

Dear Chief 1071

Chapter 1071: Young Master Ye's Domineeringness Makes One's Heart palpitate

Oh, she actually made such a lame excuse.

Gong Jue exposed her in a second.

"Are you really going?" Gu Qiqi asked helplessly for the last time. "Don't you find it boring to eat with them?"

"Why is it boring? Shouldn't I know friends who know you?" Gong Jue's eyes darkened.

Hmph. Time to declare my sovereignty.

This time, Gu Qiqi shone brightly in the World Medical Tournament. The flowers and plants outside were still fine, but Gu Qiqi spent most of her time in school. He had to go to the school to warn those brats not to taint Gu Qiqi and have ideas about her.

Gu Qiqi could only agree. "They said that they'll gather at the school's snack street at seven in the evening. We can go over directly then."

Gong Jue agreed. "Yes."

Gu Qiqi looked helplessly at this large dog that came and went as it pleased. Fortunately, Qiu Qiu and the others were more innocent and tight-lipped. They wouldn't spread rumors about Gong Jue's identity. Otherwise, she really wouldn't dare to let Gong Jue attend their gathering.

After finally settling Gong Jue, Gu Qiqi could finally go out.

She did not go to the Bai family. The women in the Bai family were strange. She did not want to see them.

She made an appointment with Bai Lang at Dige.

After changing, she rushed over. Bai Lang had already booked a room at Dige. Good wine and dishes were waiting for him.

As soon as Gu Qiqi entered, she asked directly, "Where's the Arctic Cold Stone?"

As if presenting a treasure, Bai Lang picked out a prize from the pile. "Young Master Ye likes Arctic cold stones? Then I'll go find a skilled craftsman to polish it first and make a decoration for you to admire on the table, okay?"

Gu Qiqi said, "No need."

She snatched it away.

She was treating Xiaobei's eyes. Why did it have to be so fancy?

Her thoughts were plain.

However, in Bai Lang's eyes, these two words were as bold and handsome as possible.

Bai Lang was just short of cheering like a fanboy.

In the past, it was said that a domineering CEO was impractical. However, after meeting Young Master Ye, he realized that a man could look refined on the outside but have a domineering aura.

It was completely different from the dominance of a simple and rough man like Gong Jue.

Young Master Ye's domineeringness made one's heart palpitate.

It was domineering enough to make people willingly bend into paper clips!

Bai Lang was lost in his thoughts when he suddenly heard Young Master Ye walking out of the door without hesitation. "Thank you! See you later!"

Fuck! Prince Charming was leaving?!

How could he do that?

Although this simple and neat dominance made his heart race....

But if it was used to being dumped without hesitation, it would be heartbreaking.

"Young Master Ye, please wait!" Bai Lang got up anxiously and caught up with him. He grabbed Young Master Ye's hand and said, "Look, we're already here. Let's eat before leaving..."

Gu Qiqi looked down at Bai Lang's hand.

Oh, he didn't expect the White Prince's claws to be well maintained. They were soft and tender.

However...

She still liked Gong Jue's style. He was firm, strong, rough, and slightly calloused. It was especially manly.

When he caressed her skin, he could make her tremble uncontrollably.

Gu Qiqi calmly withdrew her hand. "No, I'm still busy."

Bai Lang's heart ached.

Boohoo!

Young Master Ye was so cold!

Although he was so cold and handsome, his heart still couldn't take it.

Bai Lang wailed and was close to tears—

Chapter 1072: Comfort Little Lang Lang on Gong Jue's Behalf

"Am... am I that unlikable? My biological brother has never brought me along to play! In the past, my only good brother, Gong Jue, brought me along to play. But now, he sent me to Africa twice because of a little vixen. Now, he coaxes his vixen every day and ignores me! It wasn't easy for me to make a new friend like you, but now, even you ignore me... Am I an unnecessary existence in this world? Should I find a belt and kill myself?"

Bai Lang complained with snot and tears.

He seemed to want to vent all her grievances.

Gu Qiqi looked embarrassed.

Cough cough cough.

Wasn't she the little vixen who caused Bai Lang and his brother to be unable to reunite?

It seemed like Bai Lang was right.

When she first met Gong Jue, Bai Lang and Gong Jue were almost inseparable. She could see the two of them together everywhere. Bai Lang even ran to Gong Jue's room every other day and went everywhere together.

