

## Dear Chief 46

Chapter 46: Her Heart Missed A Beat

The lights flickered in the corridor.

Gu Qiqi made her move!

Her slender fingers suddenly attacked the middle of Gong Jue's forehead!

The Shangxing acupoint could cause unconsciousness.

You're such a domineering man! I don't have the time or energy to play games that involve men and female servants!

Gu Qiqi planned on sealing Gong Jue's acupoints and slipping away in the middle of the night.

But she never expected that...

When her fingers had just gotten close to Gong Jue's temples, those tightly-shut eyes suddenly opened!

The man's gaze was deep like an abyss, chilly in the dark night. His strong arm was as fast as lightning as it gripped Gu Qiqi's slender arm.

He flipped her over and easily pinned her down!

"Oh... Damn it!"

Gu Qiqi was kowtowing so hard that tears welled up in her eyes.

This stupid man wasn't gentle at all!

"There's something else that hurts more! Do you want to try it?"

Gong Jue's tone was cold and carried a trace of anger.

I knew that this stupid woman wasn't simple when she was lying down like a silly deer. She had ulterior motives.

More pain?

Gu Qiqi instinctively curled her body to make herself smaller.

That d\*mned stupid man! It was her turn!

"Wh-what are you doing? I was just sleepwalking just now. Don't think too much..."

Gong Jue looked at her coldly.

He tightened his grip on her slender and fair arm. Then, he twisted it and raised it above his head.

It was as if she was hanging upside down.

"Why? Of course I have to..."

He swallowed.

The faint moonlight that leaked through the cracks in the window shone on the girl's exquisite face. Her pink lips opened and closed in anger like the lips of a small fish in deep water.

Gong Jue became irritated again.

Gu Qiqi's heart skipped a beat!

Want?

What do you want?

Could it be that she would be eaten up by him instead of escaping tonight?

Wait a minute. That domineering man was so vicious when he held her arm... Why did it feel like that night on the operating table?

Why did this feel the same as that mysterious man? Were all shameless men like this?

Without waiting for her to think deeply about it, Gong Jue said coldly, "Of course, I have to punish her!"

While speaking, he slapped her buttocks.

"Slap—"

It was especially crisp in the quiet night.

"I'm not done with you, you domineering man!"

Gu Qiqi shouted in anger and embarrassment.

How could a girl be casually spanked by someone else?

She swore that she would definitely return the favor in the future and give him the same punishment!

Outside the door.

Special Assistant Lu had just run 30 laps, did 300 squats, and written 3000 lines of system codes. His legs and fingers were nearly crippled. His face flushed red. He wanted to raise his hand and knock on the door, but he put it down in embarrassment.

Master Jue and Young Lady Qiqi seemed to be very active.

Young Lady Qiqi kept screaming in pain.

It must be because the Chief hadn't slept with anyone in so many years that he couldn't help but start, right?

Young Lady Qiqi, you'll suffer.

Who asked the chief to be so inexperienced? He probably only knew how to use brute force.

But it didn't matter. It will get more comfortable the more often he does such things.

He didn't want to disturb Master Jue's late-night exercise, but things were urgent.

After hesitating for more than ten seconds, he knocked on the door ruthlessly.

“Reporting to Master Jue...”

“Get lost!” Gong Jue was hitting her hard.

“But Master Jue, there’s an emergency...”

“Speak your nonsense!” Gong Jue stopped.

“Little chief has disappeared!”

Gong Jue’s hand froze.

He flipped over Gu Qiqi’s body.

The flames in his eyes immediately subsided.

There was some seriousness in his expression as he strode out of bed and kicked open the door. “Bring men to find him!”

In an instant, silence was restored in the room.

Hearing the sound of leather boots moving further and further away, Gu Qiqi gnashed her teeth and wanted to slip away. However...

“Domineering man, my skirt!”

In order to prevent her from escaping, Gong Jue tore her skirt...
