

Dark Ages 1081

Chapter 1081 - Eternal Mirror, copy the "master"

Upstream of nothingness, rolling torrents freeze, a figure stepping down the torrent of halt step by step, each step gives a powerful oppression.

The appearance of this person changed the looks of the five immortal people inside the gate of eternal life, and they all stepped forward, kneeling in front of them respectfully, meticulously, like five loyal dogs.

“Are you finally out?” Qin Tiange not only wasn’t surprised when he saw someone, but showed a cold smile.

He seemed to have expected it. Like the owner, his eyes flickered, staring at the terrible figure that came down step by step, and the huge axe in his hand was trembling.

“Eternal beings, although strong and weak, as eternal beings, you bow your knees like a dog, no wonder they are so weak.”

Qin Tiange suddenly showed a touch of pity, looking at the five eternal beings who bowed down, a look of disdain appeared on his face.

As an eternal being, he bowed his knees to others, and he lost his pride and lost his nature.

Everyone is an eternal life. Although there is a difference between strength and weakness, but they are also at the same level and the same level of existence, how can they be so humble as a dog?

“you...”

The five immortals looked at Qin Tiange with resentment. This remark was too heartfelt, and it was simply arousing the inner anger of the five immortals.

Not to mention, the five eternal beings heard these words, and at the same time ashamed and angry, they also felt a sense of identity unconsciously.

That’s right, why are you both humbled to others who are also eternal? Is it because the opponent is stronger than himself, and must bow down and surrender like a dog?

The immortal has an indelible mind, and the strong should have the dignity of the strong, but the five immortals in front of them have lost their dignity.

“Humph!”

A cold hum came, shaking the five immortals with a pale face, and all the unwillingness and resentment that had been born were shaken away.

The five of them looked terrified and knelt there, apparently afraid to move. Qin Tiange and the owner of the pan shook their heads. Such garbage, if not kept useful, might have been chopped clean.

“Two ants, let Er wait for the five eternal beings, what’s the use of Liu Er?” The man stood in front of the five eternal ones, his words indifferent, with a relentless charm.

After hearing this, the five eternal beings had a distorted face, resentment in their hearts, and some fear, apparently they had been planted.

“Adult is angry, his subordinates have done their best.”

The five immortals were panicked, Qi Qi kneeling and begging for mercy, watching Qin Tiange and Pan Zhu could not help frowning, ashamed.

“Poor, lose the strength and dignity of the strong, useless, just cut it clean later, leaving it is annoying.” Pan Zhu said unhappy.

As an eternal person, he kneels at others, like a dog. What use is there to keep it? He has decided to wait and kill it.

“Arrogance!”

On the opposite side, the mysterious strongman Lengheng who just arrived, looked down at Pan Zhu and Qin Tiange coldly, his eyes were full of ice-like murder.

He said one word at a time: “Enemies against the Temple of Eternal Life, you and the two immediately arrested, go back with me to listen to the fall.”

“roll!”

A loud anger came, and in response to the pan master’s fierce axe, it banged on the gate of eternal life, causing a huge shock.

The powerful axe light penetrated the gate of eternal life and struck directly in front of that creature, but unfortunately it disappeared within three feet.

The mysterious powerhouse was terrible, and the owner’s gaze was fixed, and he waved his hand: “After that, you step back and we will fight hard.”

“Well, you’re careful!”

Behind me, the mysterious woman, slightly stunned, stepped back on a quaint stone bridge and stood looking at the crack in the river of nothingness.

Seeing her stepping back, the disc master was relieved, his eyes revealed two beams of horror, the giant ax was buzzing, and the light of opening heaven was shining.

“Unlucky, let’s wait and kill!”

Inside the gate of eternal life, the mysterious strong man snorted, and suddenly a crack opened in his eyebrows, and a strange eye opened slowly.

That eye was a heavy pupil, exuding an endless horror and fluctuations, as if one glance could make the true soul rot.

“Dan, you blocked them for a while, I swallowed the gate of eternal life.”

Suddenly, Qin Tiange spoke, surprisingly, almost scaring the five immortal people in the gate of eternal life.

Even the mysterious strongman froze, three eyes stared at Qin Tiange, looked at him up and down, and soon a hint of suspicion appeared.

“Okay, look at me!” Pan Zhu laughed loudly, waved a huge axe, and burst out with strength, and one billion and eight million chaos exploded.

Immediately, Qin Tiange moved, stepped forward, and raised his arm with a punch, hitting the immortal gate with fierce strength.

With a bang, the whole immortal door trembled, and the closed door was suddenly broken on the side of the door, opened by a fist student.

“kill!”

When the immortal door was opened, the owner of the panic shouted and slashed with a giant axe. Once a person rushed through the immortal door, the giant axe slashed in front of the six eternal beings inside.

The unmatched strength made the mysterious strong man unable to help but change his face, startled.

when!

A mirror emerged in front of me, and the hazy light shone on forever, blocking the master’s axe to slay, revealing the powerful breath of eternity.

It was an eternal mirror, with terrible power, which blocked the owner’s huge axe, it was incredible. boom!

But the power contained in the blow still burst apart, shaking the five immortal beings all around, aghast.

“Damn, how could it be so strong?” The five immortals were horrified with an incredible look on their faces, and were frightened.

Suddenly the power of the disc master burst out, a lot more than before, as if not exhausted before, hiding most of the power.

“Pan master concealed Xiuwei?” The five eternal beings were furious and afraid.

And the mysterious strongman, squinting his eyes, staring at the owner of the pan up and down, felt the terrible threat from the opponent.

He snorted coldly, “Dish, good, no wonder your name appears on the eternal monument in the Temple of Eternal Life.”

“Oh?” The owner unexpectedly laughed. “The eternal monument appears with my real name. It seems that your eternal life hall has been scared?”

The words made the opposite mysterious strong look gloomy, humming: “You are a disk, the degree of threat, ranked second on the eternal monument.”

The owner’s eyes flickered, and he laughed, “Who was the first threat? ...”

Then he looked at Qin Tiange, and sure enough, the mysterious creature's gloomy eyes suddenly realized something.

“Threat first, owner: Qin Tiange, are you Qin Tiange?” He was surprised, there were two powerful threats here.

In the eternal life hall, there is a monument that can predict the existence of some threats, and some real name information will appear on it.

Originally, the first and second on the eternal monument were not Panzhu and Qin Tiange, but the real names and information of the two people suddenly appeared recently, and it immediately shocked the eternal life hall.

Then I ran down and looked at it. The result was unbelievable. It was really two terrible threats. The second owner of the plate had already threatened him.

“My lord is careful, he is very strong, the owner is even more weird.”

Next, the five eternal beings reminded that they seemed a little scary, and never thought that the owner and Qin Tiange Qiqi appeared on the eternal monument.

Thinking of this, the five of them couldn't calm down, one by one, showing their murderous intentions, and decided to eliminate two terrible threats.

“Hum, work together with this seat to get rid of the threat of these two immortal halls.” The mysterious powerhouse simply made a decision.

As soon as the words fell, he and the five eternal beings killed together, and he wanted to be the first to kill the master here.

As for Qin Tiange, he was standing in front of the gate of eternal life, and was constantly exuding a terrifying atmosphere, and there was a terrible wave permeating all over his body.

“Rise!” I saw, Qin Tiange sighed, his body skyrocketed, his body rumbled wildly.

In the blink of an eye, he turned into an uncountable giant, standing in front of the gate of eternal life, holding his arm firmly in his arms.

With a bang, upstream, the five eternal beings were horrified and scared by the scene in front of them, and the mysterious strong man changed his face even more.

