

Dear Chief 1081

Chapter 1081: We Broke Up

Xiaolan's accusation didn't seem false. After all, Xiaolan never lied, and she was extremely pure. Everyone knew that.

Even Gu Qiqi trusted her very much. She narrowed her eyes and asked Gong Jue half-jokingly, "Hey, do you have a romantic fling that I don't know about?"

Gong Jue's expression darkened in a second. "What romantic fling? I'm innocent!"

Except... that time on the operating table.

Thinking of that time, Gong Jue felt guilty for a second.

But that time had been a complete accident. He had been drugged by Bai Lang. He had never even seen the woman's face, let alone crossed paths with her a second time. How could he be unfaithful?

Gu Qiqi keenly captured that second of guilt and said in surprise, "There really is?"

Just as Gong Jue didn't know how to explain, Xiaolan said, "Qiqi, you can't be with him. He... he likes men!"

"Pfff—!"

Everyone finally burst out laughing.

"Xiaolan, are you serious? Master Jue is a real man!" Qiu Qiu held his stomach.

Even Bei Mingtian, who never participated in jokes, said, "You can't say that."

Xiaolan pouted. "I'm not spouting nonsense! I saw it with my own eyes. He, he and Young Master Ye..."

She mustered her courage and looked straight at Gong Jue. "Mr. Gong, that time in the hospital, Young Master Ye and I were clearly about to get married, but you interrupted and said that you and Young Master Ye were a couple. Is what I said true? It's fine if you like men, but you can't be entangled with another man and provoke our Qiqi at the same time! I definitely can't watch our Qiqi be captured by a scumbag like you!"

Although Xiaolan was petite, she was really not afraid of Gong Jue.

She felt that Gu Qiqi had found a scumbag. On the other hand, her heart ached when she heard the bad news of Young Master Ye and Gong Jue being together.

The two reasons made her unafraid of death when she said these words!

Everyone held their breaths and focused. No one dared to interrupt.

Gu Qiqi looked at Xiaolan with a complicated expression. So it was this romantic fling... This... This was like she had tricked herself again?

It seemed that Young Master Ye really had to keep a low profile in the future. There was Special Assistant Lu and Xiaolan after him. All of them had an abnormal misunderstanding of Young Master Ye... Sigh, it was really difficult!

Gong Jue's expression softened a little as he glared at Gu Qiqi angrily. It's all your fault. You actually turned my innocent body into a player! Go and explain!

In the blink of an eye, Gu Qiqi became guilty.

She coughed dryly. "Ahem, ahem, ahem, Xiaolan, actually, this is what happened..."

"Qiqi, I know you're soft-hearted, but it's too unkind of Mr. Gong and Young Master Ye to date behind your back. Although I'm very grateful that Young Master Ye cured my father's illness, I don't dare to praise his character! Gratitude is one thing, but exposing them for cheating on you behind your back is another!" Xiaolan said righteously.

Gu Qiqi was speechless.

It had already become an affair. She couldn't explain it anymore!

Just as she looked like she had nothing to live for, Gong Jue wrapped his large palm around her arm. In the end, he couldn't help but protect her and stand up for her. "Xiaolan, I'm afraid you've misunderstood something. Ye and I have long broken up!"

Gong Jue's simple words caused a huge commotion.

The other onlookers dropped their melon seeds.

Oh my.

What did Master Jue say just now?!

They... broke up!

Didn't that mean that they had dated before?

God, this revelation was too difficult to swallow!

Chapter 1082: Admit That You Like Scumbags

Gong Jue admitting to breaking up with Young Master Ye was indirectly admitting that he had dated a man before.

Yang Xiaolan was stunned for a moment. She thought that he would deny it, but he was really... straightforward.

She bit her lip. "Who can prove that you... broke up?"

Gong Jue's expression was as calm as water and as cold as ice. He raised his slender fingers and poked Gu Qiqi's fair face. "She proved that I only established a relationship with her after I broke up with Ye."

Gu Qiqi was speechless. Could he not say the words established a relationship? It was very easy for people to think that the words were ambiguous, okay?

Yang Xiaolan was stunned again.

So, Gong Jue wasn't two-timing, but dating these two people one after another?

On careful thought, it seemed to make sense. When Gong Jue appeared in the hospital, he didn't have much interaction with Gu Qiqi.

It didn't increase until after the academy tournament.

If there was really a timeline, this could not be blamed on Gong Jue.

