Zaira was a bit late for her college as she woke up a bit late . She went to college without having breakfast . Junnaid was still sleeping . Before leaving she looked at him with a smile and kissed his forehead .

" Ahh finally exams are over ." She said walking out of examination hall . Sofia hugged her .

" Zai you forgot about me after marrying that handsome guy ."

" Whose side are you ? "

" Of course yours ."

" But you are complimenting him ."

" He is handsome ..really ."

" Stop it now ."

" Why ? Are you jealous ? "

" No "

" Here comes you prince charming ." Junnaid came towards her and looked a bit angry .

" Oh shit Sofia I'm dead . " She tried to hide behind Sofia . He stood in front of them . He looked a bit cold . Sofia left in a hurry because she was a bit scared of him . Zaira tried to go after her but he pushed her and hold her tightly in his arms .

" Baby are you also afraid of me ."

" No ."

" You left without having breakfast ?"

" I was late for exam . "

" So let's go and eat now . "

" No I'm not hungry . "

" Stop lying . "

" I'm really not . "

" Are you coming or not ? "

" No I have lectures to attend . "

" Fine then . " He turned around . She was relieved that he was leaving but he suddenly turned and carried her in his arms .

" What are you doing we are in college!! "

" You were the one who disagreed and if you don't eat well you will fall ill again . " Everyone was watching them and gossiping about them . He was surprised that she wasn't freaked out this time . When he took a glimpse of her . She was looking at him .

" Stop looking at me like that . "

" Why ? Are you feeling shy ? "

" No . "

" You didn't brought your car ? "

" No "

" So how will we go back ? "

" By walking . "

" Then let me down I can walk . "

" No I just want to carry you and you can't stop me . " She kept her head on his shoulder and kept looking at him .

" What are you thinking ? "

" You know what nobody cared about me so it is shocking that somebody cares about me so much . I am really happy to be with you ."

" You are still thinking about your past . I have told you so many times that I am your present and future so let go of the past ." She smiled .

" You are really stubborn ."

" Thank you baby the compliment ." " It wasn't a compliment ."

" Whatever you say is a compliment to me ." They both were really happy but someone was watching them secretly.....
