

《Do angels exist》

10 Not like before

My life has changed within a few days . I got along with them really well. They are very sweet and we have a lot of fun together . It was sunday evening and Terrence and May said that they were going to play games and the one who loses have to do anything that the winner wants . They also suggested me and Junnaid to play along . He agreed within a second but I didn't wanted to. They forced me so I played. It was really interesting but I lost so I had to do whatever Junnaid asked me to do . He asked me to go to amusement park with him . It was a strange wish but I haven't gone to amusement park for a long time , I did go when I was young . The next day after college I went to amusement park with him. He took me to giant wheel i was afraid . He noticed it and told my hand tightly. We went on it and I stopped at the top . I was afraid to even open my eyes . He came close to me and said that he was there for me . It was the first time someone said this to me . I opened my eyes and it was such a beautiful scene, the clouds were really beautiful I smiled. He said , " I am glad you liked it ." I was shocked and said so it was all your plan . He nodded , I was angry for a second but then I just kept my head on his shoulder and just enjoyed the scenery . The wheel went down I was afraid and held his arm tightly . He released it and hugged me tightly , my hearbeat was so fast but it felt good . We had a lot of fun and I laughed a lot after a long time . I asked him why he chose me as his wife . His reply shocked me , he said that , "I know we have never met before but I saw you when you were crying on the road in rain and then I saw you I cafe . Honestly I felt in love with you at first sight . Then I got to know about your miserable life , I wanted to get you out of there and wanted to keep you by my side forever that's why I married you ." I was speechless. Then he hugged me and said , " I will protect you and always stay with you." It melted my heart but I was afraid to be betrayed again so I didn't tell him about my feelings . He was very special to me .
