

Dear Chief 711

Chapter 711: The Secret of the Goddess!

In the anatomy room, Gu Qiqi was surrounded by everyone.

Not only were the students from the Pharmaceutical School thick-skinned, but even the students from the Forensic Medical School surrounded her.

Xu Xinli, who was leading the group, was the first to admit it openly. "Gu Qiqi's skills are much better than ours. We have to learn from her!"

Since the straight As student, Xu Xinli, had admitted defeat and taken the initiative to learn, what else could the others not do?

All of them looked at Gu Qiqi eagerly, hoping that she would impart some anatomy skills.

Gu Qiqi was helpless. "Time is limited, so I'll talk to everyone. Do you have anything to ask?"

Qiu Qiu was the first to raise his hand. "Master! I'm especially impressed by your ruthlessness when you cut the cadaver just now! I really want to learn!"

Everyone trembled.

The stunning knife skills that Gu Qiqi used to peel off the skin of the corpse instantly flashed across her mind. She was both handsome and scary.

Qiu Qiu really went to the main point!

Gu Qiqi said calmly, "It's very simple. Buy ten kilograms of grapes every day, hold the surgical forceps, and practice peeling the grape skin. After a year of practice, it should be enough."

Qiu Qiu was speechless.

Everyone was speechless.

It turned out that the shortcut to skinning a cadaver was to practice peeling grapes!

The problem was, ten kilograms a day... Student Qiqi, do you know how much skin ten kilograms of grapes have? Furthermore, you can't use your hands, and have to use forceps to peel them... You probably won't need to sleep for the entire night!

This was definitely not a shortcut but hard work!

Amidst the wailing, Xu Xinli asked, "Gu Qiqi, I want to know how you managed to master such a powerful needle technique during the last suture..."

Gu Qiqi wanted to say that there would be an automatic suture machine like a stapler in ten years' time. It was fine if you did not practice it.

However, seeing that Xu Xinli was so diligent and sincere, she still told the truth. “When you practice handmade sutures, don’t practice with pig skin. Buy a piece of tofu, cut it in half, and sew it together. When you can firmly suture the tofu, your suturing skills will reach that standard.”

Xu Xinli was speechless.

Everyone was speechless.

Sewing tofu!

Everyone’s thoughts were refreshed and common sense was shattered!

Gu Qiqi’s medical skills were unheard of.

No wonder she was so powerful.

She could finish the dissection in three minutes and suture it flawlessly.

It turned out that she started by peeling grapes and sewing tofu. This was really a rather perverse training process.

Although they were shocked, everyone looked at Gu Qiqi with admiration.

Outside the window.

This time, Songsong said to Gong Qing proudly, “Hubby, you have to admit defeat, right? Miss Qiqi is really capable! If you don’t believe me, you can try sewing a piece of tofu...” Then, she covered her mouth and chuckled.

Gong Qing’s face darkened. “Hmph!”

This time, he did not even have the chance to retort.

Gu Qiqi’s performance was perfect. If he continued to pick on her, he would seem stupid.

However, he was really unwilling to be defeated by such a little girl...

“Hubby, let’s just let nature take its course regarding Jue’er and Miss Qiqi, okay? Look, we’ve secretly come to watch her performance in school. She’s really awesome. There’s nothing wrong with her.”

“Hmph, she’s full of problems!” Gong Qing pursed his lips.

Although he still did not say anything, his frown had already relaxed.

He was not frowning like when he first met Gu Qiqi...

To be honest, he was surprised and... satisfied with this trip to the academy.

His future daughter-in-law’s stunning medical skills and her neither servile nor overbearing attitude when facing many people who surrounded her were commendable until the end. It was indeed breathtaking.

Songsong knew that her husband had always been an upright person and didn't mean what he said, so she didn't expose him but pulled him away. "Let's go home and eat.. There's only the two of us eating tonight. Why don't we go eat the spicy noodles from before?"

Chapter 712: Gong Jue Bringing His Son Out for a Dinner? Is There Some Conspiracy?

After being invited by his wife, Gong Qing recalled the warm memories of his youth and his expression softened. "Okay."

He asked casually, "Why are we the only ones eating? What about my precious grandson?"

Songsong said, "Jue'er is bringing Baby out for dinner tonight. I heard that the occasion is very formal and he even specially asked him to put on his suit. It's rare for the father and son to have an outing, so let them bond well. Let's not disturb them."

