

Dark Ages 96

Chapter 96 - Want to seduce brother?

Early the next morning, Qin Tiange got up early.

“Oh, how good it would be for a beautiful woman to massage.” Qin Tiange stood by the swimming pool on the top floor, wearing a pair of underwear, stretched his waist, exposing that perfect and perfect body.

He also sighed. In fact, if you really want a beauty massage, it's really not difficult. Not to mention the girls of Qiqi, neither Liu Ye nor Long Xiaoya will refuse.

The water splashes, Qin Tiange jumps into the water, and Meimei takes a cold bath, swims back and forth in the pool, and plays happily.

Twenty minutes later, he swam to the shore, just to see a beautiful woman in a bikini, showing a perfect figure curve, bumpy, exquisite and graceful, dazzling infinite reverie.

“Hey, beauties are early, would you like to come down and take a bath?” Qin Tiange slowly raised his head, crossed the proud peaks and mountains, saw the beauty's appearance, and greeted him suddenly.

It's Liu Yan, who has a red face, but not twisted. His body jumps into the water, wandering back and forth like a mermaid. The hazy curve makes Qin Tiange look dry.

“Is this tempting me?” He smiled, didn't care, and didn't swim to tease the beauty, but leaned on the shore of the pool and picked up a tall glass next to it.

I was about to pour wine, and suddenly a scent of fragrance burst out, only to find that Long Xiaoya came in a black ***** bikini swimsuit, carrying a bottle of expensive wine from the hotel.

“Handsome guy, appointment?” Long Xiaoya smiled and smiled, and spit in her ear gently, tempting, this is the temptation of Chiguo Qin Tiange.

“Want to seduce brother?” Qin Tiange smiled secretly, gave her a white look, and passed the glass in his hand, the latter knew, and filled him with a glass of wine.

I took a sip, and Qin Tiange shook the red liquid in the glass, and said in his mouth, “Don't dedicate yourself to anything, or steal it if you don't want to be treacherous. Say, find something with me?”

Qin Tiange doesn't believe that a beautiful teacher like Long Xiaoya who is so good at herself will seduce him like that, which is really an undeniable choice.

However, he believed that this woman should have something to ask for, otherwise she would not do it. Even Liu Yan, who was swimming and playing there, had the same mentality, and looked at it from time to time, and the fool could see it.

Giggle ... Long Xiaoya smiled crisply, her face flushed, and admitted: “Brother Qin is Brother Qin, this is all seen by you, but ...”

She said, bringing her body closer together, exhaling in his ears like Lan said: "But brother Qin, you really have no reaction to us? Don't you like beautiful women? Or are we not **** enough?"

"Go and play while you go!" Qin Tiange said silently, rolled his eyes and cried with laughter: "What kind of trouble are you doing? Want to seduce me, of course I like your sexy, charming and beautiful women like you, but also See what happens. "

"Say, what's the matter with me?" He became serious, not at all impressed by the **** body of the beauties.

Xiao Long Xiaoya sighed. Sure enough, this man is not easy to be confused. She immediately converged and charming, and began to take it seriously.

At this time, Liu Yan also came over and stopped next to him. Qin Tiange looked at the two without saying a word, waiting for their next words.

"It's like this ..." Liu Ye organized the language, and then said, "God, can you tell us everything, where is our final destination?"

"Yeah, I always feel insecure, you should always tell us, where do you want to go, where is the destination, what should we do?" Long Xiaoya also asked seriously.

This problem is not big, but if you do n't understand it, you will not feel at ease. I always feel a little erratic. Without a goal, I feel insecure.

Qin Tiange listened to the words of the two beauties. He was speechless and murmured, "Can it be done, the two beauties of you are dressed like this to seduce me in the morning, just to ask this question?"

"Don't be a kid, fools don't believe it, make it clear, what do you want to do?" Qin Tiange looked serious and stared sharply at the two.

Suddenly, Liu Yan and Long Xiaoya bowed their heads and stopped talking for a while. Actually, they really have other things to come to him, but how do they speak now?