Even the little packrat had said that Bai Lang and Gong Jue were a couple.

But now?

He would not see Little Lang Lang for ten days or half a month.

Every time Gong Jue mentioned Bai Lang, he would either send him to Africa to treat black men or tell him not to come out and be an eyesore.

Sigh, speaking of which, she was really sorry for Little Lang Lang.

Thinking of this, Gu Qiqi couldn't bear to leave.

Was she obligated to comfort this unlucky brother of Gong Jue?

Bai Lang covered his face and cried as he observed Gu Qiqi's expression through his fingers. When he saw Gu Qiqi's soft look, he was instantly overjoyed.

Tsk tsk, he didn't expect Special Assistant Lu to be so talented!

Special Assistant Lu had specially called last night to teach him a few moves. One of them was that he had to show weakness to his lover to succeed.

It really worked!

It seemed that Special Assistant Lu was not lying to him. Special Assistant Lu said that Little Jue was only doted on by the little vixen last night because he showed weakness to her...

Then if he showed weakness to Young Master Ye today, would Young Master Ye also dote on him?

As he thought happily, Bai Lang immediately pulled Gu Qiqi to sit down. "Young Master Ye, I won't be able to finish talking about my grievances even if I talk about it for ten days and ten nights. Drink a glass of wine with me and be my temporary psychotherapist, okay? Otherwise, I'm really going to suffer from depression. Tell me, what's wrong with me? Why do my brother and Little Jue not want me anymore? Why do you almost not want me anymore too?"

Gu Qiqi was speechless.

Can I just say that there's nothing good about you!

Other men were focused on expanding their careers, but you were always fooling around. Who would like you?

However, she could not say this directly. It would be a blow to Little Lang Lang later.

Little Lang Lang was actually very talented at doing business. She could tell from the sales of beauty masks the other day. However, he put his heart into very few of his businesses.

Unfortunately, she really wasn't a therapist. She didn't know how to comfort him.

All she knew was that she could use a distraction...

Well, what shall we change the subject to?

Suddenly, an idea flashed across her mind. Oh right, hadn't she always wanted to know about Bai Yeyuan and Xiao Ning? She could take the opportunity to chat.

She cleared her throat and pretended to say casually, "You just said that your big brother Bai Yeyuan ignored you because he fell in love with someone else? He has a woman, right?"

Chapter 1073: Education on the Bed?

Bai Yeyuan had a woman?

Bai Lang smiled foolishly and waved his hand. "Impossible! How can my big brother have a woman with that ice-cold face? Don't think that he's a playboy sometimes. That's all business. Actually, he doesn't have a woman around him at all. His life is very boring!"

Gu Qiqi frowned. "That can't be... He's not young anymore... Could it be that he hasn't been in a relationship before?"

Bai Lang pursed his lips. "He did. Many years ago. They even talked about marriage."

Gu Qiqi's heart skipped a beat. "What happened after that?"

Bai Lang's expression changed. "And then... she died."

Gu Qiqi never expected such an answer. In that case, Bai Yeyuan didn't find a woman because his fiancée was dead?

Then why did he go after Xiao Ning?

She couldn't help herself. "Are you sure there's no woman with him now?"

Bai Lang thought for a moment. "Of course! Oh wait, he does have a little tail around him..."

"Who is it? Is it his lover?" Gu Qiqi became nervous.

Bai Lang smiled and waved his hand. "Don't listen to the nonsense outside. That girl is our Bai family's niece, Xiao Ning. Haha, but that girl is half a woman! Moreover, Big Brother only brought her along to educate her to walk the right path. Don't think too much!"

Gu Qiqi was speechless.

Was she overthinking?

Bai Yeyuan wanted to educate Xiao Ning to walk the right path?

What the!

Whose proper path could be by educating her on the bed?

It was Bai Yeyuan who had led Little Lemon astray!

Seeing that Gu Qiqi didn't believe him, Bai Lang explained with a smile, "My eldest brother, Bai Yeyuan, watched Xiao Ning grow up. He doesn't look like an uncle, but like a biological father! Moreover, although Xiao Ning's mother is the adopted daughter of our Xiao family, she's very doted on in our family. She calls me and my eldest brother as little brothers, so Xiao Ning has called us little uncles since we were young. It's just that I can't stand that word, so I only allow her to call me Uncle Bai Lang. As for my eldest brother, you say that he dotes on her a lot. He's clearly a 'big' uncle, but he has always allowed her to call him little uncle for more than ten years! Do you think my eldest brother dotes on this niece a lot?"

