Xi Zhiwei's hand that was holding the cup suddenly tightened. The veins on the back of her hand were almost popping out. She seemed to have underestimated this innocent young lady.

However, she was already sick of this kind of trick and it was not a problem for her!

I think I twisted my ankle. ning Jingting frowned and unconsciously touched her ankle.

PEI Munian's gaze fell on her fair ankle. She raised her hand as if she wanted to check it for her. However, her fingers only touched her ankle lightly, and ning Jingting hissed in pain.

it seems like you really twisted it. I'll send you back to your room and call the doctor over to take a look.

As PEI Munian spoke, she reached out to hold ning Jingting. Xi Zhiwei suddenly walked over from behind and said, "Brother mu Nian, your phone is ringing."

"What?" PEI Munian turned her head.

Xi Zhiwei handed PEI Munian's phone to her and said, "it's been ringing the whole time. You should take the call first. As for miss ning, I'll send her back to her room."

"Mu Nian Qian Qian." Ning Jingting called out to PEI Munian out of reflex.

PEI Munian looked at her phone and indeed had a few missed calls. He apologized to ning Jingting, "I'll go and return a call first. I'll ask Wei Wei to send you back to your room."

As he spoke, he looked at Xi Zhiwei and gently said, "send her back to her room first. I'll go over after I make the call."

"Alright," he said.

Xi Zhiwei smiled, then squatted down and reached out to ning Jingting. miss ning, let me help you up.

Ning Jingting's eyes flashed with a trace of anger, but she was helpless. She could only put her hand on her and use her strength to get up. But when she got up, her body was directly leaning against Xi Zhiwei, and all the weight suddenly fell on her. Xi Zhiwei was caught off guard by the weight and almost lost her balance. Fortunately, she managed to stabilize her body at the last moment and held ning Jingting's hand with a little more strength. Ning Jingting's hand was in pain, and the two of them walked away awkwardly.

PEI Munian tapped on the screen of her phone and unlocked it. The two missed calls were from Xi Zhiwei herself. He tugged at the corner of his lips and a dark light quickly flashed in his eyes.

He kept his phone and the waiter beside him came forward to hand him a towel and water. He wiped the sweat off his neck, then took a glass of water and took a big gulp. His Adam's apple rolled up and down. Under the sun, his entire person was so handsome that it was suffocating.

After drinking the water, PEI Munian handed the cup and towel back to the waiter. Then, she stepped into the golf car and headed towards the hotel room.

Su Wanwan quickly stood up.

Finally, Xi Zhiwei and ning Jingting were not around, and PEI Munian was alone. Now that she was going to find him, it was the best opportunity!

“Brother Ziwei, let’s go!” She hurriedly said.

Shen Ziwei and su Wanwan got up and got into the car as well. They followed behind PEI Munian’s car.

The car arrived at the hotel building. PEI Munian got out of the car and walked in with her long legs. Su Wanwan didn’t wait for the car to stop properly. She jumped out of the car and ran over quickly.

Shen Ziwei looked at her anxious expression, lowered his eyes, and chuckled.

And he said he didn’t care? How was this not caring?

PEI Munian walked towards her room and swiped the door card to open the door. As he walked in and was about to close the door, a hand suddenly stopped him.
