

BACK FOR MY DAUGHTER

Chapter 6 - An Angel

While Little Qings mother was in her own beautiful dreams about her prince charming, he was saying his last goodbyes to the people he knew and mostly the kids he met in the morning.

As Ye Qian was about to leave Little Qing's mother snapped back to reality and went towards him and said, "Come back soon I will wait for you."

Though she just whispered to him he clearly heard it all he looked at her and nodded without thinking otherwise.

Meanwhile, as she said, Little Mings mothers eyes turned towards her with a teasing gaze and smiled towards her.

Little Qing's mother quickly turned around in embarrassment and left with Little Qing.

Little Qing turned back towards Ye Qian and waved at him and said "Goodbye big brother come back soon."

He returned the waving towards her and heard slight coughing.

"Cough cough..." It was Little Ming's mother who was coughing.

"Mom are you fine way are you coughing so much. Big brother, can you check my mom?" Little Ming asked her mother.

"Sure" Ye Qian nodded.

"No, I am fine there is nothing wrong. Little Ming can you go to your dad I want to talk to your big brother." Little Mings mother said to her.

"Yes, mom. Big brother come back soon, I will miss you!" Little Ming said to her mother before saying to Ye Qian while giving him a flying kiss.

Ye Qian smiled at her and did the act of catching the flying kiss and pasting on his cheek.

Little Ming laughed and waved at him and went to her dad.

"I will miss you to Little Ming." Ye Qian said seeing her walking away.

"So Mr Ye what do you think of Yao?" Little Ming's mother asked.

"Who?" Ye Qian asked lifting his furrowing his eyebrows.

"Emm.. Little Qings mother I mean." She thought for a while and spoke.

"Oh, she is fine now and should take some rest for a few days before doing any sort of work." He said without knowing that she meant something else.

"That's it?"

"Nothing else, I mean between you two?" She asked.

"What do you mean Little Mings mom?" Ye Qian asked with a big question mark on his face.

She pondered for a while 'I think he does not think of her in that way.' and said "Nothing thanks a lot for helping Little Ming Mr Ye?" she bowed while saying.

"No, no it's nothing she just reminded me of someone so I helped her, there is no need to thank me and take care of her diet. I will return in two months." Ye Qian said and said.

"Goodbye I must leave, my daughter and wife must be waiting for me I have been already too late to meet them." he said with a smile on his face.

'So he has a wife and daughter.' She thought and waved at him.

"Ahh, Yao what can I say to you now. You had to fall for him." She sighed while looking towards Little Qing's house.

She gave another sigh and went to her house.

Meanwhile, the time was nearly about 4 pm when he went to a nearby bus station and asked about the way to Shenzhen.

"Sir what's the way from here to Shenzhen?"

The Stationmaster looked at him from head to toe and said "You can have a bus from here but you have to change it in Baitian and from Baitian you must change in Yuomadun then change in Aobei Laowei then you can directly find a bus from there to Shenzhen." The Stationmaster said after looking oh his computer.

Then he started to busy himself.

"Sir what how much time will I need to make the full journey?" Ye Qian asked again.

"Um.. Let me check." The stationmaster said and again looked in the computer.

"After a while he said from here to Baitian you will have but about twenty min later. And then from there, you will need about two hours to reach Shenzhen you will arrive there at about 7pm." The station master said. After seeing after a while.

'Ohh, It will take a lot of time for me to go there maybe I will be too late.' Ye Qian thought for a while rubbing his chin.

As he was thinking the Samsara ring on his ring finger buzzed a little.

Ye Qian shook his head and said in his mind 'Should I use you for going home?'

The Samsara ring again buzzed in response seemingly nodding to his question.

'Ok then we need to find a quiet place so that there might be no commotion' he said in his mind and thanked the stationmaster "Thank you sir."

"You are welcome." With that said he busied himself in his work.

Ye Qian arrived at a place surrounded with junk and old buses in the station and pondered while looking around him.

"Hmm. This area is quiet it might be perfect." With that, he called out the Samsara ring.

"Come out now Samsara crown!"

The ring on his finger vibrated a little and expanded a bit and flew from his finger and again turned the same height he was and stood vertically.

Ye Qian walked to the base which touched the ground, after his foot touched the verticle ring it started rotating.

The speed increased as the ring seemed to disappear, now you could only see Ye Qian standing about a few inches from the ground.