“Not good, stop him!” Suddenly, the mysterious creature sighed and felt bad, rushing to block Qin Tiange's actions.

However, the master of the plate chopped up with an axe, blocking him directly, and even scoring a horrific axe, including the other five eternal beings.

“kill!”

Bang ...

The war began, and the master of the game had six enemies, and wielded a huge axe alone to fight six immortals, including a mysterious and terrible strongman.

This mysterious strongman is much stronger than the other five eternal beings.

Uh ...

Billions of times of swift fighting caused a collapse of nothingness, and the strength of the master of the plate immediately struck the head of one of the immortal with an axe.

With a click, the immortal was severely hit, splitting his head, and the headless body retreated continuously, recovering the blown head.

“what...”

“kill him!”

The remaining four eternal beings, under the union of the mysterious strongman, resolved the power of Pangu one by one and launched a fierce counterattack.

“Eternal Mirror!”

Suddenly I drank, and saw the powerful mirror above the head of the mysterious power tremble, and a horrible light came out.

When the mirror shined, Pangu’s body was enveloped in an instant, and suddenly, a magnificent figure came out of the mirror.

“what?”

The master of the pan was horrified, watching the figure coming out of the mirror, exactly like him, holding a giant axe, and his breath was equally powerful and terrifying.

That is another “pan master”, with a cold and ruthless face, as if it were a replica of a mold, with the same strength and strength.

“A mere duplicator, you want to stop me?”

The owner of the disk was cold-hearted ~ www.mtlnovel.com ~ He waved a giant axe and split it directly with an axe, and the opposite copy owner waved an axe.

Both powers and tricks are the same, and they also contain a terrible ability to open up the world, the two open forces collide.

Huh!

With a loud noise, the two masters flew out in both directions, the powerful air waves swept through, shattering this piece of nothingness.

“Well, you can play with yourself slowly. I will clean up the owner before killing you.”

The mysterious strongman saw the owner of the plate blocked by the duplicator, snorted coldly, stepped out, blinked at the door of Yongsheng, and hit Qin Tiange in a single blow.

Chapter 1082 - Thriller, future body?

“Dead!”

The mysterious strong man slammed into Qin Tiange, and the powerful one was stronger than the five immortal ones.

Seeing that he was about to hit Qin Tiange, but suddenly, Qin Tiange lifted one foot and kicked it suddenly.

Boom!

With a kick, the mysterious creature's complexion changed greatly, and his body slammed into the void and reached endless depth.

He didn't expect Qin Tiange to hold the gate of eternal life, and he could still come over with one foot. How much strength does that foot contain?

Bang!

I only heard an explosion coming from the river of nothingness, and the torrents spread away, and a wolverine figure rushed out of it with a gloomy face.

He was the mysterious strongman, who was struck by Qin Tiange and almost broke his face, his face full of anger and dying.

"You **** it!" He yelled coldly and was about to rush, only to see Qin Tiange struggling to hold the door of eternal life.

A loud bang came, and the entire immortal door was pulled up, and his arms were compressed, and the immortal door heard a clicking sound.

"Roar!"

With a roar, Qin Tiange's powerful arms squeezed the Yongsheng Gate and finally swallowed it.

Grumbling, the scene was dead, the five immortal beings struggling to resist the master's hacking looked at the scene in horror and froze.

The mysterious strongman was stupid, looked at Qin Tiange, and actually swallowed the gate of eternal life, really swallowed it.

"Presumptuous!" The mysterious powerhouse was furious and horrified: "You, you you you even ..."

He was so shocked that he couldn't speak. He had never seen anyone boldly reach such a level, and immediately pulled up the gate of eternal life and swallowed it.

Hum!

I only heard a buzz coming from Qin Tiange's body. A strong light filled the inside and outside of the body, letting people see the immortal door in his body and entering his stomach.

It was swallowed, and the immortal gate bloomed in the belly of Qin Tiange, with infinite light, eternal and sacred, immortal.

However, this door was actually wrapped in dense chaos, one by one, and swooped up one by one, directly engulfing the eternal life door.

"Damn, throw up!"

The mysterious strongman was furious, snarled and rushed, suddenly bursting out the strongest force to hit Qin Tiange, really scared.

If the immortal gate here is really swallowed, it will trigger an endless chain reaction and even lead to his implication.

哐 Dang!

A divine light struck, and a slamming sound blocked the blow of the mysterious strongman. A simple stone monument flew back and floated in front of Qin Tiange.

That was the Ten Calamity Monument, which blocked Qin Tiange's blow. The powerful power almost made it impossible for the 10 Calamity Monument to bear. Fortunately, she was strong enough to break through and achieve eternal treasure.

“Look for death!” The mysterious strong man was so angry that a light beamed from his heart, and an eternal gun came through.

There was a bang, the eternal gun was blocked, it was an ancient sword, exuding a breath of breath, and it was eternal.

The appearance of the Emperor Sword blocked the eternal gun, made the mysterious strong man angry, and a light was again offered to his brows.

boom!

Suddenly a muffled sound, a sphere was blocked by a large seal, and the imperial seal blocked that strange sphere.

The two battled against each other and made a terrible sound. The three eternal treasures of the Emperor's Sword, the Emperor's Seal, and the Ten Calamities were against the eternal gun and that weird sphere.

Uh ...

Looking at the fierce pieces of fierce fighting, the mysterious strong man was gloomy, and the mirror above his head suddenly turned around, and a horrible light was revealed in the mirror.

Click!

Suddenly, there was a crackling sound in the mirror, and a ray of blue smoke came out, and the light suddenly dimmed.

The eternal mirror surface cracked a crack and suffered a mysterious trauma, but a hazy figure came out slowly from the inside.

The man's breath was terrible, as if it had endless power, the eternal mirror couldn't bear it, and it shattered.

The entire mirror broke completely, but let the terrible figure step out step by step, and stood in front of the world all at once.

“Huh?” Pan Zhu was surprised, and watched as he opposed his own copy.

When he saw the eternal mirror shattered and a terrible figure came out of it, the whole face changed.

Because that man turned out to be Qin Tiange, and a perfect copying man who was copied at the cost of the eternal mirror breaking.

“His, so strong, damn, why is it so powerful that even the eternal mirror of this seat is broken.” The mysterious strong was terrified, a little hairy.

He looked at his most proud treasure, the eternal mirror was broken, and a person was copied from it, that is, Qin Tiange, the breath was simply sky-high, and the river of nothingness could not bear it.

This is a complete outbreak. Qin Tiange himself has been suppressing his own breath, but this replicator has completely erupted.

Finally let people realize the horror of Qin Tiange for the first time, and from this perfect replica, we can see the strength of the other party.

Because Qin Tiange is as strong as the copyman, he was able to copy the disc master. The eternal mirror was not a problem. Now he copied Qin Tiange and it exploded.

In other words, the eternal mirror is completely gone, and the copy of Qin Tiange is equal to the last time and the last time.

“Copying people?” Qin Tiange’s eyes were dim, watching the copying people step by step, exactly like him.

This replicator is very strong, and his power is the same. He actually has 99 trillion large chaotic universes in his body.

Qin Tiange was surprised, very surprised how the eternal mirror copied this thing, where did the energy come from?

“No, you are not a duplicator!” Soon, Qin Tiange’s pupils shrank, looking at the indifferent self in front of him, surprised to find that the other party was not a duplicator.

As soon as this remark came out, let alone Pan Zhu and others were shocked. It was the mysterious powerhouse, who was in control of the eternal mirror.