"Xiaoya, let's talk about it." Liu Yan thought for a while, let Long Xiaoya say.

The latter smiled bitterly and then explained: "Ten Ge, we actually came here to find you an enhanced version of the potion, and to ask you if there is a weapon more suitable for me, I think the knife is not suitable. I."

Long Xiaoya said, lifting the steel knife aside, a bit helpless, and smiled bitterly: "You also know that I'm not very used to using a knife. Although it is possible to kill zombies, but I really have a lot of hands to fight against the enemy. Now. "

"Yes!" Liu Yan looked up and said seriously: "We felt that we couldn't really exert our true strengths at all, and we always felt like something was missing."

I listened to the two, Qin Tiange understood, knew in his heart, naturally understand why they are. He knows very well that after the surge in strength, there is no corresponding method to use one's strength, which leads to the failure to exert the combat effectiveness it deserves.

In fact, not only Liu Ye and Long Xiaoya encountered this problem, but Moda and others also encountered this problem. The key is that they were originally ordinary people, and their physical strength skyrocketed, but they did not have the corresponding combat skills to use and Take control of that power.

"This is the case!" Qin Tiange understood and fell into thought. Liu Ye and Long Xiaoya didn't bother, watching him quietly, a young man with a mysterious body.

After a long time, Qin Tiange slowly woke up from his meditation and laughed: "It's not like there is no way out. Your feelings are actually normal. An ordinary person has increased his strength and will not use that.

"The way to do this is to learn combat skills, such as combat skills, etc. These are the keys that can perfectly accelerate your control of one's strength, and the other is to keep killing, fighting, growing in the battle, and sorting out belonging to Your own method of fighting. "

This is the method he has said. In previous lives, he relied on countless battles, countless lives and deaths, and sharpened his combat skills.

As for the exchange of martial arts skills, unless you are lucky, you will have a chance to exchange some unused temporary heritage steles, so as to those fixed heritage steles, then you don't have to think about it, they are all powerful forces.

"Tian Ge, can you teach us?" Liu Yan Qiao Qiao's face was sullen, and his eyes showed a strong desire, hoping to ask Qin Tiange for guidance, and they hoped that they would be more powerful.

Only when they are strong can they reflect their respective values, they will not be forgotten, and will not even be bullied and abused randomly, and they can protect themselves.

"I can teach you some basic fighting and fighting skills, but in order to get through, you still need to sharpen yourself." Qin Tiange did not refuse and directly agreed.

I heard him agree, and Liu Ye and Long Xiaoya, two ***** and charming teachers, were immediately excited, couldn't help hugging Qin Tiange, and kissed each other fiercely.

Uh ...

There were two wet kisses, and a gentle smell came from his cheeks, and the aroma was almost irritating. Qin Tiange couldn't help it. The whole body's blood boiled, but fortunately he forcibly suppressed it.

"Dare to take advantage of me, come and come, you have to let me kiss back, or I'll lose my hair." As he said, Qin Tiange laughed quickly, rushed up, scared

Liu Ye screamed, Tongtong went into the pool for a moment and swam far away in a blink.

Giggles ...

Xiaolong Xiaoya avoided it long ago, stood on the shore and giggled, two red clouds floated on her pretty face, **** and charming, especially moving.

“Qin brother, Qin brother, find out!”

At this moment, a boy rushed to the scene, and when he saw the scene of Xiang Yan, he instinctively stepped in his heart and said secretly that he was bitter, and destroyed Qin’s good deeds.

“Brother Qin, we found a situation.” But he still dared up and reported a message.

Qi Qin Tiange frowned slightly, went ashore to put on clothes, Long Xiaoya and Liu Yan quickly took the armor up, dressed him neatly, and did not shy away at all.

“What’s the situation, let’s talk as we walk.” Qin Tiange took the boy away, leaving Liu Yan and Long Xiaoya, two beautiful women, quickly washed, returned to the room, dressed neatly, and followed.
