

## Dear Chief 76

### Chapter 76: The Most Awesome University Wanted to Recruit Gu Qiqi?

The weeping and laughing Gu Qiqi caused the passers-by to shiver.

Hiss —!

She was clearly just a high school student. Why was the aura so strong and so scary?

Gu Qiqi stood up abruptly.

The crowd made way for her.

They watched as the girl left coldly...

In the Gu family's living room.

Gu Xuexue howled all the way into the house, and was out of breath.

"I'm so angry... That useless bookworm... I'm not done with her!"

"Xue Xue? Didn't you go out to buy tonics?" Gu Meifeng rushed out to welcome her. Her heart ached as she looked at Gu Xuexue's red and swollen face. Her makeup was so messy that she looked like a bear. The wounds on her chin were covered in tears and mucus.

Why did she end up in such a miserable state after leaving the house?

Gu Xuexue recounted her experience in the pharmacy—weeping and weeping—and exaggerated her story. Of course, she didn't dare to say that she had been scammed of a million dollars.

Gu Meifeng gradually revealed an angry look. "That b\*tch really gave birth to a b\*tch! If I had known earlier, I would've killed her earlier! I thought that I would be able to sell her for a good price once she grew big enough. In the end, I raised a dog that was secretly helping outsiders. It actually dared to lay hands on you repeatedly..."

"Mom! Don't you think that the card in her hand is strange? She actually managed to swipe it for money! Did Uncle secretly give it to her?"

"Impossible!" Gu Meifeng refuted.

Her clever little eyes squinted and she suddenly remembered. "Xue Xue, have you noticed? That night at the chairman's house in the Chamber of Commerce, she called that man Uncle..."

"Mom, you're saying that the card was given by that man? Uncle doesn't have a brother. Where did he come from?!" Gu Xuexue felt a little uncomfortable when she heard this.

In her heart, Gu Qiqi would at most be toyed around by an old man for a while.

Gu Qiqi, that moron, wasn't worthy of that cold, harsh, handsome, and cool male god of abstinence!

"Hmph! If she wasn't with that man, there would be other men as well. How could she be rich? She must be a kept woman. Don't men nowadays love to engage in roleplay and act as someone's little Uncle, Daddy, and Brother? Do you think it's her biological uncle?"

“Mom, that man seems to be quite capable. What if...” Gu Xuexue was jealous and afraid.

“Xue Xue, you don’t understand. Men come out to look for food just for novelty. Do you think that that idiot can continue to be smug? Wait a minute, I have to take an important call.”

Gu Meifeng saw the phone call of her distant cousin—Gu Enlong—and hurriedly picked it up. “Brother Enlong, is there any news?”

“Xuexue’s scores are too low. I spent a lot of effort to force her into a slot. I reckon that she can only be admitted to the worst major. But no matter what, she’s still going to be in a famous university. How will you thank me?”

Gu Meifeng moaned. “When the time comes, I’ll send my child to university in the Imperial Capital. Won’t it be fine if I... personally... thank you?”

Gu Enlong’s vulgar laughter traveled over the phone.

But in the very next moment, a piece of news from Gu Enlong struck Gu Meifeng like lightning.

“Oh right, Young Lady Feng. Also, that Gu Qiqi whom you wanted me to check on has pretty good scores. She definitely has enough marks for the Imperial Medical University cutoff score. Also, she might be selected for the best profession—clinical medicine! Your niece is better than your daughter. She’s quite an honor for you.”

“What?!”

Gu Meifeng was stunned.

Hadn’t she ruined Gu Qiqi’s professional ambitions?

It was written in black and white that she bribed the principal and had handed it over personally.

She was supposed to be the worst nursing student to have been accepted by that moron.

How did she end up at Imperial Medical University in the blink of an eye?

And it was even the best profession—Clinical Medicine!

It had to be known that that major produced great doctors who specialized in performing awesome operations abroad!