“It’s not a copy, is it ...” The mysterious strong man was surprised and looked at another “Qin Tiange”, with an unknown breath all over his body.

That breath is unique, it doesn’t belong here, it doesn’t belong to the present, it’s terrifying, with a mysterious and unpredictable breath.

“Future body?” The mysterious strong man screamed, taking a step back, terrified.

Suddenly he remembered that his eternal mirror had the ability to break the copy of the other party and reverse the past and the future, pulling out a shadow of the future.

That is not copying, but the future body of the person to be copied, pulled out from the endless illusory future.

“My future body?” Qin Tiange looked up and down at the person in front of him.

It looks exactly the same, even everything is the same. Inside the body, there are also 99 trillion big chaos.

Around him, a sword of emperor, a seal of emperor, and a monument of ten calamities slowly emerged. The breath was stronger, and it was even stronger than the real body of Qin Tiange.

“this is...”

At the Ten Monuments, the Emperor’s Sword and the Emperor’s Seal, the three treasures of the Emperor’s Emperor, all flew back together, and the instrumental spirits appeared one after another, looking at a “Qin Tiange” in horror, with the three treasures around them.

For a while, the atmosphere at the scene was a little weird, and an unknown Qin Tiange, suspected of being pulled from the future, came to the body.

The two confronted each other, the atmosphere was depressed, and the river of nothingness began to fall into tremor, and every inch collapsed, forming a scene of fear.

The mysterious strong man pulled back, excited, and laughed: “Very good, I never thought that the eternal mirror really has this ability. Unfortunately, Qi Ling was erased by this seat in his early years, otherwise he might be able to ask clearly what happened.”

He was excited, and Qin Tiange was very puzzled, because by reason, he should not have a future, because he had seen it before Sanshengshi before. There is no past and no future.

“what happened?”

Over there, the look behind Sanshengshi was shocked, and he was shocked to see the “Qin Tiange” dragged from the future.

Because she knew Qin Tiange had no past, no future, and now what happened, everything became a little weird.

Hum!

Suddenly, a crack cracked over Qin Tiange’s head, and a vast river emerged from the inside.

In the river of Qiyun, a huge figure suddenly emerged, with a terrifying breath, and slowly opened his eyes.

It was the body of the Emperor, with a powerful breath that shocked the mysterious powerhouse and looked at Qin Tiange in shock.

However, a more thrilling scene appeared, and I saw that the head of the “Qin Tiange” suddenly burst open.

There was a vast river flowing like the inside, and a terrible human emperor body appeared one after another, opening his eyes and looking indifferently here.

“This...”

Everyone was dumbfounded, one by one, looking at such a weird scene, they are really exactly the same two people.

Not to mention that Pan Zhu was waiting for someone, even the party Qin Tiange looked dignified and stared at the one in front of him. The other party had luck, and there were some emperors.

“Who are you?” Qin Tiange snorted, his eyes burned, and he was shocked.

On the opposite side, the “Qin Tiange” eyes flickered, and there was a faint flash of weirdness, as if they were also shocked inside.

Qin Tiange’s heart boiled over to himself in the future, and it was difficult to calm down. The power and the things he controlled were exactly the same.

There are even two prophets in Qiyun Changhe, one from Qin Tiange and the other from the opposite.

The two prophets stared at each other with aggression and did not understand what was going on at all. The atmosphere at the scene was a little weird.

boom!

I saw the owner of the disc ~ www.mtlnovel.com ~ The duplicator was beheaded by the real disc master with an axe, and turned into a strange energy disappeared.

He killed himself to copy people and looked at it with a solemn look, feeling that things were a little tricky, and he couldn’t tell the difference. Who was the real person?

Because both are the same, they are completely unclear.

“father?”

“Husband?”

“The Emperor?”

“Brother Qin?”

Suddenly, a large group of people emerged from the crack in the river of nothingness, headed by Chen Xi, who brought a group of people.

But as soon as they came here, everyone was dumbfounded, because they saw two identical Qin Tianges and were instantly aggressive.

Chapter 1083 - Past, Future, 3 in 1

“what’s the situation?”

At the rift of the river of nothingness, strong figures came down and came here, watching this scene could not help but stay.

The two Qin Tianges are facing each other, with the same breath and strength, and even some things are the same.

“father?”

Both Ziyi and Qinglian looked dull and looked at the two Qin Tianges in front of them. The instinctual blood vessels told them that both were their fathers.

“Sister, which is your brother-in-law?” Chen Kun asked quietly, with big eyes blinking, swept across two Qin Tiange, but could not see who it was.

Chen Xi’e frowned, and finally saw Qin Tiange, but she saw two, which made her cried and laughed, how to distinguish who is true and who is false?

“You see, who is the true emperor?”

Li Luo, You Ji, and Fei Yan looked at each other, and it was not clear who the real emperor was.

Liu Ye, Xue Nu, Du Jing, Long Xiaoqian, and Xi Xi were dull and foolish, because they couldn’t see them.

These two Qin Tianges are exactly the same, as if two people were originally the same person, there is no distinction between true and false.

“What was born?”

At this time, strong cracks rushed out of the crack. The Creator came, the Five Masters came together, and the creators of the Alliance, Dragon Master, and other parties came soon.

They emerged from the concealment of nothingness and came here, but they saw something strange about the atmosphere at the scene, which was unknown.

Everyone looked at the two powerful figures confronting each other in the river of nothingness, exactly the same, suddenly realized in their hearts.

“Two people?”

Soon they all understood the situation clearly, and two people appeared here, and both were the same, and they were not clear at all.

Look, behind both Qin Tiange, there is a long river of luck, each of which has a human emperor’s body, a prophet.

This scene is very weird to look at, even if the owner of the pan doesn’t speak, he stares at the future body called by the mirror of eternity.

That is Qin Tiange’s future body!

“Pan, he doesn’t have a future, why does he have a future body?” The latter looked surprised and asked the disc master softly.

But the owner shook his head, saying it was not clear, watching quietly without speaking, his will locked the owner of the eternal mirror.

The mysterious strongman and the five eternal beings were locked by the will of the owner of the pan, and did not dare to act rashly.

Even the master of the Eternal Mirror, the mysterious powerhouse does not know what will happen once the future body is pulled out.

“You are my future body?”

After a long silence, Qin Tiange finally spoke, and there was a ray of curiosity in his eyes, looking at the opposite self, from the future.

I saw the opposite “Qin Tiange” looking weird. Looking at himself in front of him, his heart was strange.

He looked at Chen Xi and others before the rift, his eyes flashed mildly, coming from the future, but he was also Qin Tiange.

That’s right, both are the same, both are Qin Tiange himself, but one is pulled out from the future.

On the opposite side, the future body smiled slightly: “Since you are clear, why ask again, you are me, I am you, are you not clear about your own mind?”

Qin Tiange’s pupils shrank, and his expression on his face began to become weird. The other party said well. He didn’t understand himself, so who knew him?

As oneself, you are the one who knows you best. What you think is naturally clear, so Qin Tiange suddenly laughed inexplicably.

“What are you laughing at?”

Over there, the mysterious strong man had a heartbeat, and had a bad hunch that he couldn’t help interrupting their smiles coldly.

Qin Tiange glanced at the mysterious strongman and said with a smile: “I still want to thank you for pulling the future body for me, because I don’t exist in the future, you can pull out my future body from the future, It seems that the mirror that was just broken is a little bit patience, but unfortunately you have ruined your consciousness. “

“Hmm!” The mysterious strong hummed softly, sneer: “Thank you, thank you, wait until you have hit your future body.”