After all, there was no rule in this world that said that one had to love another forever. It was too normal to fall in love and change partners.

Yang Xiaolan bit her lip. Facing Gong Jue's aura, she suddenly became a little timid and lowered her voice. "Are you telling the truth?"

Was there really a man who was willing to admit to being gay so readily?

Gong Jue raised his eyebrows. "Why? Don't I have the right to choose who I date? Can't I like men before women? Gu Qiqi straightened me out. Do you have a problem with that?"

Gong Jue spoke so frankly and firmly that Xiaolan couldn't doubt him anymore.

"Well ... well, I'm sorry, then I was mistaken ..."

Xiaolan finally relented.

On the other hand, Gu Qiqi was a little upset.

Gong Jue was actually willing to take the initiative to admit that he liked men in order to cover up her other identity! This really required a lot of courage for a man.

Especially for a domineering and arrogant man like Gong Jue, admitting that he liked men was worse than suicide, right? It was too unlike his usual style.

Yet he had done it for her.

It was really hard not to be touched...

However, this touched her for less than three seconds.

Gong Jue said coldly, "You're not the only one who's mistaken. I was also mistaken! That brat surnamed Ye is fickle-minded. He's flirtatious in the east and the west. He's never been serious. I've caught him dozens of times just by catching him in the act. Do you think I'll continue to date such a person? Hmph, didn't I take a fancy to him back then because he pretended to be a woman in front of me? He tricked me into getting on the boat! Now that I've seen through his character, I won't mix with him anymore to avoid ruining my reputation. I advise you to stay away from him! He's the scumbag!"

Gu Qiqi was furious!

She knew it. It wasn't Gong Jue's style to admit that he liked men.

This guy was clearly using his position to take revenge!

He was using this moment to give her an excuse to slander Young Master Ye!

After making Young Master Ye out to be a scumbag that everyone despised, he would be able to rest easy. He would no longer have to worry about other people flirting with him, right?

Hmph!

How sinister!

Black-bellied wolf!

However, how could the others present know about his dark side?

After hearing Master Jue's honest speech, there was no one who did not believe him.

They all nodded piously.

"Master Jue is right. We definitely can't bother with such a scumbag!"

"That's right. I'm also a man. I've never been so fickle. I'm the same as Master Jue. If we should break up, we should break up. I'll never date two girls... or men!"

"I support Master Jue! Although Young Master Ye's medical skills are high, he's not a good person! Scum!"

Gu Qiqi was speechless. The scumbag you were talking about was in front of you at this moment, staring at you with hatred and indicating that he would bear a grudge. Hmph!

Chapter 1083: Who Did You Give Your First Kiss and First Night to?

Xiaolan rubbed her eyes sadly as the words "scumbag" were shouted.

Boohoo, she was unwilling to admit that Young Master Ye was the kind of scumbag Master Jue was talking about!

However, since Qiqi didn't retort, did that mean it was true?

Was Young Master Ye really that kind of playboy?

Seeing that Xiaolan was still hesitating, Gong Jue added casually, "I heard that he has been very close to Bai Lang recently. The two of them are so close that they're wearing the same pants. Unfortunately, after he had enough fun with Bai Lang, he abandoned him in the blink of an eye. I heard that Bai Lang led the team to complete the finals alone?"

With Gong Jue's reminder, Xiaolan finally wailed in despair and secretly sobbed.

Yes, Young Master Ye had not appeared for a long time!

Master Jue's statement was so consistent with reality...

So it turned out that Young Master Ye was a playboy?

No, she had to find a chance to ask Young Master Ye in person. Even if Young Master Ye was really a scumbag, she had to confirm it in person. Boohoo...

Xiaolan was secretly sad.

On this side, the boys had already become active. They began to pour wine and serve dishes as they enthusiastically persuaded Gong Jue to drink.

Gu Qiqi was speechless. When she saw Gong Jue gulping down the wine in his cup, a smirk appeared on her lips. She thought to herself, Hmph, stupid man, are you satisfied now?

'You almost made Sister Xiaolan cry by smashing her dream. If you destroy the idol in Xiaolan's heart, you can rest easy, right?'

Although she knew that Gong Jue was deliberately trying to stop Xiaolan from thinking about Young Master Ye, Gu Qiqi couldn't stop him.

After all, she had to make Xiaolan forget about Young Master Ye sooner or later. It was better to get it over with.

