1141 Chapter 1141

Alex's gaze fixed as he picked a smooth black one-piece dress, or one could say that it was a knit mini dress with a scoop neckline that would beautifully reveal a woman's cleavage.

The dress had no shoulder straps but only off-shoulder sleeves and an open back design as well, and Alex could already imagine how beautiful Incursio's back would look when she wears this dress.

Since the skirt part of the dress was a ribbed mini, it would display a woman's legs and even half of her thighs just enough to make their boyfriends or husbands swoon or even develop a leg fetish.

Just as he was about to choose this dress he stopped as he found another one that perfectly suit her, so he choose it.

"Alex, is that the dress you want me to wear?" Incursio asked as she got captivated by how sexy the dress looked. She wasn't surprised that Alex picked one that best suited her and was excited to try it out and show it to him.

"Yes, please do I want to see how beautiful you will look in this dress." Alex nodded. Not only he was good at picking dresses he was also good with words.

Incursio nodded and sauntered into the trial room to change and soon she came out.

Alex could only admire how beautiful she was in this dress.

Her elegant dress flows from top to bottom and has a draped neckline, which harmoniously reveals the majestic dress worn below it. The exquisite, corset-like tied fabric of her dress covers her stomach where the continuous flow is broken up by a dark leather belt worn low around her waist.

Below the leather belt, the dress opens up left and right and reveals the dress below. The front of the top dress is shorter at the front and curves outwards, the back continues to flow a short length behind her and ends in a narrow rectangle.

Her sleeves are almost the length of her arms and incredibly wide, their flow is broken up just below the elbow where they change color and where they're divided by dark, graceful bands, these are the same fabric and color used to outline the sleeves, bottom, and neckline of the dress.

"Truly beautiful." He sincerely complimented and Incursio nodded happily before changing back into her previous dress.

"Thank you and it is now time to choose yours." She proposed.

Alex, however, saw the lingerie section, and a thought flashed in his mind. He replied to Incursio, "Let's wait for now as it's time to pick some nice lingerie."

Incursio's eyes spirited up as she smiled, "Wow! I'm curious all of a sudden."

Alex chuckled and said as he brought along her to the lingerie section and said, "I want you to try some of these bras and panties which you could then wear at home as well."

Looking at some of the sexy and erotic lingerie, his eyes flashed as he imagined Incursio wearing them and how hot and erotic she would look in them.

Her eyes also got glued to the undergarments arranged before her, and thinking about displaying her body to Alex in only these undergarments made her nerves tingle with excitement.

Alex saw many sexy red stockings and body stockings that would surely look hot on her. Other than those, there were even see-through lingeries, including crotchless lingeries.

He took a crotchless, rose-colored body stocking that seemed transparent, and with a devilish smile, he handed it over to Incursio as he said, "Why don't you try this now?"

She looked at the erotic lingerie in his hand and nodded with a bewitching smile. Alex knew how sexy these garments were, but he still kept a straight face even if nearby people saw him as a licentious person.

After all, is it a crime to see one's girlfriend in sexy garments? Unexpectedly, he started to see her as Incursio his girlfriend, an unconscious move that shows the evolution of their relationship.

However, Alex had no idea of this change and was more focused on what going on around him. Naturally as one would expect he was not the only one buying these things, and he also spotted some men meekly suggesting their women buy some of these sexy lingeries but sadly for some, all they got in return was an abashed rebuke from their women.

It seemed like most were very conservative about such kinds of garments, and even if someone buys, they would naturally only wear it before their men only, inside their homes.

He casually followed Incursio as she headed towards the trial room, and there were several compartments where one could enter and change their clothes.

He then waited with anticipation in the standing area just before the door with the curtains surrounding him.

There were other compartments behind the curtain near him and probably couples who were trying out their clothes.

Within just a minute, the door slowly opened, and Alex's eyes stuck to Incursio's figure like glue.

His mouth partially opened with a dazed expression seeing the result. He slowly entered the trial room and closed the door behind him.

Incursio had an alluring smile seeing how hypnotized he seemed and felt gleeful inwardly. She stumbled back as Alex entered the large trial room, which had many mirrors and certain lighting that highlighted the best of Incursio's features and figure.

Incursio's body stocking only covered her body sparingly. It was a plunge necklace body stocking that seemed extremely sexy and attractive on her.

Only her boobs were covered with semi-transparent lace supported by a thin strap on her shoulders. And, not only her cleavage but there was not even a single piece of fabric covering the middle part of her body, right from her neck to her waist.

And her legs and thighs were in full display, with only her hip and the pelvic area being covered with semi-transparent lace and a crotchless design, which seemed to flaunt her exquisite pink pussy.

Her boobs were a perfect D cup, and the lace exquisitely tightened over her boobs, making her nipples pop out.

"You like this?" She asked with a seductive smile.

"Of course, I do, I like it so much that I want to take you right now." Alex honestly replied, he could feel his blood boiling.

"Then please do so." She seductively said.