Gong Qing was speechless. Why did he feel like there's a conspiracy?

Did that brat Gong Jue look like a man who would bring his son out for meals and bond with others?

The two of them were chatting.

Suddenly, a gentle and sensible female voice sounded from the side. "Uncle, auntie, do you know my sister, Gu Qiqi, too?"

Upon hearing Gu Qiqi's name, Gong Qing frowned instinctively and turned around. "No! Who are you?"

Songsong sized up the girl reservedly.

The girl looked clean and was wearing a pure school uniform. Her face was a little red and swollen, looking pitiful.

However, for some reason, Songsong couldn't like this girl at first glance. Perhaps it was a woman's intuition, but she felt that this girl who pretended to be pitiful was a little evil!

She did not give off the feeling of a humble girl like Gu Qiqi.

She planned to observe for a while.

Gu Xuexue saw that Songsong was not interested in her.

She then fawned on Gong Qing and said, "Uncle, my sister has been in some trouble in her relationship recently, but she doesn't dare to tell her family. I'm so anxious for her, but I can't find anyone to discuss it with. Seeing that uncle and auntie are quite similar to my parents, I can't help but want to ask for your opinion. It's good that you don't know my sister. This way, I can give you a more fair and objective opinion."

Gong Qing's frown deepened. "I don't have time for your trivial matters! Also, get lost!"

With that, he shook off Gu Xuexue's hand that she had taken the initiative to pull over.

Do girls have no self-love these days? She looked at a random uncle and held his hand.

His hands could only be held by his wife!

Gong Qing's expression towards Gu Xuexue also darkened.

Gu Xuexue looked awkward.

She did not expect Gong Jue's father to be so righteous. Didn't they say that all uncles loved Lolitas? Could it be... that he was afraid of his wife?

Just now, the matter of Gu Xuexue seducing Xu Xinli's boyfriend was exposed in public. After being slapped by Xu Xinli and being disqualified from the competition, she left crying. However, she was unwilling to give up and still secretly patrolled outside the classroom, wanting to see Gu Qiqi being crushed by Xu Xinli.

That would calm her down a little.

She followed them from the pharmaceutical school to the anatomy laboratory.

She saw Gu Qiqi crushing Xu Xinli!

In the end, she even subdued those people from the Forensic Medical School!

It had to be known that although the Forensic Medical School was not as impressive as the Clinical Medical University and had such a high admission score, the students who studied forensic medicine were more arrogant. In the future, they would be in the cross-disciplinary field of forensic science and medicine, and they would feel more unique than other doctors! They would be more classy!

It was quite difficult to make those forensic medicine students concede.

However, Gu Qiqi did it.

Gu Xuexue watched as the students from the Forensic Medical School lowered their heads and asked Gu Qiqi for her anatomical skills. She almost died from anger.

Her reputation had been ruined and she was in a daze. However, Gu Qiqi was proud and surrounded by people. How could she tolerate this?

Just as she was thinking about ruining Gu Qiqi's reputation and happiness, she suddenly realized that there was a middle-aged couple peeking at the anatomical competition from the window beside her!

From what they said, she could tell that the middle-aged couple was actually Gong Jue's parents!

Chapter 713: Gu Qiqi Was Meddling With Two Men!

Most importantly, Gong Jue's parents were not very satisfied with Gu Qiqi!

Gu Xuexue was delighted.

God was helping her.

If she did not teach Gu Qiqi a lesson this time, it would be unreasonable!

Gu Qiqi, oh Gu Qiqi, I didn't expect Gong Jue to dote on you so much. He really wanted to give you some status, so much that your future in-laws came to examine you.

Since you're still so silly that you don't know, I don't mind introducing you. Hehe!

Only then did she approach Gong Qing and Songsong.

However, she didn't expect Songsong to be so cold to her and Gong Qing to be so rough with her. He actually told her to get lost!

But who was she?

She, Gu Xuexue, was an unkillable cockroach. What was a small setback like this?

Soon, Gu Xuexue shamelessly went up to them again. "Auntie, Uncle, my sister has really encountered a difficult problem in her life! Please come over and help me out. My sister has two boyfriends at the same time. She doesn't know which one to choose!"

Gu Xuexue threw the bomb.

As expected, Songsong and Gong Qing, who were about to leave, stopped in their tracks. "Two boyfriends?"

