

Dear Chief 631

Chapter 631: Hurry Up and Start the Blind Date

Everything that Papa said was right. It was irrefutable and couldn't be criticized.

But why did his careful heart still hurt a little?

Baby Gong held back the tears in his eyes and resisted the urge to debate with Gong Jue again.

He chanted in his heart, "Sister, Sister, you must let me find you. This way, at least I still have you."

Otherwise, Daddy would be his stepmother's in the future and he wouldn't have a Daddy anymore...

Sob...

Thinking that he had successfully reversed Baby Gong's stubborn mind using a man's method, Gong Jue was in a good mood.

While waiting for the video analyst to arrive...

He called Bai Lang and said concisely and coldly, "Go to Africa immediately!"

"No, wait! Master Jue, you... You said that you won't send me to Africa anymore. The girls there are all black. They don't match my aesthetic standards! Furthermore, they're as big as mosquitoes and butterflies. They're too terrifying!"

"Cut the crap. If you say another word, don't come back for the new year!"

"Oh! I... I'll go, okay? You have to allow me to come back during the new year!"

Bai Lang wailed and thought to himself that he couldn't avoid this disaster. Indeed, he was still discovered by Little Jue.

Feeling depressed, he turned around and left a message for Gong Qing. "Uncle Gong, I've already sacrificed myself heroically to Africa. I can only rely on you and Baby Gong to save Gong Jue from that little demon!"

Gong Qing, who had received the news, frowned deeply.

Wasn't his son too fast?

Bai Lang only wanted to cause trouble for that woman at the cocktail party. In the end, he heard that before he could cause trouble, he was sent to the African medical team by Gong Jue.

Wasn't that woman too much of a complainer?!

If they really did something to that woman...

Gong Qing frowned even more tightly.

Realizing that his son was easily swayed by an unknown woman, he increasingly felt that he was in danger.

No, he had to hurry up and bring up the blind date.

Since her son had seen that socialite photo album just now, why not find a chance to let her son see the girls in person? Seeing was believing.

Her son was stupid because he had seen too few women...

Seeing that he was holding the socialite photo album in silence, Songsong poured him a cup of tea.

“Brother, perhaps Jue has his own thoughts. Are we pushing him too hard? He’s right. Our Gong family doesn’t have to rely on the power of other women either. Why must we choose from the socialites?”

Gong Qing said in a low voice, “Of course, family background isn’t the most important. What’s important is a clean background. At least we know everything about these socialites. Otherwise, you know Jue’er’s situation very well. He has a high status, authority, and valuable body. He’s also our precious grandson... I can’t tolerate women with unclean backgrounds staining him! If his features are stained, there will be endless trouble!”

Songsong pursed her lips. “Brother, what you said makes sense... But will those socialites cause Jue to be allergic...”

“Didn’t Bai Mori develop medicine that could help him?”

“But if Jue marries another woman, can she still hand over the medicine?”

“The Bai family’s daughter shouldn’t be lacking in morals, right?!”

“Brother, a woman’s heart is like a needle in the sea...”

“Yes. You can start by choosing a girl to try out. When the time comes, you can settle Bai Mori...”

==

Gong Jue was busy dealing with the old and comforting the young at home.

Gu Qiqi took advantage of the rare break and disguised herself before coming to Dige Auction House again.

Although Xiaolan didn’t say anything, Gu Qiqi had investigated that Gu Enlong had been ruthless these few days and controlled the better goods in the jade wholesale market.

Gu Enlong was an experienced businessman after all. He still had some face. On the other hand, the Yang family had been living in seclusion for many years. Who would care about him?

Thus, the raw materials for Lan Ting were still tight. However, Xiaolan couldn’t bear to let Gu Qiqi worry about this matter and didn’t tell her about it.

“Silly girl, do you think that I won’t know if you don’t tell me? I’ll scoop up more stones for you today!”

When Gu Qiqi said these words to the bathroom mirror, she had already changed into a man’s outfit.

Chapter 632: Flirting Was Awesome

The “man” in the mirror had delicate features and was filled with valiance. His every move carried an unrestrained charm.

Gu Qiqi was very satisfied after taking a look. Indeed, she didn’t feel pressured at all by pretending to be a man in a casino.

Unlike when she was dressed as a woman, there were always some blind flies and smelly bugs who wanted to drool and hit on her. They were very hateful.

Although she could use her fists to beat those overconfident toadstools, the problem was that it was a huge waste of time.

She couldn’t help but mutter, “Sister, every minute and second of your time now is super expensive, okay?!”