"You like this?" She asked with a seductive smile.

"Of course, I do, I like it so much that I want to take you right now." Alex honestly replied, he could feel his blood boiling.

"Then please do so." She seductively said.

Alex immediately acted by swiftly wrapping his arms around her velvety waist and pulling her closer to him, her boobs pressing onto his body.

"Ahhnm.." Just as Incursio separated her lips to let out a low moan, Alex sealed his lips with hers as he pressed her against one of the mirrors.

He muffled her moans with his mouth and rubbed his knee against her open pussy, feeling her soft pussy pressing onto his knee.

She had already wrapped her hands around his neck, enjoying the passionate kiss while tasting his lips and warm tongue.

He then separated his lips from hers and looked at her face which seemed extremely seductive, especially with the reddish hue painted over her cheeks.

He kneaded her half-bare boobs with both his hands and saw her expression becoming erotic as she bit her lips in pleasure.

He pinched her erect nipples as he rubbed her boobs, making her let out low moans.

"Shh, you have to hold in your moans. Since this is a public place, we don't want to let others know what we are doing here." Alex said in a teasing tone.

Incursio chuckled not falling for his trick. "I know it's soundproof."

Alex smiled in response before continuing to tease her boobs and after a moment He looked at her tantalizing pussy, which wasn't covered at all by her stocking. He inserted one of his fingers inside her pussy slowly and pushed it even further as he saw Incursio's body arching upwards, trying to control her moans as well as the scorching feeling spreading in her lower regions.

"Hehehehe! You are already becoming wet..." Alex commented with a grin.

After pushing his finger deep into her narrow cave, he took it out and saw his forefinger glisten with her love juice.

Incursio slightly opened her misty eyes and saw Alex looking at his finger wet with her juices.

He gave a charming smile as he sensually took his forefinger into his mouth and sucked off her juice while gazing at her ruby-red eyes.

She felt her blood becoming even hotter seeing him sensually sucking his finger, which he had taken out after playing with her pussy.

"Do not tease me anymore, take me." She declared feverishly Alex didn't feel anyone coming closer and decided to give in, he hadn't done something like this in quite a while.

He took a small mat then pulled Incursio up and made her sit on his lap and hugged her closely while she also did the same while looking into his eyes with an enamored expression.

He could feel her hot breath and see how flushed her face was. Her expression still seemed delirious after the recent orgasms, and he kissed her mouth, which was partially open.

"Mhnnn~" She felt feverish as she let out a muffled melodious moan just as Alex lifted Incursio's hips and made her pussy fall right over his hard cock.

Feeling the sudden stimulation, he clenched his cock tightly, making his mouth agape in ecstasy.

She understood what to do, and without him telling her, she started to move her hips up and down over him while holding onto his shoulders.

They continued to make out with their mouths, dancing with their tongues, when finally, Alex broke away from the kiss and nuzzled on her neck while still ramming her hard.

He cupped her breasts and seemed to appreciate the beauty and size of her boobs as he kneaded them into various shapes while pinching her perky nipples.

With Alex stimulating her breasts and pussy simultaneously, Incursio let out ceaseless moans, which only fanned the flames of lust in Alex, making him go wild.

He nuzzled on her cleavage while licking her skin before taking in one of her breasts into his mouth.

"Ahhh!~" Incursio couldn't help but feel as if time was slowing down, making her feel that she was drowning in a river of pleasure from within.

She kept bouncing on his hard cock without slowing down her pace while he was passionately assaulting her boobs.

Pah! Pah!

His thighs slapped her soft buttocks, letting the room echo with erotic sounds of flesh hitting each other.

He had her fixed on to his cock, and feeling his cock being enveloped in such a pleasurable sensation with each of his thrusts; he couldn't help but let out low groans of bliss from time to time.

He kept pounding her as if there was no tomorrow and made Incursio's expression melt even more in lust. She mewled, whimpered, and breathed out his name, feeling her head muddled with the shockwaves of pleasure from her pussy subduing all her senses.

Her tight pussy was too much stimulation for his cock that the vigor of his hot cock didn't lessen one bit. Instead, it got, even bigger and his movements became even more intense.

His rock-hard cock was continuously piercing the depths of her womb as she danced on top of his hot cock. His face moved up and down along with her, as his mouth was still sucking on to one of her soft boobs.

He just couldn't get enough taste of her sweet boobs and tasted her rosy-pink bud from within his mouth as well, sometimes biting on it as well. All he could think of.

Incursio's expression and body movements were so tantalizing that Alex took her boob out of his mouth with a plop and appreciated the entrancing beauty riding on his hard cock passionately for a moment.

He licked her collarbones and all over her breasts, tasting her sweet skin. Feeling that he was nearing his limit, he rammed his cock inside her even faster and harder making Incursio let out, even more, louder moans in response to each of his thrusts.

She felt as if his cock would pierce through her womb and that immense stimulation made her movements and expression completely tipsy.