“Hit?” Qin Tiange smiled strangely and looked at his future body. The two looked at each other and looked extremely weird.

“Why do we fight?” The two Qin Tianges spoke at the same time, so everyone in the room couldn’t help but stay.

If you do n’t fight, what will happen to those two same people? In the face of the other one, should n’t you be alive and dead, can only one person survive?

“You were summoned by this seat, and this seat ordered you to kill him.” The mysterious strong man realized that it was not good, and immediately ordered.

But unfortunately, the future body smiled softly: “Why should I kill myself, isn’t it equal to suicide?”

“Thank you!” The future body smiled faintly, looked at Qin Tiange, and said, “Come on, you and I work together to pull out the past body together, the three body together, the more eternal life.”

boom!

As soon as this remark came out, everyone in the room was shocked, all in shock, looking at the two Qin Tiange in front of them.

They didn't even fight, instead they talked about pulling together to pull out the past, to realize the past, the present, and the future.

This is to break the barriers of eternal life, to directly integrate the three bodies, the more eternal life.

“Time and space, reverse!”

“Time and space, reverse!”

Two loud drinks came at the same time, and they saw two Qin Tian Ge Qiqi bursting out of the limit power, a body of time and space in the body gathered together into one.

Suddenly, with the reversal of the origins of both time and space at the same time, there was a huge turbulence in the entire river of nothingness.

“The gate of time and space, the gate of eternal life, one!”

With another loud shout, Qin Tiange and the future body opened two mysterious gates, one is the gate of time and space, and the other is the gate of eternal life.

Space-time and eternal life are directly fused with each other, the four lintels collide, and they instantly become one, forming a mysterious gate.

What kind of portal is it, with a mysterious breath.

“Damn it, stop them!”

At first glance, the mysterious powerhouse realized that it was not good, and immediately rushed forward to stop two Qin Tiange's practices.

“Get back!”

As soon as the mysterious strongman took five immortals, he was hit by the owner with a horror, and he slashed with a huge axe.

With that powerful blow, Shengsheng forced six people back directly, and he couldn't get close to Qin Tiange and Mirai.

“Dan, you're looking for death!” The mysterious strong growled angrily, looking very anxious.

But unfortunately, the master of the plate cut with one axe and one axe. Regardless of it, he completely blocked the six eternal beings in front of him and could not take a step closer to Qin Tiange and Mirai.

The fierce battle made Chen Xi and others look dignified, worried for Qin Tiange, it is not clear why he reached an agreement with his future life?

“open!”

Suddenly, the two Qin Tian Ge Qi Qi drank violently, and saw a mysterious and unpredictable gate in the middle of the two slammed.

Then, the door slowly opened, and the rumbled voice shook nothing, and a torrent of weather burst out from it.

“Past, come!”

With a loud shout, Qin Tiange joined forces with the future, turning the years of emptiness, summoning a hazy figure from the past, which appeared before the gate.

Behind the door, everyone can clearly feel the power of that figure, extremely mysterious, what is Qin Tiange’s past?

Is it human? No, it is an unknown, and without the past does not mean that he cannot summon the past.

The so-called past body is to reverse the years from the present period and summon Qin Tiange from the past period.

The future body is the same, that was summoned from Qin Tiange’s future in a little time. To put it plainly, Qin Tiange is the present body, the future body is the self within the next few days, the past body is the past few days. Yourself.

That’s what I mean!

Hum!

As the door opened, a foot was protruded inside, and a crisp sound, ripples of emptiness rippled, and the entire river of emptiness trembled slightly.

As if the figure inside the door couldn’t bear to step out, everyone held his breath, watching the figure stepping out of the portal step by step, it was Qin Tiange.

“I’ve come from the past ...” The first sentence from the comer made people feel queer.

A past Qin Tiange stepped out of the portal, came here, and looked face to face with the present and the future.

The three Qin Tiange looked at each other, making everyone quiet, one by one silent, looking nervous and full of expectations.

“Past, present, and future, three-in-one?” Looking at the three Qin Tiange, the confidante’s confidant, then a look of surprise appeared on his face.

Chen Xi and others were all sluggish. The three Qin Tianges were all true, one from the past and one from the future. They met Qin Tiange now.

Meet the three, the scene is a bit weird!

“We met, but soon disappeared.”

The past body talked to itself, looking at the present Qin Tiange and the future body, the three looked at each other and smiled, and then released their strengths together.

The three rivers of fortune converge on the nothingness, and are constantly intertwined, fused and merged with each other.

“Three-in-one!”

Even the prophets had a chance for the three-in-one, because with the arrival of Qin Tiange, the past, the present, and the future, the three-in-one.

Huh!

The three rivers of longevity are combined into one, and at the moment, a vast, mysterious and even more terrifying river is born.

It surrounds the three Qin Tianges. Past, present, and future, the three Qin Tianges are all covered with light and the weather is scattered.

“Three-in-one, the more eternal life!”

With a loud shout, the three Qin Tiange Qi Qi turned into a single light, and the bangs slammed together, instantly converging into a wave.

It was an unknown power, and the combination of the three bodies turned out to be a power that would immortalize, shocking countless people.

The most feared is the mysterious strongman ~ www.mtlnovel.com ~ Looking at this scene, he regrets death, because if he did not take out the eternal mirror, there would be no current life.

“Why, why didn’t they fight?” The mysterious strongman growled and looked angry.

The future body came out, why not fight with the present Qin Tiange, and actually evoked the past body and the three bodies in one.

Hum!

At this moment, a mysterious ray of three-in-one in Qiyun Changhe suddenly heard a fierce buzz, causing endless waves.

Everyone looked together, all attentive, full of expectations.

Chapter 1084 - Beyond eternal life

A strange wave pervaded, and instantaneously caused the tremor of nothingness, and even the entire sea of the sea produced a trace of tremor.

In the sea of oceans, the big cosmic bubbles buzzed slightly, as if they had some kind of resonance, which caused the vibration of countless creatures.

Regardless of the strength or weakness, all beings suddenly have some kind of induction at this moment, as if a great and supreme existence was born.

For no reason, all the creatures bowed together in one direction, without any warning, without any hesitation, as if instinctively bowing in homage to nothingness.

Moreover, even creatures at the Creator level are no exception.

Inside the river of nothingness, the entire river is frozen, completely stopped by that strange wave.

All the creatures present, a horror appeared on the faces of the creators, because they bowed involuntarily to the powerful wave.

“what happened?”

The Five Lords, the Lord, the Lord, and the others were all terrified. They worshiped at Qin Tiange and couldn't control it. A feeling of admiration erupted in their hearts.

Even the Panzhu and others bent down to salute one after another, as if facing the respect of a great existence that truly surpassed everything.

“Damn, why is that?”

Over there, the mysterious strongman and the five eternal beings were frightened, their bodies bent a little, and they couldn't control themselves, and worshipped at Qin Tiange.

This now made them very scared, without a sense of security, and they were all cold, with a trace of shivering in their souls.

Hum!

Suddenly, a buzz came from the Long River of Qi Yun, and the three Long Rivers were completely merged into one, turning into a larger and more mysterious Long River.

What is more eternal? No one knows, even the mysterious powerhouse is unclear about what it would be like to have Yongyue.

Huh!

A gurgling came, awakening everyone present, and saw a sharp sky, a simple sword out of the sky.

It was the Emperor Sword. The three-handed Emperor Sword merged into one. Not far away, the Human Emperor Seal completed the fusion and transformation, and the Ten Calamity Monument trembled, giving a strong terrible breath.

The three great treasures have completed their transformation, and they are truly out of eternity and more eternal.

