

Dan God 521

Chapter 521 Zuo Zhenxuan

Chen Xiang laughed as he struck his palm towards the iron cage, producing ten sounds of explosion, "Pa Pa Pa Pa Pa Pa ..." Just like the old man, he also created ten successive echoes. This was the tenth level of Demon Subduing Force.

The old man, who was originally proud of himself, was now dumbfounded as he looked at Chen Xiang with disbelief. The other people in the cage almost had their eyes pop out of their sockets. That old man was the former principle of the Academy, so it was not surprising that he could cultivate his Demon Subduing Force to the tenth level, but Chen Xiang seemed just like a young man, while he also learned the tenth level of Demon Subduing Force.

"How could it be possible? Could it be that the Demon Subduing Force is now easy to cultivate?" The old man gulped. If that was the case, he felt that he could crash his head into the wall and die. He had painstakingly trained for so long before he was able to reach the tenth level, but now a little brat was also able to do it as well, which made him feel pretty uncomfortable.

"Of course not, the old hag is only at the ninth level of Demon Subduing Force. I just used the strength of tenth level of Demon Subduing Force to kill a person who provoked me in front of her and butt her. That's why I am imprisoned here." Chen Xiang shook his head and sighed.

"So, former principle, what's your name? I never see any records of you in the history books of the Demon Subduing Academy." Chen Xiang said.

"My name is Zuo Zhenxuan. Have you really never seen my name in the historical records of the Academy?" The old man was infuriated. He had made such a huge contribution to the school, but now his name was removed from the records. Some people had done their best to spread their name throughout the ages, but now, he did not have any reputation.

Chen Xiang nodded his head, "I still have those history books with me."

With that, he took out a book, but he couldn't show it to Zuo Zhenxuan because there was a formation array inside and between their iron cages.

"Put it on the ground. I can see it!" Zuo Zhenxuan said.

After Chen Xiang landed the book on the ground, he saw Zuo Zhenxuan's eyebrows knitted together. Chen Xiang felt a weak power coming toward him. The book started to quickly flip through, and it only took him a moment to finish flipping through it before moving forward from the back to the front again.

Zuo Zhenxuan's old face twitched as he read the book. His rage was unparalleled as he suddenly burst out in wild laughter, "Hah, hah, hah ...you damned old woman, how dare you she wipe out my ten thousand years of contributions to the Demon Subduing Academy. As long as I get the chance, I will definitely die with you!"

Chen Xiang didn't know why, but he suddenly felt happy in his heart. He also hated that old woman called Liu Yufang. He did not take this old woman deserve the position of principal. She was simply a virtuous woman.

Originally, Chen Xiang had planned to use some time to break the formation, but seeing how much this old woman hated this old maiden, he immediately got a plan.

“Former principle, how much confidence do you have to beat that old woman?” Chen Xiang suddenly used his divine sense to send a message to the old man.

Zuo Zhenxuan immediately calmed down. He knew that Chen Xiang was extraordinary. To be able to reach the tenth level of Demon Subduing Force at such a young age, he must have some outstanding points. Moreover, he was filled with admiration for Chen Xiang for him to dare offend Liu Yufang,

“Hmph, if she hasn’t reached the tenth level of Demon Subduing Force, I would be fully confident! Last time, they got many people sieging me and set me up to get me in here.” Zuo Zhenxuan responded with his divine sense.

Chen Xiang’s thoughts shifted, “alright, I can let you out, but you must promise me one condition. You must leave the old woman alive for me to slaughter her! This way it will be the hatred only between she and I; and the Heavenly Realm can only blame me alone.”

Zuo Zhenxuan didn’t even think before agreeing, “as long as you let me out, I will do my best to capture that old woman for you to deal with. At that time, you can still stay in the school. I will retrieve the position as a principle.”

Not long after he finished speaking, Chen Xiang’s entire body trembled. Then a wave of white mist drifted out and filled the entire dungeon. It made people feel as if they were in a vast expanse of whiteness, while nothing was visible.

This was something Chen Xiang let out on purpose. He did it so that he wouldn’t be seen by others when he used the Luotian Gate.

Luotian Gate allowed people to traverse space. These formations did not seal off space, so Chen Xiang easily opened a door and arrived at Zuo Zhenxuan’s iron cage.

Feeling Chen Xiang’s sudden arrival, Zuo Zhenxuan was overjoyed. He hurriedly grabbed Chen Xiang’s wrist and said, “brat, you’re my savior!”

Chen Xiang laughed, “let’s leave here first!” After that, he opened another space gate and pulled Zuo Zhenxuan inside. They arrived at a beach where the waves were crashing into. This was a small island by the coast of the King’s Continent, quite a distance away from the Demon Subduing Academy.

Chen Xiang was taking a huge risk by doing this. If Zuo Zhenxuan was a villain, then he would be in trouble. That’s why he came to the beach, because this place was advantageous for him to escape through water in a very short period.

However, what made Chen Xiang feel at ease was that once Zuo Zhenxuan saw the sky full of stars and the boundless sea that was illuminated by the moonlight, he immediately knelt in front of Chen Xiang and said, “little brother, please accept my bow!”

“Sir, please get up. I can’t take it!” Chen Xiang hurriedly helped Zuo Zhenxuan up.

Zuo Zhenxuan didn’t ask how Chen Xiang managed to get him out. He knew that it was someone else’s secret. He just jumped into the sea to wash his body.

“My name is Chen Xiang, and I entered the school more than a month ago. At that time, I thought that it was a pretty good place, but later on ...” Chen Xiang told Zuo Zhenxuan about his experience at the school.

When Zuo Zhenxuan heard this, he said, “that is the damned old woman, she does not change at all. Hehe, I still have to thank her for that. If she didn’t bring you in, perhaps I wouldn’t have been able to come out.”

“Haha ...” Chen Xiang laughed out loud. He knew that he would soon be able to kill that old woman with his own hands.

Zuo Zhenxuan acted as a principle. He kept his composure. Although he was furious before, he didn’t shout for revenge after he came out.

“It seems that apart from chancellor Zhao Tao and Yu Baixiang, the other old things have all been subdued by that old woman! I guess I’ll have to think it over later.” After Zuo Zhenxuan washed up, he put on a set of clean clothes. He also had an invisible storage treasure, so many things were not taken away from him.

After washing up and changing into a new set of clothes, Zuo Zhenxuan gave off the air of an immortal, leaving Chen Xiang a very benevolent feeling.

“Sir, if you can take back the control of Demon Subduing Academy, could you permit my wife and sister to enter the Stellar Transposition Realm?” This was also a primary reason for Chen Xiang risked helping Zuo Zhenxuan out.

Zuo Zhenxuan answered straightforwardly, “no problem, but that Stellar Transposition Realm is very special. A person can only stay inside for ten days at most, which would be ten years of time inside, then the realm will be useless for him or her! But I can let them stay inside for ten more days!”

“Hah hah, I control all the formidable features of the Stellar Transposition Realm. Otherwise, the Demon Subduing Academy wouldn’t have made such a rigid restriction on it. I dare to say that no more than people have entered the Stellar Transposition Realm for the past three hundred years!”

Chapter 522 Romance in a Bath

Chen Xiang thought that one could enter the Stellar Transposition Realm as long as he or she wished, but now he learned that there was a limitation. However, twenty days was not bad, because it would be twenty years inside!

Just the thought of it made him excited.

“The Stellar Transposition Realm requires a lot of powerful energy to maintain its operation, but it has been storing a lot of energy since a very old time. However, only I can release that energy. Now, if they want to activate the Stellar Transposition Realm, they must first use a lot of energy to open an entrance, then use something energetic on their own to activate the Stellar Transposition Grand Formation.” Zuo Zhenxuan continued.

Chen Xiang suddenly asked, “Sir, do you mean that you can let me enter the Stellar Transposition Realm now?”

“Of course I can, but I have to do that in the Demon Subduing Academy. Give me a couple days to rest, then I’ll go back and deal with that old hag!” As Zuo Zhenxuan gave the speech, he closed his eyes and absorbed the Spirit Qi of heaven and earth to nourish his body. After staying in the iron cage for so long, he had already consumed a lot of his elemental energy.

Chen Xiang also sat quietly to the side as he tried to comprehend the strange mantra of the Demon Subduing Force. He wanted to see through the Great Perfection Stage in the eleventh level of this divine technique!

The Great Perfection Stage of Demon Fighting Power was definitely very powerful. It required an integration of mantra of all the ten levels, but it was not easy to execute.

“Chen Xiang, if you borrow my power and fuse yours with mine, you will be able to contend with that Liao Shaoyun! That guy is about to experience the Nirvana Tribulation soon. Even if you can’t kill him, you can take advantage of this opportunity to disrupt his chance of passing the Nirvana Tribulation and inflict serious injuries on him. In this way, it will be extremely difficult for him to pass the Nirvana Tribulation in the future.” Long Xueyi said.

