

Deeply 1091

1091 Retribution will come (13)

“Do you really want a hostage situation?” The man’s voice lazily sounded. His black eyes looked at Xi Zhiwei. The corners of his lips seemed to curve into an arc and his posture was very lazy.

Seeing PEI Munian like this, Xi Zhiwei’s confidence wavered a little.

but what was she afraid of? Her former manager had already died in a car accident, so there was no evidence. There would be no third person in the world who would know what she had done, so why should she worry about questioning her?

She should be confident now. The more confident she was, the more she could make everyone believe her, and then she could turn the situation around.

Even if she could no longer marry PEI Munian, at least she could not lose her reputation and become a street rat.

As Xi Zhiwei thought about it, she straightened her back and looked back at PEI Munian. yes, I didn’t do anything. I can’t let su Wanwan slander me like this. I can’t just do whatever she says, right? ”

Xi Zhiwei’s eyes turned to su Wan, the bottom of her eyes were cold. If you have the ability, then call a dead person over to confront her!

su wanwan received the message in her eyes and only felt extremely cold. at the same time, a chill also appeared on her back.

This woman was really incorrigible. Even at a time like this, she still didn’t know how to repent. She was still thinking about how to drag others into the water and make them as miserable as her. Only then would she be satisfied.

Before this, she did not believe that Xi Zhiwei would have the guts to kill someone. Now, it seemed like there was nothing she would not do.

this woman was not only disgusting, but also extremely terrifying!

PEI Munian did not reply for a moment, and Xi Zhiwei became even more smug. She propped herself up from the ground and took a step forward to stand in front of PEI Munian. Before she could speak, tears fell first.

The beauty was crying pitifully, but she was used to knowing which posture could make people sympathize and pity her the most.

brother mu Nian, I know that you’ve never liked me. No matter how much I silently sacrificed for you, you only have eyes for su Wan in your heart. But I’ve never complained about anything. This time, when you were in an accident, I was always by your side and always protected you. I really thought that you could be moved by me and be willing to accept me, but it turns out that you just wanted to use me to drive away miss ning for you so that su Wanwan can return to your side.

Xi Zhiwei's voice was choked with sobs. She sniffed and continued, "If you do this, I won't blame you. Who told me to love you? but Wanwan, I don't care about anything else, but you can't let su Wanwan slander me like this. It's related to my reputation and integrity. This kind of thing is a fatal blow to a woman. Don't tell me you want to help su Wanwan force me to death?"

Everyone's expression changed when they heard the word 'forced to die'.

If su Wan's video was really fabricated, then it would indeed be a big blow to a woman, especially since Xi Zhiwei was a public figure and lived in everyone's eyes. If such a video were to spread, it would be equivalent to Invisible Murder.

Xi Zhiwei's eyes were glistening with tears as she quickly looked around the crowd. She knew that she had won at least half of the sympathy card and her lips curved slightly.

She knew how to use public opinion better than su Wanwan. Did she want to kill her? It's not that easy!

PEI Munian's lips twitched, but she chuckled.
