

Deep Affection 920

Chapter 920 Sound Is So Cool!

It was a temporary decision that Sound didn't go to the evening class. She didn't tell Vance about it, so Vance didn't let his driver come over to pick her up back to QL Garden.

She took out her phone from her schoolbag to get a navigation. The route should be taking a bus and then a subway. The QL Garden was not far from a subway entrance.

When she accidentally enlarged the map with her thumb and saw the location of the Spring City Medical University, Sound suddenly changed her mind and decided to go to the university to see Vance.

It only took half an hour to get there by subway.

When she followed the navigation to the subway station and followed the crowd in, she was stopped by a gate.

Sound had never taken any public transportation before. Every day, the driver and bodyguards would go with her. More exaggeratedly, there was a doctor following behind her and on standby.

It was her first time to leave home. For the first time, there was no driver or bodyguards following her. She hesitated for a moment. When she turned around and was about to go to the consulting center, she saw a familiar figure in blue.

It was Sampson.

Why did he take the subway instead of going home by car?

Was he following

ak a man's wrist. But she was really cool!

Reyna's eyes lit up. "Sound?"

"Reyna." Sound smiled and walked towards her. "You don't live in the dormitory?"

"Ah, yes." When Reyna came to her senses, the radio rang. She was shocked and said, "Oh, no! I missed my station!"

Sound became worried and asked, "What should you do now?"

"It doesn't matter. I'll just transfer the subway in the opposite direction and I will get to my station again." Reyna looked at Sound up and down and asked, "Are you okay?"

Sound smiled and replied, "I'm fine."

"That's good." Reyna looked at her and wanted to say someone, but she just didn't make a sound. Sound noticed it and asked, "What?"

Reyna pursed her lips and asked, "Did you learn to fight? So cool! I want to learn free combat. My mother doesn't allow me to do that. She said that girls should learn piano."

"I've learned a little to protect myself." As soon as she finished her words, the radio said that it was the station of Medical University. Reyna wanted to chat more with Sound, but it would be too late if she didn't go back.

Reyna said goodbye to Sound reluctantly.

When she turned around, she caught a glimpse of Sampson and asked in surprise, "Sampson?"
