

## Dear Chief 74

### Chapter 74: He Had Become a Stupid Dimwit!

Bai Lang roared.

For some reason, a bad premonition arose in his heart.

The electrician was so frightened that he shivered. He pointed outside the pharmacy. "Reporting to Second Master, it's that girl who hasn't left yet. She's buying ice cream..."

On the side of the street, in front of a moving ice-cream cart.

Gu Qiqi took a five-dollar chocolate ice cream cone and held it up. Dressed in her school uniform, she looked innocent, adorable, bright, and harmless.

She turned around lightly and met Bai Lang's gaze!

She took a sip of her ice cream and a mocking smile appeared on her lips.

Under the bright sunlight, her cherry-like lips gently parted.

Arrogant and reckless.

It was simply so beautiful and so wicked that it made one's teeth itch.

Bai Lang was stunned.

After a while, he finally realized what was going on.

Damn. The Little Fairy opened and closed her mouth. She said three words.

Two million five hundred thousand!

It turned out that the 2.5 million dollars that she had snatched from him was precisely the 2.5 million dollars that she had wanted to cheat Gu Xuexue of previously!

She refunded the goods and made him an idiot!

Bai Lang's blood surged and he nearly fainted.

Pulling on his exquisite and gorgeous tie in a frenzy, he rolled up the sleeves of his white suit...

"Little vixen, you're very capable, right? I've formed a feud with you! Back then, because of you, Little Jue drove me to Africa. This is because of you again! The Chu family saw me as a joke! Heh heh, even if you beat me to death, I won't believe that such a scheming vixen like you won't have any ulterior motives by Little Jue's side! Don't be smug. I'll sue you. The world is very small. Let's meet again in the pugilistic world! I must let Little Jue recognize your true colors and tear off your beautiful skin with my own hands!"

Although he spoke fiercely, he felt bitter in his heart.

Damn it. Why did such a fun and interesting little vixen have to hold on to that boring and cold guy Gong Jue? Why couldn't she stay by his side and play with him every day?

The Chu family in the Imperial Capital.

After Chu Junmo heard Secretary Jiao's report, his refined and composed expression couldn't help but crack a little.

"You're saying that she cheated Bai Lang?"

"Yes! CEO, there's one more thing..."

"Speak."

"Young Lady Qiqi recognized our people outside the medicine room. It's that Little Jiangzi whom she received orders from to send her pregnancy test kits and money back then."

"Yes?"

"She took a hundred thousand dollars from the money she earned from selling the medicine and insisted on handing it to him. She said that she was going to repay the money that you lent her twice over. She said that she was a person who distinguished kindness and hatred clearly, and that she definitely didn't owe anyone a favor... That was a nice way of putting it! Can you be reasonable? Is she scheming and pretending to be obedient after gaining an advantage? This money is obviously ours... Or did she recognize that the pharmacy is under your name and is hinting at something?"

Chu Junmo was silent for a moment and didn't comment.

After a while, he curled his lips lightly. "Isn't she an interesting little thing?"

At this moment, Gu Qiqi was holding a chocolate ice-cream and eating as she walked.

Familiar streets and alleys, free air, and a chance to live life recklessly once more.

More importantly, her pockets were filled with money...

She couldn't be any happier!

Since she still couldn't get through to Xiao Ning's phone, she decided to settle the issue at the nursing home first.

She made a call over.

"Auntie Liu, I've raised three million dollars. Please give me an account number so that I can wire the money over."

"At least you're sensible!"

"Wait a minute. Please let me speak to Xiao Bei for a while."

The nursing home was located in a black forest in the suburbs. It was a long journey.

She couldn't fly over to see him at this moment. It would be good to listen to his voice too.

"Tell me quickly. Don't waste my phone money."

After waiting for a while.

On the other end of the call, the boy's weak but surprised voice could be heard.

"Sister! I miss you!"

"Xiao Bei, I miss you too!"

Gu Qiqi's tears immediately gushed out as she choked on her words.

This was her only family member.

Those people from the Gu family were vicious beasts. They couldn't wait to swallow her alive.

Xiao Bei was the only family she truly relied on for survival!

"Do your eyes... hurt a lot?"

"It doesn't hurt. I can tolerate it! Sister, don't cry, okay? You won't be pretty if you cry. Sister, do you know that in my heart, you're the most beautiful white moonlight? You're as resplendent as the sea of stars in the sky... Although I've never seen moonlight or the sea of stars... Sister, you're my belief in living on. I'll be sad if you cry."

"I'm just... too happy."

Gu Qiqi couldn't help but feel bitter in her heart.

She closed her eyes. Her long eyelashes were glistening.

It was great that Xiao Bei was still alive. She was also alive.

"Xiao Bei, I must let you see the light of day again in this lifetime." Gu Qiqi clenched her fists and swore.

"Yes. I really want to see how beautiful you are with my own eyes."

"Silly!"

"Sister..."

The reception in the nursing home in the forest was poor.

The call ended.

Gu Qiqi squatted by the side of the road with tears streaming down her face.

She could criticize Bai Lang with evil intentions, but she could also criticize Gu Xuexue aggressively.

But facing her younger brother, Xiao Bei, her heart immediately softened!