A young man who was peeing by the side heard this and his hand that was holding his pants trembled. His phone nearly fell into the latrine pit.

D*mn it. Why did this man next to the mirror always call himself “Sister”? Did he meet a legendary pervert?

Although this pervert was quite handsome, he was still worried that he would lay a vicious hand on him. If he turned gay, he would be beaten to death!

Gu Qiqi arranged her hair. Suddenly, she heard the washroom door slam open. A young man who hadn’t even lifted his pants escaped.

Speechless, she glanced at the boy’s logo on the washroom and held her forehead. “Uh... I’m sorry. I forgot that this is the men’s washroom.”

She was dressed in a handsome black thin silk hoodie with a lead-gray leisure suit on the outside. She was wearing long pants and a pair of limited edition Jordans signed basketball shoes. Gu Qiqi’s outfit today made her look noble and energetic. One look and one could tell that she was a young man with good taste.

More importantly, a loose hoodie and a casual suit covered her chest!

This was the hardest thing for her to hide.

She looked at the mirror again and put on her sunglasses. After confirming that there was nothing wrong with this outfit, she whistled and walked out of the washroom.

After taking a few steps, she heard a series of suppressed exclamations from the female washroom.

“Wow, that handsome Young Master Ye is here again!”

“Wuwuwuwuwuwu, it wasn’t in vain that I came to Dige Auction House every day to check the spots and play cards. Indeed, I saw my male idol!”

“Why is my idol so handsome? He actually wore a pair of basketball shoes with a suit. It doesn’t feel out of place at all!”

“He turned around to look at me! He whistled at me! Should I hit on him?”

Gu Qiqi flirted with the girl from afar and went straight to the private room on the second floor in a good mood.

Manager Dige knew that he was a generous client. When he heard the word “Ye” over the phone, he immediately reserved a private room for him.

At this moment, he was respectfully serving him tea and introducing today’s auction items.

Gu Qiqi swept her gaze across it and pointed out among the hundreds of jade stones. “This, that, and these...”

The manager was secretly disappointed in his heart. Why did Young Master Ye choose so few stones today? There were only ten or so... It seemed that he wouldn’t be able to earn too much commission tonight.

In the very next second.

He widened his eyes.

Gu Qiqi said lightly, “I don’t want these few. I want the rest!”

All... All...

Manager Dige couldn’t wait to kneel down in front of Gu Qiqi.

Young Master, you’re really taking care of our business.

Young Master Ye’s reputation had gradually begun to spread. Many gamblers knew that the jade that Young Master Ye had his eyes on would definitely be good when they were opened.

Once the news that he had booked this batch of jade stones for today spread, the hall on the first floor was about to boil.

Many people rubbed their fists, wanting to bid.

There were more than a hundred auction items. The cheap ones were a few thousand while the expensive ones were more than ten thousand. The total price was about tens of millions.

If Gu Qiqi booked the entire venue at a single price, she could still afford it. But if the price was raised and people competed with each other by bidding, the final prices would probably be more than a few hundred million dollars.

Gu Qiqi would suffer a huge loss!

Chapter 633: It Feels Too Good to Be Protected By A Girl

Just as everyone was about to compete and raise the price to cheat Gu Qiqi, Gu Qiqi’s fan club stood out!

The few socialites who had been discussing Gu Qiqi in the washroom previously roped in the huge sisters present. All of them took the initiative to speak and spontaneously persuaded those who wanted to compete with Gu Qiqi.

“Young Master Wang, give me face. Don’t snatch the stones tonight from Young Master Ye!”

“Brother Zhou, I heard that you like my uncle’s calligraphy. I’ll get you one someday. Don’t buy these lousy stones tonight!”

“Uncle Liu, my father called to ask you to drink! Hurry up and go! There’s a new seven-star chef at the Empire State Building!”

“Uncle Ouyang, I heard that your wife and your lover bumped into each other at the Golden Diamond Corridor Beauty Salon. They started fighting! Hurry up and stop the fight!”

With all the coaxing and lying, most of the thoughts of bidding with Gu Qiqi were suppressed.

Occasionally, there would be one or two blind people who would continue to compete with Gu Qiqi. In the end, after the bidding reached a high price, Gu Qiqi suddenly gave up.

Those few people were still happily waiting to spend hundreds of thousands dollars to open a Deep Water Dragon Stone.

But they never expected that in the end, they would only get an inferior green or black one!

What a loss!

It turned out that Gu Qiqi was bluffing and cheating them!

After being played like this a few times, everyone present was smart. No one dared to snatch the stones from Gu Qiqi anymore.