Gu Qiqi pondered. When she looked up, she realized that there was already a row of empty wine bottles in front of Gong Jue.

Across the table, Qiu Qiu was already drunk. He leaned on the table and his words were slurred. "M-Mistress! Let's do it again!"

Gu Qiqi couldn't help but hold her forehead. He didn't even call her 'Master' anymore. It seemed that Qiu Qiu had really drunk too much.

Gong Jue didn't argue with him. Instead, he said indifferently, "You can't do it anymore. Next!"

So they were competing in drinking.

However, it was obvious that no one was Gong Jue's match in such a one-on-one battle!

Bei Mingtian frowned and suddenly said, "Master Jue, since we're going to play, let's enjoy ourselves. Why don't we play a game? The loser will drink."

"What game?"

Bei Mingtian was about to say, "Darts in the competition room."

But the drunk Qiu Qiu suddenly stretched out his arm and said, "Play Truth or Dare!"

Bei Mingtian said, "Childish!" He looked disgusted.

Gong Jue said with disdain, "I'm not playing!"

Qiu Qiu muttered, "Well... That's a pity. I wanted to take the opportunity to ask about Master's first kiss and that night. Who did she give it to? I really want to know..."

The next second.

Bei Mingtian said, "Okay, let's be childish for once."

Gong Jue said, "Okay, let's play this!"

The students were speechless. Please pick up the rotten melon on the ground for us to eat. Thank you!

Gu Qiqi was speechless. Did anyone ask for her opinion?!

Everyone laughed and decided on this game.

Immediately someone began shaking the dice.

The first to be called was surprisingly Qiu Qiu.

The student rolling the dice asked, "Do you choose truth or dare?"

Qiu Qiu said, "Truth!"

"Then tell me, what do you most want to do right now...?"

Qiu Qiu said, "I just want to make a lot of money!"

"Tsk! Aren't you actually trying to get a lot of girls?"

Qiu Qiu said, "No, no, no, I want money, money, money!"

Gu Qiqi was a little puzzled. Qiu Qiu had never seemed to lack money in the past. What was wrong with this rich second-generation heir today? Why did he seem to need money so much when she was reborn?

Is there something he needed help with?

Before Gu Qiqi could figure it out, it was Qiu Qiu's turn to roll the dice.

He shook Gu Qiqi and laughed. "Master! I want to ask who you gave your first kiss and first night to?!"

Chapter 1084: The Highest Realm of Eating Dog Food

He wanted to make her confess her first kiss and her first night?

Gu Qiqi glared at him speechlessly. Qiu Qiu was a little bastard who specialized in tricking his master for a hundred years.

However, it was not good to play games too seriously, nor was it good to go back on her word. The rules could not be changed for her alone.

Under everyone's gazes, everyone was looking forward to Gu Qiqi's "truth".

One second...

Two seconds...

Three seconds!

Gu Qiqi said calmly, "I choose dare."

Bei Mingtian pursed his lips coldly. Tsk. I knew this girl wouldn't fall for it!

Gong Jue's expression darkened. Not answering? Was she feeling guilty?

Qiu Qiu's mouth opened wide. "Master, this is too unreasonable!" Master actually didn't choose truth!

Gu Qiqi said, "Aren't the choices truth or dare?"

Qiu Qiu was speechless.

After a few seconds of silence, Qiu Qiu suddenly chuckled. "Master, actually, I knew that you wouldn't choose Truth or Dare. I knew that you would choose Dare! I've actually chosen all the adventure items for you. Let's do something especially simple. How about a kiss with Mistress?"

Gu Qiqi was speechless.

After circling around for a long time, she still fell into his disciple's trap.

She felt it was time for a new apprentice.

As soon as Qiu Qiu finished speaking, everyone became excited again and cheered and clapped.

"A kiss using tongue!"

"A kiss using tongue!"

"A kiss using tongue!"

Even Gu Qiqi, who had always been calm, blushed. "Then I'll punish myself with a glass!"

Then she picked up her glass!

Unexpectedly, just as the wine glass left the table, Gong Jue snatched it away.

The man's cold and domineering voice sounded in her ears. "I'll drink it for you!"

Stupid woman. She would rather drink than kiss him with her tongue!

I really want to know which bastard she gave her first kiss to?!

Gong Jue drained his glass!

Gu Qiqi turned slightly and looked at the man's protective actions and eyes. She couldn't help but smile.

Then she remembered that the wine glass was clearly the one she had taken a sip of earlier.