“The more eternal” Pan owner muttered to himself, shaking his heart.

He did not expect that Qin Tiange would have such a situation. In the past, the future and the present are three-in-one.

Moreover, he also drove his own weapons to fuse the three bodies together, which is equivalent to suddenly becoming different.

Not only that, the prophet sinking in the river of Qiyun suddenly burst into a strong and mysterious atmosphere, his eyes were deep, and his endless rays of wisdom were revealed.

“Thank you my lord!”

The prophet's expression was agitated, and he knelt slowly in front of a hazy light. The huge body of the Emperor's Law, the three Laws, were merging with each other.

Moreover, the emperor's body has gradually integrated into Qin Tiange's body, and is no longer a separate body.

"Greetings to the master!"

The Emperor's Seal, the Emperor's Sword, and the Ten Calamity Monument all turned into three beautiful figures, kneeling there respectfully and excitedly.

Seeing this, almost instantly, Chen Xi and others awakened, Qin Tiange was about to complete the three-in-one, and was about to wake up.

"Welcome to my emperor!"

Suddenly, everyone bowed down, except Chen Xi, and all the strong human races came down to worship one by one, respectfully.

Everyone's eyes were burning, watching a powerful ray of light wrapped in the long river of air transport, and a wave of strong waves emerged from it.

Click!

With a click and a crisp sound, the light faded away, and a hazy figure came out step by step, with a strong and shocking breath.

Perfect, supreme, supreme, unique!

This is the feeling in everyone's eyes when Qin Tiange is seen, one by one, and there is a sense of subjugation.

"Husband ..." Chen Xi's eyes were moist, looking at Qin Tiange as he walked out, all three were missing, leaving only the only Qin Tiange in front of him.

It is perfect, unique, without the past, without the future, but the truest self, the strongest, the most perfect self now.

Huh!

Chen Xi didn't hesitate, stepped forward, came to Qin Tiange in a big belly, and the two embraced silently.

"Husband, I finally found you, and I knew that you were not dead ..." Chen Xi's eyes were flushed with tears.

She looked at Qin Tiange's familiar face, and the familiar atmosphere made her sure that this was her man, her husband, and the emperor of the human race.

"You're wronged." Qin Tiange stroked Chen Xi's cheek gently and smiled: "Mrs., let's talk about it once the husband has handled the matter here."

"Ok!"

Chen Xi shuddered slightly and stepped back, but at this moment, there was a violent movement in her stomach, and the little guy inside kicked suddenly.

“Ouch!” Chen Xi sighed slightly, and gave birth to the 10,000-year-old little boy, as if he felt his father, and seemed extremely active.

Qin Tiange was shocked, and suddenly felt the blood veins in Chen Xi’s stomach, the strong blood connection, making him feel a strong joy.

“Huh? This is ... my child?” Qin Tiange was pleasantly surprised, and now Chen Xi had given birth to a powerful wave of life, which turned out to be his own blood.

He looked at Chen Xi, the expression on his face was extremely surprised, Chen Xi was slightly hesitated, showing a happy smile.

She said with a smile: “My husband, this is our child, but it has been born for 10,000 years. It is not clear when it will be born.”

“Hahaha, ten thousand years, okay!” Qin Tiange laughed, looking at Chen Xi’s big belly, the little boy who was bred seemed particularly active.

Qin Tiange is in a good mood. It can be said that today is really his happiest day, and the smile on his face cannot be hidden.

He looked at them one by one, Chen Xi brought the people, one by one, Chen Yan, You Ji, Fei Rou, Liu Yan, Xue Nu, Du Jing, Long Xiaoqian, Xi Xi and so on.

And his two daughters, Ziyi and Qinglian, were looking at him with excitement. All of them were excited. After looking for ten thousand years, they finally saw Qin Tiange again.

Qin Tiange didn’t say much, hesitated slightly, and then turned to look at the mysterious strongman and the five eternal beings, so that the six people who were about to leave quietly froze and stopped there.

“Why, just sneak away quietly?” Qin Tiange asked lightly.

The mysterious strong man had a cold heart, and suddenly felt a coldness covering his whole body, his hands and feet cold, his soul shivering.

He turned slowly, staring at Qin Tiange, showing a ray of fear and disbelief.

“Why, you, have you survived eternal life?” The mysterious powerhouse couldn’t run away, and he couldn’t believe it in addition to the fear on his face.

Qin Tiange even surpassed eternal life. This is the reason for his fear. What is the existence of eternal life?

“You’re useless.” Qin Tiange came step by step. As soon as his voice fell, he saw the mysterious strong man’s body froze, inexplicably decomposed.

His body was broken down a little bit, and turned into a little bit of ashes, and it was not clear what kind of force was wiped out.

“No ...” Watching his body dissipate and decompose, his soul flew a little bit, and the mysterious strong man gave a terrifying growl.

But in the end, nothing changed, a powerful and mysterious eternal person, so strangely disintegrated and dissipated in front of countless strong.

“what....”

“Breaking ...”

Suddenly a scream came, and the five immortal screamed in horror. As Lin Xuan walked step by step, the bodies of the five were broken down a little and could not be countered at all.

As they struggled, their arms broke down into pieces of ashes to dissipate, and eventually turned into a dust and disappeared.

Dead, the six eternal beings died like this, and the power of eternal life could not let them resist, it was not clear at all why they suddenly disintegrated and dissipated.

“Mum!”

“This...”

The Five Lords, the Lord, and others swallowed drooling, horrified, and looked at such a weird and terrible scene.

That was not a cat or a dog, but six powerful eternal beings, and a mysterious powerhouse, who had unexpectedly disintegrated before Qin Tiange.

“Eternal life, but a joke.”

Qin Tiange’s face was calm, and a taunt of sarcasm appeared in his words, as if he had seen through all the falsehoods, the so-called secrets of eternal life.

With a ray of glance, he looked at the end of the upper reaches of the river of nothingness, and saw a vast temple through the endless torrent.

Hum!

Suddenly, Qin Tiange raised his hand and opened his palm, with a buzz, a dim and mysterious door emerged slowly, with a strong breath.

It was the gate of eternal life, but it was not the gate of eternal life before, it had become different after being swallowed by Qin Tiange.

“The gate of eternal life, open!”

With a low sip, I saw the immortal door slamming open, as if driving some kind of chain reaction. In the depths of nothingness, a terrible buzz came.

It seems that there are countless immortal doors opened, and inexplicable opening, causing huge confusion and panic.

The eternal beings who kept inside the gates of eternal life became extremely fearful and flustered at this moment.

Because of the mysterious gate that blocked the countless creatures in Zhouhai, the mysterious gate to eternal life was opened, and it can no longer block any creature in Zhouhai.

“Everyone, the Temple of Eternal Life is at the end of nothingness. When you step on it, you can get the so-called eternal life.”

Qin Tiange said something lightly, his voice spread through the void battlefield, echoing in the endless void of the ocean.

Countless creatures, strong men of all races, and terrible fluctuations came from the big universe. Many strong men felt inexplicably here.

“eternal life?”

“Step into nothingness and you’ll get eternal life!”

For a while, the entire ocean of sea boiled. First, powerful figures came from the battlefield of nothingness, regardless of the races or the powerfuls of the major alliances.

In the river of nothingness, Qin Tiange turned around and beckoned gently, and saw Chen Xi and others flashing together, standing in front of Qin Tiange.

He rolled it gently, taking everyone one step across the endless torrent, and came to the end of nothingness.

“The owner ~ www.mtlnovel.com ~ will have an eternal life hall together.”

