

D. School 75

Chapter 75 - gift

“Nat, thank you for your concern. I’m fine. The school has already helped me to get it all done. Yale also expelled the two.” The matter of the thesis has reached Harvard, and even Natalie knew about it. , Specifically called to express concern.

“That’s good, it seems that your mental state is very healthy, probably you don’t need other people’s comfort!”, Natalie glanced at the NCAA news and smiled.

“No, no, I think I still need treatment. It would be better if there is a psychology expert to do psychological intervention for me!”, Lu Qiujian quickly distinguished, “You know, I have been to the academic community before Holding a pure fantasy, and this time smashing the goodness in my heart, I feel that I am afraid that there is no way to go down the academic path! “, He lowered his voice and said in a depressed tone.

“Hahahaha!” Natalie has read psychology for many years and is also a top-ranked top student in her class. That would be tricked by him with such a trick. She looked at the picture of Lu Qiujian’s slam dunk on the screen and laugh Road, “Well, if you don’t like academics, can you try other lifestyles? I think it’s good to be a professional player!”

“Well, but the NBA will also have black whistle!”, Really a little guy who is not easy to deal with! “I think there will be psychological barriers to anything I do before my psychology returns to normal! Nat, you come to Princeton to help me see it!”

“My consultation fee is not low, what do you want to use for payment?”, Natalie quickly hit the keyboard, a list of airline flights popped up on the screen, well, this weekend from Harvard to New York The flight seems a bit nervous!

“Thank you, when will you come? I’ll pick you up at the airport!”, Lu Qiujian heard the hidden meaning in her words. As for the reward, he didn’t think Natalie wanted US dollars. Will give you a satisfactory reward! “

“Oh? What is it?”, Natalie assassins are as curious as ordinary girls. What kind of gifts will they receive? If it is him, it will be a very special thing!

“Temporarily kept secret. Some things said beforehand would be boring!” Rejected Natalie’s curious inquiry and said a few more words. Lv Qiujian hung up the phone and wondered what gift to prepare; yes, this Something seems very good! Maybe she will like it?

Now that he had an idea, Lu Qiu set up and took action, took a pencil from the pen holder, and drew it on the notebook for a long time, sketched the style of the gift he was going to give to Natalie in a sketch, and then brought the notebook I went to a small shop outside the school and talked to the owner about my request. I paid the deposit and made an appointment for the delivery time. Then I came to the gym and started preparing for the next game.

The Ivy League is one of the smallest leagues in the NCAA. There are only eight teams in total. Princeton has swept the other seven teams in the previous game and achieved seven wins and zero losses, ranking it without suspense. After finishing first in the league, Lv Qiujian was at the top of both the scoring list and the assist list. The title of rebounding king also fell into the hands of Patrice.

The opponent in the next game is the Dartmouth College Green team. They still have no way to cause more trouble for the Tigers. Coach Thompson even started to use them to practice the tactics the team will use in the championship.

After playing for more than 20 minutes, Lv Qiujian took the luxury data again and then took a rest. He scored 27.6 points and 13.4 assists in the past eight games. Especially the assists have exceeded the current level. “Little General” Avery Johnson set an NCAA assist record of 13.3 times per game in the 1988 season.

In addition, an average of more than 20 points + 10 assists per game is also a terrible stat. Although an inside player scores 20 points + 10 rebounds in a season, although it is difficult, someone can always do it. In the first two seasons of this century Among them, six people including Duncan, Garnett, Weber, O’Neill, McDyess, and Brand have completed ten such feats in total. And averaging 20 points and 10 assists per game is not easy. Throughout the history of the NBA, only Oscar Robertson, Isaiah Thomas, Knight Archibald, Magic Johnson, Kevin Kevin Seven people including Johnson, Michael Adams and Tim Hardaway completed this feat.

Last time someone achieved this result, it still comes back to the 92-93 season. In which year Tim Hardaway averaged 21.5 points and 10.6 assists. No one has done this for many years. Neither Kidd, Payton nor Stockton will work; so Lu Qiujian’s data once again made him a hot spot. The predicted rankings on major draft sites have risen all the way, and have entered the top ten, of course. This is due to the poor level of the Ivy League team. If he can perform as well in the championship as he is now, then this ranking prediction will continue to rise.

After playing Green, I submitted the revised paper to the “Annual Mathematics”, and then took classes and read books. The time soon came to the weekend. The Harvard Crimson team came to Princeton from distant Massachusetts, ready to send them Victory; and Natalie arrived at about the same time as the Crimson team.

She rejected Lu Qiujiang’s proposal to pick up the airport, and came to the Princeton campus by car alone, and then dialed his phone. “Thank you very much, Dr. Natalie, I will pick up immediately You! “, To ask clearly, Lv Qiujiang took the prepared small box from the drawer and put it in his pocket, hurried to the school entrance.

Oops, doctor and patient, what a shameful game! Along the way, Lu Qiujiang thought YY, but it was a pity that when she arrived at the school gate, she saw that Natalie was not wearing a white coat.

She casually wore dark blue jeans and a brown coat, wrapped in a black trench coat to keep out the cold, and exuded a youthful atmosphere. After meeting, gently hug, Lu Qiujiang sincerely praised, “Nat, you are fascinating today!”

“Thank you! Your eyes look very clear, unlike the need for psychological intervention!”, Natalie said with a smile.

“No, no, this is just a superficial phenomenon, and my psychological situation is actually terrible! I need your help very much!” Lu Qiujiang made a frustrated expression while taking Natalie to a short distance Sit down in a cafe at the place. After ordering dessert drinks, he took out the small box from his pocket and handed it over, “Nat, this is the consultation fee I prepared. Do you like it?”