The cup was still warm from her red lips.

Therefore, was Gong Jue indirectly kissing her by drinking her wine so casually?

Gu Qiqi's face turned even redder.

The people around her were even more excited. They were stunned for a long time before they reacted.

"Heavens, Master Jue actually drank the wine for Qiqi! Isn't he too handsome?"

"I'm convinced by eating this dog food."

"I feel that Qiqi can do whatever she wants under Master Jue's protection in the future!"

“Qiu Qiu, your truth and dare requests are so weak. Do you think you can get any secrets out of your master? She stuffed a mouthful of dog food over! Are you convinced?”

Qiu Qiu was a little drunk and muttered gloomily, “It’s not the first day we’ve been fed dog food. Have you forgotten the award ceremony? Have you forgotten the celebration party?”

Everyone was stunned.

Only then did he recall how Master Jue had descended from the sky during the academy competition and personally awarded Gu Qiqi, the champion, with the qualifications to participate in the World Medical Tournament.

There was also the World Medical Tournament finals. Master Jue was fighting to prevent Qiqi from treating CEO Chu.

At the celebration party, Master Jue forcefully helped Qiqi block the reporters...

And...

When they recalled all the signs at this moment, everyone realized that it was not a coincidence. Master Jue had personally come to feed them the dog food, okay?

Unfortunately, they didn’t realize what they were eating at the time.

Now that they realized it, they felt like they were choking to death. Their souls had yet to reincarnate!

If dog food was also divided into levels and realms, there was no doubt that what they were fed was definitely the highest level of dog food!

Chapter 1085: Master Jue’s Demonstration!

Everyone who had stuffed themselves with a full meal of dog food looked at each other bitterly. They were still f*cking single people and urgently needed to establish a single protection association!

Bei Mingtian was the first to speak. “Keep playing!”

I’ll have to console myself with games, woo.

This time, it was Gu Qiqi’s turn to take the initiative. She directly chose Qiu Qiu. “Rascal, why have you been drinking alone today? Why are you still trying to earn money? Huh? Tell me the truth!”

Qiu Qiu covered his face, unwilling to reveal the reason for that embarrassment. “I also choose Dare!”

Gu Qiqi smiled. “Alright. Then I’ll let you kiss Bei Mingtian.”

Beiming Tian was speechless. Why did she cause trouble for me? Wasn’t it good to give Gong Jue and Gu Qiqi have more chances to be intimate?

Everyone was in an uproar!

Everyone was looking forward to seeing Gu Qiqi and Gong Jue be intimate.

However, they were simply dumbfounded by Gu Qiqi’s dare for Bei Mingtian and Qiu Qiu to kiss..

Amidst the commotion, Qiu Qiu had already walked over casually. "Brother Ming Tian, since everyone is looking forward to it, let's have one!"

"Damn, you're drunk!" Bei Mingtian said coldly, fending off Qiu Qiu. "Come my ass! I'll drink it for you!"

With that, he snatched Qiu Qiu's wine glass and quickly drank it all.

He was afraid that Qiu Qiu would pester him to fulfill that terrible "dare."

He thought if he grabbed this drink, he would be fine.

Unexpectedly, everyone covered their mouths and laughed. "Senior Brother Mingtian, did you learn this from Master Jue?"

Bei Mingtian turned green...

He's not bent! No!

Bei Mingtian was mocked by everyone while Gu Qiqi nestled in Gong Jue's arms and laughed happily.

After a while, it was finally Bei Mingtian's turn to take the initiative. He glared at Gu Qiqi, who was gloating, making her nervous for a moment. She thought that Bei Mingtian wanted her to admit some truth again.

In the end, Bei Mingtian turned to Gong Jue after glaring at him. "Master Jue, may I know if your first kiss and first night have been taken?"

Gong Jue was speechless.

How dare you ask me that question?!

His eyes were cold as he stared at Bei Mingtian sharply, causing Bei Mingtian to almost be unable to sit still!

Qiu Qiu quickly helped him out. "Hey, hey, Brother Mingtian, there's no point in asking this question. Change... change the dare! Change it to a dare for Mistress!"

Bei Mingtian gritted his teeth. "Then can Master Jue and his girlfriend..."

Actually, he wanted to say a public confession.

Unexpectedly, Gong Jue took action before he could finish speaking.

A strong arm tightened around Gu Qiqi. He turned her face over and raised her chin!

He suddenly kissed her!

