

Dear Chief 98

Chapter 98: Little White Lotus, You Reap What You Sow

Gu Qiqi didn't mind adding fuel to the fire for Yao Dazhuang.

"That's right. What Gu Xuexue meant was that you're deaf, right? She's my cousin. We lived in the same house and grew up together. She knows my alcohol tolerance best. Forget about six bottles, I can drink ten bottles too. She told you that I can't drink? Heh heh, this..."

Gu Qiqi didn't continue speaking.

There was no need to continue.

How could he not understand what she meant?

Gu Xuexue clearly knew that Gu Qiqi could drink, but she still made Gu Qiqi gamble with Yao Dazhuang. Wasn't this... deliberately cheating Yao Dazhuang of his money?

Yao Dazhuang was furious.

He strode forward and grabbed Gu Xuexue's arm.

Gu Qiqi relaxed.

Gu Xuexue felt as if her arm had been dislocated!

It hurt like crazy!

"No, it's not like that. Dazhuang, listen to me..." Gu Xuexue whimpered.

Yao Dazhuang's actions were vulgar. He couldn't be bothered to listen to Gu Xuexue's excuses.

He pulled her to the side of the table.

Boom!

Once.

He pressed her head down onto the table. "Damned woman! Drink the rest of the alcohol and I won't settle this score with you!"

The rest of the alcohol?

Didn't Yao Dazhuang had drunk more than half a litre and vomited back more than half a litre? There was only half a bottle left now.

The originally elegant and fragrant alcohol was now extremely turbid.

There seemed to be rotten food residue that was spat out from between Yao Dazhuang's teeth floating inside...

Gosh, was he asking Gu Xuexue to finish all this?

The students' eyes widened. All of them felt breathless.

It was too vicious!

However, Gu Xuexue's head was being held down by Yao Dazhuang. Did she have a choice?

Of course not.

The drunk Yao Dazhuang personally picked up the alcohol bottle and moved it towards Gu Xuexue's mouth.

Gu Xuexue instinctively struggled for a while.

Immediately, she was ruthlessly kicked by Yao Dazhuang.

"Ah..."

A tragic cry rang out.

When Gu Xuexue shouted and her mouth opened, Yao Dazhuang took advantage of the situation and stuffed the bottle of alcohol into Gu Xuexue's mouth.

The alcohol uncontrollably entered her mouth!

"Oh... Cough..."

Gu Xuexue felt like vomiting.

That wasn't the smell of alcohol at all. Instead, it was the stench of the man's saliva.

It was as if she was kissing the dirtiest beggar who hadn't brushed his teeth for half a year.

And it was even forced!

Gu Xuexue felt like puking.

However, Yao Dazhuang's eyes turned red. He glared fiercely at her with a fierce expression on his face, "Are you trying to play with me? Damned woman, drink!"

Everyone witnessed this scene.

No one dared to go up and persuade her.

After all, Gu Xuexue deserved it.

Gu Qiqi took a few looks and turned around lightly. She returned to the sofa where she was chatting with Xiao Ning and rested leisurely.

It was dog-eat-dog. She had to bite these two scumbags for a while longer.

She wasn't interested in watching this play out.

What's more, she even defiled such elegant Hennessy.

She had wanted to leave like this, but she was still worried that Xiao Ning would return to find her later.

She had no idea what Bai Lang said when he called Xiao Ning out.

There was also that conclusion that she hardly dared to think about in her heart: Was the man who raped Xiao Ning that night...

Just as she was thinking about it...

Another series of cheers erupted from the other end of the table.

Gu Xuexue was already dragged to a corner sofa by the drunk and angry Yao Dazhuang. He raised her head and she continued to drink.

The students surrounded the wine table in the middle and held their phones in excitement.

“The college entrance exam admission results are out! You can check now!”

“Hurry, hurry, hurry! Who has a good reception? Hurry up and check! Let’s see who did the best this year in our class!”
