

Dear Chief 89

Chapter 89: Who Was The Scumbag Who Slept with You That Night (1)

“Look, why is Gu Qiqi still wearing her school uniform?”

“I heard that she’s not well-loved in the Gu family. What future can a nerd like her have?”

“That’s right. I think she’s far inferior to Xuexue. They’re both from the Gu family. Xuexue is the real princess.”

“That evening gown that Xue Xue was wearing today cost 8,000 dollars, right? Tsk, she’s too beautiful...”

“Let me tell you. Gu Qiqi really doesn’t understand the ways of the world. The last time, in order to apply for the application form, she even insulted the principal and the class teacher in school!”

“So what if she has good grades? In the future, when she leaves society, this kind of nerd will only be hung and beaten!”

As soon as Gu Qiqi entered, the students in the room started discussing without the slightest bit of fear.

It was all because they knew that Gu Qiqi was a softie.

She had never dared to resist them.

Thus, even the worst classmate in her class dared to step on her a few times and scold her.

Disdain, sarcasm, and ridicule.

No one took her seriously.

However...

As soon as the words “hang” and “hit” left his mouth, that classmate—who had been talking enthusiastically—suddenly felt a trace of coldness sweep across the back of his neck. He couldn’t help but shiver.

She turned around and saw Gu Qiqi’s cold gaze sweeping over. It was so imposing!

At this moment, Gu Qiqi was standing at the door, facing the light.

The crystal lights in the corridor behind her shone with a bright and mysterious diamond light.

It seemed to accentuate her petite figure.

Her thin lips parted slightly, but she didn’t say a word.

Everyone couldn’t help but keep quiet after glancing around with mocking smiles on their faces.

Fight?

In this lifetime, let’s see who would dare to beat her up again!

“Qiqi, you’re here!”

The atmosphere was tense.

Xiao Ning bounced up from the sofa in pleasant surprise and rushed towards Gu Qiqi like a passionate little cannonball.

She immediately gave her an adorable bear hug!

She was only short of sticking her two slender legs onto Gu Qiqi's body as well.

"Ahem, ahem. Little Lemon, can you be more reserved?"

The corners of Gu Qiqi's lips twitched. She had relaxed that arrogant and cold aura from just now.

Everyone in the room couldn't help but secretly heave a sigh of relief.

Then, she secretly scolded herself for being such a coward to be stunned by a bookworm.

How strange.

Xiao Ning pouted pitifully, "Qiqi, you have no idea what kind of days I've been living these few days that I'm no better than a pig or a dog. I was nearly locked up until I became stupid. Today, it was even the class monitor who stepped in. After much difficulty, he finally managed to get my mother's approval for me to come out for an hour. Sigh, I missed you so much. Why didn't you answer my call?"

Gu Qiqi was stunned. "I've called you many times too..."

Could it be that her phone had broken down?

The two of them sat in a corner of the room and dug out their phones to play.

Indeed, there was no signal from either of them!

It couldn't be that both their phones were damaged, right?

Gu Qiqi frowned.

Suddenly, she felt that something was wrong.

But she couldn't put her finger on it!

Her phone... Who had touched it? Did they do something to it?

"Don't worry about it, Qiqi. It's best if we can meet. I have so much to say that I'm about to suffocate. Did you steal the application form after that? Where did you apply to?"

"Imperial Medical University, clinical medicine." Gu Qiqi smiled lightly. "What about you?"

"That's great! We can be classmates again! My family signed me up for Imperial Medical University as well, but..."

"But what?"

"As... a... veterinarian..." The more Xiao Ning spoke, the softer her voice became. In the end, it became as soft as a mosquito.

“Pfft!” Gu Qiqi laughed.

Finally, she managed to stop laughing and comforted Xiao Ning. “Don’t. Veterinary medicine is a very good profession. You can open a cute Animal Clinic in the future.”

“Good my foot! I’m very afraid of small animals, especially those with fur, ears, and tails!”

“Then why did you still apply for it?”

“I... was forced! It was my uncle who forced me...”

“What?”

“N-nothing!”

Xiao Ning avoided eye contact with her.
