

## Dark Ages 44

Chapter 44 - Gently pinched to death

In the lobby of Didi Bar, Qin Tiange was sitting there alone, the old \*\*\*\* was here, took a goblet handed over by Liu Ye, and savored a bottle of Lafite 1982 found here.

Behind him, Moda and others lined up, steel shields in front, steel swords across his chest, standing behind him silently, killing silently.

A row of boys held steel guns and guarded them in front of a group of girls. They held the steel crossbow quietly under the leadership of Long Xiaoya, aiming at this side intentionally or unintentionally.

Xi Huang Bayi sat on the opposite side with a gloomy face. Behind everyone in the hundredth was holding a steel pipe and a machete. Everyone's face was fierce, staring at Qin Tiange and others.

As soon as they came back from school, they saw that their old nest had been taken. More than forty puppies died and three died. The others were tied to their knees and shivered in the corner.

The woman, who had been imprisoned by him, was dressed now, and was dodging in horror at the back, curled up in the corner and shivered.

“Brother, that way, we don't seem to commit river water?”

Huang Huangba picked up a can of beer and poured a sip. He scolded the opposite boy in his heart, watching him drink a glass of his 1982 Lafite, a bottle of which he couldn't bear to drink.

Qi Qin Tiange's mouth was slightly upturned, his eyes were calm, there was no wave, and he drank half a glass of expensive red liquid in his hand. Liu Ye immediately went forward and continued to fill the glass.

He shook the wine glass slightly, looked up at Huang Ba, and said quietly, “I heard that you have a group of men, so I came to borrow from you.”

“Borrow?” Huang Ba's eyes narrowed, his pupil flashed a dangerous light.

He snorted slightly, and smiled: “I said, everyone is coming out, you say that you look down on me Huang Ba, who want to annex me?”

“No no no!” Who knew that Qin Tiange shook a finger slightly and scorned: “I really don't look down on you, even the group of junior high school students behind me can't compare, and there is nothing to annex. I just want your people to help me kill zombies or something. “

Humph!

Huang Huangba was angry and hummed, “Don't say it so nice, but your group of students are all capable of playing, but that is from that stone monument?”

He is talking about the heritage stele. After entering the school, he already knew these secrets. Moreover, he found two female teachers and two male students in the teacher's dormitory building, and just happened to see four people lingering in the room.

The scene at that time was called Xiang Yan. I couldn't help it. Huang Ba was at that time rushing forward and fighting. As for the two boys, they were pulled and beaten.

Look, there are two dodging people in the opposite person. It is the two people who quietly left the team and were attracted by the two female teachers.

Well, they had improved their physical fitness, at least twice as much as an adult, but when they were pointed at their heads with guns, they naturally didn't dare to put one.

The two female teachers were fiercely fiddled with. Then, Huang Ba learned a lot of secrets from their mouths, and even went to the heritage stone monument to confirm the facts. They kept coming back to exchange for the crystal nuclei. .

As soon as he returned, he saw that Lao Chao was carried by someone, and only came up to find that it was Qin Tiange, the killer, who carried him.

“Since you know, that's okay. Give it a line. If you don't want to borrow someone, you'll spit it out early.” Qin Tiange said indifferently.

On the opposite side, Huang Ba's eyes were cold and his heart was flashing. He wished that he could smash the opponent's head with a single shot, and his revenge must be reported.

However, seeing several people in Moda pointing a gun at this side, although he has a gun on his body and a few shotguns under him, it is still not enough.

“It can be borrowed, but what good is it for me?” Huang Ba said, and asked calmly.

After he saw Qin Tiange not talking, he immediately said, “I can help you kill zombies, but I want half of the nuclei, this is my bottom line.”

Qin Tiange didn't speak, and the atmosphere immediately condensed. The heavy and depressed atmosphere made many people across the road unable to breathe smoothly.

“I think you haven't understood what I mean. I mean, I need you to help me with your work. As for the reward, isn't your life enough?” Qin Tiange raised his eyelids slightly, his tone calm, but revealing An icy killer.

Xi Huangba stood up suddenly, staring at him coldly, and said, “Boy, I've been on the road for decades. Who hasn't seen me, are you threatening me?”