Coming here, Qin Tiange scorched his eyes, staring at a vast temple outside the end of nothingness, that is, the temple of eternal life.

“Right on my mind!”

The owner of the pan was agitated, carrying a huge axe, and stepped out of the void with Qin Tiange step by step, and blinked in front of the so-called Immortal Hall.

The Temple of Eternal Life, mysterious and mysterious, the dense gate of eternal life of the controller, prevents countless souls from entering the sea.

Now, Qin Tiange and Pan Zhu came to the Hall of Eternal Life and immediately shocked a strong breath inside.

Chapter 1085 - Eternal life hall

At the end of nothingness, a vast temple stands there, with immense light from the whole body, showing a breath beyond eternity, immortal.

That’s the Temple of Eternal Life!

With the arrival of Qin Tiange and Panzhu, he immediately shocked the dense and dense atmosphere in the Temple of Eternal Life, and was awakened one by one.

Rumble ...

In front of the Hall of Eternal Life, the door opened, the sound of rumble shattered into nothingness, and the sea of the sea was boiling, as if there was an incredible existence to wake up from the inside.

I saw that there were huge teams in the hall, and the atmosphere was overbearing. Everyone exuded the breath of the eternal.

They were all eternal beings, densely packed, turned into a terrible army and appeared in front of everyone, sending out a monstrous intention.

One hundred thousand immortal lives in front, uniform and unified, like a whole, it is frightening and incredible.

“Who is presumptuous?”

A cold voice came, and there was a wave of killing, endless, shocking, as if to shake people’s minds.

All the people were shocked. Looking up, they saw a powerful man wearing a sacred armor walking out of the Temple of Eternal Life. His handsome appearance burned the fire of eternal life in his eyes.

Holding a powerful sword, he stepped up step by step, standing in front of the one hundred thousand immortal, is the commander of this immortal legion.

This man looked at Qin Tiange and Pan Zhu in front of his eyes, his eyes fixed, especially when he saw Qin Tiange, his pupils could not help shrinking into pinholes, and he was shocked.

“The two threats predicted on the monument, did not expect to come, it seems that my lord said well.” The man said to himself, seeing the origin of Qin Tiange and Panzhu.

Hum!

As soon as his words fell, he saw the immortal hall in front of him, and a huge monument emerged before the gate of the hall, suddenly emitting infinite light.

Everyone looked at it in unison, and saw the names of two people appearing on the mysterious monument.

The first-ranked name has immense light, and a strong divine light emerges, the owner, Qin Tiange.

The second place is the owner of the plate. The two names are the brightest and emit a strong light, as if with some kind of warning.

“This is the eternal monument? Qin Tiange said to himself, looking at the huge monument, two beams of light suddenly appeared in his eyes.

Just hearing a click, the eternal monument broke down, and the inexplicable spread of the cracks staggered, and then fell off piece by piece, dissipating into fly ash.

“how come?”

The powerful man’s pupils shrunk and looked at the eternal monument that suddenly cracked and fell off, but disappeared into ashes a little.

His face changed greatly, and he turned suddenly, staring at Qin Tiange, suddenly thinking of something, his face full of dread.

“How dare you destroy my eternal monument?” As soon as the man spoke, he made everyone understand that there was a stronger existence than him, his master.

Perhaps, his master is the master of the Immortal Hall. That mysterious and powerful presence gave Qin Tiange a hint of induction.

“Go on, hang this group of threats!”

The man simply shook his hands and instantly waved, and saw the hundred thousand immortal soldiers behind Qi Qilong stepping, and suddenly killed them.

“Come out, my guard.”

Qin Tiange suddenly waved his hand toward the front, and the light of the heavenly gods fell, and the imperial seal flew out, turning into an endless light envelope.

Immediately afterwards, a neat legion came out, a full 100,000, which was Qin Tiange’s undead guard.

Huh!

A banner swept across the sky, hunting and hunting, the word Emperor Emperor exudes horrendous killings, and the meaning of the fierce sky is rolled up.

“Everything is passed by the emperor flag, everything bows down!”

“kill!”

The Battle of the Guards will wave the battle flag and take the 100,000 immortal guards together to kill Qi Qi. At first, one person waved the battle flag of the Emperor and hit the commander in chief, the powerful man.

With a bang, the two battled together, the powerful force shattered nothingness, and the eternal life hall shook slightly.

The leader of the immortal guards is unmatched in strength and the power of Xeon is shocking. Even the owner of the pan is unexpected and can fight against the powerful commander of that eternal life hall.

Uh ...

The two were killed fiercely, and they were inextricably linked, and the 100,000 immortal guards had already collided with the 100,000 immortal soldiers on the opposite side.

Suddenly, nothingness collapsed, and the immortal hall was completely immersed in a fierce fight, which alarmed more powerful atmosphere in the immortal hall.

boom!

A forceful breath swept through, the terrible fluctuations were frightening, and many creators standing at the end of nothingness couldn’t help the thrill.

But the next moment, this breath was chopped by an axe, a burly figure stood there, holding a giant axe, blocking the mighty might.

“presumptuous!”

As soon as an angry rebuke came, I saw someone appearing quietly, and the palm of the hand was directed at the disc master, powerful and unparalleled, as if to surpass eternal life.

“Huh!” Panzhu snorted, punched with his left hand, and fisted each other. With a rumbling sound, the raging air waves tumbling, shaking the immortal hall.

The owner of the pan and the powerful existence were so immobile that they looked cold and stared at each other with a look of astonishment.

“Very well ...” The arrogant existence that just came out, gloomy eyes, humming: “Countless years, no one except the temple master can resist the blow of the deity.”

“That’s because you haven’t met me.” The owner of the disc calmly hummed, “Without breaking through eternal life, you will never be my opponent until you surpass it.”

“Arrogant, ignorant ants!” The creature was so angry that he couldn’t hold his face.

“Aren’t you arrogant, watch me kill you, watch the axe!” The owner laughed, and suddenly swiped his huge axe on the right side of his head.

I only heard the sound of 哐 , , a magic knife blocked the axe, and the two 震震 opened suddenly, and then rushed into a ball, you came and went, and fought tens of billions of times in the blink of an eye.

“You, don’t you come out?”

Suddenly, Qin Tiange said something lightly, the voice spread to all sides, and turned into a powerful will to break into the hall of eternal life.

Suddenly, a buzz came, and the eternal life hall was illuminated, constantly shaking, as if not shocked by this shock.

Who is Qin Tiange talking to? In fact, he has sensed a terrible existence in the Temple of Eternal Life, one like him, surpassing the existence of eternal life.

“How many years ...”

It murmured, showing a sense of endless vicissitudes, giving a terrible feeling of endless years.

For a few billion years, when I heard this murmur, everyone there was inexplicably frozen there.

The two powerful legions that had been fighting fiercely had stopped, even if the master of the battle and the fierce warrior had stopped.

Pan master waved a huge axe, and almost split into the opponent's forehead. The distance was less than three centimeters, but he was still there.

At the scene, the only thing that was not affected was Qin Tiange. His face was indifferent, his breath suddenly shocked, his eyes swept away.

boom!

Suddenly, the weird breath collapsed, and everything that was fixed was instantly restored, and everyone awakened from that terrible realm.

“Ah ...” There was a scream of screaming, and he saw the creature who was fighting fiercely with the disc master, and in the moment of waking, he was hit by a giant axe in his head.

Just hearing a click, half of his head was cut off, and he was severely wounded. His body slumped back, but was caught up by the master, and the axe was ripped.

boom!

It was another axe. The powerful being burst on the spot and turned into countless pieces of flesh and blood, but it was not dead.