Gu Xuexue nodded seriously. "Yes, one is... the head of the high-tech corporation, and the other is... an old CEO!"

Gu Xuexue thought hard for a long time and finally fabricated an "adulterer".

It did not matter who this adulterer was. All she had to do was stand there casually and make Mr. and Mrs. Gong uncomfortable.

This thorn would definitely seriously affect Gu Qiqi's chances of entering the Gong family.

They would even break up Gong Jue and Gu Qiqi!

No one wanted their son to be a cuckold, right?

Songsong and Gong Qing looked at each other. The Chief of the high-tech group? That was Jue'er. Who was that CEO adulterer?

Gu Xuexue took the opportunity to chase after them. "My sister said that the President and the Chief are very good to her and are willing to spend a lot of money on her, so she can't decide. She can only talk to them at the same time and slowly decide..."

She saw Songsong and Gong Qing's expressions change.

She deliberately "innocently" said, "Uncle, Auntie, don't misunderstand that my sister is a gold digger. Although both men gave her a lot of money, she's not a greedy person. She said that taking money was only a test for them..."

This was getting worse!

The impression she gave was that Gu Qiqi was not only greedy, but also a scheming bitch who knew how to find excuses.

Gu Xuexue continued talking for a long time.

The main idea was to talk about Gu Qiqi's "relationship problems". Sge asked the two elders to come up with an idea to deal with this. For this, she did not hesitate to tell them the details of Gu Qiqi's relationship with the two men. She asked them to advise her...

In the end, she even took the initiative to leave her phone number and was extremely grateful for their warm help.

Even though Gu Xuexue was nagging non-stop from the beginning to the end.

Gong Qing and Songsong did not show any enthusiasm or help at all!

After Gu Xuexue left, Songsong raised her eyebrows and asked Gong Qing, "Do you believe her?"

Gong Qing narrowed his eyes. "Do you think my IQ is that low? I've already gotten Special Assistant Lu to bring Gu Qiqi's personal background over to me last night. How could I not know what her cousins are like?"

Songsong asked, "Then why did you give her the phone number?"

Gong Qing said, "Gu Xuexue's words might not be believable, but they might not be completely useless! If we keep her as a dog, it might be useful to call her name someday. If Gu Qiqi has an adulterer, she will definitely be the first to discover it!"

Songsong was speechless.

The poor girl was so proud when she left.. Did she think that she had fooled the two of them?

Chapter 714: Gu Qiqi Meeting the Little Boy (1)

The day's class ended.

It was not easy for her to shake off the classmates who had been chasing her for her secret techniques. Gu Qiqi had originally planned to bring the Qiu Qiu and Xiao Ning to Yang Xiaolan's house after school.

She heard that Xiaolan had something on at home and was on leave. She didn't know what it was, but her phone was switched off.

She was worried that Lan Ting had some operational difficulties, and Xiaolan was too embarrassed to disturb her.

Xiaolan's family were all proud and unyielding people who rarely asked for help. It seemed like she would only know the truth after making a trip.

However, before she could leave the school, Gong Jue's call arrived. "Dumb woman, why are you running with a man?"

Man?

Gu Qiqi looked around.

Young Master Xiao Ning was not a man, but a Qiu Qiu... She had never treated this disciple as a man.

“That’s my disciple.”

“Get rid of him! Only female disciples are allowed!”

Thick jealousy came from the phone.

The corners of Gu Qiqi’s lips twitched. She suddenly reacted. “You, how did you know that I have someone by my side?”

“Nonsense, I’m here to pick you up from school! Hurry up and get in the car!” Gong Jue honked.

Gu Qiqi looked up. As expected, Gong Jue’s black SUV was very eye-catching as it stopped at the school gate.

Oh god, everyone would stare as she got into the car... Did Gong Jue think that the rumors of him being a “kept man” in school were not spreading fast enough?

But if she ignored that stupid man...

Gu Qiqi could totally imagine that the scene would be even more shocking if the stupid man got out of the car personally to escort her!

Tomorrow, the rumors would spread throughout the school.

No!

She immediately softened her voice. “Ah, why are you so free to pick me up today? Wait a moment, I’ll leave after telling my classmates...”

On the side, Xiao Ning and Qiu Qiu were stunned.

Damn, was this the handsome Young Master Qi who dressed as a man?

Holy shit, was this Goddess Qiqi, who had just cut someone’s abdomen and skinned a corpse with her hands?

