

71 Chapter 71

Henry was stunned when he saw Erin suddenly undressing herself. He knew she was a whore, but even Henry was caught off guard by her boldness! 1

Erin smirked when she saw Henry was dazed as he stared at her exposed breasts. This was a good start for her, she read it as a good sign. Because of this, she knew that Henry wouldn't be able to resist her once she took the initiative.

'In the end, he is just a man. He will be tempted by my body, and won't be able to resist when I ask him to give me everything he has,' Erin sneered. 'I will bag him. I can't wait to post many pictures of my vacations on Instagram and Snapchat, maybe he'll even buy me vacation houses, my besties will be jea~lous~.' 2

Erin pushed all the documents and stationery off the table, she climbed on the table, crawling like a cat, eventually kneeling on the table. Her breasts under the see-through blouse were so close to Henry's face, waiting for the handsome man to pull her blouse and bury his face in her

cleavage, they could even do more, much more. 4

'My first ever office sex, and with a super handsome and rich man too! This is amazing!'

"This is all I can do, Mr. Grant," Erin said coquettishly. Her sweet voice was like a poison that slowly intoxicated Henry's brain. "You can do whatever with me, Sir. I will not fight back...." 1

Henry was still dazed. His brain short-circuited the moment he saw Erin's breasts. 2

His pants actually tightened as he kept staring at it but for a different reason. 3

Erin was Kate's sister. They had similar breasts and similar nipples as well. Thus, Henry began to recall his fantastic night with Kate. Everything about Kate was amazing. The taste of her body was a masterpiece that lingered in his mind almost permanently, including her full breasts that he kissed and sucked that night. 1

Henry almost acted out of instinct because Erin reminded him of Kate. But he snapped out of the temptation as he looked up and saw Erin's perverted grin.

Kate didn't have that perverted grin, she was nothing like this woman. She had an alluring smile that invited Henry to go and explore her further, and Kate was generally much more subtle with her seduction, unlike this whore.

Thus, Henry's eyes became cold instantly, and he replied, "Get off my desk, Miss Ross. You are disgusting." 14

Erin flinched when Henry suddenly called her disgusting. She wanted to check whether Henry was hard because a man's mouth could be lying, but his dick would always tell the truth.

But before Erin could check down there, Henry quickly got up from his chair and turned his back on Erin, staring at the wide glass pane with the city view in front of him.

"I'm here to give you a proper job. I don't need a whore in my office," Henry said.

"B—But, Mr. Grant, this is all I can do!" Erin insisted. "You should try me. You won't be disappointed, I promise!" 9

Henry clenched his fist. He couldn't wait to slap that bitch for daring to seduce him when he was

actually craving for the touch of another woman, a woman a thousand times better than her.

But he had to control himself. He took a deep breath and replied, "You can come back to meet me tomorrow. I'll give you a job when you are properly dressed. Once again, I remind you that I don't need a whore walking around my office."

Erin's pride was crushed when she was kicked out by Henry. She was so mad that she couldn't wait to simply jump to him and ride his dick like there was no tomorrow, no matter what it took she would have him.

She bit her lower lip as she retreated and placed on her bra. She looked at Henry, still turning his back on her, "I won't give up until you give me a job, Mr. Grant! I will return tomorrow!"

"Buy something decent from the Mall today, so you don't look like a whore any man can pick from the streets," Henry said coldly. He looked over his shoulder and taunted Erin, who was about to leave the CEO's office. "I have someone much better than you to spend my nights with and no one will ever take her place." 10

Erin was holding her tears as she left the office

and slammed the door behind her.

She rushed out of the office. She didn't even care about her sister, who was still in the Chief Editor's office right now. She felt humiliated because this was the first time a man had ever rejected her like this, even after she had done so much to seduce him.

But...

She was also amused.

Erin wiped her fake tears as she entered the elevator and went down to the lobby.

She had a thin smirk as she remembered that man.

Mr. Grant, the CEO of Emperor Publishing.

A man with a god-like face, super handsome, deep emerald eyes that could melt her, striking blonde hair, super rich, tall, muscular, and most importantly, he had a big dick.

'I think I just found the right boyfriend that I can finally show off in front of my friends,' Erin giggled as she was thinking of what her friends' reactions would be. 'I bet they will try to snatch

him from me. But there's a reason why I chose ugly women to be my friends. They're truly the best kind to keep the spotlight on me!" 8

"Oh, maybe I should also show him off to the people in my hometown. I bet they'll go crazy knowing I will marry a rich young man!" 3

"Ahh... Henry Grant..." Erin muttered his name, and her smirk grew wider. "Mm~ even his name is so sweet on my lips. Moaning his name while we're having sex would be so fun and hot!" 3