Liao Shaoyun had already reached the peak of Extreme Realm. As long as he survived the Nirvana Tribulation, he would be able to step into the Nirvana Realm. The longer the Nirvana Tribulation got postponed, the more powerful he would be. He would definitely not suppress his cultivation to delay the time of passing the Nirvana Tribulation. However, if he was seriously injured, he would have no choice but to suppress his cultivation in order to prevent himself from being sensed by the Nirvana Tribulation.

“Are you sure about that?” Chen Xiang took a deep breath. Right now, he was only at the early stage of the Spiritual Martial Realm. It was already very difficult for him to deal with a warrior at the Soul realm, not to mention the Hundred Refinement realm beyond it.

“Don’t look down on me, I grew up much faster than you. If I had to get a rank on my strength, I would be at least in the Hundred Refinement Realm!” Long Xueyi said with a snort.

Chen Xiang had long known that Long Xueyi’s strength was not negligible. Now that he heard it, he was really scared. One must know that the dragon power Long Xueyi used was authentic and was not as consuming as his.

“However, you know that you need to fully fuse with my strength. You should know what the consequences will be after that.” Long Xueyi said.

Chen Xiang had a very strong flesh body. He felt that even if he merged with Long Xueyi’s strength, it wouldn’t be any serious consequences. It should be noted that many Nirvana Realm warriors were not as powerful as him regarding physical body and divine sense.

“Alright, when I return to the Demon Subduing Academy, I will immediately look for Liao Shaoyun!” Chen Xiang decided that he must get rid of Liao Shaoyun, the person who had gone against him several times.

“Hmph. Don’t look down on my power. Later you will understand that it hurts your flesh body a lot to fuse with my strength, while it will not leave behind any flaws.” Long Xueyi said.

In order to get revenge, Chen Xiang didn't care too much. Otherwise, he would be suffocated to death by the anger in his heart.

A few days later, he selected the mantra for the first to tenth levels of the Demon Subduing Force, in a hope of assembling them into the mantra for the eleventh level. However, his efforts were futile, because he did not know how to reassemble it. If he made a mistake, his cultivation would go berserk.

"Let's go!" At this moment, Zuo Zhenxuan appeared to be energetic in a good spirit. A faint mist surrounded his body, making him look like an immortal.

Chen Xiang was extremely happy in his heart to make friends with such a formidable man.

Chen Xiang didn't know how Zuo Zhenxuan knew the direction towards the Demon Subduing Academy. He seemed to sense it after he closed his eyes for a moment. Then, he pulled Chen Xiang along as they sprinted across the sea surface at an extremely fast speed. In just a few seconds, they had left the small island and arrived on the continent, flying among mountains and hills.

Zuo Zhenxuan was jumping up and down one hill after another. His speed was so fast that Chen Xiang couldn't even catch his breath.

"What a powerful flesh body. It seems that I can move faster." Zuo Zhenxuan laughed. His speed was indeed much faster than before. Right now, Chen Xiang only felt as if the streams of air were sharp blades that were slicing through his body.

In just half a day, Zuo Zhenxuan and Chen Xiang saw the tall and imposing buildings. They were none other than the Demon Subduing Academy.

"All those old fellows who attacked me years ago had to die!" A seemingly kind old man like Zuo Zhenxuan suddenly emitted a sharp killing intent. He had been holding back his anger for three hundred years, and now he could not help but releasing it all in one go.

"Sir, you'd better get rid of them one by one. Don't let them unite together, otherwise it'll be detrimental to you." Chen Xiang said.

There were several old fellows in the Academy who had passed the Eighth Nirvana Tribulation. Zuo Zhenxuan was the same as them, but since he knew the tenth level of Demon Subduing Force, he was more powerful than them. If they were to fight him alone, he would take an advantageous position.

"I know! To deal with despicable people like them, we should use their methods." Zuo Zhenxuan smiled sinisterly, leaving the words "wait for me" before .

Chen Xiang looked at the sun in the sky and shook his head before sighing. "It seems that a few powerful old fellows are going to fall today."

His was the prompt of all of that.

"Little dragon, lock onto Liao Shaoyun. As long as those old fellows die, I will make my move." Chen Xiang said.

“Got it.” Long Xueyi used the divine ability of Spirit Traveling Around the Nine Heavens to make her consciousness drift in the Demon Subduing Academy, then searched for Liao Shaoyun through sensing his aura.

Not long after Long Xueyi started, a wave of rumbling sound exploded inside of the Academy. Chen Xiang saw from afar a huge building suddenly shatter, and the area within a radius of a hundred miles around the Academy was also violently shaken by the shockwaves, causing the ground to crack.

That was an act of a person who had survived the Eighth Nirvana Tribulation! Such a man could destroy a whole continent in a single move, let alone a college!

“Damned, I should have told Xianxian and Youlan to come out first.” Chen Xiang had been repeatedly enjoining Zuo Zhenxuan to take his action quietly, but he never expected the commotion to be so loud.

As a result, he had no choice but to use his Luotian Gate to open a spatial gate that led to Xue Xianxian and Leng Youlan’s residence.

After entering the spatial gate, Chen Xiang appeared in the bathroom. He saw Leng Youlan and Xue Xianxian naked with some petals in their hands as they gently rubbed their flawless bodies!

Seeing the two snow-white bodies filled with pink petals, Chen Xiang almost suffocated from the visual impact. Especially when he saw the two pairs of sparkling and round “jade peaks”, he couldn’t help but take in a deep breath to calm himself down!

“Brother!” Leng Youlan hurriedly rushed over as she saw Chen Xiang appear.

Chapter 523 The Power of Dragon Force

Chen Xiang didn’t have the time to watch the two alluring bodies. He hurriedly shouted, “quickly put on your clothes. There is a fight going on outside. How could you still be able to take a bath here!”

As he spoke, there was another explosive sound ringing out. The earth shook violently, and the house nearly collapsed.

Leng Youlan and Bai Youyou was astonished. They hurriedly dressed up. At this time, Chen Xiang could not help but take a few more glances. This was a rare opportunity, especially for him to watch Leng Youlan, who was wrapping her big “snow rabbits” in front of him without leaving a single mark. On the other hand, it was Xue Xianxian who felt extremely bashful, her face completely red.

“You rascal, you have seen everything of us!” Xue Xianxian snorted coquettishly and scolded Chen Xiang for appearing here so rashly.

“Sister Xianxian, you’re already big brother’s wife. Why are you still so shy?” Leng Youlan giggled. She was Chen Xiang’s little sister, and even she didn’t care anymore, let alone Xue Xianxian.

After the two girls put on their clothes, they didn’t even have time to ask Chen Xiang before he urged them to leave the Demon Subduing Academy. Seeing Chen Xiang’s nervous and serious expression, the two girls hurriedly left. Although they were both worried of him, they knew him well and were pretty clear how capable he was.

The news of Chen Xiang escaping the dungeon shocked the entire Demon Subduing Academy. They also heard that Chen Xiang had released a villain.

"I found him. Liao Shaoyun seems to be in his residence. He puts away his aura, so it's really hard to find him." Long Xueyi suddenly said.

After Chen Xiang learned Liao Shaoyun's location, he sprinted up and made continuous leaps on the mountaintops.

"This guy seems to be afraid of being dragged into this mess. He doesn't dare to move around recklessly." Chen Xiang sneered. His residence was far away from the Demon Subduing Academy, but the battle still affected this area. Many mountains were shattered and many houses built in the mountains collapsed.

"He really hide far away!" Chen Xiang locked onto a mansion that was built on top of a mountain peak in the distance. That was Liao Shaoyun's residence.

Chen Xiang released his aura from far away. It was a threatening killing intent pervasive around the mountain peak with waves of cold aura, causing Liao Shaoyun to have no choice but to take a look inside.

Liao Shaoyun was very familiar with this killing intent, but he could not believe that Chen Xiang would come looking for him. Of course, based on his understanding of Chen Xiang, he knew that Chen Xiang wouldn't do such a stupid thing. If Chen Xiang could find him, it meant that Chen Xiang must have some confidence.

Liao Shaoyun was secretly on alert. He tightly clenched his fists and threw out an explosive punch as he observed Chen Xiang suddenly flying over.

A thunderous sound accompanied with Liao Shaoyun's punch. The lightning on his fist was dazzling, and countless lightning snakes with dazzling light were shot out along with his fist, just like ferocious ghost hands fiercely rushing towards Chen Xiang. His power was very tyrannical, causing the air to vibrate with a 'pa pa' sound. Horrible thunder force released an invisible pressure from far away, enveloping Chen Xiang, making him feel like his entire body was being cut by sharp knives.

Countless bolts of lightning suddenly struck at him. Shocked, Chen Xiang hurriedly dodged from it. At the same time, he let the Black Tortoise Armament Armor maintain its best defense while he released the Black Tortoise Luotian Barrier. Even so, the right side of his body was still struck by the sudden, violent lightning. The burning numbness and pain rushed into his body, causing him to bite his teeth until they almost shattered.