Gu Qiqi sneered. "Not necessarily! It's just a form of address. It doesn't mean anything! How does he usually treat Xiao Ning? Does he often... stay alone with her?"

When Bai Lang saw that Gu Qiqi was so concerned about Bai Yeyuan, he felt that something was wrong.

When he heard this question, he finally understood and his expression changed.

Damn, could it be that Young Master Ye did not like him but his elder brother?

It stung!

Bai Lang was a little aggrieved and indignant. He pursed his lips and said, "Young Master Ye, you're clearly here to drink with me and be my psychiatrist. Why are you talking about my brother? Those who don't know might think that you're his friend. I'm just a bystander..."

Only then did Gu Qiqi realize that she had been too hasty.

She smiled thinly and raised her glass. "Okay," she said coolly. "Let's not talk about him. Let's drink!"

Seeing how open and heroic Young Master Ye was, Bai Lang blushed.

Sigh, he had been too petty.

Young Master Ye didn't like Big Brother at all. It was too unconfident of him to make wild guesses like this!

"I'll punish myself with three glasses. Young Master Ye, feel free to drink if you want!" Bai Lang drank them in one gulp in embarrassment.

Gu Qiqi smiled and raised her glass to drink.

===

Outside the box, Special Assistant Lu, disguised as a waiter, nervously raised his glass and peered through the crack in the door.

He kept praying. Drink it, drink it all, Young Master Ye!

Today, you and Young Master Bai should get this done. Don't be our Master Jue's mistress! There's no future in being a mistress!

Chapter 1074: Young Master Bai F*cked Young Master Ye

Gu Qiqi was looking at Bai Lang with a smile as he downed three large glasses of wine. She didn't expect this playboy to be so bold and straightforward at the wine table.

She couldn't really be casual.

She understood drinking and socializing. Even if they didn't finish the same three glasses, they should at least have a glass.

Unexpectedly, as soon as the wine glass touched her lips, she smelled a special scent.

"Master Silver, it's an aphrodisiac! F*ck, that scumbag Bai Lang actually drugged you and wanted to pounce on you!" The little dirty turtle exclaimed in Gu Qiqi's heart and looked at Bai Lang with anger and disdain.

Gu Qiqi narrowed her eyes and said softly to the little dirty turtle with her divine sense, "It's not him."

"Ah? How do you know it's not him, Master Silver! This player must have a lot of them. He probably uses them all the time!"

"Hehe, Little Lang Lang won't," Gu Qiqi replied firmly.

In the past, she had also decided that Bai Lang was a playboy.

But now that they had interacted more, she realized that he actually had an innocent and cute side.

His ears turned red when she was shy.

He would twist his fingers when he was embarrassed.

His attitude toward the people he likes and dislikes was stark and undisguised.

Needless to say, such a person was actually quite suitable to be friends with.

She had misjudged him in the past and wronged him many times. She had innocently harmed him many times. She more or less felt like compensating him now.

"Master Silver, don't be fooled by his seemingly kind appearance!"

"It's not that he looks kind. He's really kinder than that scumbag Bai Yeyuan. Go and smell the three large glasses of wine he drank just now. Was there the same medicine?" Gu Qiqi instructed calmly.

The little dirty turtle checked around and came back. As expected, he was convinced by Gu Qiqi. "Yes, Master!"

Gu Qiqi said calmly, "If he did it, there's no need for him to use it on himself."

Realization dawned on the little dirty turtle.

That's right! If Bai Lang really had any evil intentions, he would definitely drug his master and he had to stay awake to do bad things.

So the Young Master Bai was set up too?

"Who's so bold? I'll bite him to death!" The little turtle was indignant.

Gu Qiqi's eyes darted around and she glanced outside the door. "Why do I seem to see a familiar person standing outside the door?"

"Isn't that... Isn't that Special Assistant Lu?" The little turtle was surprised. "Don't tell me he was instructed by Master Jue?"

After saying that, the little turtle wanted to bite off his stupid tongue.

Of course, it couldn't have been Gong Jue.

How could the most easily jealous person in history push Qiqi into another man's arms?

Then Special Assistant Lu took matters into his own hands?

Old Lu looked quite honest. He did not expect him to be such a person in private.

