

Seeing that Thompson found his tracks, the mascot not only did not dodge, but blocked him behind, illuminating the tactical board against the players, still gesturing with his hands, as if he took Thompson's plan as Have made their own achievements.

This mascot is self-explanatory. Isn't his behavior just a plagiarist? It seems that Ferriger and Soman's actions can't even see the mascot.

Patrice came out and grabbed the tactical board in the mascot's hand, turned him over his shoulder, and then kicked lightly on the mascot's butt.

I have to say that this mascot is indeed talented for acting. As soon as Patrice's feet are next to his body, he immediately rushed forward, pretending to be lying on the ground with a serious injury, struggling for a long time before climbing up, Limply walked to the sidelines. The series of performances won a lot of laughter, and the audience shook the plagiarist's sign and warm applause to praise the mascot's performance.

After this episode, the game restarted, and the Bulldogs still had no way to restore their fighting spirit. The score gradually increased under the impact of the Tigers.

Behind the pass, the air relay, the Tigers took the opportunity to play lively. One by one wonderful performances were extremely enjoyable to the audience. Lu Qiujian is Kobe 's possession. As long as the ball comes to him, he will never pass it. At the end of the first half, he scored as many as 26 points, and the point difference widened to 34 points.

The two sides turned the entire second half into garbage time. The game completely lost suspense. The boring audience began to adapt various songs to satirize Yale's plagiarism. The reporters on the side will not miss this opportunity Flash They lit up one after another and recorded the embarrassed look of the night road players.

God, the game is finally over! As soon as the final whistle sounded, the Yale Bulldog players quickly fled back to the locker room. They didn't want to stay on the court for a second. This game will be a nightmare in the hearts of bulldogs for a long time to come.

The time of the game is the weekend. After the game, Lu Qiujian and Patrice returned to the dormitory with a relaxed mood, packed things and prepared to go to New York to meet Jason.

Tomorrow is Monday. The article exposing Luther Technology 's fake accounts is about to be published. After so long preparations, it is time to go to the New York Stock Exchange to witness the harvest!