The crescendo of their moans reached the peak, and before Incursio could orgasm, she could feel Alex's cock throbbing inside her before hot spurts of his hot semen flooded her narrow cave.

The next moment, Alex felt her body squirm and tremble just as she orgasmed right over his cock.

Incursio smiled with an expression of a maiden in heat. She kissed his lips for a while before taking out his cock from her pussy and moving her body backward while stroking his cock.

Alex instantly understood that Incursio wished to taste his cock which again was becoming erect with her gently stroking it. The beast was up for another round.

Meanwhile, Incursio could feel Alex's cock getting bigger and hotter as the veins on his cock throbbed against her palm.

Her heated gaze fixed on his cock as if she couldn't take her eyes off it. She placed her hands on his thighs, and with one swell swoop, she swallowed his entire hot cock.

Alex's head arched backward as he felt pure pleasure feeling his cock being enveloped by the walls of her wet and hot mouth.

She reached the end of his hot shaft and made gagging sounds but didn't let go. He could feel his sensitive tip hitting her throat and making his cock stroke against the insides of her mouth.

Slurp!~ Slurp!~

Incursio was bobbing her head up and down as she began to suck his hard cock earnestly. This created a slurping sound.

Her pace became faster, and Alex felt as if she was trying to squeeze out his semen at all costs. It was as if she was famished enough not to wait long enough for him to reach his limit.

She made a sucking motion on his cock, which made Alex clench his teeth in ecstasy and felt like he was on cloud nine.

"Ugh!"

Reaching his limit, he pressed Incursio's head as he jerked his hips, letting his hot semen burst into her mouth.

Incursio already braced herself to take in his load and directly swallowed his hot semen into her throat.

She slowly took his cock out of her mouth and licked the sides of her mouth, cleaning up his cum that was smeared around her mouth.

She then looked at his cock which glistened with her saliva and some remnants of his cum. She grasped his hot rod and held it up as she licked it all over in a loving manner as if worshipping it.

She licked under his thick shaft till her tongue reached his soft balls. She took his ball sack into her mouth, and with a plop sound, she let go of it. She repeated the same motion a few times, enjoying the squishy and soft feeling of his ball sack in her mouth.

"Mmmh~" She let out a low moan as she fondled his ball sack inside her mouth while pulling it outwards slightly.

"Oooh! Good." Alex let out a low groan feeling one of his sensitive areas being serviced so efficiently.

He then stood up and placed his cock in between her breasts, and guided her hands to give him a boobsjob.

Immediately Incursio understood what he wanted her to do, followed his movements, and then started doing it independently by massaging his cock in between her soft breasts.

She pressed together her breasts as she moved her upper body up and down, stroking his cock in the process.

She could see his foreskin moving up and down along with her motions and some precum forming on his tip.

She bent her head to lick the precum on his tip without stopping her movements. Alex closed his eyes, enjoying the pleasure of her beautiful breasts stroking his hot cock.

Some cum dripped on her breasts as Alex was closer to his limit.

"Nghh!" He grunted as he took out his cock from in between her boobs and let his cum explode all over her face and body.

Incursio closed her eyes as she opened her mouth with her tongue out in a thirsty manner, trying not to waste a drop as his hot milk showered over her.

Alex let out a low sigh of pleasure after ejaculating his cum all over her. He looked at Incursio, who had her mouth open and her palm near her face, showing him the cum spread all over her. He was satisfied for now, and so was she. They cleaned everything before continuing with their shopping.

1143 Chapter 1143

After leaving the shopping mall, they went to their residence where they had a few rounds.

It happened when Alex decided to do something, he suddenly felt some change in his soul and felt a scorching sensation in his head.

And to his surprise, it also seemed like Incursio was feeling something as well.

"Alex, something is happening inside me. My soul is feeling strange. What is going on?" Incursio mumbled as she tried to figure out what was going on.

Their eyes went round when they saw a faint dark thread forming between their foreheads as if it was connecting them.

It seemed like the dark thread originated from Incursio's forehead and towards Alex's forehead.

"Silveria, what's going on?" Alex mentally asked in puzzlement.

【She's forming an imprint on you. An imprint that binds her soul to yours, more like truly pledging herself to you since you copulated with her multiple times. Now her love, loyalty, and trust, her everything would be absolute that she wouldn't waver no matter what. This imprint formed not only because you mated with her but because there was something that made it possible coupled with the evolution of your relationship in the past weeks. She became truly attached to you. In fact, there are several factors but we will talk about them later.】

Alex was amazed by this imprint that he didn't know what to think. The dark thread dispersed before flowing towards his forehead and disappeared inside, leaving behind a small black-colored mark in the shape of a rhombus right in the middle of his forehead just above his brows.

It made Alex look more dazzling as it only made his devilish charms increase.

As for the origin of this connection Alex soon understood, it was because of what happened in Exodus, this must be the final gift that woman who they fought left him. That time she sent something into the unconscious Incursio's body before it entered his body, he had totally forgotten about that episode, that thing whatever it was, it made their current relationship to reach this stage and he was grateful for this.

