Chapter 92 - Final 4

“Ah !!!!!” As soon as the whistle at the end of the game sounded, Lu Qiujian was thrown into the air by the players on the bench. Coach Thompson also changed his unsmiling style and hugged with assistant coach Black. Embracing and weeping together, I did n’t expect Princeton to enter the final four years later!

The reporters were even more bombed. It was already legendary for five newcomers from Michigan to lead the team into the semifinals, and this time Princeton’s lineup did not even have a scholarship player. What should I call it? Myth?

After some celebrations, Coach Thompson finally remembered that there was a press conference. He quickly rescued Lu Qiujian from the crowd. He could not go before the game, and he could not escape after the game anyway!

“What do you think of breaking the NCAA single-game three-point record this year?”

“Are you ready to sign up for the draft?”

“We saw you chatting with Yao Ming before the game started. Was he inviting you to join the national team?”

Went to the dressing room to wash and change clothes. As soon as Lu Qiujian came out, the reporters bombed regardless of order. The number of times this guy appeared in front of the media was rare.

“Syracuse University is a great team, and Cameron is also a great player. He is destined to become one of the top players in the league! We are only a little lucky to win the game!”, First Some compliments made Baum and Anthony feel better, and Lu Qiujian began to answer personal questions. “Yao Ming just said that he would invite me to dinner after the game. I didn’t talk about other content. I just want to After playing well, I will not consider other issues for the time being ... “

Sounded a lot, but unfortunately the reporters carefully studied and found that he actually said nothing. When the shortest time specified in the press conference arrived, Lu Qiujian made an excuse to run away with Yao Ming.

“Sorry, Nat, Yao Ming invited me to dinner, I’m afraid I can’t go to you right now! Probably you don’t want to be watched by reporters?”, Lu Qiu Jian comforted Natalie while greeting Yao Ming. Go to the appointed place.

Arrived at the underground parking lot, took Yao Ming’s car, and the two ran to the city. Of course, their little action could not hide the reporters. There were several cars at once: the car followed.

Arrived at a high-end Chinese restaurant in the center of New York, Yao Ming had already set a private room here; I do n’t know what the two said. The expression on Yao Ming ’s face when she came out was a bit regretful, which caused countless associations among reporters.

Don’t care about the celebration, the team immediately rushed to New Orleans to prepare for the final semifinals. According to the game arrangement, they will face the Texas Longhorns on April 5.

Looking at the video of the game with Longhorns, Lu Qiu Jian couldn’t help but laugh. How many games did he play and finally met his opponent who was shorter than me! Longhorn’s point guard T-J-Ford is only 1.83 meters tall, three centimeters shorter than Lu Qiu Jian, which makes him quite happy. However, with such a height, he can lead the team to the final semifinals, proving that this guy also has his own strengths. TJ Ford has the top speed and amazing bounce. He previously scored 15 points and 7.7 assists per game.

The player to watch out for in the Longhorns is their insider James Thomas. This guy is more physically capable than Patrice. In the previous game, he scored 11 points and 11 rebounds. The double-double results.

However, these two players can’t compare with Cameron Anthony after all. The Longhorns are not as good as the Syracuse Oranges. After defeating Syracuse, the Princeton players are all confident; Under the leadership of the team, they played a 12% skill, displaying Princeton’s traditional running position and passing skills, and took the initiative from the beginning of the game.

Even if TJ Ford tried all his best, he couldn’t easily break through Lu Qiu Jian’s defense. When it was his turn to defend, he retreated under Lu Qiu Jian’s back.

The team’s core players were restricted, and the Longhorns also lost their last chance. After nearly 20 minutes of chasing, Lu Qiu Jian once again hit a three-pointer to pull the score away. The Longhorns have seen the general trend and have gone. Hand surrender.

The final score of this game was 95:84, the two sides contributed a wonderful battle for the fans, the Princeton Tigers laughed to the end!

Then they watched the game between the University of Kansas and the Marquette Golden Eagles. Dwyane Wade defeated Kansas led by Hinrich again. Marquette Golden Eagles and the Princeton Tigers entered the final together.

Two days later, with the attention of tens of millions of audiences across the country, the NCAA finals grand opening, maybe too much overdraft in the first two games, maybe Lu Qiujiang's defense is too strong, Dwyane -Wade did not play the extraordinary level of the previous game.

No. 2 scorer Robert Jackson although hitting consecutively under Patrice's defense, but the core players are restricted, Marquette Golden Eagle can only watch Princeton one point one point widening the difference.

Wade's performance in the second half was better , but Lu Qiujiang also started to work on the offensive end, the two sides formed a mutually explosive situation, but Marquette Golden Eagle still can't narrow the point difference.

In the last five minutes of the game, all the fans in the New Orleans Super Stadium stood up. They can't wait to witness the greatest miracle in NCAA history!

With the ball breaking through Wade's defense and reaching the inside, when Daniel from the outside came in to defend, Lu Qiujiang passed the ball to Lei who came on the bench. Lei also lived up to his name and adjusted his posture to hit two points and score. The difference was widened to double digits.

This goal also wiped out Marquette Golden Eagle's final fighting spirit, watching the timer on the top of the basket for a small amount of time, Wade also gave up resistance.

"Congratulations on your victory, but I won't give up so easily next time I meet you in the NBA!" In the audience's countdown, Wade said to Lu Qiujiang while dribbling the ball.

Amount, when he was about to respond, the referee blew the whistle at the end of the match, and the teammates who rushed in madly blocked Lu Qiujiang's words back.

“Lu! We are the champion! We won the NCAA championship !!!”, Patrice held Lu Qiujiang’s nonsense like crazy, Gardson, Spencer, Will, Lei Waiting for the teammates are also crying.

After twenty hard games, the Princeton Tigers won the NCAA men ’s basketball championship with a victory! This also surprised countless forecasters.