That person’s taste was too vicious and his methods were too brilliant. He actually calculated people’s hearts accurately. Whoever snatched the stones from him would ultimately lose!

Seeing that Gu Qiqi had won the remaining nearly hundred raw stones with the base price, the fangirls couldn’t help but cheer.

“Young Master Ye! Young Master Ye!”

“Young Master Ye! Male idol! Gambling god! Unrivaled in the Imperial Capital!”

“Young Master Ye! We love you!”

Amidst the commotion, Gu Qiqi held her forehead and walked out of Dige.

There were too many jade stones. She instructed Manager Dige to send them to Lan Ting while she packed lightly and prepared to go to the Empire State Building for the appointment.

Xiao Ning asked her out for coffee. She hadn’t seen Xiao Ning in a few days and had a lot to ask her.

Especially about that suspicious uncle...

It was time to figure out if it was Bai Lang or Bai Yeyuan!

Gu Qiqi left Dige in a hurry. Little did she know that a fat man with greasy hair and pink face walked out from the private room next door. He was middle-aged and was actually wearing a coquettish pink suit as he looked at Gu Qiqi's back view.

To be precise, he was looking at "Young Master Ye's" back!

He dug out his phone and lowered his voice. "Little Zhang, keep a close eye on the corridor. Look at where this fresh meat is going. What? He's taking a taxi by the roadside? Interesting... Which noble son would take a taxi instead of driving his own car? I knew that this fresh meat had a suspicious background... Heh heh, why are you pretending to be a noble son..."

The fat man laughed sinisterly and quickly went down the escalator from the other side to the garage.

On the street a little further away from Dige Gate, Gu Qiqi was waiting for a taxi.

She deliberately walked half a street before taking a taxi because she didn't want to be recognized.

Fortunately, she left quickly and the fangirls didn't react yet. Otherwise, if the cute girls took the initiative to invite her to sit in their cars, she really couldn't reject them.

After all, these socialite girls were really adorable...

Coincidentally, her auction went too smoothly today and ended early. It was the peak of traffic. After waiting for a few minutes, no empty taxi passed by.

Just as she was worried about making Xiao Ning wait, a coquettish orange Ferrari suddenly stopped in front of Gu Qiqi.

The car window rolled down and the old man's coquettish pink suit was revealed. He curved his lips and smiled at Gu Qiqi. "Young Master Ye, why don't I send you off?"

Chapter 634: Definitely Getting "Him" Tonight!

For some reason, Gu Qiqi felt that this old man's smile was especially vulgar.

Honestly speaking, Bai Lang often wore these coquettish colors. But at most, it would hurt her eyes, and she wouldn't feel that they were vulgar.

In fact, Bai Lang's amorous eyes and smug look, as well as that flirty mouth were quite compatible with these coquettish colors.

This old man in front of her was fat to the point of being obese. His face was bloated from alcohol, and his eyes were turbid. One word could describe him – greasy!

He was especially greasy!

Gu Qiqi refused without thinking. "There's no need."

Perhaps it was because she had a cold aura to begin with when she was dressed as a man. Coupled with the coldness in her tone, she gave off a very arrogant feeling.

The old man gnashed his teeth. He couldn't take it anymore.

However, Gu Qiqi, this fresh meat, really looked delicious. He thickened his skin and even pushed open the car door. He walked to Gu Qiqi and invited her again. "Heh heh, it's my fault. It's my fault for not being sincere enough with my invitation just now. Young Master Ye is a jade expert and I'm also an old hand in stone gambling for many years. Why don't you give me the face to let Old Liu treat you to a meal? Anyway, there's a traffic jam. Why is Young Master Ye in a hurry to return home? You came out to play..."

Old Liu?

Gu Qiqi squinted.

She looked at this greasy old man up close.

The outline of her first visit to Dige Stone Gambling gradually surfaced in her mind.

Back then, Bai Yingzhu had set up a trap to cheat her. At the start, almost all the old men present were laughing at her. There were really quite a number of people who mocked her for being a "chicken" from the countryside. No one believed that she could open any valuable jade stones.

Among them, this boss with the surname Liu was known as CEO Liu. He laughed especially vigorously and his words were especially vulgar.

Furthermore, those pair of shifty eyes kept sizing her up with evil intentions.

Of course, in the end, she opened the Deep Water Dragon Stone and ruthlessly slapped this Liu guy's face!

But she never expected that he would be so vulgar when she was dressed as a man.

It seemed that this Liu guy wasn't afraid of men and women. Was he here to find someone to torture?

Gu Qiqi squinted her cold eyes and said without batting an eyelid, "What does CEO Liu like to play?"