"Chen Xiang, it's really you! I didn't expect that you would dare to come to die!" Liao Shaoyun relaxed a lot as he saw Chen Xiang being punched so painstakingly by him. This proved that Chen Xiang's strength hadn't increased by much.

Chen Xiang clenched his teeth and said, "Thunder Soul! How could you get such a thing?"

"Haha ...I should thank you. If you didn't kill Zhong Quan, I wouldn't get the chance to collect his scattered Thunder Soul. You may not know, but things like the Thunder Soul are intelligent. Even though they flashed away at that time, as long as I control a part of them, I can gather the others!" Liao Shaoyun

said in excitement. He himself was a person who used the power of thunder and lightning, thus the Thunder Soul was a supreme treasure for him.

Chen Xiang's heart was bleeding with hatred. He never thought that his murder of Zhong Quan would raise Liao Shaoyun's strength by a large amount.

Seeing that Liao Shaoyun was even more powerful than he had imagined, Chen Xiang was secretly alarmed. But since he had come, he could not just leave like this. No matter what, he would definitely deal a heavy blow to Liao Shaoyun today, and even if he couldn't kill Liao Shaoyun, he would at least injure Liao Shaoyun so that he would make errors during the Nirvana Tribulation.

Since it was not a formal martial contest, Chen Xiang could fight recklessly. He called out the Azure Dragon Devil Slayer, and the Hands of God of Slaughter, which tremendously increased his strength.

Seeing Chen Xiang take out his divine weapons, Liao Shaoyun's eyes were filled with greed and ecstasy. He already knew that Chen Xiang's Azure Dragon Devil Slayer was not a simple item. Right now, he had a good opportunity to obtain this weapon, just by killing Chen Xiang.

"You have no idea what you are dealing with!" Liao Shaoyun stretched out his five fingers, after which lightning flashed in his palm, and an electric net made of lightning suddenly shot towards Chen Xiang at an extremely fast speed.

Chen Xiang, who had been prepared for this earlier, dodged it with his fastest speed. He used the Water Mirror Technique, thus the electric net only struck a fake image he released.

After the virtual image formed by the mist was hit by the electric net, the intense electric current caused a burst of heat, causing the mist to disappear.

At the same time Chen Xiang performed the Water Mirror Technique, Long Xueyi also started to release her dragon force and fused it with Chen Xiang's force for him to use it.

In just a split-second, Chen Xiang felt his entire body brimming with terrifying power. That was an extremely rich and powerful dragon force!

As a dragon, Long Xueyi didn't need to transform her dragon force. Instead, his strength was all pure dragon force, while Chen Xiang's dragon force was compressed through martial arts, that he must compress a large amount of True Qi rapidly so transform it into dragon force, which was still very different from the real dragon force.

Not only did Long Xueyi integrate her dragon force with Chen Xiang, she also combined her magic power and divine sense with him, allowing Chen Xiang to gain a better understanding of the situation around him.

At that moment, he could feel the ants moving within a radius of several miles. He could even clearly count the number of these ants. This was the effect of a powerful divine sense.

Such a miraculous fusion caused Chen Xiang to be extremely excited. Last time Long Xueyi fused with him in the same way, it was her who controlled the power, but now it was him who took the control. He felt pretty different than he did last time.

In a split-second, Chen Xiang's strength soared to an unbelievable level.

He flashed to the side of Liao Shaoyun, waved his blade, and suddenly chopped down. Dragon force bursted out from his body like rivers and rushed into his blade, then emitted out with a buzzing sound. After the occurrence of such kind of formidable dragon force, a lot of cracks suddenly appeared on the mountaintops. Liao Shaoyun's house was also instantly shattered by this powerful energy.

"Boom!" A loud sound reverberated in all directions. Liao Shaoyun had actually struck out his attack in the blink of an eye. The fist with berserk thunder force struck on the edge of the blade!

The two violent forces collided with each other, releasing an astonishing amount of energy that caused the entire mountain to collapse.

Chapter 524 Seizing the Soul (Part One)

Even though Chen Xiang borrowed Long Xueyi's strength, he still felt his strength somewhat inferior to that of Liao Shaoyun. During the shock wave, the two of them couldn't help but retreat in order to avoid the recoil.

The mountain instantly vanished, razed to plain ground.

After landing on the ground, Chen Xiang only saw Liao Shaoyun's messy hair and his face filled with shock, since from the fight earlier, he saw that Chen Xiang's strength was not much inferior to his.

The last time he saw Chen Xiang getting injured by Zhong Quan, he also gave Chen Xiang a punch. At that time, Chen Xiang's strength was not that terrifying, but it had only been a few days, yet Chen Xiang's strength had already leapt to an unfathomable level.

Liao Shaoyun's attacks were extremely vicious and swift. Although he was shocked in his heart, his attacks became even sharper, and he punched at Chen Xiang from a distance. The electric light of his fist was like a huge flying knife, constantly shooting out like thousands of horses with stunning aura, generating waves of thunders rushing toward Chen Xiang.

Looking at the huge wave of lightning blades coming at him, Chen Xiang's heart trembled. He immediately circulated the dragon force in his body and fiercely slashed forward with his blade, causing a blade light condensed from dragon force meeting the violent lightning, which avoided Chen Xiang from being hit by the heavy rain-like bolts.

When the two equally powerful forces collided with each other, another wave of forces swept out in all directions. However, the battle of the Nirvana Realm warriors in a distance were much more brutal, as if it was going to destroy the world.

The entire sky was shrouded by dark clouds. Booming sounds and thunderclaps rang out continuously. The mountains shook and the clouds billowed. The majestic aura brought with it an intimidating pressure, causing everyone's hearts to be shrouded in a dark haze of fear.

After a short exchange, Liao Shaoyun was certain that Chen Xiang possessed the strength to match his own. This made him even more puzzled and surprised. However, it was not the time to clarify this matter. The most important thing for him was to put Chen Xiang down.

Liao Shaoyun was extremely spirited. He could see that Chen Xiang's condition was extremely exhausting. If he persisted for a longer while, he might easily be able to defeat Chen Xiang. While he did

not dare to approach Chen Xiang since he was intensely worried of Chen Xiang's Azure Dragon Devil Slayer.

Most of the people who fought against Chen Xiang before had died. Even though they knew how terrifying Chen Xiang's Azure Dragon Devil Slayer was, they were still unable to voice it out loud.

Liao Shaoyun could only stay far away and use his powerful thunder attribute True Qi to continuously release lightning strikes at Chen Xian in a distance. This was equivalent to constantly releasing the True Qi in his body. It was a very consuming method, but he did not care about it.

Because he had just merged with a Thunder Soul, he possessed an extremely dense amount of lightning energy. Thus he was pretty sure that his dense True Qi would definitely allow him to over-perform Chen Xiang.

Facing Liao Shaoyun's violent and fast lightning attack, Chen Xiang had no way to dodge. He could only block and counterattack at the same time. Right now, he really couldn't afford to delay any longer, because his fusion state would not last too long.

"You can't continue to fight with him. You'll definitely be dragged down if not finishing it quickly!" Long Xueyi spoke seriously.

Chen Xiang frowned as the energy in his body surged. He then shouted out a loud cry that shook the sky, then his Azure Dragon Devil Slayer suddenly blazed with a bright light while carrying a strange aura. This was the famous Devil Suppression Essence Qi.

Liao Shaoyun once again released lightning that covered the sky. Chen Xiang then suddenly chopped down his divine saber that contained a powerful force.

"Pa Pa Pa ..." Ten consecutive thunderous rumbles suddenly rang out. It was as if the clouds had split into pieces and rocks pierced through the sky. The sound rumbled in all directions, and the Azure Dragon Devil Slayer itself was shaken to vibrate out a slight sound.

Chen Xiang used Long Xueyi's dragon force combined with his Devil Suppression Essence Qi to unleash the power of the tenth level of Demon Subduing Force, causing ten echoes to erupt. That kind of power was extremely terrifying. It shook the space, penetrated the earth, and burst out like furious dragons, rushing towards Liao Shaoyun without any resistance, then instantly wiping out Liao Shaoyun's violent lightning and passing through his body like a hot knife cutting through bamboo.

This heart-wrenching injury caused Liao Shaoyun to cry out miserably as blood spurted out from his mouth. He never thought that he would be forced to such a state by Chen Xiang. This was an incomparable humiliation to him.

Chen Xiang took a step forward. His hand was like a dragon's claw, and the tip of his claw was filled with formidable dragon force as it slashed towards Liao Shaoyun's abdomen. His five fingers pierced through Liao Shaoyun's stomach, causing him to let out another painful roar. In the meanwhile, Liao Shaoyun also attacked Chen Xiang's back fiercely. As his thunder fist hit on Chen Xiang's back, a wave of blazing electrical light was generated, and Chen Xiang also spat out a mouth of blood.

"Liao Shaoyun...I told I won't let you rest! Back then, it was you who first trampled on my dignity!" Chen Xiang let out a loud shout as he fiercely circulated the Demon Devouring Technique.