Gu Qiqi's eyelashes flickered. "Let's wait and see."

With that, he drained his glass!

"Master Silver! Ow—!" The little turtle covered his face in despair.

Why did the host drink it when he knew there was something wrong with it?

What did it mean to wait and see? He had never learned this phrase before. He needed to quickly flip through the dictionary!

Outside the door, Special Assistant Lu heaved a sigh of relief when he saw that Bai Lang and Young Master Ye really had no doubts and finished all the wine.

Actually, he could only give Young Master Ye medicine. However, he was afraid that Bai Lang would be like his Master Jue. He was too gentlemanly. What if Young Master Ye could not endure the fire while Young Master Bai was awake and went around looking for the antidote for him?

Therefore, he had to also drug Young Master Bai. The two of them would be aroused together and couldn't help but...

Up and down...

Come and go...

Cough cough cough!

Chapter 1075: Special Assistant Lu Is Miserable

Special Assistant Lu's plan succeeded. He thought to himself, Anyway, as long as Young Master Bai f*cked Young Master Ye, or Young Master Ye f*cked Young Master Bai, it's fine. When the reporters come later and expose it...

If Master Jue knew, he would definitely ignore Young Master Ye. Then, Young Lady Qiqi's position as the mistress of the family would be stable.

Young Lady Qiqi, you really don't have to thank Old Lu!

Old Lou had done it willingly!

Special Assistant Lu glanced kindly at the private room one last time before bowing and leaving.

"It's time to meet the contacted reporters and choose the best time for them to show up!"

= = =

Half an hour later.

The door to Dige's private room was forced open by a group of reporters dressed as waiters!

The door swung open!

Flashbulbs crackled!

Lights were blinding in the dark room with the messy wine table, and the man and woman were sprawled on the sofa.

The reporters had already been mobilized by Special Assistant Lu.

At this moment, they were taking photos of the couples.

The man and woman were clearly unconscious and unable to do anything. In order to film the news effectively, they simply dragged their feet and legs over each other...

Well, isn't that more like doing something?

However...

As they moved them in place, everyone felt that something was wrong.

"Don't you think this girl looks familiar?"

"That's right. Why does she look like the headliner of Dige, Ah Hua?"

"I think that man looks more familiar!"

"Heavens, isn't that Special Assistant Lu? He's Master Jue's subordinate. He instructed us to secretly take photos today!"

"Well ..."

Everyone looked at each other, speechless.

Who would let someone secretly take photos of them for no reason?

However, Special Assistant Lu had spoken very seriously just now. He said that this matter involved the dignity of his lordship and asked everyone to definitely expose this news.

A look was exchanged:

“Perhaps Special Assistant Lu fell in love with Ah Hua, but was too embarrassed to admit it and couldn’t marry a singer. He could only use this method of exposure to announce it to the world and make people pity him. Then, he could naturally marry beauty, right?”

“Yes, yes, that makes sense! Special Assistant Lu might be afraid that it will be difficult for Master Jue. If this matter is exposed, Master Jue can go with the flow and agree to them...”

“Sigh, I didn’t expect Special Assistant Lu to take so much trouble to arrange these. If we had known earlier, we wouldn’t have gone through so much trouble. Couldn’t we have just let Special Assistant Lu and Ah Hua take a casual photo?”

After everyone figured it out, they relaxed and grinned as they took many more photos to send back to the newspapers.

Special Assistant Lu, who had already been knocked unconscious by Gu Qiqi, had no idea that the arrangements he had painstakingly made had become arrangements for him.

At this moment.

In the Bai family mansion.

Gu Qiqi dragged Bai Lang, who was already drugged, to the vicinity of the Bai family’s mansion.

“If I had known earlier, I would have hired someone to send you back. You’re so heavy!” Gu Qiqi curled her lips. “Or I would have let you stay there to take a photo with Special Assistant Lu and Ah Hua! You have to thank me this time, Little Lang Lang. Otherwise, your reputation would have fallen even further if you were photographed by reporters. How are you going to get married in the future?!”

As Gu Qiqi complained, she looked at the Bai family’s door and pondered.

She didn’t know if Xiao Ning’s phone was switched off at home. If she knocked on the door now, she didn’t know if she would bump into Bai Yeyuan. What if she couldn’t help it and beat up that scumbag Bai Yeyuan?

Forget it, it was better to wait and see if any servants from the Bai family came out to claim Bai Lang.