CEO Liu's eyebrows twitched. He thought that Gu Qiqi had taken the bait and was filled with joy. "Heh heh, of course, it's something that all young people love. I, Brother Liu, am very fashionable. I know that there's a bar that specializes in... Heh heh... Brother Liu can bring you to try that, okay? They're all men. I guarantee that you'll have a good time!"

He had to get his hands on this piece of fresh meat tonight!

Heh heh, it was easy to find a young lady nowadays, but it was difficult to find a young boy.

But he was greedy for this...

Gu Qiqi pretended not to understand. "What's so fun about men?!"

"Hey, hehehe. Brother Liu will bring you to see it for yourself!" CEO Liu rubbed his hands and said heroically, "I'll foot the bill!"

Gu Qiqi curved her lips and smiled. "Okay. Let's go!"

As she spoke, she pulled open the door of CEO Liu's Ferrari.

CEO Liu thought smugly. Hmph! A fresh meat who had never seen the world! He reckoned that the stones that he took tonight were just to run an errand for a bigshot.

Didn't his few words seduce this greedy little fresh meat?

When he goes to that bar and he feeds him the alcohol that had been mixed with medicine... Heh heh, even if he was a fresh meat that had never done it before, he still had a way to satisfy him with his experience!

This little fresh meat's skin was so good. It was simply smooth like water...

Chapter 635: Master Qi Teaches A Dirty Old Man A Lesson

CEO Liu was extremely envious. He looked at Gu Qiqi's face and drooled.

He had never seen such a beautiful little boy. A little boy was actually more fun than a little girl. Those rich people did not know what it was like. It was a waste of God's gifts.

He had to educate the fresh meat tonight, hehehe...

He pulled open the car door too.

Just as he was about to get into the car.

There seemed to be something wrong?

"You... Why are you sitting in the driver's seat, Young Master Ye?"

"Yes. I like the feeling of having everything under my control," Gu Qiqi said lightly.

At first glance, these words didn't sound wrong.

CEO Liu curled his lips and thought to himself, "The fresh meat nowadays sure likes to act arrogant!"

"Okay, okay, okay. If you want to drive, then go ahead. We're going to the east of the city—Ah!"

Before CEO Liu could finish speaking, Gu Qiqi stepped on the accelerator abruptly. The car flew away like an arrow that had left its bow!

CEO Liu was so miserable because he didn't even buckle his seatbelt.

That fat and rolling body was like a cannonball that slammed into the front glass.

If the glass of the Ferrari wasn't sturdy enough, he would probably have broken it and flown out the front window.

CEO Liu had a big bump on his head and his body hurt badly. He was about to flare up.

Suddenly...

Gu Qiqi said slowly in a clear and pleasant voice, "I'm sorry. This is the first time I'm driving your car. I'm not used to the accelerator yet."

In fact, that cold face even turned over and smiled at the bruised and swollen CEO Liu.

That smile was good-looking and sexy!

That androgynous face was simply outrageously beautiful!

The bruised and swollen CEO Liu immediately forgave this boy's recklessness.

Wasn't this how reckless young people were? He would mess with him a few more times in the bar later and make up for everything.

It was fine!

A little impatience would spoil great plans!

CEO Liu immediately squeezed out a smile that was uglier than crying. "Okay, Young Master Ye. Drive slowly—Ahhh!"

He had just buckled her seatbelt and was about to finish speaking when...

Gu Qiqi stepped on the accelerator again!

The car sped up more than ten times faster than before and rushed forward crazily.

CEO Liu was so frightened that his face turned pale.

This was the city. Many roads were still blocked by traffic. This young male idol was too bold.

Gu Qiqi rampaged around. The car accelerated to the extreme along the way. She was about to smash into the car in front of her in the very next second, but she narrowly avoided it.

This domineering driving method frightened the private cars on the road. They all avoided her. Even at the most congested part of the road, they forcefully made way for her.

"Whoosh!"

Gu Qiqi finally stepped on the brakes and stopped in the long golden corridor.

She sped all the way, but she seemed fine and relaxed.

Unfortunately, CEO Liu was no longer human.

He gripped the handlebars on the roof of the car tightly with both hands. Half of his body knocked against the car door and a few more bumps appeared on his head.

His lips turned purple from fright. Tears and mucus flowed down his face as he trembled. His voice trembled. "We're... we're here?"

"Why? Do you still want to continue?" Gu Qiqi looked at his miserable look with a spurious smile.

He was nearly frightened to death along the way. His soul was about to fly away, okay?!

There were a few times when he felt like he was going to be killed by a car next to him.