Liao Shaoyun felt the Thunder Soul in his body gradually leaving his body, which shocked him a lot. He never thought that Chen Xiang would know how to absorb Martial Souls from others' bodies!

"What are you doing!" Liao Shaoyun was absolutely terrified. His hideous face was full of terror.

"Nothing important. I am just taking something that doesn't belong to you!" Chen Xiang sneered. He knew that Liao Shaoyun must suffer a lot when he merged with his Thunder Soul, thus he would also suffer extreme pains as pain as the Thunder Soul left his body.

Furthermore, Chen Xiang devoured his Thunder Soul in an extremely fast rate. The pain of his Thunder Soul being sucked out caused Liao Shaoyun to fall to mad. The True Qi within his body was surging around wildly, as if it was about to explode.

Chen Xiang was suffering as well. Not only did he have to endure Liao Shaoyun's fierce attacks, he also had to endure the pain of the Thunder Soul entering his body. Right now, he could only temporarily suppress the berserk Thunder Soul inside his body, which was barely achieved with his and Long Xueyi's magic power.

In just a short moment, Liao Shaoyun's handsome face was distorted by pain and became extremely ugly. Chen Xiang's five fingers had already left his body. Looking at the five bloody holes in his stomach, Liao Shaoyun's eyes were bloodshot as he roared ferociously at Chen Xiang, "Chen Xiang, you demon! You devoured my Thunder Soul, you demon ..."

Liao Shaoyun's entire body was in intense pain, but there was still a powerful surge of thunder attribute True Qi within his body. Right now, he was even more berserk. This crazy man ferociously struck at Chen Xiang a few more times, and the lightning he released became even thicker and more berserk.

Chen Xiang only devoured Liao Shaoyun's Thunder Soul. He was still unable to take Liao Shaoyun's power. If he forced to do it, it would only result in his body exploding and his death.

But now, even if he devoured merely the Thunder Soul, he was almost unable to bear it. Beside, he borrowed Long Xueyi's power to launch the series of fierce attacks, and her power was almost used up. If he did not stop, he would return to his original strength. If so, he would definitely be blown to pieces by Liao Shaoyun's berserk thunder.

Chapter 525 Seizing the Soul (Part Two)

Liao Shaoyun fell into a berserk state. He was constantly erupting the energy in his body, making him stronger. Even with the protection of Black Tortoise Armament Armor, Chen Xiang's blood was still surging from the violent thunder.

"Let's leave now. We still have chances in the future, I cannot hold on much longer!" Long Xueyi hurriedly urged Chen Xiang to leave. Because it was a fusion process, she wouldn't give all her power to Chen Xiang, partly for herself and to protect Chen Xiang.

"Let's go!" Bai Youyou coldly shouted. She did not want Chen Xiang to put himself in danger. Now that Chen Xiang had achieved his goal of making Liao Shaoyun seriously injured and obtaining his Thunder Soul.

Chen Xiang was reluctant to leave. He snorted and started running fast. In the blink of an eye, he disappeared from this messy place. There was indeed a chance for him to kill Liao Shaoyun, and that was a very rare opportunity. However, if he failed to hit Liao Shaoyun, then his strength would be depleted, and at that time, Liao Shaoyun would launch a counterattack and killed him.

Therefore, Long Xueyi and Bai Youyou couldn't let him take the risk!

"Chen Xiang, I will do whatever it takes to make you beg for death!" Liao Shaoyun's hair was disheveled and his eyes were red. He raised his head and laughed harshly. That vicious voice spread for hundreds of miles, and almost everyone in the Demon Subduing Academy could hear it.

As long as one was not deaf, he or she could tell that Liao Shaoyun was infuriated by Chen Xiang. This caused everyone to be confused, because Chen Xiang's strength was only at a level that he could not force Liao Shaoyun to make such an oath.

Chen Xiang hid far away and coldly snorted, "what did he do to me back then? I haven't gotten it back yet!"

The moment Long Xueyi's power left Chen Xiang's body, he immediately felt a sharp pain. Even so, he still had to endure it because there was a Thunder Soul that could explode at any time in his body. Right now, he needed to quickly find Xue Xianxian and Leng Youlan.

Chen Xiang was worried that Liao Shaoyun would try to kill the two ladies. Previously, Liao Shaoyun might have some misgivings, but now that he was enraged, he would do anything to deal with him.

With Long Xueyi's help, Chen Xiang quickly found out where the two girls were located. Enduring the pain, he started to run for them.

Both Xue Xianxian and Leng Youlan seemed serious in a forest. When they heard Liao Shaoyun's furious voice, they couldn't help but worry about Chen Xiang. At this moment, they really wanted to find out what had happened. There was a great battle between experts in the Demon Subduing Academy, and Liao Shaoyun was enraged by Chen Xiang. They could not help but linking the two things together.

When Chen Xiang entered the forest, Xue Xianxian and Leng Youlan immediately jumped down from the tree. When they saw Chen Xiang arriving with a pale face, they hurriedly flew over and supported him. The two ladies felt sad of his situation.

"Brother, what exactly happened?" Leng Youlan frowned as she wiped the sweat off Chen Xiang's forehead.

Chen Xiang hurriedly grabbed the hands of the two ladies and solemnly said, "let's leave this place first. For now, there's nothing for us to do."

Liao Shaoyun went into a frenzy for a while before regaining his senses and chasing after the aura left behind by Chen Xiang. Only now did he realize that Chen Xiang did not take the opportunity to kill him because he did not have the ability to.

"He's coming! Although this guy is injured, the True Qi in his body is very thick!" Long Xueyi shouted in surprise.

Chen Xiang, who was originally pulling the two ladies, immediately stopped running. He took out the Luotian Gate and activated it, opening up a spatial gate.

Seeing the spatial gate, Xue Xianxian and Leng Youlan didn't have the chance to be surprised before they were pulled by Chen Xiang into it. The spatial gate disappeared as they entered, leaving no target for Liao Shaoyun who had arrived later.

Chen Xiang's aura suddenly disappeared, which caused Liao Shaoyun to roar out again!

"It's safe!" Chen Xiang looked at the boundless sea in front of him and let out a long sigh. At this moment, he was already exhausted. The Thunder Soul that was suppressed in his body also gradually became violent.

Chen Xiang passed through the Luotian Gate and arrived at a small island that was quite far away from the King's Continent.

Even though Leng Youlan and Xue Xianxian had many questions in their hearts, they didn't ask out. Instead, they placed the powerless Chen Xiang in a more comfortable place.

"Brother, how could you go for Liao Shaoyun? It's too risky." Even the usually bustling Leng Youlan knew that Chen Xiang should not do this.

"That's right. You scared me to death!" Xue Xianxian was indeed frightened by Chen Xiang's appearance to the point that her face turned pale.

Chen Xiang grabbed Xue Xianxian's jade-like hand and faintly smiled, "I'm fine now. No matter what happens later, don't worry. That's a very normal thing!"

As soon as he finished speaking, Chen Xiang's eyebrows tightly knitted together. He knew that he could not suppress the Thunder Soul any longer. At that time, he would need to fuse with it!

He already possessed the Heaven and Earth Fire Soul, while he wasn't sure what rank the Thunder Soul was, but it was very strong. Thinking about the pain of fusing with this martial spirit caused Chen Xiang to feel endless fear.

"What's going to happen?" Leng Youlan's face was filled with anxiety. This was the first time she had seen Chen Xiang like this, which made her extremely worried.

"I am going to fuse with a Thunder Soul! The process will be very painful, but I already get experience, so you don't have to worry about me." Chen Xiang said. He had fused with martial spirits twice and was very experienced. Thus, he believed that he would definitely be able to succeed in doing so.

Hearing that he was going to fuse with a Thunder Soul, Xue Xianxian was quite frightened. Chen Xiang once told her that fusing with the Fire Soul was extremely painful. Even her master, Liu Menger, couldn't bear it.

However, it was not the time to worry. Xue Xianxian must calm down. Her delicate eyebrows creased, as she stood up and looked around, then discovered a large mountain and a small forest on this island.

"Youlan, take Xiang into the forest first. We'll work together to make a cave in that mountain. He cannot be disturbed while fusing with the Thunder Soul." Xue Xianxian calmly said.

Leng Youlan also had a lot of experience, so she quickly calmed down. The most important thing was to get Chen Xiang out of this predicament. Right now, they had no one to rely on but themselves.

At this moment, Chen Xiang's entire body was powerless as he let out a helpless sigh.

Leng Youlan picked him up and giggled, "big brother, I didn't image I would pick you up like this!"

"Youlan, you go first. I will erase all traces of us here!" Xue Xianxian was extremely cautious. She walked behind Leng Youlan and used some special methods to eliminate off their smell and footprints.

After that was the opening of the cave. The two girls used their Demon Subduing Force and their thick True Qi to quickly create a cave. At this moment, Chen Xiang was groaning in pain and his body was surrounded by a layer of electricity.

