

Alphas Deaf Mate Chapter 126

Reins

I wasn't sure how long I held her, her scent and touch were calming me even though those words of Troys were playing over and over in my head.

"Reins," Her voice was soft as she called my name.

I only hummed I didn't move and didn't say anything.

"What's wrong? I can feel your anger and worry,"

I knew I needed to tell her but the thought of telling her that some crazy person was out for her again I was afraid of how she would react, I thought we had over those who wanted to hurt her and here we are again fighting this fight.

"Alpha?" This time it was Matt who spoke.

Pulling back I looked at him.

I knew he could tell what was going on he was a smart man he didn't need me to say anything he's been hiding her long enough and protecting her just as long, he knew something was happening,

Looking at her she had a worried look but her worry wasn't about herself it was about me she thought something was wrong with me.

"Let's go in and talk I'm sure there is a lot more to discuss, "

I stepped back grabbed Autumn's hand and led her into the room her father followed along with Oscar,

I turned to Oscar just as he closed the door.

"Mindlink Brad Kelly and Nick please,"

"Yes, Alpha," I saw his eyes clouded over,

"Reins Kelly should rest longer," Autumn tugs my arm.

“She not going to be fighting love I just need to keep everyone in the loop and she needs to hear all his as well, so when she is ready to be back fully she will know what’s going on,” I tell her I pull her over towards the others I knew was in the room we heard small gasps as Autumn quickly looked at the people in the room.

Oscar moved in front of Autumn blocking her from their sight.

Matt was standing at the end of the bed looking at Troy like he was about to pounce if Troy moved from the chair.

“Relax, they are not a threat, they have information for us,” I tell them both through the link I watched both their bodies relax shoulders slumped a little but neither of them moved.

“Oscar,” I called out loud to him, He glanced over his shoulder giving him a tip of my head, indicating to move aside,

“Yes Alpha,” was all he said stepping next to Matt, Matt giving him a pat on the shoulder,

Pulling Autumn up beside me wrapping an arm around her waist. We step closer to the bed.

“Love I want you to meet Troy and his mate Mary and their son”

“Queen Gemma,” Mary whispers as she tries to get out of the bed.

“Mary,” Troy says trying to grab her arm.

Autumn steps forward holding her hands out.

“No, no, please stay lying down,”

Autumn looked at them as they stared at her wide eyes,

Autumn glanced back at me and then at her father you could see the tears in her eyes as she realized where they were from. Moving to her side I placed my arm around her shoulders.

Reins

Just then there was a knock on the door Oscar opened it letting the other three in.

Kelly saw Autumn and the look she held she was next to her in seconds. With Brad and Nick right behind her.

“What’s going on?” Kelly asked looking at the other people in the room.

First I’d like for you guys to meet Troy his mate Mary and their son, they were part of the group that was at the border this morning,”

“Hi, I’m Kelly,” She steps closer stretching her hand out to Troy, He stands up and grabs her hand she then lets go and reaches out to shake Mary’s “updated by jobnib.com” hand. Brad and Nick didn’t offer a handshake they kept glancing at Oscar and then at me, giving them a stern look they finally introduced themselves.

“Troy, I need you to tell them what you told me,”

His face pales as he looks at everyone in the room.

“It’s alright, they are all her guards, along with her father I say gesturing my hand towards Matt, who held the look of a protective father.

He looks at Mary she gives smiles a him.

“We came all this way,” She says to him

He kisses her hand,

“We came here looking for Queen Gemma, we felt her the night of the full moon, we have waited a long time for her to come back, the pull to find her was strong, but leaving the place we were at was the problem,”

“Why?” Kelly asked looking confused, they were not aware of what they were or whose pack they belonged to.

“Because we are from Alpha Ryker’s pack,”

Low growls were heard throughout the room at the mention of his name,

Brad pulled Kelly back pushing her behind him, he knew Troy not going to harm her but it was his instinct seeing how badly injured she got during the fight with him.

Troy holds his hands up towards them.

“I mean no harm, as you can see im not in any shape to fight anyone,”

I watch as Autumn takes in both his and Mary’s conditions,

“What happened to you there?” She asked her voice low.

“That’s a long story, and right now I can see on your mate’s face he wants the other to be spoken of first.”

She looks at me leaning closer I kiss her forehead,

“What I can tell you is Ryker was not a nice Alpha or person, so when we felt our queen and we also felt the death of our Alpha we decided it was time to flee, but we also wanted to warn our queen about the second in command, Rykers beta,”

My hold on Autumn instantly tightened at the mention of him.

“What about him?” Matt asked he was at full attention knowing something was wrong.

Troy sighed hanging his head.

“Beta Nathan is just as cruel as Alpha Ryker was, He’s planning an attack he’s taken the Alpha position now that Ryker is dead and he’s convinced he’s now the King and he’s coming to claim the Queen,”

The growls that ripped through the room shook the walls Troy and Mary and their son all cowed down,

“What the Hell!” Matt growled out.

Autumn didn’t move she just starred at Troy like she was still taking in what he said.

“He can’t do that!” Oscar growls

Kelly Brad and Nick all agreed I could see everyone’s eyes changing to black as the anger filled them.

Finally Autumn seemed to snap out of it.

“How do you know this?” She asked Troy who was finally able to lift his head.

“We overheard him, he announced that he would be taking over as Alpha and that he was now the new King seeing as Ryker had died, he also appointed a new beta, after the announcement we were heading back to our hut when we heard him speaking with his new beta,”

“But how can he claim he’s King when he’s not mated to Autumn?”

Kelly asked,

“He would have to challenge Reins,” Autumn spoke but it was Gem’s voice her head turning to look at me, I saw her crystal clear eyes shining brightly.

Looking back to Troy and Mary I watched as their eyes changed to a light blue almost white color,

“Queen Gemma,” they both whispered,

It was their wolf’s pushing forward because of Gem’s presence.

“Are you both Silver Wolves?” Matt asked while looking shocked to see others.

“Yes, and there are others back at the pack, some were too afraid to leave with us and some are loyal to Nathan now,”

“How long till this Nathan shows up?” Oscar asked,

“That im not sure of, he’s not as spontaneous to decide as Ryker was, he’s more of a thinker,”

“We need a plan,” Matt says as he looks at me.

“I know, this is why I needed all of you here, I’ll fill Keaton in later seeing as he helping the others right now, but we all will go back to the pack house and start getting things ready,”

Autumn didn’t say anything she kept her eyes on the little boy who was sitting on his father’s lap, Gem was still present she then looked at Mary,

“Is he?”

Mary hung her head, “Yes my queen, as is all the other children,”

I could feel Autumn begin to shake as her power just rolled off her causing everyone to drop down.

Silver fur sprouted out on her arms and then went back to the skin, she was angry and was about to shift out of anger,

Dam it she can't shift in here,

Scooping her up I ran out of the room with her running straight out the front door of the clinic I headed into the woods.

I sat her down she was still flipping back and forth.

"Love calm down," I say cupping her face.