This Young Master Ye was too terrifying when he drove!

Upon hearing that Young Master Ye was going to continue driving, he shivered and shook his head fiercely. "Don't... Don't drive anymore..."

"But it's still far from where I'm going!"

"No, no, no. I'm stopping here... You, you can go anywhere you want. I... I'm not going anymore..." CEO Liu was sobbing. How would he dare to let Gu Qiqi drive his car?

His legs went soft and he actually wet his pants...

Chapter 636: Did He Force You, Or Did You Do It Willingly?

Gu Qiqi frowned. Tsk. This man was really useless.

He was so frightened that he peed his pants. How would he dare to come out and play with a little boy?

She glanced at CEO Liu in disdain and opened the car door. "Next time, use your brain before you date a man. You can't flirt with just anyone. Have you learned your lesson?"

"I have! I swear on the ancestors of the Liu family that I won't dare to do it again! If I do it again, I'll curse my son to be blind. Young Master Ye, please let me off!" President Liu desperately apologized.

This vicious oath was also ruthless.

Gu Qiqi was in a hurry to meet Xiao Ning and could not be bothered to waste time on him. "You better not let me catch you again!"

CEO Liu only moved to the driver's seat trembling after Gu Qiqi left.

He wanted to turn on the ignition and drive home to calm down. But he didn't expect that the car wouldn't start no matter what!

He did not know what parts that man had touched in his car. It was as if the car was dead. There was no reaction at all!

CEO Liu collapsed. This was a car worth a few million dollars. The repair fees were hundreds of thousands of dollars each time.

This brat tricked him to death today!

Did he think he would admit defeat like that?

Thinking of Gu Qiqi's fierce gaze and the ruthlessness of her speeding, he was very afraid. But when he thought of the fresh meat that he hadn't eaten yet... he couldn't take it lying down.

Furthermore, he had sworn a vicious oath.

But...

His son was already 20 years old and was doing well in the Imperial Medical University's clinical medicine school. He was a top student! How could he be blind just like that?

Thus, the curse vow had no effect on him!

==

Gu Qiqi passed through the long golden corridor and ran towards the cafe on the first floor of the Empire State Building.

Along the way, he received many embarrassed looks from beautiful women.

She replied with a handsome smile.

Oh, he couldn't help but be gentle to girls, especially cute girls. He couldn't let them down.

Of course, she had to be more violent towards those restless men!

On the sofa by the window in the cafe, Xiao Ning was wearing a denim outfit, Dr Martens boots, and a narrow top hat. She hid her hair.

From afar, he looked like a handsome boy.

Gu Qiqi curved her lips and smiled. She walked over. "Brother, have you waited long?"

Xiao Ning raised her face and spat. "I'm about to become a stone waiting for my husband! Damn it, Qiqi, you're simply a demon. With your outfit, I'm going to fall in love with you!"

Gu Qiqi looked at herself and then at Xiao Ning.

Back in Qing Cheng Middle School, Xiao Ning liked to act in dramas and often pulled her along to the drama club.

Thus, Xiao Ning had seen her male outfit before and recognized it.

Gu Qiqi squinted. She sat on the sofa with her hands crossed casually. She simply looked like a young CEO. "Little Lemon, you're not looking for me, right? Have you fallen in love with your uncle? Hmm? You haven't told me the truth all this while. Are you afraid that I'll cause trouble for him?"

Xiao Ning's heart skipped a beat!

She nearly choked on the Long Island Ice Tea that she had just drank.

"Cough, cough, cough, cough!"

"Why are you so nervous? Why are you so flustered? Did I say it correctly?" Gu Qiqi took a sip of warm water. "So, what kind of ill-fated relationship do you have with Bai Yueyuan? Did he force you or did you do it willingly?"

Xiao Ning's heart beat so fast that it was about to jump out of her chest.

Qiqi was indeed an especially smart girl.

She couldn't hide anything from her.

She pursed her lips and replied with difficulty—

Chapter 637: Thanking Him For Saving Her Life

Xiao Ning looked at Gu Qiqi's serious and yet joking gaze.

She knew that she could not hide from her this time no matter what.

She said with difficulty, "Qiqi, I am with Bai Yeyuan willingly."

What?

"Willingly? He's your uncle!" Gu Qiqi almost slammed the table. "Tell me, are you willing to be with your uncle? It's fine if you're young and insensible, but he actually harmed his niece at such an old age. Did he grow up so he could be fed to the dogs?"

Xiao Ning held her drink sadly. She lowered her eyes and said in a low voice, "He's not my biological uncle... My mother is the Bai family's adopted daughter. There's no blood relationship between us."