Gong Jue actually carried out the dare so directly.

Everyone was stunned!

This was really the most exciting "Dare" they had ever seen in their lives. It could be said to be a textbook demonstration!

It was just a demonstration. He even hugged the confused and stunned little woman and proudly announced, "It's done! Don't solve everything with alcohol. It's boring!"

Gu Qiqi was speechless. You're interesting. I'm about to lose all my face.

Gong Jue, you'll teach children badly if you actually do this a dare on the spot.

"Whoa—!"

Everyone belatedly erupted into a fierce cheer!

Master Jue had finally brought the taste of dog food to a new level!

Chapter 1086: When Mistress Raises His Weapon

After a few rounds, Gu Qiqi felt that she had suffered a lot!

Ever since everyone realized that although Master Jue looked cold on the outside but was very easy to talk to in front of Gu Qiqi, especially when it came to showing off his love to Gu Qiqi, he simply agreed to everything.

So each of these brats came up with an even more bizarre idea.

"Sir, you can eat dates with Qiqi! Each of you can eat one side!"

"Master Jue, have a sweet exchange with Qiqi! Feed this chocolate bean to Qiqi. You can't use your hands, you can only use your mouth!"

"Master Jue, do you and Qiqi dare to use your bodies to form the Arabic numerals 0 to 9!"

Listening to the increasingly difficult requests one by one, Gu Qiqi simply wanted to strangle these brats. Do you think this is a bridal chamber? Why don't you let me reach into my pants and take something out?

The little dirty turtle heard Gu Qiqi's thoughts and muttered curiously, "What do you mean?"

It had no answer.

As it was curious, it naturally had to figure out this knowledge itself.

Therefore, a few seconds later, it raised the latest encyclopedia of knowledge and came to a realization. "So this is how to play this game. Take two eggs and stuff them into your pants, then move them until they reach your pants. The two eggs finally meet happily! Then, move them out of the other pants... Well, I think this game can also be called taking eggs out of your pockets! This is too interesting. Why doesn't everyone play it?? I strongly request to play!... Ow!"

A certain turtle's head was slapped by Master Silver and retracted.

What did it say wrong? ~~

Gu Qiqi's face turned red from the torture. Every f*cking "dare" was very embarrassing. She and Gong Jue accidentally kissed again during the process.

Also, the action of acting out the Arabic numerals was too strange. When they were about to act out the “8”, Qiu Qiu actually said shamelessly, “This is too simple. Master and Mistress, stand facing each other. When Mistress raises his weapon, it will be 8 hahahaha...”

Gu Qiqi was speechless. Children were bad!

However, Gong Jue didn’t agree to everything.

When someone suggested for Master Jue to measure Qiqi’s chest, Gong Jue rejected him sternly. “I can only do this myself. I won’t make it public!”

With that, he generously punished himself with a glass of wine!

Gu Qiqi was speechless. Yes, you secretly mastered it every night!

Everyone bickered and unknowingly drank a lot.

They were having fun.

Suddenly there was a noise at the door of the bistro.

“Beat him up! Beat him up hard! Beat that little brat until he’s looking for his teeth all over the ground! Hmph, is his mother a coward? Then let her son stand up and get beaten up. Let’s see if his mother is still standing in a latrine pit!”

A vulgar female voice burst through the door, making everyone at the table frown.

Gu Qiqi thought that something had happened in another shop outside and didn’t take it seriously at first.

However, in the next second, there was a loud clang! and the frosted glass sliding door at the door of the former bistro was smashed to pieces!

Shattered frosted glass flew everywhere!

Fortunately, Gong Jue reacted quickly and hugged Gu Qiqi to protect her.

A few shards of broken glass hit his back and wrists, and his skin broke at once.

Chapter 1087: Money? I Want People!

The others fared even worse.

Some of the slower ones had bruises on their faces. Xiaolan’s leg had been broken by broken glass, and she was pale with pain. Bei Mingtian’s expensive suit had been cut, and Qiu Qiu was the worst—

As his seat was close to the door and he was a little drunk and slow to react, he didn’t dodge at all. A piece of glass smashed into his back, cutting through his clothes and embedding itself in his back.

Blood ran down his shirt and stained the stool.

Gu Qiqi frowned. “Who is so rude and unreasonable? Is he your business rival?”

As she spoke, she jumped down from Gong Jue’s arms and treated Qiu Qiu’s wound immediately.

Qiu Qiu gritted his teeth and said in a muffled voice, “No...”