Xue Xianxian kissed Chen Xiang's lips, her eyes full of worry. She softly said, "dear Xiang, you must hold on!"

After Leng Youlan carried Chen Xiang into the cave, Xue Xianxian cleaned up all the traces left behind by them. Then, she set up an illusory magic array at the cave entrance to conceal the entrance and the sound inside.

Chapter 526 Love in a Cave

Inside the cave that was illuminated by glowing stones, Chen Xiang was lying on the ground covered by a blanket. His body was twitching slightly. As the Thunder Soul slowly broke free from his suppression, his pain gradually intensified.

Seeing Chen Xiang endure such a kind of pain, Xue Xianxian and Leng Youlan were both moved and suffered. But right now, they could do nothing but watch Chen Xiang enduring the pain.

Chen Xiang had fused with Fire Soul for two times. Even though he was in extreme pain, he was still able to bear it. He knew how to fuse with the Thunder Soul.

The Thunder Soul was very strong, but it was not as powerful as the Heavenly and Earth Fire Soul he had fused before. As Chen Xiang began to circulate his Black Tortoise Body Strengthening Technique, his pain lessened a lot, but it still hurt.

While Chen Xiang cultivated his flesh body, he also practiced the Nine Revolving Dragon Divine Technique to improve his soul, in a hope of maintaining the improvement of his physical body and soul in a same rate.

"Brother, what can I do to help you?" Leng Youlan was kneeling beside Chen Xiang and tightly hugged this struggling man. Her face was full of worry, so anxious that her eyes were bursting with tears. She was originally an extremely strong woman, but now she was crying from the pain Chen Xiang was suffering.

Leng Youlan did not know that Chen Xiang was fusing with a Thunder Soul, nor did she know how much pain he had to endure during the process. However, Xue Xianxian was very clear of that. She was biting her lip and said to Leng Youlan, "Youlan, he is fusing with a Thunder Soul. The process is extremely painful, and once he made it, he will become even stronger."

“Sister Xianxian, you’re smarter than me. Please think of an idea! Big brother is about to die from pain.” Leng Youlan got up and held onto Xue Xianxian’s hand, tears rolling down her face.

Seeing the white-haired beauty crying, Chen Xiang clenched his teeth and said, “Youlan, don’t worry about me. I’m fine. I can take it!”

Chen Xiang was telling the truth. Right now, he felt that the Thunder Soul was much easier to deal with than the two Fire Souls he fused earlier.

“But...when I see you in such pain, my heart hurts a lot as well.” Leng Youlan said while wiping her tears.

Xue Xianxian sighed. She wiped the tears off Leng Youlan’s face and softly said, “Youlan, you go guard the cave entrance. I have a plan.”

“What plan?” Leng Youlan’s face immediately lit up with joy as she asked in a hurry.

“Just do what I said. Go guard the entrance.” Xue Xianxian’s face suddenly flushed red, appearing extremely shy. Of course, Leng Youlan could see her current bashful posture.

Although Leng Youlan was curious, she knew that Xue Xianxian did not want her to see anything. However, to alleviate Chen Xiang’s pain, she could only obediently go to the cave entrance. It was only a couple feet away.

“Xianxian....What are you going to do?” When Chen Xiang saw Xue Xianxian’s bashful and charming appearance, his heart involuntarily trembled. He couldn’t help but think of something that caused him to suddenly forget about the pain.

Xue Xianxian’s face blushed even more. She slowly took off her snow-white dress. Chen Xiang, who was in an intense pain a moment ago, seemed suddenly to forget about the pain. He stared fixedly at her graceful posture of undressing!

Seeing Xue Xianxian’s pair of snow-white “rabbits” suddenly jump out, Chen Xiang swallowed his saliva. Although it wasn’t the first time he saw them, under this hazy light, Xue Xian took off her white dress slowly, appearing even more seductive and beautiful.

Very quickly, all of her snow-white dress was taken off. Her beautiful jade-like body was dazzling, as if it was releasing a white multicolored glow.

Under the dim light, her slender and delicate waist, plump and round chest, and delicate and beautiful body were fascinating landscapes, appearing to be holy and beautiful under the vague light.

Xue Xianxian smiled faintly at the stunned Chen Xiang. Her smile was just like a hundred flowers blooming at the same time!

“Is this my fairy wife?” Chen Xiang knew what Xue Xianxian was going to do. His heart was filled with anticipation, but he couldn’t bear to blaspheme his fairy-like wife.

Observing Chen Xiang’s fiery eyes and thinking about what would happen in a moment, Xue Xianxian’s face turned shy. Her jade-like body turned red and seductive. Her hazy and charming actions played the watcher’s mind.

Leng Youlan watched from not too far away, but she felt extremely puzzled. She never thought that Chen Xiang was no longer painstaking or exerting sounds of pain just as Xue Xianxian took off her clothes. She wasn't a man, so she definitely had no idea of that.

"Xianxian....you ..." Although Chen Xiang really wanted to hug his beautiful and moving fairy wife, he knew that he was in a bad situation and might harm Xue Xianxian.

"Stop it, I'm your wife! I'm already yours." Xue Xianxian said softly. Her limpid eyes were filled with love for him.

She bent down and slowly untied Chen Xiang's clothes. Staring at the pair of "jade rabbits" hanging in front of his eyes, Chen Xiang really wanted to take a bite. At this moment, his evil flame suddenly rose up from his abdomen and ignited his entire body, suppressing the pain of fusing with the Thunder Soul.

It was not until then that Leng Youlan got aware of what Xue Xianxian's plan. Xue Xianxian had tell her something between men and women. At that time, she had only felt a little embarrassed and curious, but now that she could see with her own eyes, which made her extremely curious.

"Youlan is still watching!" Chen Xiang's clothes had already been taken off by Xue Xianxian. He didn't expect that the first time of his sexual contact with a girl was dominated by the girl.

"Does it matter?" Leng Youlan asked in confusion.

"Of course. Turn around, don't look!" Chen Xiang yelled. He suddenly felt that the malevolent part of his lower body was being held by Xue Xian's jade-like hand, which led him to let out a groan.

Chen Xiang sighed to himself. He was too useless. His first time was being led by a woman. He felt very humiliated of it.

Seeing Xue Xianxian holding that big cock, Leng Youlan was only curious as to why a man's lower part was different from hers that a man had such a big thing that was usually unexposed...

Xue Xianxian also didn't expect that she would be so bold as to take the initiative to do such a shameful thing. At this moment, her jade-like body also slightly heated up, and her face blushed and alluring. Her shy posture turned him on even more.

Chen Xiang brutally embraced the beauty into his arms. He ignored the pain on his body and crazily pressed the beautiful girl beneath him. Although he was already on the verge of losing his sanity, he knew that he had to give Xue Xianxian a beautiful memory. He suddenly became gentle, and used the back of his hand to gently caress Xue Xianxian's shy face before kissing her warmly.

Xue Xianxian was extremely happy as she found her act working. At this moment, she was also crazily sucking the liquid in Chen Xiang's mouth, and twisted her fragrant tongue with that of Chen Xiang.

Chen Xiang kissed Xue Xianxian as he stroked her white breasts. When both of them reached an orgasm, they were already gasping for breath and became pretty turned on.

"Xianxian, I'm coming in!" Chen Xiang muttered to himself, his voice trembling with excitement.

"Yes!" Xue Xianxian's eyes blurred as she replied. She was filled with anticipation and a bit of fear; her mood was extremely complex.

It did not take long for Chen Xiang to find the right place to insert his cock.

“Ah, it hurts, easy!” Xue Xianxian let out a pained cry.

“Hmm ...”

Leng Youlan was enchanted as she saw them making love. She now knew why Chen Xiang asked her to turn around. Even though she couldn't see anything clearly in the hazy light, it slowly made her feel a little shy, especially after observing Xue Xianxian snorted painfully following a beautiful moans, that she felt an indescribable feeling in her heart.

Chapter 527 A Naive White-Haired Beauty

Even though the cave was simple and crude, it was full of love and romance. The sounds of chastity and gasps echoed throughout the cave, while a woman's groan the a man's gasps could be heard ...

Chen Xiang and Xue Xianxian were wrapped around each other as if they were the only two people in this world. They were completely immersed in the joy of love and ecstasy, as if they were a unity. Deeply diving in the pleasure, they forgot everything else in the world.

Leng Youlan sat by the entrance and used a stone to draw a picture on the ground with her small mouth slightly pursed. She couldn't understand why Xue Xianxian and Chen Xiang would be so happy, but for her, it was very boring and embarrassing.

If she was an ordinary woman, she would be so shy that she would want to find a hole to burrow into, but Leng Youlan didn't think so. In her eyes, this was just something she had never seen before, and she observed it now, thus the novelty lapsed very soon.

It was precisely because of this that Xue Xianxian was not worried about Leng Youlan at all. She knew her very well, so it would not be a big deal even if Leng Youlan were to take a look.