"You're lying to yourself, Xiao Ning!" Gu Qiqi was exasperated at her failure to convince her. "What adopted daughter? No blood relationship? These are just excuses. Your mother was a daughter in the Bai family and you have to call him your uncle! This is the reality! How would the world care if you two are really uncle and niece? They will still break your backbone. Oh, no, they will only break you because this world has always been tolerant of men. As long as a woman takes a wrong step, she will be consigned to eternal damnation!"

Gu Qiqi thought of Yun Qiao.

If Yun Qiao was the big star Xiao Qiao from her previous life, then did she die in the bathtub in the hotel's presidential suite covered in blood because of the rumors?

She remembered the cause of Xiao Ning's death in her previous life.

Xiao Ning was pregnant! Two lives were lost!

If it weren't for the fact that Bai Yeyuan's identity as an uncle would cause this child to suffer the disdain of the world from birth, how could Xiao Ning possibly die with her child?

Seeing that Gu Qiqi was angry, Xiao Ning shrank her shoulders and bit her lips. A trace of moisture appeared in her eyes. "Qiqi, I understand everything you say, but... But I owe him..."

"What do you owe him? Do you have to humiliate yourself like this?"

"Qiqi, I owe him my life."

Gu Qiqi was speechless. Damn it. This was too serious.

Xiao Ning sniffed. "Fifteen years ago, I was kidnapped. The other party was an outlaw. No one from the Xiao and Bai families dared to save me. It was Uncle who personally went to the base of the bandits to save me..."

Gu Qiqi was speechless. Was the person Xiao Ning talking about that scumbag Bai Yeyuan? Why didn't she believe it?!

Xiao Ning nodded affirmatively. "Qiqi, I didn't lie to you. Back then, he was shot in the chest and his shoulder was slashed more than ten times. Even now, he still has old injuries."

"So, you're trying to repay him with your life?"

The tears in Xiao Ning's eyes nearly fell out. "I wanted to repay him and I never thought of giving myself to him... But..."

But that night, because she secretly climbed over the wall and went out, she was caught by Bai Yeyuan. In the hazy night, he seemed to have suddenly become a wild beast. Caught off guard, he dragged her into his cave and tore her into pieces...

He wanted her to repay her debt in this way. What else could she do...

"But what?" Gu Qiqi frowned.

"But since it's already like this, I've decided to treat this as a way to repay my debt. Anyway, there's a time limit. After I repay it, I'll be free. I won't owe anyone anymore and can live my life in peace."

"Limit?"

"Yes, Qiqi. You don't have to worry about me. Our shady relationship won't last long. I guarantee that he'll leave me soon." Xiao Ning said confidently.

Didn't he say that he only treated her as a toy?

Who would be infatuated with a toy for so long?

Chapter 638: Little Brother Was So Handsome

Xiao Ning thought to herself that a cold and heartless man like Bai Yeyuan was only torturing her for fun now. When the novelty wore off, he would throw her away sooner or later.

Furthermore, the Bai family needed a madam. The elders of the Bai family wouldn't allow Bai Yeyuan to remain single forever.

When that real madam came, she, the toy, would be kicked out.

As long as she controlled her heart and refused to be moved, they would owe each other nothing and it would end completely.

Gu Qiqi felt depressed when she heard this. "Your relationship is too sick. It's abnormal. Xiao Ning, I suggest that you make a decision and leave him as soon as possible. If too much time passes, there will be endless trouble. Let's not talk about other things. If you don't take good measures and you have a child..."

Xiao Ning's face paled. "I... I'll pay attention."

Pay attention my ass.

Bai Yeyuan especially didn't like to use condoms.

Every time, he would enter directly... like that.

But she didn't dare to say it.

She was afraid that if she said it, with Qiqi's protective nature, she would fight it out with Bai Yeyuan.

She took a deep breath and took out a paper bag. "Alright, Qiqi. I haven't seen you for a few days. I miss you already. Let's not talk about unhappy things anymore, okay? Back at the Qingyu Xuan cocktail party, I accidentally damaged the dress that you lent me. I... I know that your dress is especially expensive. I can't compensate you with an identical one, so I made you a..."

How would she dare to say that it had been torn to pieces by Bai Yeyuan? She could only try to avoid the matter.

Gu Qiqi flicked her forehead. "Little fool, who asked you to return it? But I have to take the clothes that Little Lemon made herself!"

As she spoke, she opened the paper bag.

Surprisingly, it was a man's vest inside!

Gu Qiqi caressed the stitches on the vest in surprise and praised her. "Not bad, Little Lemon. I didn't expect you to have such skills."

