

Dear Chief 90

Chapter 90: Who Was The Scumbag Who Slept with You That Night (2)

While they were talking, Xiao Ning's phone rang.

Gu Qiqi didn't pay much attention to it at first.

However, her peripheral vision swept across it.

She saw the words "Little Uncle" on the screen.

Xiao Ning took the call in a low voice.

In fact, she was a little afraid. "Little Uncle... I... I'm not disobedient... I'll go back tonight... Don't... Don't be angry..."

Gu Qiqi found it strange.

What was she afraid of when he was her uncle?

Wait a minute, Xiao Ning's uncle? Why didn't she have an impression of this person in her previous life?

On the other end of the call, the man's voice was somewhat heartless and cold.

"I... I understand..."

Xiao Ning's fear came from her bones.

In front of this man, all the arrogance and recklessness that she usually had disappeared into thin air.

She put down the phone.

Xiao Ning met Gu Qiqi's tightly locked gaze and guiltily avoided her eyes.

However, Gu Qiqi asked her very seriously and seriously, "Little Lemon, be honest with me. Who was it that slept with you that night?"

Xiao Ning's small face fell. "Qiqi, it's a long story. I..."

Before Xiao Ning could speak.

An exaggerated cheer suddenly burst out in the room. It was so loud that her ears hurt!

"Wow! That was awesome, Xue Xue! Another glass!"

Gu Xuexue seemed to be surrounded by a group of stars and she was surrounded in the middle.

She was wearing a fashionable dress. It was a small brand from the B-list. It was worth a few thousand dollars and was filled with sparkling colored sequins.

At first glance, it was quite eye-catching.

At this moment, Gu Xuexue was having a drinking contest with the class monitor. She downed glass after glass of chilled beer without a change in her expression!

The class monitor was a slightly frail boy. He had only drunk two glasses, but he was already begging for mercy. "Little Princess Xue Xue, please let me off! I'm kneeling in admiration! You can hold your liquor too well. In the future, when you join society, you will definitely be a little princess in the social scene! You will definitely dominate everyone!"

Zhu Fen, along with a few female classmates, also cheered. "That's right! Our Xue Xue is well-versed in both the pen and the sword. Look at our Xue Xue's background. She's the Gu family's legitimate princess. What has she not seen in the world before?!"

Gu Xuexue enjoyed the praise.

In the blink of an eye, her pair of slender eyes discovered that Gu Qiqi and Xiao Ning were chatting passionately and didn't even spare her a glance.

Hmph! She actually dared to ignore her existence!

Gu Xuexue deliberately looked for someone to compete with her in drinking so that Gu Qiqi could open her eyes wide and see how her classmates admired, envied, and supported her. They would revolve around her at all times.

As for Gu Qiqi, although she was a top student, she was still disliked everywhere.

She was a bookworm that everyone hated!

Trash!

She was going to disgust Gu Qiqi and let her have a taste of inferiority.

But Gu Qiqi actually turned a blind eye to it. This wasn't fun anymore.

Gu Xuexue rolled her eyes and suddenly had a new idea.

"Hey, don't say that. Gu Qiqi is the eldest daughter of the Gu family. She's the successor of the Gu family."

She pretended to back down to advance. However, her words lacked substance and were extremely sour.

Immediately, a female classmate snorted. "Gu Qiqi? What does that useless bookworm know? She even inherited the Gu family! She doesn't even know how to drink, right? When she goes out to socialize, and discuss business in the future, others will laugh their heads off!"

Another male classmate joined in the fun and started stirring up trouble. "Won't we know if it works after we compare notes?"

"That's right, Gu Qiqi. Come over here and have a drink with Xuexue!"

"Tsk. Tsk. That useless bookworm must be afraid. She only knows how to hide in a corner and be a coward!"

Gu Qiqi looked up.

Coward?

Her?