Her voice was so gentle that water could drip from it. It would completely eliminate anyones morals.

Who was Gu Qiqi talking to?

Gu Qiqi covered the mic and said helplessly, “I’m in a hurry, so I’ll leave first. Help me go to Xiaolan’s house!”

With that, she quickly let go of the mic.

In the end, the violent voice from the receiver made Gu Qiqi tremble and she almost dropped her phone.

“Don’t you know why I picked you up? Dumb woman, you actually forgot about tonight’s date!”

Gong Jue felt a sense of defeat.

Anger!

He felt a little aggrieved!

Gu Qiqi was stunned for a moment before she slowly remembered that he had said in the morning that he would bring her to see “Little Palm” tonight.

Holy shit, she actually forgot about such an important matter like meeting her love rival or ex-girlfriend.

How big was her heart?

She quickly smoothed the hair of the man on the phone. “Okay, okay, okay. You’re here. I’ll give you the entire night, okay?”

The soft voice made Xiao Ning and Qiu Qiu’s eyes pop out again!

“Damn, who is that man?”

“Master, are you talking to your wife on the phone?”

Gu Qiqi was speechless.

Before she could explain to the two of them in detail, Gu Qiqi ran toward Gong Jue’s black SUV.

She had to stabilize the stupid man before Gong Jue got out of the car.

Fortunately, she turned on her martial powers and her speed was quite fast. In almost two seconds, she quickly got into the car and closed the door. She squeezed out a smile. “Hehe, I didn’t forget. I really didn’t forget. Look, I even brought clothes. I’ll look for the washroom to change later..”

Chapter 715: Gu Qiqi Meeting the Little Boy (2)

Gong Jue sat in the driver’s seat.

He saw Gu Qiqi panting and her heart beating fast.

His heart softened and swayed.

His big hand could not help but hold her small hand. “According to the traffic rules, you have to pay a fine for being late.”

Gu Qiqi was speechless. “...I didn’t bring any cash...”

Gong Jue held her hand forcefully and pulled her into his arms. His lips pressed against hers just like that!

“Hmm...” Gu Qiqi snorted and resisted slightly before giving in.

Alright, she’ll pay the fine.

Ten minutes later.

This long kiss finally ended reluctantly.

Rubbing her swollen lips, Gu Qiqi complained, "When did the traffic rules stop people from being late? There's no such thing in the law!"

Gong Jue curled his lips in satisfaction. "I changed it just now!"

Gu Qiqi was speechless. It was really hard for a doctor to reason with a domineering man.

No, no, no. The main point was that they were going to see his lover today. Shouldn't he feel that he was in the wrong?

Why did it seem like his beautiful face was smiling and he was about to hum a song? He looked like he was even more excited than her to facilitate this meeting.

What was wrong...?

"Is your Little Palm very ugly?" Gu Qiqi could not help but ask.

Could it be that he was showing off his current girlfriend to his ex-girlfriend?

Gong Jue thought about it seriously. "Not ugly. Everyone I've seen says it's good-looking, especially with its big eyes."

Gu Qiqi was furious.

Did he have to praise his ex so arrogantly in front of his present girlfriend?

She said unhappily, "Then what flaw is there?"

"It doesn't exist. Its IQ has long been off the charts. It's the highest in the IQ test. Other than being a little childish sometimes, it has no shortcomings."

Gu Qiqi was speechless.

Why was there a hint of doting in Gong Jue's tone when he said "other than being a little childish"?

She really wanted to flip the table and leave.

Gong Jue did not seem to understand Gu Qiqi's emotions at all. He said, "Don't you want to hear about its strengths? As long as you're more patient, I think you two will get along well in the future..."

Gu Qiqi gnashed her teeth.

He even wanted her to get along with his lover?

Gong Jue, so you're such a shameless man.

Gu Qiqi had an evil thought. After a while, she will pick up two glasses of wine and splashed a glass of wine on Gong Jue and his Little Palm to wake them up!

Gong Jue inexplicably felt angry.

Gu Qiqi looked back and her face turned cold.

He quickly said, "It's fine if you don't want to get along with this person. After we get married, we can live separately from this person. I won't force you to get along with this person. You don't have to worry about this."

Gu Qiqi said coldly, "Don't talk while driving."

She really wanted to tell him to shut up!

What was going on?

