

Dark Ages 54

Chapter 54 - 1 not left

Moda and others came, more than a hundred people, the sword shield hand in front, the girl holding the steel crossbow centered, long after the palace, and one after another, amazing killings appeared on his face.

They heard that someone wanted to use explosives to kill Qin Tiange and all the boys, and then seized them to be enslaved and imprisoned for them to play with. It was simply a mad factor that angered them.

Once a woman is crazy, it is quite scary. For example, now, a group of girls, who wants to be imprisoned for men to play with?

“Who gives you the courage to betray Brother Qin and still want to deal with him?”

Moda was the first one, ignoring the four shotguns on the opposite side, carrying a steel shield, holding a steel knife, step by step to the fat guy.

His eyes were ruthless, staring at the fat guy in front of him, and he suddenly grinned: “Fat guy, when I remember coming here to sing K, I was slapped by you.”

afraid!

After uttering a slap of lightning flashing, a snapping sound, the fat guy turned around in a circle, and couldn't even react. Twenty-five times Moda's physical fitness is absolutely shocking, and that speed is simply not something that those who have just improved their physical fitness can capture.

The slap slapped the fat guy dizzy and turned, his eyes were venomous, half of his face was swollen, a few teeth were broken in his mouth, and a spit of blood spewed out, humming and saying nothing.

“Kill, don't stay!”

Suddenly Moda drank suddenly, raised his steel knife, cut it severely with a slash, and thundered, blood and water spurted three feet high, and a fat head rolled to the side, not staring.

He didn't even have time to shoot, he was slaughtered by Moda and died a bit. Originally thought that after gaining strength, he could do whatever he wanted, and even killed Qin Tiange and others in turn and became the boss himself.

Now he's dead!

Uh ...

Suddenly, a wave of steel arrows screamed and covered the hundred people in the opposite direction. There was no way to effectively avoid in a small space. One by one, the sharp steel arrows pierced the body and shot into hedgehogs.

“what...”

“Shot!”

“++ ...”

Howling and screaming, screams, and angry growls intertwine. The one hundred puppies were terrified one by one and wanted to fight back, but were quickly pierced by steel arrows and shot one by one to death.

Killing, one-sided killing, can't resist at all, improve two or three times the physical fitness, and even faced a group of girls' steel crossbow shooting with no power.

Even if someone fired a shot, it was a pity that the power of the shotgun was not enough to penetrate the steel shields and armors of the group of sword shields in front, and they could only be shot by steel arrows.

In a blink of an eye, more than a hundred people died nine floors, leaving only a small part lying on the ground, hiding in the corner shivering, panic-stricken.

Slaughter, this is slaughter!

Both Yan Liuxuan and Long Xiaoya were stunned, frightened by the sudden scene. I never expected that the boy, Moda, would be so simple.

The group of girls is headed by Wu Xiaoyu, and even some of them have been violated and hurt. They have no pressure to kill people, but they have a pathological pleasure.

After a few waves of arrow rain went down, only the corpse on the ground was left at the scene, and some undead fell to the ground and mourned.

“Darge forgiveness, forgiveness ...”

At this moment, a figure crawled out of the corner, which was the leader among the betrayed boys. The other three had already been shot dead, so he had a clever hiding in the corner and did not die.

Now, with a snot and a tear, he crawled in front of Moda with horror, kneeling down and begging for mercy, and his forehead was bleeding.

Humph!

With a look of disgust, Moda opened him and said, “I beg you are useless. You could have lived well, but you should never betray Qin, betray Brother Qin, or partner with outsiders. Brother Qin. “

What he hates most is this kind of person with two sides and three swords. He originally followed Qin Tiange well, and turned out to be two or five children. Co-authored outsiders must count Qin Tiange. How can Moda tolerate it?

“Dar, Dal, I know I'm wrong, I'm not human, so please forgive me.”

The boy knelt there, constantly slapped his own face, slap after slap, the blood in his mouth didn't stop, so that several girls could not bear to look at their hearts.

Qiu Liuxuan wanted to say something, but after all, he didn't say anything, sighed in his heart, don't look over. She knew very well that it would be useless to go out and intercede. These people were really abominable, and even outsiders would kill them with explosives.

She can imagine that once Qin Tiange and Moda are killed by the boys, they will definitely not be better off, either they will be arrested and imprisoned or they will be juggled by these people.

How sorry for him? Who will pity them women?

“Power, only strong power can protect himself.” Suddenly, Liu Yan longed for his own power.

At this moment, Modahan stepped on the head of the boy with his face in front. He leaned down and said one word at a time: “To tell you the truth, today we didn’t mean Brother Qin. Brother Qin didn’t intend to pay attention to you, even if he made it clear long ago, once five days passed, he would not They will ignore us again. “

“If you don’t die by yourself, you can run away with peace of mind. Brother Qin didn’t even take our little people into consideration, as long as we don’t hinder him, it will be fine.”

Moda was talking, he couldn’t help sighing, he could understand it. From the beginning to the end, Qin Tiange just used them, and worked for him for five days, killing zombies, and collecting brain crystals. This is Qin Tiange’s plan.

As far as five days later, these people are dead or alive, but they have nothing to do with him. Go and go. Anyway, his plan has been realized, and he got what he wants. As for betrayal?

I was kidding. He was just using them. As long as he didn’t deal with him in turn, then everyone would be fine, as if he hadn’t seen him.

I can’t deal with him Then I ’m sorry, kill him first.

“The last thing you should do is that outsiders want to deal with Brother Qin, deal with us, and even want to imprison all girls, including Teacher Liu and Teacher Long. Did you grow up?” Moda looked at him with a scornful look .

人 Qin Tiange is so good at dealing with this man ’s head? He Moda is so easy to deal with? That group of girls is not weaker than them, so good to imprison and play with you?

“I ...” What else did the boy want to say, but when he couldn’t say the next sentence, he saw a steel knife swinging down fiercely.

With a click, his head moved and the boy died. With a look of disgust, Moda wiped the blood on the knife, turned around, and glanced coldly across several corners of the hall.

“Kill, don’t stay!”

He directly ordered, a group of sword shield hands immediately came forward, regardless of those who survived, begging for mercy, one by one, cleaned and blood stained Diba Hall.

Soon after, the remaining fat guys inside Diba were killed, and all of them left behind, leaving only a group of people who had never acted with them, about 50 people.

These people, there are only twenty men, and even the most women. The two glamorous women did not die, and came here long ago. Of course, most of these women are those who have been imprisoned by My Eighth, and those who hate them the most are the ones who have hurt them.

Crackling ...

At this moment, there was a clear applause outside the door, which attracted everyone's attention. Moda and others were shocked and looked up.

“Wonderful, I saw a great show in the middle of the night, it was really wonderful!”

A young man in a black armor walked in, clapping and admiring, and it was Qin Tiange.