"I learned how to make costumes in the drama club in the past. After the college entrance exam, I was locked up at home and couldn't go out. When I was bored, I learned how to make them... Do you want to try them?"

"Okay."

Gu Qiqi took off her suit jacket on the spot and changed into this black golden velvet vest.

Little Lemon's style was especially fashionable and handsome.

It attracted the attention of the girls in the cafe. They looked at Gu Qiqi shyly. Their eyes couldn't hide their astonishment and admiration.

"That little brother is so handsome! I didn't expect him to be even sexier after taking off his jacket!"

"He has shoulders and a chest. He's the most charming in a vest, right?"

"He's a celebrity, right? The way he drinks makes people scream!"

Xiao Ning's ears heated up when she heard this. "What a demon! Young Master Qiqi, you better put on your clothes quickly. My ears have been raped by your fangirls... Eh, have you lost weight recently? I don't think your chest size is accurate. I'll change it a little when you take it off later..."

Gu Qiqi was speechless. It wasn't that she had lost weight! Instead, she had wrapped her chest in order to dress up as a man!

Her breasts were aggrieved.

Gu Qiqi and Xiao Ning were chatting happily.

In the distance, in front of the cafeteria counter, a tall and slender girl wearing a cafe waiter's apron ran over while panting. As she walked, she said to the manager, "I'm sorry, I'm sorry."

The leader reprimanded her with a high-pitched voice like he was reprimanding a dog. "Miss Qiao, if you don't want to work, then get lost as soon as possible! Do you know that you've been absent for the

entire afternoon for no reason? For four to five hours, have you been slacking off or shopping or seducing men? You didn't even answer your phone! Do you know that I helped you serve coffee for the entire afternoon? Why did you return? Don't even think about getting your salary. Anyway, a slut like you can seduce men to support you even if you don't work!"

Chapter 639: A Man's Stamina Was Too Surprising

The manager's words could be considered quite unpleasant and vicious.

It was hard for someone to endure calling a pure girl a "slut".

The girl's heart was beating rapidly. It was obvious that she had rushed all the way here in a hurry and had already tried her best not to waste a minute. She was not deliberately absent or late.

However, she did not explain nor get angry. Instead, she bit her lip and said, "I'm sorry! It won't happen again! Please give me another chance. I really need this job..."

If anyone looked at this girl carefully, they would discover that there were still traces of tears at the corners of her eyes despite her bright eyes and sharp teeth. Her long and thick natural curly hair was a little messy, and there were some bruises under her high collar. The coffee shop apron at her waist was even wrinkled like a rag.

Furthermore, her hand had been supporting the counter gently, as if she could not stand steadily. Her slender legs were slightly tilted out in an awkward manner, as if they were trembling uncontrollably.

The usher could not be bothered to look at her and waved his hand impatiently. "Get lost!"

The girl lowered her eyes.

This was the tenth job she had done in the month since she came to the capital from Qingcheng. She could not continue the previous nine jobs because of sexual harassment by the bosses.

It was not easy to find this cafe. It was still considered proper. Even though the female boss had a vicious mouth, at least she would not harass her. If she could endure it, she would.

But an accident happened at work this afternoon... When she went to deliver coffee to the guest in the presidential suite upstairs, she was dragged into a dark room by an unfamiliar man...

She closed her eyes.

She was unlucky to have encountered that kind of thing, but she did not want to be absent for four to five hours. Who asked that man to have such abnormal physical strength and trap her for so long...

So, she could not keep this tenth job?

She took a deep breath and untied her wrinkled apron...

Just as she was about to leave...

A waiter with sharp eyes leaned over and whispered into the manager's ear, "Sister, weren't you in a dilemma just now? Don't you know how to handle Boss Liu's instructions? You wanted her to do that thing for Boss Liu... If something happens, she can take the blame..."

The manager squinted and thought for a while before calling out to the girl. "Miss Qiao, get back here! Finish your work for today first and send coffee to a guest! This is cardamom powder. The two male guests by the window asked for the new cardamom coffee. Hurry up and sprinkle it for them!"

The girl looked up and her nose twitched.

This wasn't any cardamom powder at all!

Although she didn't serve at the cafe for a few days, she was good at studying and had a photographic memory.

She was all too familiar with the smell of nutmeg. This definitely wasn't nutmeg. Instead, it resembled that man in the presidential suite just now...

She immediately became alert!

She had seen how crazy that man was after drinking the tea.

She glanced at the manager and realized that she was rushing to a corner. An oily middle-aged man who was curled up on the sofa made an OK gesture.