However, the two girls in Chen Xiang's ring, as well as Long Xueyi the little dragon girl, were different. They were quietly humming, especially Su Meiyao and Bai Youyou whose faces were so red like they were bleeding. Although they had lived for a long time, they had not gotten any sexual experience before, nor did they know what it felt like, but they knew how comfortable it was.

“Sister ...This little scoundrel will come frequently in the future. There will be a second time one he does it once. It is truly a torture for us!” Su Meiyao coquettishly snorted.

Bai Youyou suddenly gave an ambiguous smile. “Sister, do you want to try it out with him? He's good, at least not disgusting! ”

Su Meiyao's eyes were wide open, “sister, you've changed too much!”

Bai Youyou gathered her beautiful hair and gave a gentle smile on her ice-cold face. “Can you promise not to be taken advantage of by this little scoundrel in the future?”

“Who knows what will happen in the future? Anyway, I know this little rascal must want to take advantage of us. He is always that bad.” Su Meiyao snorted. When she thought about the time when Chen Xiang watched her and Bai Youyou's bare body, her face would heat up.

“To be honest, I still feel so good kissing last time.” A sweet smile appeared on Bai Youyou’s face. After being together with Bai Youyou for so long, this was the first time Su Meiyao saw such a cold and noble beauty with such a seductive expression.

Chen Xiang didn’t know how long he spent with Xue Xianxian. He only felt an incomparably comfort and pleasure assaulting his heart, making him feel extremely comfortable.

At this moment, both of them were very tired. They tightly hugged each other and fell asleep. Both of them had experienced a sharp pain, but after that, they enjoyed the wonderful and intoxicating joy of the peak, which caused the lovers to throw away all their worries and sleep nicely.

Seeing that Chen Xiang was fine, Leng Youlan let out a sigh of relief. She secretly said in her heart, “could it be that sister Xianxian not allowing me to sleep with brother naked because she was afraid of us doing something like this?”

“Men are really strange. They would be very different as they see beautiful women. Last time when big brother saw me naked, he appeared to be eager to throw me down. Big brother is indeed a rascal. No wonder the master called him that every day... Master is a great beauty. Could it be that brother has done something do her?”

The bored Leng Youlan couldn’t help but to let her imagination run wild ...

A night passed. Chen Xiang had unconsciously fused with the Thunder Soul, which surprised Su Meiyao and Bai Youyou a lot. They never imagined that under such circumstances, Chen Xiang would be drugged and easily fuse with the Thunder Soul.

When Chen Xiang and Xue Xianxian woke up, they saw Leng Youlan sitting at the side with her eyes wide open and curiously looking at them in an embrace.

Originally, Chen Xiang wanted to linger with Xue Xianxian for some while, but he was merging with his Thunder Soul, while Leng Youlan was here, which made him extremely embarrassed.

When Xue Xianxian saw Leng Youlan looking at them with a curious gaze, she felt bashful but at the same time found it funny.

“Huh? Which one of you is injured?!” Leng Youlan shouted as she looked at the bloodstained white blanket.

This caused Xue Xianxian to be embarrassed. In the meanwhile, Chen Xiang released some water to rinse off the liquid left behind after the love between the two of them.

Chen Xiang couldn’t help blushing while Leng Youlan stared at his balls.

"Brother, what is it? Why don’t I have it? " Leng Youlan asked curiously.

Her query caused Xue Xianxian to laugh involuntarily. She knew that Leng Youlan didn’t know anything, so she didn’t have any scruples.

After joining with Chen Xiang, Xue Xianxian finally felt that she was Chen Xiang’s wife. Moreover, she wasn’t as conservative as before. She pinched Chen Xiang’s waist and said with a sweet smile, “your sister asked what those two things are? Answer her!”

Chen Xiang hurriedly wrapped a piece of cloth around himself. He was worried that Leng Youlan would reach out to grab it. As he cleaned Xue Xianxian's jade-like body, the evil flame in his body rose once again, then a small tent appeared in his upper part, caused Xue Xianxian to snort.

"That's my secret weapon ..." Chen Xiang gave a vague answer. He could not understand that Leng Youlan knew nothing of men and women after staying such a long time with Xue Xianxian. Besides, her breasts were slightly bigger than that of Xue Xianxian.

Leng Youlan's eyes immediately lit up. "Brother, you have two of them. Can you give me one to play with?"

"Haha ..." Xue Xianxian laughed out loud. Her "snow rabbits" were shaking, while Bai Youyou and Su Meiyao in the ring also giggled.

Chen Xiang was completely speechless. He rubbed Xue Xianxian's sparkling chest before hastily putting on his clothes, after which he solemnly said, "Youlan, you can't take them. They are the root of my life! I was born with them. I didn't know how you grew up. How could you be so naive? Normally, you look so domineering, but now"

"Why don't I have them?" Leng Youlan said gloomily as she scratched her white-haired head.

"Don't you know what the dick or balls are when you scold people?" Chen Xiang suddenly felt the need to teach his innocent little sister a lesson so that she wouldn't be tricked by others in the future.

Xue Xianxian chuckled, "Youlan, those two things are bad. Men do bad things on women because they have them."

"How should I know? I don't have them, neither do sister Xianxian, nor did master teach me! The next time I see master, I will ask her about this." Leng Youlan stuck out her tongue. "I'm not stupid, but no one has taught me."

Chen Xiang rubbed his chin and laughed, "that's right. The next time you meet big sister Menger, you must let her teach you about this until you understand everything."

His words made Xue Xianxian want to ruthlessly step on him.

After Xue Xianxian dressed up, she let Leng Youlan comb her hair, while she asked, "dear Xiang, how did you manage to escape from the dungeon? What happened to the Demon Subduing Academy?"

Chapter 528 First Attempt of Spirit Travel

Chen Xiang told the news about Zuo Zhenxuan to Xue Xianxian and Leng Youlan, which shocked them a lot. They didn't expect that the war that broke out in the Demon Subduing Academy was caused by Chen Xiang.

"Brother, where did you get the Thunder Soul?" Leng Youlan asked as she carefully combed Xue Xianxian's hair.

"Liao Shaoyun obtained it from Zhong Quan, and I defeated him then took it over. I almost killed Liao Shaoyun." When Chen Xiang recalled this matter, he still felt not resigned. At that time, he only needed a bit more time and strength to kill Liao Shaoyun.

Almost killed Liao Shaoyun? That required highly formidable strength, but Chen Xiang was able to do it. This caused the two girls to be astonished.

"I used some methods to raise my strength. It is extremely harmful to my body. You all know that if I don't kill Liao Shaoyun, the anger in my heart will never dissipate." Chen Xiang shook his head and sighed.

"This is too risky!" Xue Xianxian rolled his eyes and snorted.

"Brother, don't do such a dangerous thing in the future. We will be very worried about you!" Leng Youlan hugged Chen Xiang. She didn't know what kind of feelings she had for Chen Xiang. In short, she wanted to stick to Chen Xiang and didn't want to part with him.

Chen Xiang hugged Leng Youlan and stroked her white hair as he said with a smile. "My little sister, in the future, you must promise me not to do anything dangerous. We are different. My ability to escape is invincible!"

"Hmph!" Leng Youlan let out a soft snort.

Chen Xiang's ability to escape was indeed impressive. At the moment, both Xue Xianxian and Leng Youlan were unclear as to why Chen Xiang brought them to the small island by the sea. The Demon Subduing Academy was located in the middle of the huge King's Continent, and they had to cross a very long distance to reach the sea.

"Brother, you're so amazing. Am I not able to follow you around the world in the future?" Leng Youlan said in a sad tone.

"Of course not. I will bring you along if I have the chance!" Chen Xiang lovingly touched her cold and beautiful goose egg-shaped face.

Xue Xianxian, who just became a wife, appeared even more beautiful and attractive. Her skin was moist by Chen Xiang, and her cheeks were flushed red. She laughed softly, "Youlan, don't underestimate yourself. We will definitely catch up to him in the future!"

Leng Youlan nodded her head. Her face was full of smiles when she thought about how she could run around with Chen Xiang in the future.

"Rascal, we can't go back to the Demon Subduing Academy right now, can we?" Xue Xianxian said. The great battle among the Nirvana Realm martial artists was world-shaking. If Zuo Zhenxuan lost, he would only be courting death.

"We will go back in a few days. Now I need familiarize myself with the Thunder Soul. You can take Youlan to wander. I am worried that she will get stuffy." After fusing with the Thunder Soul, Chen Xiang's physical body had already advanced to the 20th phase of the Demonic Immortal Body. His divine soul also seemed to be around twenty years old. The next step, which was also the final stage of his growth, would be the transformation phase of the divine soul.

Xue Xianxian held onto Leng Youlan's hand and left, allowing Chen Xiang to cultivate in peace.

“Little dragon, teach me the Spirit Traveling in Nine Heavens Technique!” Chen Xiang said. He had been willing to learn it for a long time. After mastering this technique, he would be able to know what was going on outside even if he were to hide himself.

