The Dark Side Of Fate By Karima Sa’ad Usman Chapter 362

The Dark Side Of Fate A New Journey for Liam and Josephine Begins! Dear Readers and Beloved Co-Writers,

I am thrilled to share some exciting news with all of you. Liam and Josephine are embarking on their own unique adventure, and their story is becoming so enthralling that it deserves its own book.

Considering the depth and breadth of this tale, I’ve received wise counsel to give Book Three its own space. Now, before you start worrying, let me reassure you: the chapters you’ve already read will remain right here. You’ll be able to seamlessly transition into the new book from where you left off.

Without further ado, I present to you the title of this captivating journey: **‘Puppy Love’**!

I understand that the reading experience is precious, and some of us just want to immerse ourselves in the narrative without any extra steps.

However, I’d like to shed light on the vital role your engagement plays. Your comments, votes, and reviews are the pillars that uplift a story and its creators. It’s a reality that sometimes writers are forced to halt their creative ventures due to a lack of support. I’ve faced this unfortunate scenario myself on numerous occasions.

So, I humbly beseech all of you. I want this story to thrive and flourish, to continue captivating hearts and minds. To achieve this, your active participation is invaluable. Kindly take a moment to visit the new book and share your thoughts through reviews on what you have read so far.

If something strikes you as you delve deeper, don’t hesitate to comment. Your votes also contribute significantly.

I’ve poured my heart into Liam’s journey, and I don’t want it to wither away. With your love and support, we can make this adventure truly remarkable. Your kindness and encouragement mean the world to me.

Thank you for being part of this incredible journey. Let’s keep the fire burning bright together.
