

# BACK FOR MY DAUGHTER

## Chapter 10 - Dream Come True

Yuan Meng looked at Ye Qian as Jiao spoke she was stunned to hear something like that from Jiao, and that too right in front of Ye Qian.

As she looked at Ye Qian he seemed to have noticed her and with a smile, while giving 'it's alright' look.

Yuan Meng calmed a little knowing that he was not displeased by the situation and turned to Jiao.

"Umm, how should I say it?" Yuan Meng felt flustered while her cheeks turned red while thinking of how and what should she say.

"Hehe look, Sister Meng, your face has turned red like a tomato, should I bring a mirror to show how much you are blushing?" Jiao snickered while teasing Yuan Meng.

"You cheeky grumping girl let me introduce you." Yuan Meng said while suppressing her blush.

"He is Ye Qian, Qiqi's father and my husband." She said with a glistening smile.

Jiao who was in a teasing mood suddenly had changed as a furious look took over her face as she turned to Ye Qian.

"Oh so you are Ye Qian I almost didn't recognise that name, so you have returned?" Jiao said in a gloomy voice.

"Jiao don't say that, there might have been something wrong." Yuan Meng said as she tried to calm Jiao. Jiao turned to Yuan Meng and said angrily.

"What something might have been wrong he didn't even call you within these 5 years and you right away forgave him for leaving you and Little Qiqi alone. It was good that your father and mother in law were there for taking care of you or how might you guys have survived in all this. I know how people have been trying to take advantage of you in disguise of helping you."

"Jiao don't say it!" Yuan Meng suddenly felt uneasy in her heart as Jiao said.

Meanwhile, Jiao turned towards Ye Qian "Do you know how much she suffered these 5 years, she used to do house chores before, she somehow joined the high school as I helped her but there too some annoying bastards try taking advantage of her."

She almost spittled while saying that.

"Did you how she used to feed Little Qiqi while she went to work, ah how would you? What were you doing all these years though not even able to make a simple call? Everybody thought you were dead, but sister Meng used to say you have promised to be with Little Qiqi so you will come back."

Ye Qian felt a lump growing in his throat as he heard her saying how much Yuan Meng suffered while he was not there and also felt his heart burning and his blood started to boil as he felt angry at himself as well.

"Jiao let it be now he has returned there is nothing good that I can ask for." Yuan Meng said as she wiped her tears and turned her back towards Ye Qian.

"I am sorry. I...." Ye Qian said sorry while kneeling on the ground.

Yuan Meng ran to him while seeing him kneel for relenting for his mistakes.

Jiao was shocked seeing him kneel.

Yuan Meng hugged Ye Qian while saying "What matters now is that you are with us and let the things of the past go."

"Yes" Ye Qian nodded as he placed his lips on her head.

Yuan Meng felt her heartbeat speeding up as Ye Qian hugged her.

Jiao also calmed seeing Yuan Meng had let go of her past and was trying to live happily now.

"Big Sister." Little Qiqi came running at Jiao as she called out.

"Oh, Little Qiqi what were you doing?" Jiao asked as Little Qiqi clung to her.

"I was doing my homework." Little Qiqi answered as she lifted her head and smiled.

"Alright, Big Sister brought you some Sweet and Sour ribs today. Would you eat them?" Jiao said as she patted Little Qiqi's head.

"Yes, Big Sister, Qiqi is very happy today as Qiqi's papa also came today, he will always stay with Qiqi and Mumma now. Hehe" Qiqi smiled while looking around to find Ye Qian.

"Um.. Mumma Papa what are you doing." Finally finding Ye Qian and Yuan meng hugging each other Little Qiqi asked.

Upon hearing Little Qiqi's question Yuan Meng staggered and left Ye Qian's embrace and stood straight like a cat whose tail was stepped on.

Her face was crimson all over as she felt flustered. She stuttered while speaking.

Jiao eased the situation by saying "Little Qiqi didn't you gave me a hug when you saw me, they are doing the same as they met after a long time."

"Ohh. Qiqi was happy seeing Big Sister." Little Qiqi looked at her and smiled.

"Yes, your Papa and Mumma are also happy after seeing each other after a long time." Jiao further said while patting Little Qiqi's head.

"Ok, then Qiqi will also hug Mumma and Papa." Saying that Little Qiqi left Jiao and ran towards Yuan Meng and Ye Qian.

Ye Qian caught her while lifting her up and hugged her while carrying her in his left hand while embracing Yuan Meng with his right.