It was just that the owner did not give the other party a chance to recover, wielding a huge axe and sweeping, the powerful axe light directly chopped the scattered pieces of meat into powder, completely dissipating.

Over there, the eternal commander who fought fiercely with the Immortal Guard was led by a battle flag across his head, and he picked it up and hung there.

“Blood offering banner!”

With a loud shout, the immortal guard commanded the battle flag, and saw that the powerful commander running through his head was directly killed by the sacrifice.

“Ah ... Lord save me ...” He called out for help, but unfortunately, there was no movement in the eternal life hall.

Soon after, he fell and was completely dispelled by the Blood Sacrifice Battle Banner.

“kill!”

The immortal guard commanded the battle flag, killed the one hundred thousand immortal, swept powerfully, and crushed the past with one hundred thousand immortal sanitation.

For a while, 100,000 eternal beings were bitten and killed, and resurrection was impossible. There was no chance to recover.

In an instant, the 100,000 immortals were slaughtered in this way, which is unbelievable.

At this moment, everyone held their breath and looked at the eternal life hall, they all felt the terrible breath of the eternal life hall.

It is a treasure that transcends the eternal treasure, the temple of eternal life, giving a mysterious feeling, but who is controlling the temple of eternal life?

“Your men are dead, haven’t you come out yet?” Qin Tiange said lightly and passed into the Temple of Eternal Life.

There was silence inside, no words came, but an increasingly powerful breath boiled.

“If you don’t come out, I’ll call in.”

Qin Tiange snorted. As soon as he turned the palm of his hand, he saw an ancient monument appearing in his hand. The man had already stepped in front of the hall of immortal life, and struck the gate of the hall of immortality with a ten-stone monument.

Listening only to the sound of “Dangdang”, the immortal hall made a loud roar. With such a powerful and terrifying blow, the door shattered in response.

“Do not come out, hit you out!”

Qin Tiange’s eyes were ruthless ~ www.mtlnovel.com ~ He waved the ten calamities to consolidate a mysterious and unpredictable force, and struck through the gate of the palace with a fierce blow, hitting the hall of eternal life.

With a bang, the entire hall of eternal life shook, and a loud explosion came from inside, and a scream came out.

Soon, those screams stopped, and the Temple of Eternal Life flew out after a fierce blow, buzzing and shaking, emitting infinite light.

“Nothing can be remembered for years. I, I haven’t done it for countless years, and you have given me the thought of doing it again.”

A word came from the immortal hall, indifferent and ruthless, with a supreme, sole sacred breath, a breath that transcended eternal life, and is admirable.

“You know, even beyond eternal life, you can’t get real freedom?”

When that voice came, I saw a figure slowly coming out of the hall of eternal life, hazy, coming step by step.

Every step he took was shocking, as if experiencing a shock of years, one step at a time, with vicissitudes, there was a time of vicissitudes, but I felt beyond eternal life.

Chapter 1086 (END) - Transcendence, unknown journey (final outcome)

The coming person is very strong. This is the unanimous feeling of all people. There is a kind of worship, even if the master of the disk shows a dignified look.

All the strong men in the room held their breaths and stared at the two supreme strong men in front of the Eternal Hall, Qin Tiange and the Lord of the Everlasting Hall.

“This is your confidence?” Qin Tiange’s eyes glowed with a gleam of light, as if he could see through all falsehood.

He glanced through the reality of the eternal temple master in front of him, and that look made the other person feel cold, and a coolness filled his heart.

“Kill you, don’t use three tricks!” Qin Tiange spit out slightly.

Suddenly, the Lord of the Eternal Palace opened his eyes, and two terrible rays of light came in, and he clicked and was broken by Qin Tiange’s two eyes.

The eyes of the two collided, an unknown force was constantly intertwined and killed, and powerful fluctuations could even kill the eternal.

It can be seen that the domineering level of the two people has grown. The eternal life hall master is an uncompromising high-strength person, surpassing eternal life.

But Qin Tiange was even more horrible, as if instantly resonating with Zhou Hai’s countless large universes, an unprecedented force was born from his body.

Hum!

Qin Tiange’s instinctive finger pointed out, the humming of nothingness, the main body of the eternal hall opposite the face changed, his body slammed and then retreated, and the corner of his mouth overflowed with a breath of blood.

It was the blood of colorless emptiness, without any color of emptiness, full of horrible fluctuations of power and shocking.

That drop of blood made many creators look scared, because it feels incredible that a drop of blood can make them fall.

What’s more terrifying is that Qin Tiange was hurt by such a powerful existence. How strong is this person?

“You ...” The Lord of the Yongsheng Temple was shocked, stared at Qin Tiange with wide eyes, and pointed up again.

With a bang, the explosion suddenly spread across the sea of nothingness, and the Lord of the Immortal Hall flew down fiercely, hitting the Hall of Immortality, and even led the palace into the nothingness.

Everyone’s eyes widened and their expressions were incredible, enough to see how shocking they were at the moment.

The Lord of the Immortal Hall, but the existence of the supreme supremacy, but he was hit twice in front of Qin Tiange and was severely hit.

puff!

A spit of blood spewed, and a few blood beads splashed into nothingness, pierced through the barrier at the end of nothingness, and fell directly into the sea of the ocean, causing disasters and extinction.

Qin Tiange shook gently, and saw those terrible blood drops falling into the sea of the ocean disappeared without trace.

“Why, you and I are beyond the existence of eternal life, can you hurt the deity?”

Both of them are the highest existence beyond eternal life. Why Qin Tiange could easily hurt him, even hurt his opponent with two fingers?

“Dead people don’t need to know!”

Qin Tiange was as indifferent as ever, pointing and killing without talking nonsense, and his fingers contained a force beyond imagination.

With a bang, the nothingness broke up and shattered, and an unknown force swept across, sweeping past, annihilating everything and disappearing.

Hum!

Hearing only a buzz, the Eternal Life Hall was blocked in front of the Lord of Eternal Life, making a loud noise and being severely hit.

Then, the entire hall of eternal life was shining brightly, and the whole body erupted into infinite light, as if bearing the terrible impact of power.

In a blink of an eye, the Hall of Eternal Life opened up a little bit, and the horrible fissures staggered and eventually went into destruction.

A thunderous bang that surpassed the eternal temple was even broken by Qin Tiange’s finger, and even the power of that finger penetrated the temple of eternal life and broke through the body of the eternal Lord.

Huh!

The main body of the Hall of Eternal Life shivered, a trace of blood splattered, and then another trace of blood flew out, and finally, a crack appeared in the body, more and more dense.

His body was stiff there, like a cracked statue, motionless, but with a horrifying light in his eyes, it was getting dim.

“For ... what ... you ... are so ... strong ... big?”

The Lord of the Immortal Hall said intermittently, it was extremely laborious to spit out every word, and every word fell, and the pieces on his face were turned into powder and annihilated.

Qin Tiange expressionless, calmly said: “Because, you are too weak ...”

“Too weak?” The last thought of the Lord of the Immortal Hall slowly extinguished, with a click, his body cracked and decomposed a little bit, turned into a vanity powder, dissipated and annihilated, and truly went to death.

Prior to his death, the Lord of the Everlasting Palace was extremely reluctant, because he was killed by Qin Tiange without any resistance.

Three-finger-point-killing, which filled him with unwillingness and resentment. Unfortunately, no matter what.

A strong man who transcended eternal life was actually killed by Qin Tiange’s three fingers, annihilated without a trace, and in the end he left no ash at all.

boom!