“You just passed the growth stage, so you can’t just wander around like me with your soul. At most, you can only move around in this island. If you go any further, your soul will probably be unstable blown away.” Long Xueyi said with disdain.

After being reprimanded by the dragon in such a disdainful tone, Chen Xiang was extremely unhappy. At the same time, he also cursed inwardly. He had trained his soul to such a degree but could only use the Spirit Traveling in Nine Heavens Technique to hop around on this small island. This was too deceitful.

“Whatever, teach me first!” Chen Xiang responded with reluctance. This small island wasn’t small either, so it was quite useful if he could learn it.

“You little rascal, you plan to use the Spirit Traveling in Nine Heavens Technique to peep into others’ baths, don’t you?” Long Xueyi pouted and said.

“What are you thinking about? You view me too low. It is not necessary for me to sneak a peek. As long as I open my mouth, I can casually look around.” Chen Xiang said smugly.

“Hmph, do you dare to watch sister Meiyao and Youyou taking a bath? ” Long Xueyi said with disdain.

Chen Xiang shrugged his shoulders. He really did not have the gut.

“Enough of your nonsense, hurry up and teach me the Spirit Traveling in Nine Heaven Technique.” Chen Xiang said.

“It is also a divine art. At a certain level, one could separate his or her soul from the body. Now, I can only release my consciousness and grant it with five senses! If your soul becomes even more powerful, in the future, you could send your soul far away, use it to attack or manipulate items, or control it to use all sorts of powerful technique with magic power. It would be very formidable.” Long Xueyi proudly said. This divine art was exclusive in their Royal Dragon Clan.

Something suddenly appeared in Chen Xiang’s mind. It was a part of the Spirit Traveling in Nine Heavens Technique. The moment it entered Chen Xiang’s mind, he felt that he had already memorized the chant of this technique.

“It’s pretty simple!” Chen Xiang smiled slightly. If he wanted to detach his divine sense from his body, he only needed to be quiet, strengthen his divine sense, allow it to protect itself and generate five senses. It felt like he was watching something with his own eyes, with the only difference that he did it with divine sense in this case.

Chen Xiang had a solid foundation. In order to reach the state of spirit traveling, one must first have a powerful physical body. If the physical body got disturbed, the consciousness that was released would also be affected and dissipate easily.

He took a deep breath and calmed himself down. According to those methods, he turned his divine sense to a state similar to his soul, then separated it from his body, then let it go through the mountain rocks and float outside.

Very quickly, he saw a blinding light in front of him, which caused him to let out a miserable scream. His head hurt, and all the consciousness he had released completely dissipated.

“What’s going on?” Chen Xiang held onto his aching head and asked. He felt that he had succeeded just now because he saw sunlight, as if he had seen it with his own eyes. It was a very strange state, as if he could fly and escape without any restrictions.

“Your soul is too weak. The soul power you released can’t withstand the sun, so it melted! You better practice at night! Soul is negative. When one is using the Spirit Traveling in Nine Heavens Technique, his divine sense will absorb a certain amount of soul power to form a fake soul. If the soul power is not strong enough, therefore, it could hardly survive under the sunlight.” Long Xueyi said.

Chen Xiang didn’t expect that there would be so much complex knowledge involved in the technique.

“This way I must wait until night.” Chen Xiang helplessly sighed, “little dragon, go check the situation of the Demon Subduing Academy. If Zuo Zhenxuan wins, we will immediately head back.”

Long Xueyi responded, “I’ve been watching it for a while. My soul is getting stronger and stronger. Don’t be surprised, this is the power of our Royal Dragon Clan. Humans will never be able to match it!”

"I don't believe it. One day I'll kill a royal dragon in front of you. "

“Stop bragging! Take those two beauties back to the academy! Zuo Zhenxuan won the battle!” Long Xueyi said with disdain.

Chapter 529 Visitors From the Heavenly Realm

Zuo Zhenxuan won! The message made Chen Xiang overjoyed. He hurriedly rushed out of the cave to find Leng Youlan and Xue Xianxian. The two girls were playing with the water on the beach, which led their bodies wet. Their thin and tight clothes shew up fascinating curves, leaving Chen Xiang who just experienced the sexual fulfillment unconsciously turned on.

“There will be plenty of opportunities in the future. If there is the first time, there will be the second and third....” Chen Xiang recalled the joy he obtained when he made love with Xue Xianxian.

Chen Xiang ran over and took out the Luotian Gate.

“Dry your clothes. We’re going back. The old man won.” Chen Xiang laughed as he greedily swept his gaze at the two ladies’ alluring and moist bodies.

The two ladies let out a wave of heat and instantly dried their clothes.

“Brother, did you bring us here last time with this thing?” Leng Youlan asked curiously.

“Exactly. That is your brother’s treasure. I rely on it to escape!” Chen Xiang laughed.

“More precious than your two balls?” Leng Youlan asked with blinking eyes.

Seeing Leng Youlan’s serious expression, Xue Xianxian laughed coquettishly, “Youlan, why do you keep thinking about your brother’s balls?”

Chen Xiang was also speechless. It was truly a terrifying thing that Leng Youlan the violent girl kept thinking of his balls, because she often said vulgarities like "I'll blow your balls up". This was something she learned from her father.

"Damned girl, I already said that those two balls are the root of my life! Go ask sister Menger. She'll tell you in detail." Chen Xiang patted her head and pinched her face.

"Would you not be able to pee without those two balls?" Leng Youlan asked innocently, like a curious child.

Chen Xiang felt a headache. "Didn't you often say something about catching an egg or something? That's what it means. It's the most vicious attack against a man. You can use it against others, but never to me. It is pretty severe. And, of course, I should still be able to pee even without them."

"You two siblings stop chatting! Let's go back quickly!" Although Xue Xianxian was smiling coquettishly, her face had completely blushed.

Chen Xiang suddenly had an evil idea. He wanted to sacrifice something so that Leng Youlan could experience that kind of thing personally. This way, she would learn some knowledge.

Of course, he knew that Xue Xianxian would not agree for the time being since Leng Youlan's feelings towards Chen Xiang were still very vague.

After entering the spatial gate, they came to the outside of the Demon Subduing Academy that had undergone a thorough change. The beautiful forest and hills were gone; everything was scorched black. Many high mountains had collapsed, and the earth was filled with cracks. However, the Academy was basically intact, only two high halls of which collapsed.

Chen Xiang released Zuo Zhenxuan and was his savior. Therefore, he and the two ladies would definitely enjoy an easy life in the Demon Subduing Academy in the future. Thinking of this, he became excited and pulled the two girls' hands as he ran over.

Along the way, he could see many students of the Demon Subduing Academy, their faces filled with fear and doubt. Just now, they felt as if the world was about to be destroyed, and they were still shocked by the majestic scene of battle.

Seeing Chen Xiang carrying two beauties running towards the Academy, all the male students were filled with jealousy and envy. At this moment, the Demon Subduing Academy had already calmed down, and there were also some bold people who ran towards the it like Chen Xiang.

"For all the students of the Demon Subduing Academy, if you still want to stay in the school, then hurry up and gather at the Grand Martial Arts Practice Field!" Zuo Zhenxuan's voice was full of majesty, making it impossible for others to resist. The Demon Subduing Academy was also enveloped by his might.

Although many people were puzzled, they knew very well that he could have killed all of them if he wanted.

The Grand Martial Arts Practice Field was a huge square. Normally, it was the gathering place of students at the Academy, but now on the high platform laid several corpses of old men. All of them died

very miserably. Some of them got their heads shattered, and others were crushed into flesh and blood; only the principle Liu Yufang was still alive, but her face was pale white, and her head was stepped on by Zuo Zhenxuan on the ground.

When the students who came here saw this scene, they couldn't help but shiver in fear, since the incomparably formidable principle and those mysterious elders were all defeated by Zuo Zhenxuan!

Everyone was immediately filled with fear towards this old man, Zuo Zhenxuan. This kind of strength was extremely rare in the mortal world!

Many people thought that Zuo Zhenxuan was here to destroy the Demon Subduing Academy, but they felt more at ease as they saw the chancellor Zhao Ting, Yu Baixiang and other teachers standing behind him.

"I am Zuo Zhenxuan, the former principal of the Demon Subduing Academy. Three hundred years ago, this old woman colluded with these bastards to conspire against me. They imprisoned me in the dungeon! For tens of thousands of years, my contributions to the school had been erased from the annals of history by this wicked woman! The teachers behind me can testify to this! From today onwards, I will reinstate my administration of the Demon Subduing Academy." Zuo Zhenxuan's voice was loud and clear, resonating in all directions. It was like thunder in everyone's ears, making them feel powerless.

"Those who don't want to stay in the Academy can leave now. I will not prevent you!"

Many students were dissatisfied with principle Liu Yufang because she always protected those who violated the rules, which led those bad guys acting tyrannically in the Academy and bullying the weak. Now that Zuo Zhenxuan had displayed his powerful strength, the crowd had no choice but to accept it.