He wanted to explain but was too embarrassed to do so.

He said gloomily, “I’m sorry, Master. I’ve implicated you. I’m sorry for hurting everyone. I’ll treat everyone to a meal another day. Leave this matter to me. Go back first. Go, go...”

Gu Qiqi glanced indifferently at the group of bare-chested men outside the door. They were still waving iron rods and smashing the signboard of the bistro. They even smashed the cars parked by the customers at the door. All of them looked fierce. There were at least sixteen to seventeen of them.

Her tone hardened. “You’re going to take care of this yourself, Qiu Qiu? Tell me, how are you going to take care of sixteen or seventeen people? Are you going to let them beat you flat? Or just kill you? Huh?”

Everyone followed Gu Qiqi and said, “That’s right, Qiu Qiu. How did you provoke these gangsters? It’s obvious that they’re hooligans. What did you do to get involved with them...”

Qiu Qiu smiled bitterly. He had sobered up a little. “I... yes, what did I do? I didn’t do anything to deserve being chased and beaten like a mad dog by them... and I’ve been thinking about what my mother and I did wrong...”

The more Gu Qiqi listened, the more she felt that something was wrong.

What was wrong with Qiu Qiu’s family? Qiu Qiu had always been optimistic, but his dispirited look was abnormal!

As she was thinking, outside the door, the hooligans had smashed the sign and the parking lot. They had smashed the front door. There was nothing left to smash. They were charging in, ready to smash the shop!

There were not many customers in the shop to begin with, and they were already so frightened that they covered their heads and fled. Even the staff was terrified and hid in the kitchen, not daring to go out.

Hence, those hooligans easily surrounded Qiu Qiu, Gu Qiqi, and the others!

A gorgeously dressed woman, who could even be called flirtatious, walked to the front in exaggerated high heels that were fifteen centimeters long and waterproof. “Do you see that fatty? Yes, that little brat. He’s the same as his fat mother! Look carefully and beat him to death! I don’t believe that fat woman still has the cheek to hide and not come out to sign?”

Sign?

Sign and transfer the bistro?

Or some kind of business dispute?

Gu Qiqi had just pulled out the glass shards on Qiu Qiu’s back and was about to disinfect and bandage him. She didn’t turn around and said casually, “How much does Qiu Qiu and his mother owe you? I’ll settle this debt for him! If you continue, you won’t get a single cent!”

The other party sneered. "Money? I want people!"

Gu Qiqi was puzzled. "Qiu Qiu, she wants you?"

Qiu Qiu's face turned as red as a pig's liver. "I-I don't like that kind of ugly monster!"

"Ugly? You dare to call me ugly? I'm your second mother. If you say it again, I'll tear your mouth apart!" The seductive woman was furious. She pointed at Gu Qiqi and the others and said, "I told you to get lost, but you didn't. When we destroy things later, I'll cripple all of you! Hurry up and get lost!"

Chapter 1088: I'm Master Jue's Father!

Second mother?

Gu Qiqi narrowed her eyes and understood.

Could this woman be Qiu Qiu's father's new lover?

She called Qiu Qiu a brat, called Qiu Qiu's mother a fat woman and asked them to sign something... Could it be that she was forcing Qiu Qiu's mother to sign the divorce agreement?

Gu Qiqi's eyes gradually darkened.

She hated such arrogant and vicious mistresses the most.

This made her immediately think of the disgusting Gu Meifeng and her daughter!!!

Her face hardened even more, and she was about to snap back.

Suddenly, Gong Jue, who was beside her, was the first to rebuke. He said coldly, "Are you tired of living for disturbing my woman's treatment? I'll give you three seconds to get lost. If you don't, don't blame me for being rude!"

Gong Jue was with everyone previously and didn't want these students to feel pressured. Therefore, he deliberately restrained his aura.

At this moment, when he was angry, the pressure around him could not help but be released. The entire bistro was filled with coldness!

The dozen or so shirtless hooligans could not help but tremble!

They were still wondering why they did not tremble when they were fighting in the cold wind outside the door just now. Now that they were indoors, they were trembling!

They had yet to realize that it was the powerful pressure brought by this handsome man in front of them!