As the speed of the rotations increased the ring started lifting slowly.

Ye Qian stood within it as the ring went up and thought of the direction to Shenzhen.

"Hmm, I need to go towards the South-west now."

"Mom look an angel." a kid said to his mother while pointing towards the sky.

"What are you saying Xue'er there are no such things as angels." His mom replied while patting his head.

"No mom, I saw a man flying in the clouds look there." He pointed at a rather large cloud and said.

"Xue'er you hear too many stories from your grandma. You should not think that the stories are real." She said while still looking at the cloud for him.

"Look there is nothing you are just daydreaming there is nothing else, it's just a cloud looking like a man." She pointed at another cloud that looked like a human figure.

"No mom there was really a man flying I saw him." The kid still persuades his mom.

"Ok, there was an angel. You saw him means he gave your blessing to you but you must never say this to anyone else or the angels blessing will not work." She said after thinking a while.

"Yes, mom I will never say that I saw an angel." The kid said with a cute smile.

His mom patted his head and left.

Meanwhile, Ye Qian didn't know that he had become an angel for some kid as he flew.

Meanwhile, as Ye Qian was flying towards South-west in City Highschool in Star city.

A young lady in her late 20's was sitting on her desk she seemed to be checking some answer sheets.

Though she was a teacher she seemed to come from another world due to her extraordinary beauty, which made her look like she was just in her early twenties.

"Miss Yuan are you free after school today." A handsome man sitting beside her asked.

She looked up after stopping her work and an annoyed look flashed in her eyes but she smiled at the man and said "Mr Yang. I have to take Qiqi's studies tonight and there are many answer sheets that remain unchecked. So, I am not free."

"Oh, Miss Yuan you are always busy, last week you did not even come to the party with us." Mr Yang said with a lewd look flashed on his face.

Miss Yuan said with a detested look, "Mr Yang, I never attend such parties and I cannot leave Qiqi home alone all night, right?"

"Oh yes!" seeing her look and seemed to caught by her Mr Yang changed the topic and said.

"How is Little Qiqi nowadays you didn't bring her to school lately she is such an adorable child, I wish I had a daughter like her." Though he said that his expressions were saying something else.

'What is there in that girl I just want to convenience you to accept me then what's her use later, hehe.' He thought.

Other men in the staff room looked at Mr Yang in envy.

'Yang you are too forward trying to wrap Yuan Meng with sweet words.'

'Let's see if you are capable of that?'

'Yuan Meng has never accepted anyone invitation to the party or dinner here what do you think will happen to you?'

"Mr Yang her name is Ye Qi and there is no need for her to come here she goes to her kindergarten now." Anger flashed in Miss Yuan's eyes as she said that.

'You think that I don't know what you people did last time she came here, she was crying for a whole week thinking that her father didn't like her and abandoned them.'

"Sure Miss Yuan next time please bring Ye Qi, I know she likes sweets and chocolates. Two days ago my father came back from Italy, I told him to bring Ferrero Rocher from there, Ye Qi will sure like it." He said with a smirk.

"No Mr Yang that won't do, Qiqi has stopped eating chocolates for two months when she saw that it causes tooth decay on TV." She said without any emotion.

"Ohh.. that's so bad I specially brought them for her." Mr Yang looked dejected.

'Well, at least the chocolate didn't go to waste by giving her to eat. I just wanted to make her my stepping stone for you.' he thought.

'Why would you bring such a famous and expensive brand for an unknown kid.' The lady teachers in the room thought.

'Oh is he attracted towards her and wants to use her to get to that Yuan girl. What's there in her, she is a widow and has a daughter.'

Some of them looked at Mr Yang with a passionate gaze and turned to Miss Yuan and there was scorn on their faces.

'What does he find in her I am still more beautiful than her.' The single ladies had thoughts running in their minds.

"Triiiing"

The school bell rang and Miss Yuan stood while saying "Goodbye everybody." she packed her things and left in a hurried manner.

Mr Yang was about to say something to her when he saw her leaving.

'What are you so full about, we will see when you are removed from your job and have no one to support you. Heh' Mr Yang thought with a smirk.

Then he searched for his pocket and took the phone.

Man, it was the latest iPhone.

He called someone and left.

'Let's see what will you do after a week or two.'

He thought to himself after finishing the call and went to the parking area towards a BMW X5.

Man, there is something fishy in here

Well, enjoy this one! ;}