As he was thinking, he suddenly saw a figure in white flashing past the Bai family’s courtyard.

Gu Qiqi was stunned.

The next moment, she couldn’t stop her voice from trembling as she murmured—

“Mother ...”

Chapter 1076: Mother Gu, Qin Wei

The woman in the Bai family’s courtyard looked like Gu Qiqi’s mother, Qin Wei.

The back view, the long hair—they really did look alike.

However, Qin Wei died more than ten years ago. She had jumped off the cliff.

How could he still be alive?

Gu Qiqi naturally knew that it was impossible.

However, the woman's charm was similar to Qin Wei's, causing her heart to be struck by old feelings.

She was already about to become a stepmother, but she was still a child in front of her mother and needed her warmth.

She really wanted to look at that woman and feel that distant warmth in her memory.

She only wished that she had not been reborn more than ten years earlier. Otherwise, she could have been reunited with her mother!

Gu Qiqi couldn't help but place Bai Lang by the door. She took a step forward and grabbed the brass railing of the Bai family's door. She held her breath and looked inside.

Yet.

The woman in the fluttering white dress disappeared like a phantom in the blink of an eye.

Gu Qiqi leaned against the brass railing and was immediately sensed by the sensors on the railing.

Inside, a siren wailed.

A servant from the Bai family ran over and saw Bai Lang lying by the door. She quickly ran out and carried Bai Lang in.

Gu Qiqi grabbed the servant of the Bai family and asked, "Who was that woman in your courtyard just now? What was her name?"

The servant of the Bai family was confused and instantly became more vigilant. "Which woman? Why don't I see her? Who are you? Are you a friend of our Second Young Master?"

Seeing how handsome this young man was, could it be that he was actually a pervert who wanted to seduce the few young ladies in our Bai family?

Gu Qiqi said in a low voice, "Yes, I just came back from drinking with your Second Master. If he can get drunk with me, you know how our relationship is!"

Only then did the servant become more respectful to her. "Young Master, can you describe the woman's appearance? I'll help you find..."

Gu Qiqi said, "It's a middle-aged woman in her forties..."

Before Gu Qiqi could continue, the servant immediately waved her hand. "Our Bai family doesn't have anyone of this age. The ladies in our family are all very young. Miss Bai Yingzhu is in school, and Miss Bai Mori is in her twenties... Well, Miss Bai Qiangwei is a little old, but she's only in her thirties. Miss Bai Shaoyao is in her forties, but she has been married for more than twenty years and lives with the Xiao

family in Qing City. She's not in the capital at all. Not to mention our maids. They're either teenage apprentices or old aunties in their fifties. Anyway, there's really no middle-aged woman in our Bai family who's in her forties! Sir, are you seeing things?"

Gu Qiqi was silent.

She wasn't seeing things, but she knew perfectly well that her mother was in her early forties today.

If the Bai family did not have a woman of this age, then the back view just now was not Qin Wei.

But why had she caught a glimpse of her and found her particularly similar?

Could it be that she subconsciously missed her mother too much, so she was hallucinating?

But she had never had such hallucinations before.

Perhaps it was because she had been thinking about Xiaobei's condition and medicine recently and was too anxious to find the other half of the Medicine Manual and had nowhere to start, so she wanted her mother's embrace to rely on?

Gu Qiqi sighed. "Thank you. Sorry for disturbing you. Goodbye!"

However, the servant stopped her. "Young Master, please wait! You haven't said your surname yet. If our Second Young Master wakes up, what should I tell him? Who sent him back?"

Gu Qiqi smiled faintly. "Just let him watch the news."

Chapter 1077: The Male Mistress Came to Get Even With Him

The evening paper that afternoon.

Gong Jue saw the entertainment news of Special Assistant Lu and Dige's top hostess, Ah Hua.

Of course, the reporter was still kind. He didn't point out Special Assistant Lu's name. He also pixelated their "sexy photos."

The images, however, seemed to make one's imagination run wild.

For a moment, there was a lot of discussion online.

Gong Jue was furious. "Bring Special Assistant Lu here!"

At this moment, Special Assistant Lu had just returned from Dige in a daze. He did not know who had hit him in the head, but he did not know that what he had done had become a bad thing!

He didn't understand why Gong Jue was angry.

When he glanced at the torn newspaper on the table, he could not help but feel relieved.

Excellent!