Alex explained to Incursio not going into all the details but contrary to what he thought she took it positively.

"Great, this means we can't be separated and I can achieve my goal."

【This girl is far too gone. Corrupted beyond redemption.】 Silveria said with a sigh and Alex offered no reply. Of he would not as this situation was beneficial to him the most, he acquired a valuable partner, a powerful woman, and an ally.

While Alex was having those thoughts, something happened again. He suddenly felt a wave of foreign emotions in his soul plane, which were not specific, but he could feel intense lust mixed with budding love and happiness. He then realized that those emotions were Incursio's emotions and looked at her smiling at him.

"Alex, can you feel it?" She asked as she could also feel emotions that weren't hers in her soul. Still, she understood that those emotions could belong to none other than Alex; considering what just happened and seeing the dark mark on his forehead, she could feel a closer connection to him as if she finally became a part of his soul.

She could feel his burning desire to have her all for himself, her everything just his use, he wants her to be his forever, she could feel all those emotions rushing inside her, which only made her feel even more elated. And now that her soul was bound to his, she couldn't be happier as she knew this meant that her soul would always be a part of his forever.

She already understood that she formed a sort of imprint on him, feeling the soul connection.

"Yes, I can. It seems like our souls are bonded now," He declared with a devilish grin.

They both felt as if there were no barriers between them and were able to convey their desire for each other without any words or actions. Just by gazing at each other's eyes, they were able to feel the intense desire they had for each other.

Incursio smiled as she got up with her knees on the bed. She caressed the mark on his forehead caringly as she said in a euphoric tone. "I never felt so good before. This is great. I feel closer to my goal of becoming a human. I can feel you inside me. Can you feel me as well?"

Alex nodded with a smile seeing her alluring face, which still had a crimson hue spread over it. As if they were in sync, they both moved their faces closer at the same time for a long kiss while wrapping their arms around each other.

He tasted her juicy lips while caressing the inside of her mouth with his tongue. She reciprocated his movements, and she was pleased with their relationship, she never expected that so many pleasantly surprising things would happen today.

After kissing for a few minutes passionately, a string of saliva stuck between their lips as their faces separated.

Both looked at each other with a heated gaze and lust brewing in their blood. He sucked one of Incursio's boobs hard before turning her around, with her beautiful back facing towards him.

Seeing her fair white skin covered with her long and beautiful white hair reaching to her juicy buttocks, Alex felt his cock getting harder again.

He parted her hair towards one side and onto the front, revealing her shapely back completely.

He held her head and tilted it over to one side as he nuzzled her neck, tasting her tender skin while massaging one of her breasts.

His mouth went up as it reached her ears and nibbled on her earlobes, making her let out a giggle.

After licking and playing with her ear, he kissed her nape and bent his body as he kissed along her back slowly as he could, this made her shiver continuously.

Alex didn't stop there, he continued and gave a long lick over the middle of her back and kissed all over her skin before making her body bend forwards.

He made Incursio stand on all fours with her butt facing towards him and gripped her hips to push up her butt more towards him.

He could see both her beautiful holes now, while her pussy was still dripping wet, twitching as if impatient to be explored yet again, which only made Alex's cock pulsate in excitement to what is about to start.

He fingered her pussy as if checking whether she was ready for another round. But of course, as Alex took out his hand, he could see his fingers smeared with her love juices, all ready to take in his hard cock, so he reacted as he should.

He made Incursio's upper body slant downwards, with only her butt reaching out to him in an inviting position.

He stretched her butt cheeks and placed his cock inside her pussy, and just as his tip got inside her, he thrust his hips wildly, piercing through her pussy in one sudden stroke.

"Ahhhh!"

A loud moan escaped from Incursio's mouth as she jerked her body, feeling the sudden thrust of his hardened cock that reached deep inside her womb in one powerful stroke.

Alex didn't stop with that thrust and raised his hips again to thrust his dick fiercely and began to pound her while shaking her whole body along with him.

"Ahhhn!~ Aahhhh!~ Ahnnn!~"

Incursio's body danced along with his hips as erotic moans resounded in the room. He leaned over her, making his cock pierce even deeper into her narrow cave while reaching out both of his hands toward her boobs.

*Pahh!~ Pahh!~

The sounds of Alex's body hitting against her butt cheeks were like music to his ears, something he could never get tired of.

Seeing Incursio's butt cheeks rippling, he got even more aroused and slapped her butt cheeks.

Pah!

They jiggled and she let out a powerful moan.

"Ohhhhh~"

Incursio felt extreme pleasure from his wild thrusts coupled with his slap on her butt.

He continued his slaps, feeling her soft butt bounce with each of his strikes.

Pah!~ Pah!~

The crescendo of her moans reached the peak, and before she could orgasm from the intense stimulation on her pussy and butt, she felt his burning meat stick twitch inside her before hot globs of his hot semen painted her insides. Her butt cheeks were completely flushed in red color, which contrasted with her pale white skin.