Yuan Meng's cheeks flushed as she thought 'How many times did I dreamed of this happening true, I can't believe if he's back in real or I am just dreaming again.'

'Even if it's a dream, I want to sleep forever.'

---

While being in their own small little family world they completely forgot that Jiao was also there.

"Ahem ahem ...." Jiao cleared her throat after being completely regarded by the small family as nonexistent.

"Well, if you are done giving a bear to each other, or if you want me to join as well I can give a hand or two right away as I am also happy for Little Qiqi." She said while teasing them.

Yuan Meng blushed and she looked down, it seemed like her life depended on it.

"Oh look Sister Meng you are blushing all over again if I were to tell men that you are married while giving a pic of yours they might even try to beat me to death." Jiao continued in a teasing manner.

"Does Big Sister also wants a hug? Come here Big Sister Mumma Papa and Qiqi will give you a big hug." Not understanding her teasing Little Qiqi

innocently asks while extending both of her hands from Ye Qian's neck towards Jiao.

"Un that's not what I meant Little Qiqi, I was saying whether you have finished with your 'Happy Little Family Reunion' if you have then the food that I, your Big Sister have brought for you might turn cold." Jiao said with an awkward smile.

"Papa, Mumma we should eat quickly otherwise the Sweet and Sour Ribs wouldn't taste good."

---

Meanwhile, as Ye Qian, Yuan Meng Little Qiqi and Jiao were about to eat their Sweet and Sour Ribs.

In a business district in the Star City, in a hundred storey building surrounded by some well-maintained garden.

People who were not from Star City would be shocked to see such a building surrounded by land which was not developed, as the prices of the property in Star City was a tad bit too expensive.

The building was owned by the Biggest Construction Company in Star City, the Long Constructions.

On the eightieth floor of the building, a middle-aged man nearly in his mid 30's was sitting on a Vitra armchair holding a Cigar in his right hand and a lighter in his left hand. He wore a top brand Reiss suit.

As he tried to ignite the cigar he looked at a few people who were standing in front of him with their heads bowed down.

He puffed a little and tried to keep the smoke in his lungs and moved the cigar from his mouth and asked.

"So you weren't able to force her into submitting the property this time as well." The man asked as he looked at the man who seemed to be high ranking among them,

"Yes, Chief Long." The person replied while still keeping his head down.

He seemed to be shivering from fright.

If Yuan Meng or Ye Qian were here they might have noticed the person was Mr Su who tried to threaten Yuan Meng into selling the house.

He seemed to be like a small puppy in front of a hound dog.

"And you were even beaten, by her, I didn't expect to be a martial artist though!" Chief Long asked with his eyebrows raised.

"No, Chief Long it wasn't her who beat us, it was her husband. He seemed to be trained in military though he looks skinny." Mr Su said while stuttering.

"Oh, a husband when did she get married." Mr Su didn't see it but as Chief Long said there was an evil glint in his eyes.

"No Chief he is her husband who seemed to be returned to her after these years." Noticing the chillness in Chief Long's voice Mr Su answered immediately.

"Oh her husband is back and will be staying with her?" As Chief Long said, the chillness in his tone grew intensely.

"Yes, Chief. He said to both the woman and little girl that he will be always with them." Mr Su replied with fear.

"Oh it's going to be interesting!"

'Meng I wanted you to marry me when I proposed to you 3 years ago, you rejected me saying you were married and had a daughter. I further searched and found out that your husband was missing so I tried again but still refused.

I am trying everything from pleasuring to forcing you but still why do you reject me. I even helped you in getting the job at the High School. Is this how its going to be.'

'I will kill that bastard for trying to take you away. And then come to you, you will have to yield while I put a gun on the head of that little daughter of yours. Huh. Let's see even then will you surrender or not.'

As Chief Long thought of these things Mr Su and others never tried to breathe heavily fearing that Chief Long might get angry at them.

Chief Long made another puff of smoke from his cigar and said while looking at them, his eyes flashing with devious glint.

"Get all the information about that man within a week, everything related to him must be on my table by next Wednesday. What he used to do before he went missing when that woman and he met and their relation from then on. If there is even a slight mistake then I won't guarantee your life."

"Yes Chief Long." Saying that he and his beaten-up guards left the office with quick steps.

Meanwhile, Chief Long stood up from his chair and gazed in the direction where Ye Qian's house was.

"Humph, So what if you have returned it won't take me time for making you leave the world forever. Then I will make Meng marry me. I have loved her since the first time I saw her while she worked at the supermarket."

He began reminiscing as he said. "How could you deserve her after leaving her for so long all alone?"