The coquettish woman was even more fearless. She resisted the pressure and forced herself to sneer. "Hey, where did this pretty boy come from? He's quite arrogant! I advise you to be sensible and get lost quickly! I won't beat around the bush. I have no grudges with you. I'm here to find this little brat. Let that fat woman quickly sign the divorce agreement and return the man to me! Otherwise... Do you know who my brothers are? Have you heard of the Green Tiger Gang? Even if I beat you all to death today, the Green Tiger Gang won't blink!"

Gu Qiqi thought to herself, As expected, she was here to snatch Qiu Qiu's father.

This mistress was really strong. She was much more powerful than the mistress of Mu Liuchuan's father.

She was even more of a shrew than Gu Meifeng.

However...

She had an ace in her hands. Why would she be afraid of a little brat like this?

Indeed.

In the next second, Gong Jue said coldly, "Green Tiger Gang? What's that? When I was developing intelligent robots, you were still playing house, right? Hmph!"

When Bei Mingtian and the others heard Gong Jue's arrogant and domineering declaration, they couldn't help but smile secretly.

The seductive woman exploded in anger. "Who... who are you? How dare you spout such nonsense!"

Gong Jue said, "I won't change my name or surname. Gong Jue!"

There was silence for a few seconds.

Then, the seductive woman took the lead and laughed wildly.

The dozen or so hooligans were overjoyed. "You're pretending to be Master Jue? Are you serious? If you're really Master Jue, then we're all his fathers!"

The hooligans' wanton mockery made Gong Jue turn black immediately.

Those who were not familiar with Gong Jue might not know, but Gu Qiqi knew very well that someone was going to be unlucky.

However, she didn't intend to stop Gong Jue.

She had to treat Qiu Qiu's wound to prevent inflammation and infection. Later, she had to quickly treat Xiaolan and the others' wounds so that they wouldn't have scars. She was too busy to deal with those b*tches.

She might as well let Gong Jue deal with this for her!

Well, I believe it will teach that mistress a rather profound lesson.

She was calm as she continued to treat Qiu Qiu's wound. She didn't even turn around.

Chapter 1089: Textbook Method to Deal with A Mistress

A second later.

Gu Qiqi heard Gong Jue clench his fists and the sound of bones cracking.

Immediately after, a gust of wind sounded, accompanied by the sound of various bones shattering!

Sixteen seconds later, there were screams!

Gong Jue punched sixteen people in a row!

Fist to flesh, palm to bone!

In fact, before the other party could even see how he attacked, Gong Jue had already beaten him up.

Gong Jue had already returned to his original spot elegantly. He was still standing beside Gu Qiqi. His fist wasn't even stained with a drop of blood. He said coldly, "I'm letting you live today because I want you to go back and inform your boss that Gong Jue will give him ten minutes to disband the gang. Otherwise, I'll destroy all of you! Do you understand?"

"Understood, understood! Spare me, my lord!"

"If you understand, why don't you get lost?"

The hooligans in the room instantly dispersed.

Only the coquettish woman was left, stunned and unable to react. She was still trembling as she held her head and could not move her feet as if they were filled with lead. "You can't hit a woman, you can't hit a woman..."

Gong Jue was disdainful and didn't even look at her. "Get lost!"

Only then did the seductive woman run out, peeing her pants.

Qiu Qiu was dumbfounded as he watched Gong Jue finish off so many hooligans in just ten seconds. He was stunned for a long time before tears welled up in his eyes. "Master, Mistress! I'll kowtow to you. Thank you! You saved me and my mother!"

Mistress was so powerful!

Gu Qiqi helped him up speechlessly. "How many times have I told you that a man has gold under his knees... Get up quickly! Tell me the whole story."

Only then did Qiu Qiu wipe his tears and tell him everything that had happened at home.

It turned out that Qiu Qiu's pharmaceutical company had made a lot of money in the past few years and was considered an up and coming company.

When his father became rich, he began to despise his wife for being too old and fat. He lost his fun and hooked up with young, flirtatious secretaries in the company.

That secretary, who was also the company's finance officer, was especially shrewd. She encouraged Father Qiu to get a divorce and always said that Qiu Qiu was as stupid and fat as his mother. She said that she wanted to have another outstanding son to inherit the family fortune so that they wouldn't lose everything.

Qiu Qiu's father obeyed. On the divorce agreement, he wanted to take back both Qiu Qiu's mother's and Qiu Qiu's shares.

Qiu Qiu's mother was not interested in the shares, but she could not bear to part with Qiu Qiu's father after many years of marriage, so she refused to divorce him.

Thinking both sides should calm down, she brought Qiu Qiu out.