Excellent!

He wiped the sweat off his forehead and deliberated over his words. "Master Jue, my condolences. Since Young Master Ye is such a person, I think we should just cut ties with him in the future to avoid being implicated by his bad reputation..."

But something was wrong. The more he spoke, the darker Master Jue's expression became.

Was Master Jue unable to accept reality and unwilling to admit that Young Master Ye and Young Master Bai had slept together?

Just as Special Assistant Lu was racking his brains.

Gong Jue shouted angrily, "Special Assistant Lu! I think I should give you my condolences! With your character, do you want me to cut ties with you and let you retire?! What if I get implicated by your bad reputation, huh?!"

Special Assistant Lu shivered.

What—what the hell did that have to do with him?

It was clearly Young Master Bai and Young Master Ye who had done such a foolish thing...

"Bam—!"

Gong Jue threw a pile of broken newspapers at him.

"See for yourself!"

Gong Jue was furious.

With trembling hands, Special Assistant Lu managed to piece together the newspaper and restore it. What he saw scared him out of his wits.

Oh my!

Young Master Ye and Young Master Bai should have appeared in the newspaper. Why were their heads replaced with his and another woman's?

Gong Jue said angrily, "It's fine if you go out to do it! Why do you have to go to a dirty place like Dige? It's fine if you go to a dirty place, but why are you so stupid to be photographed? It's fine if you're photographed! But why were you photographed doing it with a transvestite?? Special Assistant Lu, isn't your taste a little too bad?!"

"A—a transvestite?" Special Assistant Lu shuddered and scanned the report.

As expected, the reporter had already revealed the identity of Dige's top host, Ah Hua. She was a woman who had undergone a sex-changing surgery!

She was a fake woman!

Special Assistant Lu felt like crying. "Sir, I was framed. I really didn't do anything. I'm still a virgin..."

Gong Jue's eyes turned cold. "You were framed? Why didn't you frame others, but yourself? Tell me, why did you go to Dige? I asked you to investigate Gu Qiqi, but you didn't do it for a long time. Instead,

you had the time to flirt with a transvestite. You should reflect on yourself. Are you so bored that you're free?"

Special Assistant Lu burst into tears. "Master Jue, I... I was actually framed by Young Master Ye..."

"Are you saying I set you up?" came a crisp male voice from outside the door.

Special Assistant Lu shuddered.

The male third party was here to settle scores with him...

Gu Qiqi had just rushed back from the Bai family mansion and had yet to change out of her handsome male outfit.

At this moment, Gu Qiqi, who was smiling faintly, pushed open the door and stared at Special Assistant Lu.

Chapter 1078: Master Jue Has Been Bent

Gu Qiqi had just arrived and hadn't heard Gong Jue's words when she heard Special Assistant Lu's words.

At this moment, she naturally understood what Special Assistant Lu's true intentions were.

Of course, it was to pair Young Master Ye and Bai Lang together and make Gong Jue angry.

Why did he want to make Gong Jue angry?

It turned out that Special Assistant Lu had treated Young Master Ye as a third party and wanted to chase Young Master Ye away from Gong Jue so that he could pave the way for Gu Qiqi.

To be honest, she was rather touched!

Special Assistant Lu, you've really gone to a lot of trouble!

It's just that... you took the initiative to do this for my own good and help me trap the enemy, but after so many traps, it's still me who's being tricked.

Special Assistant Lu was surprised and bewildered when he saw Young Master Ye appear.

He couldn't even speak properly. "How... how could you... come to Master Jue like this..."

"Because..." Gu Qiqi smiled.

Because I'm Gu Qiqi.

But she couldn't say that yet.

Young Master Ye's identity was still very useful. She still had to hide this identity.

Gong Jue already knew that she couldn't expose herself to a third person.

She blinked and suddenly felt that Special Assistant Lu was so honest and cute. She couldn't help but tease him. She walked forward and hugged Gong Jue's neck. "Because I miss him..."

Gong Jue enjoyed it very much. He squeezed her hand and allowed her to hug him.

Special Assistant Lu rolled his eyes and almost fainted.

Two big men were hugging each other in front of him. It was really... a scene that was hard to describe in a few words. He would never forget it!

Oh no, oh no, Master Jue was bent so easily... Young Master Ye, you male demon!

"Master Jue, I volunteer to dig coal in Africa..." He lowered his eyes in apology.