The moment the Lord of Eternal Life died, the Hall of Eternal Life completely disappeared, revealing a dark channel appearing in front of everyone.

That passage was originally blocked by the Temple of Eternal Life, but as the Lord of Eternal Life died, the Temple of Eternal Life was broken and disappeared, revealing a mysterious and strange passage here.

The passage was filled with a mysterious and unpredictable breath, which made Qin Tiange look suspicious and his eyes flickered constantly.

“What’s inside?”

Qin Tiange pondered in his heart, looking at the entrance of the dark channel, a strong mysterious force poured into it, and wanted to see what happened.

But unfortunately, there was darkness inside, and even Qin Tiange’s consciousness felt darkness for a while, there was no trace of light and breath.

“I’ll take a look.” Qin Tiange waved his thoughts, explained, and stepped into the passage.

What followed was a wave of ripples, and the passage disappeared strangely, disappearing under everyone’s eyelids.

“bad!”

Seeing this, Chen Xi and others were anxious, and came forward one after another, but they could not find any entrance. The weird entrance just disappeared.

This discovery made Chen Xi anxious, but quickly calmed down, after all, Qin Tiange surpassed eternal life, and had the power and strength they did not understand.

.....

At this moment, Qin Tiange passed through the dark channel and came into a dark world, empty and empty, without any light and color.

There seems to be only eternal darkness, full of dullness and coldness, which makes Qin Tiange uncomfortable.

“You came...”

Suddenly, there was such a murmur in the dark, the low voice was full of mystery, with an elusive charm.

Qin Tiange’s pupils shrank, glancing around the darkness, and found no humans or living beings.

“Who are you?” Qin Tiange looked serious and calmly looked around.

I saw that there was no voice in the darkness around, and the dull atmosphere made Qin Tiange’s heart a lot of speculation.

“I, shed the remains, sink here, to cultivate countless big worlds with my body, and to cultivate a Xeon.”

“You can come here to show that the Temple of Eternal Life has been destroyed, that you have broken the limit of eternal life and exceeded eternal life.”

Words after words murmured, Qin Tiange was surprised that he could not capture the existence of the other party.

“Don’t look for it, I, it has fallen for countless years, the stubble is sinking here, raising countless worlds, you can come here to prove that you have broken the limit of eternal life.

When Qin Tiange heard it, he couldn’t stop the thriller. He was really in the body of a creature, really in the body of someone else.

Listening to what this voice said, Qin Tiange’s backlog of doubts suddenly opened up, and he instantly realized.

Some people, with their own remains, have conceived countless big worlds, that is, the big universe, just to train a strong man out.

As for the former Lord of Eternal Life, in fact he originally had this opportunity, but he chose to control the Palace of Eternal Life instead of breaking it.

As long as he breaks the hall of eternal life, he can see this passage, but unfortunately, he can only become the puppet of the hall of eternal life when he controls it.

In other words, to become the guardian of this wrecked master is also the only strongest guardian of the temple of eternal life, beyond the existence of eternal life.

Qin Tiange is different. He killed him all the way, witnessed the eternal being, saw the supreme state beyond eternal life, and realized this power.

Naturally, he directly killed the Lord of Eternal Life and destroyed the Hall of Eternal Life. The passage naturally appeared in front of his eyes. It was the so-called step by step, the poor Lord of Eternal Life.

“Who are you? Why train the most powerful?” Qin Tiange frowned, looking at the darkness around him, trying to find.

Just listen, a sigh came in the dark: “My name ... for too long, it seems that I don’t remember it. The remnant I left behind is about to decay.”

Huh!

As soon as the words fell, a hazy figure appeared in the darkness, standing not far from Qin Tiange, unreal.

His appearance shrank Qin Tiange’s pupils, and he was stunned: “You have the breath of the emperor, the breath of the human race, are you also the emperor?”

“The Emperor ...” The hazy figure in front of him was stagnant for a long time, and his eyes suddenly became extremely bright, and the scorching light bloomed, shining through the eternal sky.

boom!

A surging power swept away, and the figure in front of him suddenly shocked, as if remembering the countless memories of the past.

“Yes, my name, Lin Yi ... is the emperor of the clan, the detached, the master ...”

The people in front of me came to their senses, and the decaying thoughts remembered the countless memories of the past, and the body immediately burst into countless rays of light, and the decaying breath was expelled.

He looked indifferent, and looked at Qin Tiange brightly, and smiled lightly: “I shed my corpse, sinking here, there are countless big worlds, and now you come, I need your help ...”

“Too vain ...”

This human figure didn’t finish speaking, the body clashed and disappeared, completely disappeared, and disappeared into a trail of dust.

But leaving Qin Tiange alone in a daze, thinking of the other party’s words, he was shocked and dignified.

The other party is a mysterious strongman, shedding her stubble, sinking here, in order to nurture countless big worlds with her stubborn body, and to cultivate a strongest one out of his stubborn body.

“Too vain?”

Qin Tiange’s eyes were dignified, he looked at a huge fissure that suddenly appeared in the darkness in front, and directly cut through the dark void.

In that crack, there was a faint trace of horror and unknown breath, full of mysterious power.

“Go back first!”

Qin Tiange took a deep look at the Tianchen and did not step into it, but turned to break the darkness and returned to the end of nothingness.

Just after returning, I saw Chen Xi and others waiting anxiously. As soon as he saw him, several Chen Xi rushed up.

But the rest of his life stopped, only Chen Xi held him gently, his body trembling a little, as if afraid of losing him.

“I’m back ...” Qin Tiange smiled slightly, nodding slightly at Chen Zhe, Li Luo, Zi Yi and others.

Then he said to the owner: “I have seen the path of detachment, but there are more terrible unknown dangers outside, you decide for yourself.”

Speaking of this, Qin Tiange told the owner of the dark and empty entrance, turned around and took Chen Xi and others flashed away and disappeared.

Only the owner of the disk and the other creators looked at each other, it is unknown, so only the owner of the disk looked volatile.

“Excessiveness? Too vain?” The master murmured to himself, his eyes flickered, and he looked at the graceful shadow beside him, and suddenly made a decision.

There was a touch of gentleness on his face, and with the shadow beside him, he disappeared, and no one knew where he had gone.

Since then, all creators have come to the end of nothingness, because there is an immortal substance and energy.

Once you absorb the immortal biomass and energy here, you can immediately break through, reach the level of eternal life, and achieve the eternal person.

However, the immortal biomass here is limited. In this way, disputes are unavoidable, but the strong people of all races know that the human race can not mess with it, because there is a master, and a more terrible human master exists, no one Dare to move people.

This makes the elders of the tribe excited, one by one, with the help of eternal biomass, they have truly transformed, and thus set foot on eternal life and become eternal ones.

Hundreds of thousands of years have passed, and the endlessness has begun to build an eternal city. The eternal ones live here.

And this city of eternal life is controlled by the human race, because the human race has the largest number of eternal life, and there is also the owner of the town, there are more mysterious and terrible people.

Since then, the human race can be said to have jumped up and become a true hegemon of one party, leading the numerous cosmic worlds of the Void Cosmos.

“Ma’am, do you think?”

Nothingness ends, above the endless darkness, all graceful figures floating there quietly, each one staring at the man in front of him.

Qin Tiange looked seriously, looking at Chen Xi, Chen Yun, Li Luo, Ziyi, Qinglian, Liu Yan, Xi Xi and others, one by one, looking very solemn.

“Thinking about it, we will go where you are.” Chen Xi’s face was firm, without a trace of shake, and she was determined to leave with Qin Tiange.

“You want to leave us again?”