Her body slumped a bit after her orgasm, but Alex still didn't have enough of her and pulled back her arms, making her body arch towards her with her bosoms pushed out.

He thrust his hard cock inside her pussy again, making her arch her neck backward in ecstasy, feeling his cock drill right through her pussy wall, kissing her womb repeatedly.

"Aaaahnn!~"

"Ohhhhhhh~"

With each of his impassioned thrusts, she felt like her soul was floating away toward the heavens.

Alex continued to ram his rock-hard cock that was itching to explode his ethereal essence into her pussy.

Her boobs jounced wildly while her expression became downright erotic with her eyes completely hazy.

She felt like her mind and body were completely dissolving in pressure, and she wanted more.

[[Humph! They are like animals in heat.]] Silveria harrumphed before cutting off the connection between her and her master, she thought something interesting would happen after those two souls bounded thus the observation but the only thing happening was them copulating as though there was no tomorrow. She found herself curious and this curiosity leads her body to feel strange.

[[Damn it, what is this strange sensation?]] Silveria complained as she went to bed. She had no idea that what she was feeling was a desire, the desire to mate, unfortunately, Alex was too busy at the moment to notice that another seed was budding into someone, an unknown seed.

Their eyes went round when they saw a faint dark thread forming between their foreheads as if it was connecting them.

It seemed like the dark thread originated from Incursio's forehead and towards Alex's forehead.

"Silveria, what's going on?" Alex mentally asked in puzzlement.

[[She's forming an imprint on you. An imprint that binds her soul to yours, more like truly pledging herself to you since you copulated with her multiple times. Now her love, loyalty, and trust, her everything would be absolute that she wouldn't waver no matter what. This imprint formed not only because you mated with her but because there was something that made it possible coupled with the evolution of your relationship in the past weeks. She became truly attached to you. In fact, there are several factors but we will talk about them later.]]

Alex was amazed by this imprint that he didn't know what to think. The dark thread dispersed before flowing towards his forehead and disappeared inside, leaving behind a small black-colored mark in the shape of a rhombus right in the middle of his forehead just above his brows.

It made Alex look more dazzling as it only made his devilish charms increase.

As for the origin of this connection Alex soon understood, it was because of what happened in Exodus, this must be the final gift that woman who they fought left him. That time she sent something into the unconscious Incursio's body before it entered his body, he had totally forgotten about that episode, that thing whatever it was, it made their current relationship to reach this stage and he was grateful for this.

Alex explained to Incursio not going into all the details but contrary to what he thought she took it positively.

"Great, this means we can't be separated and I can achieve my goal."

「This girl is far too gone. Corrupted beyond redemption.」 Silveria said with a sigh and Alex offered no reply. Of he would not as this situation was beneficial to him the most, he acquired a valuable partner, a powerful woman, and an ally.

While Alex was having those thoughts, something happened again. He suddenly felt a wave of foreign emotions in his soul plane, which were not specific, but he could feel intense lust mixed with budding love and happiness. He then realized that those emotions were Incursio's emotions and looked at her smiling at him.

"Alex, can you feel it?" She asked as she could also feel emotions that weren't hers in her soul. Still, she understood that those emotions could belong to none other than Alex; considering what just happened and seeing the dark mark on his forehead, she could feel a closer connection to him as if she finally became a part of his soul.

She could feel his burning desire to have her all for himself, her everything just his use, he wants her to be his forever, she could feel all those emotions rushing inside her, which only made her feel even more elated. And now that her soul was bound to his, she couldn't be happier as she knew this meant that her soul would always be a part of his forever.

She already understood that she formed a sort of imprint on him, feeling the soul connection.

"Yes, I can. It seems like our souls are bonded now," He declared with a devilish grin.

They both felt as if there were no barriers between them and were able to convey their desire for each other without any words or actions. Just by gazing at each other's eyes, they were able to feel the intense desire they had for each other.

Incursio smiled as she got up with her knees on the bed. She caressed the mark on his forehead caringly as she said in a euphoric tone. "I never felt so good before. This is great. I feel closer to my goal of becoming a human. I can feel you inside me. Can you feel me as well?"

Alex nodded with a smile seeing her alluring face, which still had a crimson hue spread over it. As if they were in sync, they both moved their faces closer at the same time for a long kiss while wrapping their arms around each other.

He tasted her juicy lips while caressing the inside of her mouth with his tongue. She reciprocated his movements, and she was pleased with their relationship, she never expected that so many pleasantly surprising things would happen today.

After kissing for a few minutes passionately, a string of saliva stuck between their lips as their faces separated.

Both looked at each other with a heated gaze and lust brewing in their blood. He sucked one of Incursio's boobs hard before turning her around, with her beautiful back facing towards him.

Seeing her fair white skin covered with her long and beautiful white hair reaching to her juicy buttocks, Alex felt his cock getting harder again.

He parted her hair towards one side and onto the front, revealing her shapely back completely.

He held her head and tilted it over to one side as he nuzzled her neck, tasting her tender skin while massaging one of her breasts.