Number 1 stopped at the Empire State Building.

The private elevator went straight to the revolving restaurant on the top floor.

As soon as they entered, the entire dining room was empty. Clearly, it had been reserved by the simple, crude and rich Gong Jue again.

Little Palm had yet to arrive.

Gu Qiqi endured her anger and went to the washroom to change her clothes.

Hmph, she had to dress more aggressively tonight. It would be even more shocking when she splashed a glass of wine with each hand later!

She changed her original plan. Instead of wearing a charming evening gown, she took a set of men's clothes she had prepared in the Little Filthy Turtle's Space.

She was wearing a dark gray English checkered suit and pants, a black bow tie, handsome Chelsea boots, and a Patek Philippe watch.

Gu Qiqi gestured at the mirror.

"I'll kill you guys instantly! Hmph!"

She pretended to blow the smoke in the air and walked out.

Chapter 716: Scheming and Shameless Daddy

In the middle of the revolving restaurant, on the seat with the best view by the window.

Gong Jue loosened the first button of his suit and was about to order food.

Special Assistant Lu brought the little boy in.

He was wearing a dark gray checkered suit with small leather boots. His white shirt was paired with a neat and beautiful black tie. His short hair, which was as black as ink, was neat and tidy. His big black eyes on his fair skin were firm.

He was simply a mini version of a handsome Gong Jue.

Besides, he had abandoned his simple and rough temperament and was more calm and composed.

"Uncle Lu, I can go by myself."

“Alright, Little Chief, then... Have a good meal!”

“I’m afraid I can’t do as you wish anymore.” The little boy spoke in a mature manner.

Assistant Lu’s heart skipped a beat.

He thought to himself, Master Jue hasn’t told his child that he’s here to see his stepmother today... Pfft, he’s here to see Miss Qiqi. Why does the boy seem to be clairvoyant?

Sigh, although Miss Qiqi was an almost perfect woman, it was not a good thing for a stepmother to see her stepson... Assistant Lu left quietly, still worried.

The little boy had already walked towards the dining table.

The waiter specially pushed a high dining chair over and asked politely, “Is Young Master sitting beside Master Jue?”

Gong Jue opened his mouth calmly and did not wait for instructions.

The little boy retorted coldly, “No, I’ll sit opposite him!”

Gong Jue was relieved.

He had to leave the seat beside him for Gu Qiqi.

He was just about to lament that his son knew how to create opportunities for his father when he was older. He would never snatch anyone’s love.

Who knew?

In the next second, the little boy mocked, “After all, I don’t want to be a vixen.”

Gong Jue was speechless.

What nonsense was this? Who was he calling a vixen?

The waiter suppressed his awkward laughter and helped the little boy sit down opposite Gong Jue. Then, he quickly slipped away.

The two gentlemen, one big and one small, sat opposite each other without saying a word.

Gong Jue stared at the little boy for a few seconds, thinking to himself, Gu Qiqi and the little boy had to meet eventually. He had to pass this round.

After all, he had laid the foundation for the little boy for so long. It should have some effect, right?

After all, he had laid the foundation for the little packrat for so long. It should have some effect, right?

He said calmly, “You should know who the person who I’ve brought you to see today is, right?”

The little boy paused for a moment before raising his fair and clean face, “It’s just that you found me a stepmother.”

Gong Jue’s face darkened as he reprimanded, “Watch your words. What stepmother? Be polite later and call me her Auntie.”

The little boy raised his eyebrows, "Ah, oh, looks like you haven't registered your marriage yet. Then why did you call me here today? If another auntie comes next time, I won't be able to remember."

Gong Jue frowned. "Nonsense! There's only one!"

The little boy curled its lips, "Can I refuse to meet her?"

Gong Jue was not angry this time. He seemed to have been prepared for this and replied calmly, "When you find the lady in the surveillance video, I will also refuse to meet her. Oh, right, I will also refuse to let her see you. Otherwise, I will sue her for harassment of children."

The little boy was speechless.

His small fists clenched tightly under the table. This black-bellied and shameless father! This was a blatant threat!

However, this matter involved his favorite sister, so he had no choice but to compromise. "I'll leave after I finish eating. You better finish eating quickly. I can't guarantee what will happen if I eat for too long!"

Gong Jue remained calm. "It doesn't matter.. As long as you remember that treating my woman well is the same as me treating your future sister well."

