

Dear Chief 91

Chapter 91: Who Was The Scumbag Who Slept with You That Night (3)

Gu Qiqi's eyes turned cold.

They called her a turtle?

She wanted to talk to Xiao Ning in peace.

But it seemed like that wasn't going to happen anymore.

They were so shameless that they took the initiative to come to her doorstep to be tortured. What else could she do?

However, before she could say a word...

Xiao Ning was having none of it.

"Hey, hey! Why are your mouths so smelly? Did you guys just scrub that latrine?" Xiao Ning rolled up her sleeves. "You want to have a drinking competition with our Qiqi? I won't kill you first! Hah!"

After speaking, she suavely brought a box of chilled beer onto the table.

Gu Qiqi's heart warmed.

She must be referring to a girl like Xiao Ning as she was a close friend.

She was clearly covered in troublesome matters, but whenever she saw her friend being bullied, she would stand up for her without the slightest hesitation.

In her previous life, she was incompetent.

She didn't protect her own life nor Xiao Ning's.

It was a pity for Xiao Ning that she ended up with two lives. She then committed suicide together with her child.

In this lifetime, she would definitely not let Xiao Ning end up like this.

Gu Qiqi's eyes gradually turned cold.

On the contrary.

Seeing how righteous Xiao Ning was, Gu Xuexue was very unhappy.

A useless bookworm even had a friend to help her stand out?

Don't even think about it!

Gu Qiqi's eyes flickered and she shrilly said, "Xiao Ning, you can drink on Gu Qiqi's behalf, but can you also inherit the Gu family on Gu Qiqi's behalf?"

"Hahaha!"

“Hahahaha!”

The strong sarcasm immediately caused the surrounding students to roar with laughter.

Xiao Ning became angry. “You!”

Damn it. Could she just fight her directly?

It was very unpleasant to talk nonsense!

She was about to take action.

Her shoulders warmed.

Gu Qiqi’s palm lightly touched her shoulder. “Let me do it.”

“Can you... do it?” Xiao Ning lowered her voice. “Qiqi, don’t fall for it! They have a lot of people. They said that they want you to have a drinking competition with Gu Xuexue, but they will definitely pull in more people to fight you later. When the time comes for the tag-team battle, no matter how much you can drink, you will still be conned into vomiting blood!”

This definitely wasn’t a simple drinking competition.

This was a trap.

Perhaps, her motive was to embarrass her.

Or perhaps, she was going to get her drunk and... she had other plans in mind.

Even the carefree Xiao Ning could tell.

How could she, Gu Qiqi, not notice this?

Smiling calmly, she comforted Xiao Ning. “Don’t worry. I’ll take care of it.”

Xiao Ning couldn’t help but worry as she continued in a low voice, “Qiqi, although that Gu Xuexue is your cousin, forgive me for being blunt, but she’s not a good person.”

“Yes, I know.”

Gu Qiqi’s throat became dry and her eyes reddened.

Why didn’t she listen to her good friend’s reminders in her previous life?

Fortunately, it wasn’t too late in this lifetime!

She turned around and met the crowd who was kicking up a fuss. Keeping the complicated emotions in her eyes, her eyes turned cold!

“You want to have a drinking competition with me, right?”

Gu Qiqi raised her hand. Her fair-skinned fingertip casually brushed across the cold beer.

“That’s right. If you want to prove that you have the capability to inherit the Gu family, then let us all see first if you can hold your liquor well! You can’t even drink alcohol, so how are you going to inherit the

family? You can only be a useless person who has been raised at home!” The few female classmates beside Gu Xuexue chatted.

Zhu Fen was still a little afraid of Gu Qiqi. She only chimed in and didn’t dare to be too reckless.

Trash?

Heh heh.

Gu Qiqi curved her lips lightly. “So, you’re so childish that you think that just because you know how to drink, you can do business? Have you misunderstood something?”

“You!”

The female students turned pale.

Then, she flew into a rage out of humiliation and said, “If you don’t know how to drink, then don’t look for excuses! Which business woman isn’t a hero among alcoholics and has a lot of money on her!”

Gu Qiqi raised her brows. “Since you guys like such childish games, there’s no harm in playing with you.”

Gu Xuexue had been coquettishly craning her neck all this while. Finally, everyone managed to agitate Gu Qiqi.

She was overjoyed!

Afraid that Gu Qiqi would go back on her word, she hurriedly said in a sweet voice, “Let’s start then.”

But unexpectedly, Gu Qiqi gave her a side glance and said coolly, “Did I say that I was going to compete with you?”

Ridicule!