His mouth went up as it reached her ears and nibbled on her earlobes, making her let out a giggle.

After licking and playing with her ear, he kissed her nape and bent his body as he kissed along her back slowly as he could, this made her shiver continuously.

Alex didn't stop there, he continued and gave a long lick over the middle of her back and kissed all over her skin before making her body bend forwards.

He made Incursio stand on all fours with her butt facing towards him and gripped her hips to push up her butt more towards him.

He could see both her beautiful holes now, while her pussy was still dripping wet, twitching as if impatient to be explored yet again, which only made Alex's cock pulsate in excitement to what is about to start.

He fingered her pussy as if checking whether she was ready for another round. But of course, as Alex took out his hand, he could see his fingers smeared with her love juices, all ready to take in his hard cock, so he reacted as he should.

He made Incursio's upper body slant downwards, with only her butt reaching out to him in an inviting position.

He stretched her butt cheeks and placed his cock inside her pussy, and just as his tip got inside her, he thrust his hips wildly, piercing through her pussy in one sudden stroke.

"Ahhhh!"

A loud moan escaped from Incursio's mouth as she jerked her body, feeling the sudden thrust of his hardened cock that reached deep inside her womb in one powerful stroke.

Alex didn't stop with that thrust and raised his hips again to thrust his dick fiercely and began to pound her while shaking her whole body along with him.

"Ahhhn!~ Aahhhh!~ Ahnnn!~"

Incursio's body danced along with his hips as erotic moans resounded in the room. He leaned over her, making his cock pierce even deeper into her narrow cave while reaching out both of his hands toward her boobs.

*Pahh!~ Pahh!~

The sounds of Alex's body hitting against her butt cheeks were like music to his ears, something he could never get tired of.

Seeing Incursio's butt cheeks rippling, he got even more aroused and slapped her butt cheeks.

Pah!

They jiggled and she let out a powerful moan.

"Ohhhhh~"

Incursio felt extreme pleasure from his wild thrusts coupled with his slap on her butt.

He continued his slaps, feeling her soft butt bounce with each of his strikes.

Pah!~ Pah!~

The crescendo of her moans reached the peak, and before she could orgasm from the intense stimulation on her pussy and butt, she felt his burning meat stick twitch inside her before hot globs of his hot semen painted her insides. Her butt cheeks were completely flushed in red color, which contrasted with her pale white skin.

Her body slumped a bit after her orgasm, but Alex still didn't have enough of her and pulled back her arms, making her body arch towards her with her bosoms pushed out.

He thrust his hard cock inside her pussy again, making her arch her neck backward in ecstasy, feeling his cock drill right through her pussy wall, kissing her womb repeatedly.

"Aaaahnn!~"

"Ohhhhhhh~"

With each of his impassioned thrusts, she felt like her soul was floating away toward the heavens.

Alex continued to ram his rock-hard cock that was itching to explode his ethereal essence into her pussy.

Her boobs jounced wildly while her expression became downright erotic with her eyes completely hazy.

She felt like her mind and body were completely dissolving in pressure, and she wanted more.

[[Humph! They are like animals in heat.]] Silveria harrumphed before cutting off the connection between her and her master, she thought something interesting would happen after those two souls bounded thus the observation but the only thing happening was them copulating as though there was no tomorrow. She found herself curious and this curiosity leads her body to feel strange.

[[Damn it, what is this strange sensation?]] Silveria complained as she went to bed. She had no idea that what she was feeling was a desire, the desire to mate, unfortunately, Alex was too busy at the moment to notice that another seed was budding into someone, an unknown seed.

[[Damn it, what is this strange sensation?]] Silveria complained as she went to bed. She had no idea that what she was feeling was a desire, the desire to mate, unfortunately, Alex was too busy at the moment to notice that another seed was budding into someone, an unknown seed.

The couple continued for a while before deciding to stop and take a bath.

After a refreshing bath, two naked people came out with their hearts still racing and flushed faces.

Alex was carrying Incursio in his arms and threw her on the bed in a playful manner and got on the bed along with her. His face seemed a bit tired as he lost count of the number of times she sucked him off and made him cum.

He also made her orgasm pretty few times, but her endurance didn't even seem to have a limit. If he allowed it, she would have kept going non-stop like a machine that doesn't get tired. He was not a normal human if not he couldn't be able to keep up.

Incursio imprinted on him, he could feel as if she was inside him and vaguely knew what she was feeling. Right now, he could only feel intense happiness from her.

It wouldn't be wrong to say that they both had already bonded with their bodies and soul. Feeling her intense lust, he felt some of her deepest fears, she was afraid of being cast, he understood her fears and simply hugged her, trying to convey how much she mean to him.

Incursio happily laid quietly in his embrace, holding her arms out wide as if she was hugging her only world.

She could feel Alex's soul as if she was there physically and his emotions vaguely just like him. Now she surely felt as if she had already spent countless years not just a few months with him.

