

## DEATH GUNS IN ANOTHER WORLD

### Chapter 3 - 2: Low Stats

After hearing what Goddess Mea said, they all nodded their heads before mumbling Status in their minds.

Instantly, a blue screen panel appeared right before everyone.

Alex looked at his status window, but he couldn't help but frown, wondering if his stats could be considered normal or weak.

'Are my stats average or even worse than average? And why is my gift two guns? Why is it sealed?. Sigh! I can't even use magic, it says.' Alex lamented.

He had a lot of questions, but for now, he decided to check others to see how they were; maybe he could see whether there would be someone more miserable than him.

However, when Alex looked around, looking at the others, all of them were smiling, meaning that they were pleased. They must have excellent status and gifts. He was indeed the unluckiest one.

Suddenly, Leonardo turned his head in Alex's direction; with a smirk, he started to walk towards him with his group.

'This asshole, nothing good ever happened if he smiles like that. He's coming to mock him for sure, and with his stats, Alex knew that he would become a laughingstock soon enough.

Soon, he was in front of Alex, it was painful to admit, but he was a handsome guy, short blonde hair and blue eyes, chiseled jawline like a top model, excellent physical because he was good at sports, especially basketball, his height was 1,80 m (5.9 ft) he was taller than Alex.

Behind him stood Dodolus, a giant of two meters. He was acting as though he was Leonardo's bodyguard; he had brown hair and brown eyes. There were two other members.

One was Dodolus' brother from another mother, Kevin Asmar, 1,75 m (5.74 ft), the same height as Alex. He had black hair and brown eyes, a little handsome, and the last member of the group was Kevin's little sister, Camilla Asmar, a beautiful girl, but it's a pity that she only has eyes for Leonardo. She had long black hair and brown eyes; her height was around 1,67 m (5.48 ft), excellent form but lacking in the breasts department, maybe an AA cup.

It was a pity indeed looking at her almost flat chest.

Suddenly Alex felt a chill running down his spine. He turned around and saw a smiling Camilla, but that smile could even make Lucifer shiver. He hastily looked elsewhere. It seemed she had spotted him looking at her flat. Better stop thinking about it if he wanted to live a little longer. Alex thought.

"Oh? Why are you frowning? Maybe it's because of your status? It isn't good. If I'm wrong, you can show it to everyone." Leonardo shouted sarcastically. His voice was loud, prompting everybody to look in their direction.

This asshole, he's doing it intentionally.

"Fuck off, Leonardo, this is none of your concern," Alex replied, a little angry.

Leonardo clicked his tongue angrily, hearing Alex's answer, but Alex knew he would not let it end with something like that. As he thought, he said in a mocking tone.

"Oh!, From your reaction, it's indeed true, but fret not; nobody will laugh at you; we will all show our status if you show yours."

Nice try, but I w- Alex stopped mid-sentence as he saw Maria looking at him, eyes filled with expectation. Well, earlier, he had bragged that she could count on him; she must want to know his status, the stats of her self-proclaimed guardian. He brought what was about to happen upon himself; well, he could refuse not to show but, he isn't one to cower.

Bracing himself, he decided to show them his status, fully knowing that somebody would mock him. As he expected, everybody had a blank look on their faces for a while after seeing his status before Leonardo burst into laughter as he said mockingly.

"Haha, what with these trashy stats, even goblin is more powerful than you. Truly pathetic; your Title is even trashier. You can't even use magic. Truly pathetic."

"Ah?! Have you seen Goblin's status before? You douchebag." Alex retorted; Leonardo acted as though he hadn't heard him as he kept laughing.

Dodolus, Kevin, and Camilla laughed hard, while Maria, Luna, and Sakuya showed no reaction. They didn't seem disappointed, nor did they comment.

After laughing for a few minutes, Leonardo proudly exhibits his status; his group did the same.

What is this? Isn't this overkill? Comparing their Statuses to his, it was like comparing a child to an adult, heavens to earth.

'My stats are lower than theirs. I'm feeling depressed just by looking at my stats. Why am I this unlucky? Alex smiled bitterly as he remembered his status.

There was no need to cry over spilled milk.

With blazing eyes, complete confidence in himself, Alex mumbled.

"On Earth, I was one of the richest, and here I'm going to be the strongest."

It was like a declaration toward Heaven and, most notably, a reminder to himself that he must not fall.

On the other side, Maria looked at Alex and couldn't help but smile when she noticed his eyes blazing with fighting intent, with the will to survive.

'As I thought he is different than that attention seeker.' She muttered.
