Dauntless God Of War

Chapter 146

Hence, he spoke firmly while striding past Glen to look at Harold.

However, when he saw the old military uniform on Harold and the latter's stern expression, Elias began trembling in fear as if he had seen a ghost.

He spun around and walked toward Jacob's behind. Then, he booted the back of his son's kneecaps.

Jacob fell to the floor with a thud, kneeling, after being on the receiving end of his father's kick.

Unexpectedly, Elias was not done yet. After causing his son to kneel, he grabbed Jacob by the ear and dragged him forward to face Harold.

"Dad, what are you doing? This guy is Megan's fiancé. Why are you forcing me to kneel before him?" Jacob shouted at his father in utter bewilderment.

He had truly never anticipated Elias would make him grovel before his love rival, much less do so in front of so many outsiders.

Harold, who should have been the one to kneel before him, had suddenly become high and mighty.

Jacob's words prompted Elias' face to darken further.

"B*stard! This man in front of you is the ultimate boss I warned you not to offend previously. I've constantly reminded you to keep a low profile. Instead, you went ahead and crossed the last person you should mess with. Hurry up and apologize as sincerely as you can. Otherwise, even I cannot save you!" Elias lowered his head and whispered sternly and urgently beside Jacob's ear.

"W-What? He's the ultimate boss?"

Jacob was shocked and frightened upon hearing Elias' words. He widened his eyes and stared at his father in astonishment.

Shouldn't all bosses be around my dad's age? This guy is so young. This is unbelievable!

At that moment, Jacob finally understood why Paradise Hotel's staff had dragged Thiago out of the place and demanded he apologized to the Zeller family. Jacob also fathomed why an exception was made, allowing the Zeller family to participate in Norham's makeover project.

Everything happened because Harold had secretly made the arrangements.

Comically enough, Jacob had assumed Harold was merely a lonely and poor security guard.

He was obviously playing innocent. I don't know about the extent of my capabilities, but I'm sure he's not to be messed with.

“Why are you still staring into space? Hurry up and apologize!”

Elias was furious when he saw Jacob still caught up in a daze. He slapped his son's head angrily.

I don't get it. How did I give birth to a useless piece of trash like him?

“M-Mr. Campbell, I'm very sorry to have offended you because of my ignorance. I should not have attempted to hit on Mrs. Zeller. I'll beg for your forgiveness and promise never to make a move on Mrs. Zeller in the future. Please give me a chance to redeem myself...”