Qiu Qiu was determined to do a little business of his own and prove that he was not a flop or a stupid fat man!

But as soon as they left, the divorce agreement was not signed. The mistress thought that they were stalling!

Now that the mistress was anxious, she anxiously hired hooligans to attack her!

She was forcing them to sign!

After hearing Qiu Qiu's explanation, Gu Qiqi couldn't help but sigh. So there was really such a high-profile and arrogant mistress in the world.

She groaned for a few seconds. "Qiu Qiu, tell your mother that if she trusts me, I'll get rid of this mistress for her! How about that?"

Qiu Qiu bit his lip and sniffed. "Master, how can I trouble you with family matters—"

Gu Qiqi pulled a long face. "A disciple's matter is a master's matter. If I don't even care about your matter, what's the use of acknowledging me as your master?"

Qiu Qiu smiled through his tears. "Thank you, Master! But..."

He wanted to say that she had never been married. Did she know how to deal with mistresses?

Gu Qiqi curled her lips. "I have a textbook method for dealing with mistresses!"

What a joke. Since her rebirth, she had designed at least a hundred ways for Gu Meifeng to die.

Any one of them was enough to deal with that coquettish bitch!

Chapter 1090: I'll Be a Male Nurse

A textbook method to deal with mistresses?!

Everyone was shocked by Gu Qiqi.

Gong Jue snorted. "I'll just kill her. Why would I use any textbooks?!"

Gu Qiqi pursed her lips. "You don't understand the wonders of a creature like a mistress. Even if you kill her, she can stubbornly leave a disgusting thing behind..."

Gong Jue said disdainfully, "She's just a vulgar bitch..."

Gu Qiqi still wanted to educate him that things couldn't be so simple and crude.

Qiu Qiu exclaimed, "Mommy, why did you come down? Didn't I tell you not to come out?"

In the narrow bistro, a middle-aged woman slowly walked down a worn wooden staircase that led to the warehouse upstairs.

The woman was in her forties. She was indeed very fat. She looked like she would weigh more than a hundred and fifty pounds. As she walked down, the worn stairs creaked. It felt like they would collapse any second.

But this fat woman was impossible to dislike.

She was clean and tidy. Even though she was fat, there was something gentle and kind about her. She looked exactly like Qiu Qiu.

Even the haggard look on his face was identical to Qiu Qiu's.

This was Mother Qiu!

Mother Qiu pulled a face, and her tone was one of resignation and compassion that came from someone who had reached middle age and seen through everything. "Mommy can't hide for the rest of her life... Besides, your father just called a dozen times. How can I not answer his calls?"

After all... it had been a year since her man had taken the initiative to call her.

Seeing how much his mother valued his father's call and how carefully she compromised, Qiu Qiu felt sad for no reason. He said angrily, "Mommy, why is that indecent old man harassing you again? Does he want you to sign the divorce agreement with flowery words? Does he want you to give up everything and leave with nothing?"

Mother Qiu lowered her eyes. "He said... he said that that woman was beaten up. He questioned me for not teaching you well and threatened me that he wouldn't even give you living expenses in the future!"

"Who cares about his stinky money! Mommy, I can open my own bistro and do business. I... At most, I'll go out and work as a male nurse! I don't care about his stinky money either. I just hope that Mommy won't suffer from him again! Let's find a lawyer to fight a lawsuit and take back what belongs to us. Then we'll cut ties with him, okay?"

Mother Qiu looked troubled. "Qiu Qiu, Mommy doesn't want this family to fall apart... That woman only wants your father's money. How can she really be good to your father? If we leave him, won't we be pushing him into a fire pit?"

Qiu Qiu was exasperated. "Mommy, you're always thinking of him! Has he ever thought of us for a second?"

Mother Qiu sighed. "Qiu Qiu, did you hit that woman today? We can just avoid her. Why do you have to make things difficult for your father?"

Qiu Qiu shouted, "Mommy! They're already at our door! Am I supposed to stick my face out for her to hit? Don't you know that she found a dozen hooligans..."

Only then did Mother Qiu panic. "Baby, are you hurt? I'm sorry. I blamed you for not asking clearly just now. I'm sorry, I'm sorry. It's all my fault. I was incompetent. I didn't protect this family well and made you suffer as well. I was actually bullied by a mistress..."

Qiu Qiu's mother anxiously turned Qiu Qiu around to take a look. Only then did she realize that there was a bright red blood stain on the stool behind him.
