

## Dark Ages 18

Chapter 18 - Hum! Hum! Hum!

“Release the principal!”

The faces of several male teachers changed drastically, and they immediately stepped forward, shouted, and pointed out Qin Tiange’s eyes almost burst into flames.

These people couldn’t believe it, the other party didn’t agree with each other and grabbed the vice principal’s neck directly, and lifted it up, as if holding a chick.

“Who dares to come forward?”

Qin Tiange didn’t speak, didn’t even look at the male teachers, but Moda and several other junior boys came out one by one and blocked them.

He Moda stared fiercely at the four male teachers. His blood-steel knife was very scary. Cooperating with the sputum accumulated by killing zombies all the way, it really tasted like a thug.

几个 The few male teachers stopped talking, as if they were shocked, one by one, they were speechless, but in their hearts they were afraid of the twenty-three boys headed by the Moda.

“You ... 啊, what do you want?” Li Yuchun’s face flushed, her neck was tightly grasped by the cold steel gloves, her body hanging in the air and unable to struggle.

He looked at the expressionless Qin Tiange in front of him, and was frightened, and saw a trace of cold murderous power from the eyes of the opponent’s armor.

Qi Qin Tiange expressionless, humming: “First of all, I’m not your student, don’t put gold on my face, and secondly, scum like you, I don’t know how many have been killed before.”

Such words really scared everyone present, including Liu Yan who wanted to speak but was covered by Chen Xi’s mouth, her face was shocked and couldn’t believe it.

In fact, Qin Tiange is telling the truth. Of course, it was a past life. He did kill countless scums.

This vice-principal, Qin Tiange saw his fault the first time he saw each other. At that time, there was a group of girls in the office, their clothes were disheveled, and needless to say, they were ruined.

The group of girls are just anger and daring not to speak, not only afraid, but also unable to resist, because they are all eating zombies.

“That group of girls, have you been ruined?” Qin Tiange suddenly said these words, glanced across the dozen girls curled up in the corner opposite.

These girls are only fourteen or fifteen years old, one after the other, but they are defiled by their beloved teachers and principals in such a scene. Since then, their hearts have suffered devastating wounds and it is difficult to heal.

“You ... nonsense!”

对 “Yes, how did the principal do this?”

On the opposite side, several male teachers' faces changed greatly, and they immediately scolded and defended Vice-Chancellor Li Yuchun.

Qiu Liuxuan's eyes widened and he couldn't believe looking at Li Yuchun. The belief in his heart suddenly collapsed, and the world felt too dark.

Qin Tiange looked disdainful, glanced at those people, and said ironically, "I think you must be involved, right? Don't deny it, because I can see that the girls have a strong hatred for you in the eyes Eat your flesh and dig your hearts. "

He felt the grief and hatred of the girls, and the hatred of Li Yuchun and the male teachers was extremely strong. How could there be such a strong hatred? It is nothing more than that they were hurt, and the body and even the soul were deeply hurt by these originally loved people.

"No, you talk nonsense!" One of the teachers flashed his words and refused to admit it.

However, Qin Tiange didn't bother. He stared at Li Yuchun and mentioned that a cold smile appeared in the corner of his mouth, and the demons were generally scary.

"You are not worthy of being the principal!"

After saying this, Qin Tiange showed a demon-like smile, and his tone was suddenly lightened, and a group of more than a dozen trembling girls in the corner began to say a word that everyone's face had changed.

你们 "You guys, who want revenge, I can give you a chance."

Qin Tiange said this, and then he thought to himself: "Of course, you have to obey my command and do things for me. I can not only give you food, but even give you the ability to survive in the future and be able to protect yourself. And no one can bully you. "

"Come up and come up and chop your enemies with a knife."

哐 Dang 哐 Dang!

As soon as the chanting voice fell, Qin Tiange waved his hand gently, and immediately a steel knife fell on the ground.

In the corner, the girls blinked, looking at Qin Tiange one by one, not sure if what he said was true, but their deep hatred was inspired.

"I want to kill him!"

A girl stood up, her eyes were red, she rushed up fiercely, picked up a brand-new steel knife, and screamed screamingly into the belly of Li Yuchun.

I only listened to the flutter, the blade was three inches into the body, and the girl's strength was very small. Fortunately, the steel knife was sharp enough, but it only penetrated three inches.

Li Yuchun was scared, looking at the girl he had ruined with a knife stabbed in the stomach, the pain made him wailing.

However, his wailing sound was pinched by Qin Tiange's right hand, and it could not be emitted at all. He could only hold the owner in his throat. It was uncomfortable, and his face was already purple.

"Kill him, kill him!"

Finally, the group of girls broke out, one by one madly rushed up, picked up the steel knife on the ground and fiercely stabbed, one after another, the knife became popular.

"Ah ... don't ..." Li Yuchun fell to the ground and was put on the ground by Qin Tiange, leaving the group of girls who had been ruined to vent crazy.

As soon as he fell to the ground, he was immediately slashed by the crazy girls with a knife and slashed with a knife, and saw the crowd around him bewildered. The teacher Liu Ye was pale.

Especially those male teachers and a few male students, their eyes were frightened, they couldn't hold back, and looked at Li Yuchun who was madly chopped by a group of girls.

副 The vice-principal looks miserable. He was cut and wounded with a steel knife all over his body. After a few strokes, his flesh and blood were completely blurred. He could not see his original appearance. He could still growl and roar in the beginning, but now he didn't even have the ability to twitch.

Flutter flutter flutter ...

One sword after another, eighteen girls slashed around him in madness. In the end, the Li Yuchun who had stained them was chopped into flesh. The \*\*\*\*\* smell was extremely strong at the scene. Many students were shocked.

Tamarix willow was pale, and his body shivered, burying his head in Chen Xi's proud chest and not daring to look at it.

Horror, thriller!

At the scene, except for those who had killed Zombies, such as Moda, the others seemed very scared. Chen Xi is better. Although she is pale, she is not afraid to dodge.

Qin Tiange's most calm is Qin Tiange. He doesn't feel at all, as if he is used to it. Seeing Li Yuchun being chopped into meat, he walked up gently, took a steel knife from a girl and dropped it.

A blast of crisp impact came, one after another, the girls were blinded and fell down on the ground, then they heard a sob gradually.

They avenged and killed this beast with a beastly heart, but their internal injuries can never be made up.

"Cry up and stand up. Next, you have to obey my orders and do things for me. I just ask you to obey my five-day command and do things for me, and then I will give you food, and even give you The most desired force is to protect yourself. "

I stood in front of the girls, Qin Tiange said these words one by one, and finally awakened the girls in the sadness and darkness, looking up at him one by one, his eyes full of hope.

They don't care if they eat. The most desired thing in this group of girls is the kind of power that can protect themselves from being hurt and not violated.

Only strength is what they are most eager for at the moment. As long as they can obtain this strength, even if Qin Tiange now tells them to kill all the people here, this group of girls will do it at any cost.

“As long as you give us strength, whoever you want us to kill, kill everyone!”

“Yes, I want strength!”

“I listen to you!”

This group of girls stood up, their eyes were crazy, this is the temptation of power. Only when they are hurt can they understand the importance of power.

Wu Qin Tiange nodded with satisfaction, and another group of helpers appeared. Next, he became more confident in the plan of the corpse in Qingying Town.

好 “Okay, now that you have made your choice, then ...” Just as he was about to say something, his face suddenly changed, and then a terrible buzz came from outside the classroom.

Buzz buzz ...