Gong Jue's eyes darkened and he was about to say something.

Gu Qiqi spoke up for him. "No, there are too many African mosquitoes. They will bite people silly."

"Hmph, do you think he's not stupid enough now?" Gong Jue said angrily.

Gu Qiqi said, "But if he leaves, there will be someone who needs to do a lot of work. Why don't we let him atone for his mistakes and work overtime to do things well?"

Of course, if she knew at this moment that the job he had to do even when he worked overtime was to check on her, she would regret saying so.

Gong Jue's eyebrows deepened.

Indeed, now was the time to use people.

In particular, he was anxious to propose to Gu Qiqi when the winter break came.

Although he had personally prepared a lot of the preparations, someone always needed to follow up.

Moreover, he wanted to find out what had troubled Gu Qiqi four years ago as soon as possible.

He wanted to help her resolve it.

All of which required reliable manpower.

Special Assistant Lu had always been the most reliable, other than the silly case he had committed today.

Gong Jue said in a low voice, "Since Young Master Ye has spoken, I'll let you atone for your crimes. Hurry up and investigate that matter. I want to know the results as soon as possible!"

With that, he shot Special Assistant Lu a look that said, "Shut up and get it done."

Special Assistant Lu put on a long face and nodded as he left. In his heart, he said 10,000 times to Gu Qiqi, "Young Lady Qiqi, I'm sorry. Old Lu will have to submit to Young Master Ye's power and investigate your background on behalf of him... Boohoo... But don't worry, Old Lu is on your side. When the time comes, and if Master Jue really uses your past as leverage to threaten you to break up, Old Lu will persuade him until death. Even if I die in front of him, I have to speak up for you..."

Chapter 1079: The Mistress Is Actually Master Jue!

After Special Assistant Lu left, Gu Qiqi's lips were still curled up.

Sigh, she didn't expect Special Assistant Lu, who was usually discerning, to not see through Young Master Ye's true identity. Was her disguise too successful?

Just as she was feeling proud of his increasingly skilled makeup skills, she suddenly heard the man's soft reprimand. "You went drinking with Bai Lang, huh? And you were almost photographed, huh?"

Gu Qiqi blinked guiltily. "How can that be? I'm a doctor myself. How can I not smell that alcohol? Besides, I have the antidote. Even if I accidentally drink it, I have a way to detoxify it. I definitely won't be poisoned! I promise!"

"Cut the crap! Don't interact with that bastard Bai Lang in the future! And don't go to the Bai family again!"

Gu Qiqi was speechless.

Oh, she still wanted to find time to go to the Bai family to ask about that woman in white who had caught a glimpse of her...

"Gong Jue, I miss my mother!"

"Hurry up and marry me. I'll let you be a mother in a second!"

Gu Qiqi was speechless.

= = =

This night.

Gu Qiqi brought Gong Jue to the promised class reunion.

She had once attended a high school graduation class reunion in Qing City. Everyone's snobbish and cold faces made her have a bad impression of the class reunion.

However, it was different now. After getting to know Qiu Qiu, Lan, Bei Mingtian, and the others in university, she deeply felt a different kind of friendship.

It turned out that a team of like-minded best friends could be so satisfying and fun.

They had fought all the way from the academy competition to the World Medical Tournament. Who would have thought that the trashy academy, which had once been labelled as sh*t, could actually have such a powerful team and such an awesome student?

She was already famous even before she left the school!

Therefore, Gu Qiqi was in a relaxed mood and was willing to come to this gathering.

Gong Jue, who was behind her, actually looked especially interested. He followed her all the way to the snack street behind the university and didn't feel that this cramped alley was beneath his status at all.

Qiu Qiu was already waiting at the entrance of the alley to welcome them. He smiled like a flower and waved at Gong Jue and Gu Qiqi from afar. "Master! Mistress! I ordered delicious food for you!"

This time, Gong Jue wasn't wearing sunglasses.

Qiu Qiu took a closer look at Gong Jue's appearance!

He froze.

"Mistress..."

The word muttered again. The next thing he knew, he wanted to bite off his tongue.

Oh my god, Mistress was actually Master Jue!

That famous commander of the three armies, Gong Jue!

He was wondering why he felt that his mistress looked familiar when he saw him previously. However, his mistress always wore sunglasses, so he did not recognize him.