Chapter 717: Facing the Male Gu Qiqi

The little boy's fists were clenched so tightly that they were about to explode!

D*mn it!

His father had him under control. He knew that he cared about his Sister the most, so he used his Sister to threaten him repeatedly.

Hmph, did he think that he had no choice?

Childish old man!

The little boy gritted his teeth and remained silent.

However, he took out a pilot's sunglasses from behind him and put them on. He crossed his arms and straightened his back.

Gong Jue glanced at him inexplicably.

Although he felt that it was a little strange for a certain brat to eat with sunglasses on, he only treated it as a child throwing a tantrum and did not take it seriously.

How would he know that the little fellow was thinking "I can't refuse to meet you, but I can always refuse to meet your gaze, right?!"

I'll put on your sunglasses, and I won't even look at you! Hmph, fox woman!

Uncle Bai Lang had said that you took a fancy to Daddy for money. You won't treat me and Daddy sincerely. If Daddy marries you, I'll become a vegetable in a field. I'll have a stepmother when I'm two or

three years old. When Little Sister and I acknowledge each other in the future, you might even become an evil mother-in-law and break us up!

Uncle Bai Lang was different from his father. He had seen so many women before, so he must be very experienced.

Unlike his father, who was stupid and easily seduced by a fox woman...

The little boy pouted its lips as he thought to himself seriously.

Suddenly...

A faint, familiar and pleasant fragrance floated over.

Then, the rhythmic sound of leather boots hitting the ground sounded from afar.

The little boy's heart skipped a beat!

In an instant, his heart seemed to be in a mess. For some reason, he felt a little bitter.

What happened?

He reached out to hold his heart. His heart ached.

Was he too nervous?

What was there to be nervous about? Why was he afraid of a fox woman?

However, his heart was beating faster and faster...

Until...

Gu Qiqi was wearing a handsome and neat male outfit. She stopped in front of him and Gong Jue. He finally took a deep breath, but his eyes were even more dazed.

"Daddy, so the person you like is really a man!" The little boy cried out involuntarily, "This baby doesn't understand. If you like men, then isn't Uncle Bai Lang good? Why do you have to work so hard to find someone else?"

He was small and raised his head slightly. He only saw the bow tie of Gu Qiqi's dark gray checkered suit and did not look up anymore.

Of course, even if he looked at Gu Qiqi's face seriously, he could not see clearly because of the sunglasses.

Gong Jue's face turned completely dark.

What did he mean by liking men!

When have I ever liked a man!

I'm 100% straight and only like women!

However, Gong Jue could not even defend himself when he saw Gu Qiqi's handsome outfit.

He had never seen Gu Qiqi dressed like this before.

Her face was still beautiful, but her body was handsome and unrestrained.

What was even more amazing was that this beauty and handsomeness were actually very harmonious together. It was not at all revolting. Amidst the imposing aura, there was tenderness. Gong Jue looked at it and his eyebrows deepened!

D*mn it!

He actually had thoughts about Gu Qiqi, who was disguised as a man.

He definitely could not admit that he was a little gay.

His expression turned serious as he scolded, "What nonsense are you talking about? This is your Auntie Qiqi."

Chapter 718: Stepmother is 19!

At this moment, the person who was most shocked was neither Gong Jue nor the little boy.

It was Gu Qiqi.

She had originally changed into a male outfit and walked over in her leather boots with an imposing aura. She was prepared to throw a cold look at her love rival called "Little Palm". Then, if the other party did not know her place and left, she would pour a glass of red wine on her...

Cough cough cough. This was the plan of the script. Weren't all romance dramas like this?

Who would have thought that Gong Jue would give her an unexpected countermeasure!

She did not see her love rival, but she saw a three or four-year-old child!

The child was fair and adorable. He wore a pair of small sunglasses with a serious expression and a small suit. It was actually the same color as the suit she was wearing. Even the patterns were the same. It was truly lovable.

Even her heart melted.

But in the next moment.

The little boy said "Daddy" and Gu Qiqi was completely petrified.

Was this Gong Jue's son?

Biological?

Gong Jue already had a son!

Wouldn't she be a stepmother?!

At this moment, she could not help but think that it was really time to thank her period for coming. She had yet to agree to be with Gong Jue, and she could still not be this boy's stepmother.

Could she leave the venue early and say goodbye to Gong Jue?

He could feel that Gu Qiqi wanted to retreat.