“Threat? You are not worthy of my threat.” Qin Tiange smiled softly, as if he really looked down on the person in front of him.

Huang Ba immediately became angry and drew a gun from his waist and pointed at him and said, “The boy is so arrogant. You and I are really fighting together and there is absolutely no good end. Even if you win in the end, I still want you to pay a heavy price. . “

Seeing Huang Ba pointing his gun at Qin Tiange, Moda and others turned wild, and immediately became nervous. Five guns aimed at Huang Ba, and even Liu Yan pulled out the steel crossbow behind him, the sharp steel The arrow aimed at Huang Ba in front.

Behind the cymbals, a group of girls raised the steel crossbow and aimed at it. A steel arrow flickered with cold mansions, with a trace of black blood, exuding cold murder.

**“I said, you gun, can’t break my armor, believe it?”**

He was pointed at by a gun. Qin Tiange’s eyes flashed away, but his face was not tense, but he slowly raised his head, saying these shocking words one by one.

As soon as these words came out, Moda, Liu Yan, Long Xiaoya and others who were present were immediately at ease, because they also wore a set of armor, so they were relieved to hear the words.

The girls’ hands are more stable, and the steel crossbow is not shaking. There is a firmness in their eyes, and the other party can’t break their armor, so there is nothing to be afraid of.

**“Do you really want to fight?”** Qin Tiange’s mouth showed a smile, and Liu Ye and others felt like a devil-like smile.

Because as soon as he smiles, it means that someone is going to be unlucky. Sure enough, I saw his figure flickering suddenly. The opposite Huang Bazhi felt a flower in his eyes and was shocked. He instinctively pulled the trigger and fired, but the next moment, there was a crunching sound in his wrist, and severe pain. He couldn’t help but scream.

**“Ah ...”** Huang Bazhen screamed, and his wrist was completely broken by Qin Tiange. The gun was held by Qin Tiange in his hand, the bullet was removed, and two clicks made a scrap of iron.

After doing this, Qin Tiange dropped the scrap iron, reached out and pinched Huang Ba’s neck, and lifted it gently.

**“Now, you talk to me, what qualifications do you have to fight with me?”** Qin Tiange’s words were full of a hairy chill.

Huang Huangba was frightened. He didn’t even see how the other party moved. At this moment, he was so shocked at his heart that he understood how powerful the heritage stone stele was.

Not only was Huang Ba shocked by Qin Tiange’s toughness, but also the more than one hundred people were shocked. The two boys who had left the team were afraid, and the two female teachers were afraid to hide behind the crowd.

**“I, I listen to you, I will help you kill the zombies.”** Huang Ba admitted, and begged for mercy.

**“It’s late ...”** It’s a pity that it’s too late. Qin Tiange doesn’t need this person, because the other party has killed him strongly. Huang Ba’s son died in his hands.

Click!

He heard a “click” and a crisp sound came, Huang Bajia felt a black eye and lost consciousness. Everyone’s heart jumped, and they looked horrified, and found that Huang Ba’s neck was gently crushed by Qin Tiange.

Yes, it’s light, crushed!

Huang Huangba died without staring, his eyes widened, and before the death, there was still a strong resentment and unwillingness. A bully in a small town could have been at ease in the last days, but eventually met Qin Tiange, only to say that he was unlucky.

“Drop your weapon, surrender without killing!”

He threw down Huang Ba’s body, Qin Tiange brought a paper towel to wipe the blood on his hand gently, and spit out such a sentence.

Suddenly, the hundredth person in front of them thundered and dropped their weapons. Even the big guys holding shotguns did not dare to move, and he did not hesitate to drop the shotgun.

My eldest brother is dead, who dare not listen? After pinching this disturbing factor, Qin Tiange turned his eyes and stared at the four dodging figures in the crowd on the ground.

“Bring them out!”

Qin Tiange left a sentence, people have stepped out of Di. Behind, Moda and other dozens of boys immediately stepped forward, under the threat of the dazzling steel knife, Huang Ba’s hundredth Ma Zi immediately followed obediently.
