

**Dear Chief 77**

**Chapter 77: Won't Let Her Go To Any School**

The most awesome Medical University?

The most awesome profession?

Gu Meifeng was struck by a bolt from the blue. It struck her from the inside out.

No, no, no. She definitely couldn't let that little b\*tch Gu Qiqi have all of this.

This should be her Xue Xue's fate.

Gu Qiqi was only fit to lick the soles of her shoes, okay?

She said anxiously, "Brother Enlong, you must help me think of a way to get her down at all costs! You must give it to our Xue Xue instead! I... I'll give you money... I..."

She carried Gu Xuexue on her back and lowered her voice. "I promise you everything in the future. I just have to help my younger sister..."

"You're going to serve Gu Qiushan like I did?"

"You're so hateful! Of course, I'll treat you better..."

Gu Enlong's heart was itching uncontrollably. He agreed to her on an impulse. "It's not that I don't have a solution, but isn't it just a result? Who says that an examination determines one's lifetime? Won't there be a follow-up examination after the examination is over? If there's a problem with the examination, will she still be able to attend university? Don't worry, I didn't do my business in the Imperial Capital for nothing. I'm also a person with status and reputation. As long as this and that..."

As Gu Meifeng listened, the corners of her eyes gradually revealed a smile.

That was great!

Gu Enlong was still the best.

After hanging up the call, she saw Gu Xuexue's nervous and inquiring gaze behind her. The charming look on her face disappeared in an instant.

She said concisely and comprehensively, "I don't know what methods that little b\*tch Gu Qiqi used to change her own application form. But it's okay. I'll get your cousin uncle to do it. Your uncle has a wide network of connections among the rich and powerful in the Imperial Capital. This time, I will let her die! She dared to complain that the nursing school was poor. This time, I'll make sure that she can't even get up there!"

Gu Xuexue laughed through her tears. "Mom, really?"

Gu Meifeng nodded and asked, "You said that she cheated you of 200,000 dollars at the pharmacy this time?"

Gu Xuexue swept her gaze across the table guiltily. There was a lot of eye-catching glue on the table. How would she dare to say that she had scammed her of even the one million dollars that she had earned from university? She only said coquettishly, “Yes... Yes! She even slapped me. It was so painful that I couldn’t stop my tears. My old wound was bleeding again...”

Gu Meifeng snorted coldly. “Little b\*tch, how dare you make my daughter cry? I’ll make her cry even more miserably! I’ll make her bleed even more!”

“Mom, I want to stab her to death with my high heels!”

“Okay!”

Gu Qiqi returned to her room.

After taking a shower, she laid on the bed tiredly.

She felt as if she had been run over by a car and couldn’t muster any energy.

“Why am I so tired?”

“Oh, perhaps it’s because you’ve been worried about the allergies of the erectile dysfunction man last night, Master. You didn’t sleep well.” The little dirty turtle cleverly replied.

“Nonsense! Who’s worried about him?” Gu Qiqi grabbed the tail of the turtle necklace. “Be logical!”

The dirty little turtle cried out, “Master! I forgot to tell you! Absorbing the color points is very beneficial, but because your body is still a little weak now, it consumes a lot of Essence Energy. You also absorbed 5,000 color points today, so you’re a little sleepy...”

Gu Qiqi squinted. “Just tired?”

The little dirty turtle coughed. “Ahem, ahem, ahem. If you’re too tired, your life will be in danger. But Master, don’t worry. I definitely won’t let you tire yourself to that extent! We’re on the same side. If you die, I won’t be able to live either...”

Gu Qiqi closed her eyes. “Is there anything else that you’re hiding from me? You better remember it quickly, or else...”

She pulled on the little dirty turtle’s tail and closed her eyes to rest.

“Master Silver, I remember now. I have something to report to you.”

“Speak!”

“Master, I only told you previously that kissing that domineering man once would reward you with 10,000 energy points. But I forgot to say that if you and him...”

“What with him?”