Gong Jue's eyes darkened.

He stood up without hesitation and pulled out a chair for Gu Qiqi before helping her sit down.

His hand held hers tightly, not allowing her to let go or give up.

A firm and powerful voice sounded softly in her ear. "I know it's hard for you to accept him, but you remember what I said in the car. You don't have to force yourself to accept him. In your life from now on, you have the right to decide if you want to accept him. If you don't like him..."

He pursed his lips. "I won't force you to live together."

Gu Qiqi was still in shock. She muttered, "So, he's Little Palm?"

In a flash, she came to a realization. After all this time, the Little Palm she had always thought was... actually the small chief?

"Yes." Gong Jue nodded.

Gu Qiqi facepalmed.

This mistake was too big!

At the thought that Gong Jue had once received a call from this child in the middle of the night and had hurriedly left while kissing her, she thought that he had gone to comfort his little lover. She did not expect that the child needed him, and her face blushed!

When she thought about Gong Jue coaxing the child to sleep over the phone, she thought that it was some woman who had this special treatment and misunderstood that Gong Jue was two-timing her. She felt even more embarrassed.

Worst of all, just a few minutes ago, she thought that the person Gong Jue was talking about was an ex-girlfriend who was extremely smart, had a bursting IQ, and was loved by everyone. However, she did not expect that he was talking about a three-year-old child!

Gu Qiqi really did not know how to face this little boy.

She opened her mouth, then slowly closed it again. It tightened into a thin line and trembled slightly.

Gong Jue looked at her shocked and speechless expression and felt guilty.

It was all his fault. He thought that the meeting today would be very easy. He even wanted to joke with her. He wanted to see her cute expression when she found out that the fake lover did not exist.

However, he had forgotten how great an impact this had on Gu Qiqi.

She had not even celebrated her 19th birthday, yet he wanted her to be the stepmother of a three-year-old.

Gong Jue's voice was deep and apologetic.. "Qiqi, I'm sorry."

Chapter 719: Rascal, Be More Polite!

Gu Qiqi woke up from her shock and was shocked again.

She looked up and was surprised to see the deep apology in Gong Jue's eyes. There was even... a humble plea.

This proud man revealed a lowly plea in front of her for the first time, and this moved her!

Perhaps this child was an accident.

Or perhaps there was some unknown secret.

She was still unclear about the situation. Should she give Gong Jue a chance to explain?

At least, she would not leave on the spot.

When she looked at the little boy opposite her again, even though she would be reminded that he was the child of Gong Jue and another woman, she still felt a little awkward.

However, even though his eyes were covered by his sunglasses, his fair and handsome face could still be seen clearly. He was simply carved from the same mold as Gong Jue. He was equally cocky, proud, and childish.

She could not hate this face no matter what.

Wait...!

She could not help but take a few more glances.

This child looked very familiar!

In a flash, she recalled the pitiful little boy at the entrance of the washroom on the second floor at the Qingyu Xuan cocktail party. He cried as he complained to her, "My father is going to find me a stepmother."

In the corridor of the Qingcheng Hospital, the little boy clutched its stomach pitifully and cowered in the corner of the wall, suffering from bowel spasms.

He was stubborn and refused to let anyone touch him.

With a few words, she reached out to massage his bowel acupuncture points and quickly restored him to his original state.

In his mind, the few small figures in her memory gradually overlapped.

So it was him!

Gu Qiqi sighed in her heart.

It seemed like she and this child were fated.

At the thought of how pitiful the little boy was after finding out that his father was to marry his stepmother, her heart melted into a puddle.

She pursed her lips and smiled. "Hello, my name is Gu Qiqi. It's a pleasure to meet you. If you're willing, you can call me auntie. However, I like it when people call me by my name. You can call me Qiqi. What's your name?"

The little boy lowered its eyes and did not look at her.

In these few minutes, he had experienced countless shocks.

At first, he thought that Gu Qiqi was a man, but he realized that she was a woman. When he heard what his father said, it was obvious that he had not mentioned him to this woman. He thought that this woman would walk away with her heart made of glass, but he did not expect her to stay with a straight face.

Was she plotting something?!

Uncle Bai Lang said that this female fox was very cunning and asked him not to be fooled.

The little boy remained silent for a few seconds before it snorted, "Hello, Aunt Gu. However, we only call servants Auntie at home."