Now, her heart and soul felt fulfilled getting what she wanted the most in her whole life. Now she only hoped that it stays that way and never change.

As they were lying down, Incursio was tempted to stroke his cock but held back because she knew better stop, not to overdo things to not make him tired of her.

She learned through Alex that showing consideration for one's lover was part of loving them and making sacrifices.

She suddenly asked Alex, which was in the back of her mind for a while.

"Alex, I want to try something."

He tilted his head, "What is it?"

"Let me try it first," Incursio said as she closed her eyes, trying to concentrate on something.

Alex had a puzzled look, wondering what she was trying to do. However, his eyes widened when her figure suddenly flashed into a speck of light and entered his forehead.

"What the hell!" Alex frantically sat on his bed as he touched the empty bed beside him, where Incursio disappeared right before his eyes!

But suddenly, he felt something in his soul plane and touched his forehead, especially the black mark on his forehead which reappeared suddenly.

He didn't panic because of the familiar feeling in his soul plane and closed his eyes to inspect his soul.

He was astonished to see that she was in his soul space!

She was floating around in a foggy area since that's what his soul space looked like. It seemed more like she was floating in the clouds and everything looked bright but at the same time obscure, making the whole space look even more mysterious.

Incursio seemed to be flying around as if she could freely move however she wanted, even if she couldn't fly, and kept shouting his name, trying to ask if he could see her.

"Incursio?" Alex mentally asked, and his voice resounded in his soul space which made Incursio smile jubilantly.

"Alex, what is this place? Is this your soul?" She asked with sparkling eyes. The fact that she could get inside his head didn't seem much of a shock to her. Instead, she seemed happy about the fact that she could get inside his head.

She only felt the feeling that she could sneak into Alex's soul, and it did work!

She guessed that it might have something to do with her imprint on him. She could instinctively feel within her body that she could interact with his soul directly.

Alex mumbled inside his soul space with quiet amazement, "Yes, it is."

He also guessed the same thing and asked Silveria, who wasn't residing in his soul space but in her special world connected to his soul world,

"Silveria, you can see her, right? Is this because she imprinted on me?"

Even though Silveria was connected to his soul plane, she was staying in a different place and not his soul space. After all, she never leaves her world except when coming out.

So, whatever Alex asks Silveria, Incursio wouldn't be able to hear him.

〔Yes. As I guessed, she can stay in your soul space even though your soul space won't let living things in. Her imprint on you just made her an exception. Good, at least this way, she would always be with you.〕 Silveria remarked without a hint of surprise in her tone. After all, she did suspect that Incursio could probably enter Alex's soul space.

Alex was amazed to hear that he could always have Incursio inside his soul space, nor would there be any need to separate from her even if a situation called for it.

After playing around in his soul space for a while, Incursio came out with a beaming smile. Just as she came out, she appeared right before Alex, on the bed.

"Alex, it was so amazing! I felt like I was able to fly! It was as if your soul has a world of its own filled with treasures," Incursio said as her eyes twinkled with pure amazement.

Alex chuckled as he pulled her into an embrace and laid down on the bed, "Well, now that world or my soul space won't be desolate anymore with you inside."

"Ah, soul space...I wonder when I will have one of my own," Incursio mumbled, thinking about having such a convenient thing, but most of all, she was excited that she could go inside Alex's soul and be with him anytime she wanted.

Alex caressed her beautiful bare back as he said, "I don't know maybe it's possible if your gift possessed a spirit like mine."

He was not sure if the presence of the sisters was what makes him have a soul plane but he was sure that there is a connection between them hence his response.

"I see, I will see what to do later but it was fun to play around in your soul plane. Can I do this often?"

"Of course but there is something I want to try." Alex accepted her demand but there is something he wanted to try.

"What is it?" Incursio tilted her head to the side.

"Go back to my soul plane," Alex ordered and Incursio nodded before vanishing and Alex was able to confirm what he wanted.

"As I thought something changed."

"Status." He called out with Incursio in his soul plane.

So, whatever Alex asks Silveria, Incursio wouldn't be able to hear him.

〔Yes. As I guessed, she can stay in your soul space even though your soul space won't let living things in. Her imprint on you just made her an exception. Good, at least this way, she would always be with you.〕 Silveria remarked without a hint of surprise in her tone. After all, she did suspect that Incursio could probably enter Alex's soul space.

Alex was amazed to hear that he could always have Incursio inside his soul space, nor would there be any need to separate from her even if a situation called for it.

After playing around in his soul space for a while, Incursio came out with a beaming smile. Just as she came out, she appeared right before Alex, on the bed.

"Alex, it was so amazing! I felt like I was able to fly! It was as if your soul has a world of its own filled with treasures," Incursio said as her eyes twinkled with pure amazement.

Alex chuckled as he pulled her into an embrace and laid down on the bed, "Well, now that world or my soul space won't be desolate anymore with you inside."

"Ah, soul space...I wonder when I will have one of my own," Incursio mumbled, thinking about having such a convenient thing, but most of all, she was excited that she could go inside Alex's soul and be with him anytime she wanted.