"Hmph!" Zuo Zhenxuan gave a cold snort and kicked Liu Yufang in front of Chen Xiang!

Everyone was shocked again as they saw such a scene. Why did Zuo Zhenxuan kick Liu Yufang to Chen Xiang? Soon, everyone remembered that Chen Xiang had escaped from the dungeon. They began to guess that it was Chen Xiang who released Zuo Zhenxuan!

"Chen Xiang, it really is you! I should never have locked you in the dungeon. " Liu Yufang said malevolently, her face full of regret.

"I said, I will not rest until you die!" Chen Xiang's expression turned ice-cold as a green light flashed in his hand and the Azure Dragon Devil Slayer appeared. A cold killing intent gushed out from the blade, causing the people around him to shiver.

Liu Yufang suddenly laughed sinisterly, but it was as if she was crying. "Chen Xiang, are you really going to kill me? I've already informed the Demon Suppression God Shrine. It won't take long for someone descends from the Heavenly Realm, and all of you will die by then!"

"So what?" Chen Xiang raised his broadsword while Zuo Zhenxuan's expression turned serious. He knew that Liu Yufang was telling the truth.

However, he wasn't worried at all, because he could blame all of this to Chen Xiang. He could claim that he killed those accomplices for revenge, and it was Chen Xiang who killed principle Liu Yufang. Besides, the Demon Suppression God Shrine could hardly find another formidable principle if they put him down.

Just as Chen Xiang was about to slash down with his blade, a powerful spatial energy suddenly came from the sky. A huge cyclone appeared in the dark blue sky and an extremely powerful aura came out from it.

Chapter 530 Eclipse

A threatening aura crazily surged in the sky, creating a breathtaking atmosphere that made everyone unable to breathe. A middle-aged man in a white robe suddenly appeared from within the whirlpool in a peaceful manner.

The aura released by the middle-aged man was very strong. He was currently looking at Chen Xiang and frowning slightly, after which a wave of pressure immediately enveloped Chen Xiang's body, almost causing him to kneel on the ground.

Chen Xiang's blood rushed in all directions due to the invisible pressure. He almost vomited blood. Then he secretly clenched his teeth and circulated his dragon force. The dragon power shook within his body and dispersed the pressure, following by a highly raised slayer that fiercely chopped down.

"Keep him alive!" The scholarly middle-aged man let out an explosive shout as he waved his hand to release a ray of light. At the same time, his entire body suddenly flashed and appeared in front of Chen Xiang.

He released a white light that hit Chen Xiang, but Chen Xiang knew ahead that he was going to make a move, so he used the Water Mirror Technique to dodge it. The white light landed on the illusionary statue and poured into the ground. The force was highly concentrated. It straightly penetrated to deep earth and exploded beneath it, causing a considerable chaos.

Just when the middle-aged man thought that he killed Chen Xiang, Chen Xiang's blade had landed on Liu Yufang's neck.

Liu Yufang's body was suppressed by a pressure. Now that her head was suddenly severed, the blood that was churning in her body spewed out. It was like a fountain as it violently sprayed onto the middle-aged man's body.

The entire crowd was in an uproar. Everyone was alarmed as they looked at the fountain of blood sprinkling onto the elegant middle-aged man in white.

Everyone could guess that this middle-aged man was probably sent by the Demon Suppression God Shrine of above the Heavenly Realm, but no one expected that Chen Xiang dared to behead Liu Yufang in front of him. This young man really got the gut!

Even the elegant middle-aged man did not expect it. He originally thought that Chen Xiang would stop, but at the same time Chen Xiang dodged his attack, he also cut off Liu Yufang's head. His speed was so fast that the middle-aged man was speechless.

Now his body was covered by blood, and a hideous head was placed on the ground in front of him. Liu Yufang originally thought that she had been saved and was in high spirits, but she never expected that Chen Xiang would be such a bold person. Although Heavenly Realm send a delegate down, he still dared to kill her with his saber!

Everyone present swallowed their saliva. The scholarly middle-aged man was also stunned. He glared at Chen Xiang and said, "you ...How dare you! Go death!"

The middle-aged man was extremely angry. He felt like he had been provoked by an ant. He waved his hand to released a powerful energy, accompany by a "sou sou" sound, creating a strong shockwave as it charged towards Chen Xiang.

Chen Xiang wanted to escape, but Zuo Zhenxuan suddenly leaped over. He pushed out both his palms, blocking the force into the sky, creating a gust of air and a whooshing sound.

"Although you are sent by the Demon Suppression God Shrine, you should still act according to the rules of the Mortal Realm! You haven't figured out what's going on, while you have attacked someone who's so much weaker than you twice. If the message is leaked out, the Demon Suppression God Shrine will definitely lose all its face." Zuo Zhenxuan said coldly. He wasn't afraid of that middle-aged man.

Chen Xiang let out a slight sigh of relief. He was terrified when that scholarly middle-aged man appeared. He did not plan on killing Liu Yufang, but that refined middle-aged man wanted to kill him, which provoked him to made the cold-blooded decision of beheading her.

"Don't worry, this fellow's strength is not as strong as your master. No one could use the strength exceeding the eighth level of Nirvana Realm in the mortal world, except in the Profound Realm!" Long Xueyi said.

Once one passed the ninth level of the Nirvana Realm, he or she would be sensed by a mysterious power, then sucked into the Heavenly Realm!

No one could escape the fate. Therefore, someone with Huang Jintian's strength could only hide in the Profound Realm. This elegant middle-aged man's was at most with relatively thick True Qi. Otherwise, his attack would not be easily blocked by Zuo Zhenxuan.

Zuo Zhenxuan had a certain amount of resentment towards the Demon Suppression God Shrine, since it made the decision of locking him in the dungeon, thus he naturally had to protect Chen Xiang at this moment.

The scholarly middle-aged man looked at Liu Yufang then Zuo Zhenxuan before coldly saying, "Liu Yufang colluded with some people to usurp the position and use resources of Demon Subduing Academy for her own benefits. We have already investigated this point clearly. Even though this is the case, she will not be punished to deaths! Besides, it's not that boy's turn to behead her. "

The middle-aged man stared at Chen Xiang and shouted, "My name is Zheng Chu, I was sent by the Demon Suppressing God Shrine of the Heavenly Realm to deal with the urgent matters of the Demon Subduing Academy!"

His voice shook the sky and his imposing manner caused everyone extremely uncomfortable. They all secretly hated this person called Zheng Chu. Heavenly Realm sent someone down, which was fine, but he released such a pressure to frighten them, which was intolerable.

“Are you from the Demon Subduing Academy?” After Zheng Chu revealed his identity, his tone became even more forceful. It seemed that he had to punish Chen Xiang in order to intimidate these people.

“Yes!” Chen Xiang replied. He was also prepared to escape at any time. Seeing his fearless expression, both Xue Xianxian and Leng Youlan let out a sigh of relief.

“Liu Yufang should have not been executed due to her crimes, and you don’t have the authority to kill her, so you have to undertake a severely punishment.” Zheng Chu snapped.

“Punishment?” Chen Xiang’s brows twitched, “I have a grudge against Liu Yufang, and it is only a personal matter for me to kill her. What does that have to do with you?”

“You bullshit!” Zheng Chu was infuriated. True Qi in his body exploded out, inducing to earth-quake and mountains shook. Lightning flashed and thunder rumbled. However, he only saw a smile on Chen Xiang’s face. After that, a stream of water shot out from beneath Chen Xiang’s feet and Chen Xiang disappeared.

The water escape art of Black Tortoise Divine Technique allowed people to quickly escape to the place with water the closest to him. At this moment, Chen Xiang’s True Qi as very thick, so the speed at which he used the water escape art became even faster, allowing him to escape even further. In the blink of an eye, he had appeared in a river very far away from the Demon Subduing Academy.

“Bastard! How stifled I am! I don’t even have the power to defense against such a guy!” Chen Xiang said with sacred. His strength was too weak. Not to mention those who had survived the eight tribulations of the Nirvana Realm, he couldn’t even deal with a Hundred Smelting Realm martial artist. Right now, he couldn’t wait to let his strength soar.

Chen Xiang sat by the riverbank and recovered his Profound True Qi, but the sky gradually darkened. He raised his head and saw that the raging flames in the sky had already been partially blocked.

“Eclipse!” This was the first time he had seen such a scene.

After observing the phenomena, he hurriedly took out his Luotian Gate and looked for locations closed to the Sun and Moon Island. He had obtained a map from the Medicine King, Li Tianjun, which recorded that there was the top one Profound Realm in the Sun and Moon Island, and it was the biggest treasure trove in the Mortal Realm. Inside it were many precious spiritual medicines. Li Tianjun was chased down by many people just because he got the news about this Profound Realm.

World’s top one Profound Realm opened only in the time of eclipse. Chen Xiang had missed it once, so he absolutely could not afford to miss it this time!