His words were polite and sharp!

Gong Jue's face darkened and he almost slapped him. "Rascal, be more polite!"

The little boy remained calm and composed, "I'm telling the truth. Why? Can't an adult hear the truth?"

Gong Jue was speechless. Your honesty deserves a beating. Don't you know that?

Gu Qiqi touched her chin.

Hmm, this little fellow's style was different from his father's.

The little boy could remain calm and composed even in the face of the aggressive and simple Gong Jue. This was quite her style.

She coughed lightly and tried to smooth things over. "Why are you arguing with a child? Order the dishes first."

Gong Jue pushed the exquisite French menu to Gu Qiqi. "Feel free to eat whatever you want."

The little boy blinked its large eyes behind its sunglasses and added leisurely, "Mm, order whatever you want. Only by following daddy can you eat such delicious food."

It sounded like Gu Qiqi was here to freeload.

Gu Qiqi pursed her lips and did not argue with him.

On the other hand, Gong Jue glared at the little packrat, "How rude.. You haven't answered Qiqi yet. Can't you say your name?"

Chapter 720: The Little Boy's Name Is Quite Handsome

The little boy did not reply to Gong Jue. Instead, he looked at Gu Qiqi, who was studying the menu.

He rolled his eyes and said proudly, "You don't understand French, so let my father order the food. Otherwise, you'll be very embarrassed. It won't be good to treat the main dish as soup."

Gong Jue frowned. "Gong Ting, that's enough! Don't be so childish!"

This brat actually mocked the stupid woman for not knowing French.

What happened to his cold and mature image as a little gentleman?

It collapsed so quickly?

At this moment, Gu Qiqi was scanning the menu.

She was looking for food suitable for children.

However, she looked like a newcomer who could not understand the menu.

The corners of her lips twitched when she heard this. She raised her eyes calmly. "Oh, I really don't come to this restaurant often. It seems like you know a lot. I wonder if you're familiar with all the dishes here? Don't tell me you've eaten all of them before?"

The little boy puffed up its chest and said, "That's right!"

Yes, he must not show fear in front of the female fox.

Uncle Bai Lang said that he had to make the female fox feel inferior before she would retreat.

Gu Qiqi nodded thoughtfully. "In that case, I'll really order whatever I want. It would be so embarrassing if I accidentally ordered something you don't know..."

The little boy chuckled coldly, "There's nothing I don't know!"

Gu Qiqi narrowed her eyes and smiled evilly. "Or if I order something you don't know how to eat..."

The little boy retorted. "There's nothing I don't understand!"

What a joke. This was a high-class French western restaurant. His French was about the same level as those overseas students. The Gong family even had French chefs. What French food had he not eaten before?

The fox girl still wanted to laugh at him?

He would definitely mock her!!!

Gu Qiqi remained calm and said to the waiter calmly, "Then let's have the dish we had previously first."

The waiter was smart. How could he forget distinguished guests like Gong Jue and Gu Qiqi?

Including the shocking dish they ordered last time... It was unforgettable.

He immediately nodded. "Yes!"

As they waited for the dishes to be served, the little boy stubbornly turned its head away, refusing to look at Gu Qiqi.

Gong Jue could not be bothered to lecture him anymore. Instead, he talked to Gu Qiqi in a low voice and asked her how the school tournament was going. Did Lan Ting need his help...

The little boy's heart ached when he heard the detailed and concerned questions. His father had never cared about his studies!!! His father did not even take his withdrawal from school seriously!

Okay, he withdrew from kindergarten because it was really too childish. It taught children's songs, games, and went around in circles. It even taught them to wear clothes and go to the toilet. As a man, he could not stand such childishness.

The neglected little boy poked its fork pitifully.

It was not until the waiter came to serve the dishes that he became energetic again.

His dining etiquette was perfect. Later, he would let Gu Qiqi experience what it meant to be crushed by French etiquette...

However, when the dishes were served...

The little boy was dumbfounded.

"What food is this? Are you sure it's human food?"

How could there be such a thing in a French western restaurant?

In a large blue and white porcelain basin, there was bright red chili soup. There were skewers of unknown meat on bamboo skewers arranged neatly together, emitting a spicy and fresh fragrance.

The problem was... he never ate spicy food!

When he saw the chili, his stomach cramped.

The little boy turned to look at Gong Jue. "Daddy, you would never accept such inhumane food, right?"