Now that Gu Qiqi was holding Gong Jue's hand intimately, the two of them looked compatible... Master Jue was indeed his master's mistress.

Heavens, he had actually been calling the Chief of the Empire, that man, Mistress!

Master Jue had not sent him all the way to Africa. Was he being exceptionally kind?

Qiu Qiu was dumbfounded and did not dare to look at Gong Jue directly. His face was flushed and his mouth was not as smooth as before. How could he still be alive and kicking?

Gu Qiqi burst out laughing. "What's wrong? Are you embarrassed to see me?"

Qiu Qiu was even more embarrassed. "No... no... not... that..." He could not form a complete sentence.

Gong Jue said in a deep voice, "Just call me by my name. If you like to call me Mistress, it's up to you."

What did it matter if he was a Mistress? Anyway, it was obvious who was male and who was female when he stood with Gu Qiqi. Only confident men wouldn't mind such a thing.

As long as he was the one on top when they were in the bedroom, there was no problem!

If she liked it, he had no problem with her occasionally being on top!

Chapter 1080: Gong Jue Is a Heartbreaker

"Huh?" Qiu Qiu was shocked. He never expected Gong Jue to be so easygoing.

When he came to, his eyes were full of admiration.

God, he'd seen it today. This was a real man!

How confident did he have to be to not be afraid of others teasing him for being his master's wife?

It was true.

Qiu Qiu was filled with admiration. He followed Gong Jue and called him "Master" every now and then. He led the way for him, cleared the roadblocks for him, and blocked the passers-by for him... He simply became a lackey in an instant.

Gu Qiqi was almost speechless. F*ck, whose disciple was this?!

This stupid man was so charming that he actually seduced her disciple!

The three of them walked to the end of the alley to a bistro.

The entrance was very narrow. At a glance, there were only a few small tables and few customers.

The sign read "Once a Bistro."

"Heh, this name is quite casual. Interesting." Gu Qiqi raised her eyebrows.

Qiu Qiu said proudly, "I started it!"

Gu Qiqi was even more surprised. "When did you open a bistro?"

Qiu Qiu smiled shyly. "Using the prize money from the competition. It's a shop that I just bought and I want to earn some money for my family... Master, you won't mind celebrating here, right?"

After all, the official banquet for Gu Qiqi was held in the banquet hall of the presidential palace.

Gu Qiqi pinched him. "What are you talking about? How is it shabby? This is what a small bistro should be like. But doesn't your family run a pharmaceutical company? Why would they need you to support them?"

An unnatural look crossed Qiu Qiu's face.

Then, he awkwardly changed the topic. "I just want to experience doing business. Master, Master Jue, please come in!"

The moment they stepped in, a few people stood up from the table in the middle and looked over with a smile. "Qiqi, you're here..."

They were all friends of Gu Qiqi's team.

Bei Mingtian was the first to freeze. He was as surprised as Qiu Qiu. "Master Jue..."

So Gu Qiqi's man was Master Jue!

He didn't know what to feel.

No wonder Gu Qiqi always treated the boys around her as brats. She had never even taken him seriously.

It turned out that she had Gong Jue by her side. He was a man among men.

Compared to Gong Jue, they were all brats.

When the other friends heard Bei Mingtian's exclamation, they finally noticed that the tall and strong man who followed Gu Qiqi seemed to overlap with an extremely noble man from the finals award ceremony!

Everyone gasped and did not dare to speak.

Master Jue!

Oh my!

Master Jue in the flesh!

The man they thought they could only see in newspapers, magazines, and on major occasions in their lives had actually humbled himself to come to their bistro!

Furthermore, he was accompanying Young Lady Qiqi!

The level of shock was too high.

Qiu Qiu was relieved to see that everyone looked too shocked to react. He was not so hopelessly stupid after all.

He chuckled and quickly brought out two chairs and wiped them with his sleeve. "Master and Master Jue, please sit down! Sit down and talk! Oh, what are you all waiting for? Hurry up and serve tea!"

Qiu Qiu did his best.

Everyone gradually came to their senses and began to get busy. They poured tea, served melon seeds, fried five-spice broad beans, and fragrant taro sticks...

Only Xiaolan was still standing there in a daze.

After a long time, she finally cried out, "Qiqi, you can't be with this man. He's a heartless man!"

Everyone's hearts skipped a beat. They wondered if Xiaolan had gone crazy today. She actually dared to speak to Master Jue like that.
