

Deep Affection 912

Chapter 912 Michelle And Leon's Second Wedding

The wedding began. The media broadcast the whole process, and the news about the two people's marriage spread all over the country.

Although people didn't have the chance to go to the wedding, they were satisfied to see the wedding ceremony of the new king and the new queen on their mobile phones.

It was the first time such a low-key and luxurious wedding was held on C Island. More than 30 year old Leon was still elegant and charming. When he smiled, everyone would be attracted.

But only when he looked at Michelle, he would smile like that. There was only one person he wanted to attract.

Netizens: "I don't care! He just smiled at me! No one can refute. He is my husband! My! "

So many people sent their bullet-screen comments, and it was hard to see the screen clearly.

Especially when the emcee said "please the bridegroom to kiss the bride", comments came out one after another, "It's not real. It's not real."

Numerous comments covered the screen again. People couldn't see the kiss.

But Leon kissed his wife hardly. Netizens were still deceiving themselves, as long as they didn't see it, nothing happened.

Michelle had a luxurious wedding, a beautiful wedding dress, a handsome and beloved husband, and a noble position.

She was

."

Since he didn't want to tell her, she didn't ask. He would tell her when he couldn't hold it back.

A week after they returned to Lexington City, Noah came back. It was not until then that John spoke out his innermost thoughts. "Take your son away. He occupies my wife and my daughter since he comes to my house. It's annoying."

A month later, Noah was going to take Sampson back to Spring City. Knowing that Sampson was leaving, Sound held his hand tightly.

No matter how hard they tried to persuade her, she just wouldn't let go.

At night, the two kids slept on the same bed again. However, on the second day, when Sound woke up, Sampson had disappeared.

Only her mother was beside her.

Nina was worried that Sound would make a scene when she woke up. After Sampson were secretly taken away at night, she stayed.

Hearing a noise, Nina opened her eyes and saw her daughter sitting at the head of the bed, looking around, blinking and crying.

She didn't cry loudly, but two drops of tears fell.

Nina sat up in shock!! !"

Sound didn't cry since she was born. She could speak and smile just like a normal person, but she didn't cry. She didn't even cry when she fell.

It was the first time she cried! Even if she didn't cry loudly.