Alex caressed her beautiful bare back as he said, "I don't know maybe it's possible if your gift possessed a spirit like mine."

He was not sure if the presence of the sisters was what makes him have a soul plane but he was sure that there is a connection between them hence his response.

"I see, I will see what to do later but it was fun to play around in your soul plane. Can I do this often?"

"Of course but there is something I want to try." Alex accepted her demand but there is something he wanted to try.

"What is it?" Incursio tilted her head to the side.

pAn,Da n<0,>v,e1 "Go back to my soul plane," Alex ordered and Incursio nodded before vanishing and Alex was able to confirm what he wanted.

"As I thought something changed."

"Status." He called out with Incursio in his soul plane.

1149 Chapter 1149

「Humph! They are like animals in heat.」 Silveria harrumphed before cutting off the connection between her and her master, she thought something interesting would happen after those two souls bounded thus the observation but the only thing happening was them copulating as though there was no tomorrow. She found herself curious and this curiosity leads her body to feel strange.

「Damn it, what is this strange sensation?」 Silveria complained as she went to bed. She had no idea that what she was feeling was a desire, the desire to mate, unfortunately, Alex was too busy at the moment to notice that another seed was budding into someone, an unknown seed.

The couple continued for a while before deciding to stop and take a bath.

After a refreshing bath, two naked people came out with their hearts still racing and flushed faces.

Alex was carrying Incursio in his arms and threw her on the bed in a playful manner and got on the bed along with her. His face seemed a bit tired as he lost count of the number of times she sucked him off and made him cum.

He also made her orgasm pretty few times, but her endurance didn't even seem to have a limit. If he allowed it, she would have kept going non-stop like a machine that doesn't get tired. He was not a normal human if not he couldn't be able to keep up.

Incursio imprinted on him, he could feel as if she was inside him and vaguely knew what she was feeling. Right now, he could only feel intense happiness from her.

It wouldn't be wrong to say that they both had already bonded with their bodies and soul. Feeling her intense lust, he felt some of her deepest fears, she was afraid of being cast, he understood her fears and simply hugged her, trying to convey how much she mean to him.

Incursio happily laid quietly in his embrace, holding her arms out wide as if she was hugging her only world.

She could feel Alex's soul as if she was there physically and his emotions vaguely just like him. Now she surely felt as if she had already spent countless years not just a few months with him.

Now, her heart and soul felt fulfilled getting what she wanted the most in her whole life. Now she only hoped that it stays that way and never change.

As they were lying down, Incursio was tempted to stroke his cock but held back because she knew better stop, not to overdo things to not make him tired of her.

She learned through Alex that showing consideration for one's lover was part of loving them and making sacrifices.

She suddenly asked Alex, which was in the back of her mind for a while.

"Alex, I want to try something."

He tilted his head, "What is it?"

"Let me try it first," Incursio said as she closed her eyes, trying to concentrate on something.

Alex had a puzzled look, wondering what she was trying to do. However, his eyes widened when her figure suddenly flashed into a speck of light and entered his forehead.

"What the hell!" Alex frantically sat on his bed as he touched the empty bed beside him, where Incursio disappeared right before his eyes!

But suddenly, he felt something in his soul plane and touched his forehead, especially the black mark on his forehead which reappeared suddenly.

He didn't panic because of the familiar feeling in his soul plane and closed his eyes to inspect his soul.

He was astonished to see that she was in his soul space!

She was floating around in a foggy area since that's what his soul space looked like. It seemed more like she was floating in the clouds and everything looked bright but at the same time obscure, making the whole space look even more mysterious.

Incursio seemed to be flying around as if she could freely move however she wanted, even if she couldn't fly, and kept shouting his name, trying to ask if he could see her.

"Incursio?" Alex mentally asked, and his voice resounded in his soul space which made Incursio smile jubilantly.

"Alex, what is this place? Is this your soul?" She asked with sparkling eyes. The fact that she could get inside his head didn't seem much of a shock to her. Instead, she seemed happy about the fact that she could get inside his head.

She only felt the feeling that she could sneak into Alex's soul, and it did work!

She guessed that it might have something to do with her imprint on him. She could instinctively feel within her body that she could interact with his soul directly.

Alex mumbled inside his soul space with quiet amazement, "Yes, it is."

He also guessed the same thing and asked Silveria, who wasn't residing in his soul space but in her special world connected to his soul world,

"Silveria, you can see her, right? Is this because she imprinted on me?"

Even though Silveria was connected to his soul plane, she was staying in a different place and not his soul space. After all, she never leaves her world except when coming out.

So, whatever Alex asks Silveria, Incursio wouldn't be able to hear him.

〔Yes. As I guessed, she can stay in your soul space even though your soul space won't let living things in. Her imprint on you just made her an exception. Good, at least this way, she would always be with you.〕 Silveria remarked without a hint of surprise in her tone. After all, she did suspect that Incursio could probably enter Alex's soul space.
