

Dear Chief 99

Chapter 99: Can't Match Up To Her In Her Previous Life, But She's So Ridiculous Now

She could check the college entrance examination admission results now!

Gu Qiqi sat on the sofa and quietly watched everyone's excitement.

But she was as calm as water.

This scene felt so familiar.

In her previous life.

Ten years ago.

She sat in the same seat and looked at everyone's excitement and cheers.

But her mood was the complete opposite!

Back then, she was pulled over by Gu Xuexue to a gathering and forced to drink on the spot.

Gu Qiqi—who didn't know how to drink—turned red from anxiety.

On the other hand, under Gu Xuexue's influence, Yao Dazhuang was even more of a bully. He was also forcing her to drink with him.

That filthy mouth was almost on her face!

Gu Xuexue put on a charming and brilliant smile to smooth things over. "Young Master Yao, you have too much beer in one bottle! My cousin can only drink half a bottle at most. If she can finish half a bottle, can you let her off?"

It was laughable that she was very grateful to Gu Xuexue back then.

Since Gu Xuexue was speaking up for her, she only needed to drink half a bottle.

But who knew that Yao Dazhuang's "half-empty bottle" was what he had drunk!

Just one look was enough to make her feel extremely nauseous.

Gu Qiqi had just put the bottle to her lips when she threw up. The alcohol that had been knocked over spilled all over her body, and a rash immediately appeared on her face.

Everyone laughed at her miserable look!

Shivering, her clothes were soaked as she curled up in a corner of the sofa. She could only stare at the others as each and every one of them checked the admission results excitedly.

Gu Xuexue was always surrounded by celebrities and everyone congratulated her on getting into the best medical university.

Her?

It was just a lousy nursing school.

The Gu Qiqi from her previous life was once again drowned in the looks of disdain from everyone.

“Heh heh, so what if she’s a top scholar?”

“She doesn’t even know how to socialize. She can’t even touch alcohol. How can she be the eldest daughter of the Gu family?”

“Look, even the Medical University doesn’t want her. Even the Advanced Nursing School doesn’t want her. She’s only fit to do the dirtiest and worst kind of service!”

“She’s that type of nerd with high scores and low energy!”

“Trash!”

The sounds of cursing could be heard clearly!

It directly pierced through her heart!

“Hehe...”

Gu Qiqi pulled herself out of her memories and laughed coldly.

Her cold eyes landed on Gu Xuexue, who was half-dead from being forced to drink by Yao Dazhuang in the corner of the sofa. She looked terrible.

Pitiful?

Was it disgusting?

Was that too much?

No, perhaps she had hardened her heart, but she didn’t feel that way at this moment.

The dirty little turtle spoke in her mind with a sobbing tone, “Master, you actually suffered so much in the past... That Gu Xuexue was such a b*stard. Let alone being forced to her death by alcohol, even if she was forced to her death by dung soup—I still feel indignant!”

Gu Qiqi laughed sarcastically and shook her head.

Before she could say anything...

She heard her classmates shouting for her.

“Qiqi, Qiqi, you’re the top scholar and you’re proficient in everything. What school did you enroll in?”

“Stupid! Of course, our Qiqi wants to sign up for the Medical Department! Her family owns a hospital. She’s going to be the chief surgeon in the future!”

“Wow, that Qiqi is awesome!”

“Quick, check if he has been admitted to Imperial Medical University yet.”

“Needless to say, our Qiqi will definitely excel!”

“Qiqi, I’ll fork out the money to buy some good wine so that we can celebrate this toast together, right?”

After what happened just now, who would dare to look down on her?

The elegance and aggressiveness of her drinking of Hennessey had already erased the image of Gu Xuexue slandering her in the crowd previously.

The ruthlessness in which she smashed the wine bottles and stabbed Gu Xuexue’s neck had stopped everyone from mocking and looking down on her.

They couldn’t wait to treat her to a drink and curry favor with her!

The stars changed and time reversed.

Everything had changed since the moment she returned!

The little dirty turtle curled its tail smugly. “Master, you can drink as much as you want! I can absorb as much as you want! Tsk, I also think Hennessey is extremely delicious! Ah... Gulp!”

It burped.

Gu Qiqi smiled lightly. “There’s no need to. I’m not interested.”

In her previous life, she wasn’t able to match up to these dogs from powerful backgrounds.

Today, they were beneath her!