A terrifying thought surfaced in her mind.

What was she doing to the guest? Was she going to drug the guest?

Should she do it? Or not?

If she didn't do it, she would lose her job! But if she pretended not to know how to do it, her conscience wouldn't be able to take it.

"Why are you still standing there like a log? If you don't want to do it, then get lost immediately!" Her boss roared in a low voice.

She swallowed her saliva and concealed the despair and struggle in her heart. "Okay, I'll go."

What was conscience? She was about to lose her life and her innocence had been defiled completely. She was going to sleep on the streets tonight. Who was going to talk to her about conscience?

Those were just two male guests, not women. Even if they took the medicine, they wouldn't suffer a loss.

However, when she walked towards that table of customers step by step, the coffee cup in her hand trembled uncontrollably!

Xiao Ning!

Gu Qiqi!

The two guests dressed as boys were once her best friends!

Her surname wasn't actually Qiao. Her name was Yun Qiao.

Chapter 640: The Smart Yun Qiao

The moment Yun Qiao saw Gu Qiqi and Xiao Ning, she was stunned.

She never expected that she would meet her closest friends in a cafe ten million miles away from her hometown.

These few days, she had been struggling bitterly in the Imperial Capital alone. She had suffered all kinds of humiliation and injustice. The pain that she had suffered because she was poor and had no relatives gathered in her heart at this moment.

“Qiqi... Little Lemon...” Her red lips moved as she muttered softly. Tears welled up in her eyes.

She really wanted to pounce on them and hug them tightly!

She wanted to tell them that she missed him so much...

But!

No!

She had secretly escaped from her family because her parents had signed an agreement with a nouveau riche from Qing Cheng to splurge money on her younger brother and sold her off.

She escaped from the marriage!

Her house was already in a mess and the other party was trying to catch her all over the world.

If she was discovered to be with Qiqi and the rest, not only would she be arrested, but she would also implicate them and her family would take their anger out on them.

Furthermore, she was in such a miserable state now. This was so embarrassing... She even dropped out of school without taking the college entrance exam... Qiqi and the rest were here to attend university, right? She hadn't even graduated from high school. How could she have the face to meet her former best friends?

Yun Qiao felt terrible.

She closed her eyes and held back her tears. She suddenly turned around and planned to avoid meeting him.

In a flash.

The warmth from the coffee cup made her palm burn.

He suddenly looked up and saw that greasy middle-aged man sitting on the sofa in the corner. He was looking over in a perverted manner.

Yun Qiao's heart skipped a beat.

That old man was going to knock Qiqi and Little Lemon out and do something bad, right?

If she left like this, what if the greasy old man found another waiter to lay a hand on Qiqi and the rest?

Her chaotic emotions calmed down in an instant.

No, she couldn't just leave like this. She had to help Qiqi stop that shameless old b*stard.

Yun Qiao pursed her lips and stretched out her hand to push her slightly curly long hair in front of her forehead. She lowered her slender neck and head. She turned around and walked quickly towards the table where Gu Qiqi and Xiao Ning were.

Gu Qiqi and Xiao Ning were talking about something and were laughing happily. Suddenly, a waiter walked over with coffee in hand and bumped into them as if she wasn't looking in front of her!

"Ah!"

Xiao Ning exclaimed softly!

The coffee cup fell and splashed all over her!

That waiter looked very frightened and was so frightened that she didn't even know how to speak. She only bent down vigorously and lowered her head. She took a tissue and hurriedly wiped the water stains on Xiao Ning's clothes. Unfortunately, she didn't know if it was because she was inexperienced, but the more she wiped, the messier it became. Originally, only the corner of her shirt was wet, but her pants were also wet from the wiping...

Gu Qiqi was already especially protective of girls. Seeing that waiter was trembling nervously, her heart couldn't help but skip a beat. She helped her up. "It's fine. I'll help her."

Gu Qiqi's voice was clear and she deliberately changed her tone.

It sounded especially sexy and manly.

Yun Qiao almost could not hold it in anymore. It was so hard for her to hold back the words that wanted to jump out. "Beauty Qi, when did you become so good at flirting!"

She knew that this wasn't the time to meet them. She had to hold it in.

She had to make Qiqi and Xiao Ning realize that they were in danger and not fall into that greasy old man's trap.

"Sorry, Qiqi!"

Yun Qiao muttered in her heart.

Then, she pretended to slip and pounce into Gu Qiqi's arms!

The remaining half of the coffee in her coffee cup landed on Gu Qiqi.

Even Gu Qiqi's clothes suffered.
