1097 I'm the one who doesn't want him (3)

Mrs. PEI looked at su Wanwan in shock, thinking that she had heard wrongly. She was full of disbelief. you, what did you say? ”

She had been so thick-skinned before and couldn't be chased away no matter what. Now, she was telling her that she didn't want her son? What tricks are you up to now? Retreating to advance?

As Mrs. PEI thought about it, her eyes couldn't help but have a hint of contempt.

Su Wanwan seemed to know what Mrs. PEI was thinking. The smile on her face did not change and her tone was still indifferent. I said, even if you agree to let us be together now, I don't want PEI Munian anymore.

“.....?”

Even if Mrs. PEI didn't want su Wanwan to be with her son, when she heard her words, it was as if she despised her son. She suddenly felt unhappy. what right do you have to say that you don't want my son? You're the one who's not worthy of him!”

After a pause, she sneered again. don't try to play any tricks in front of me. You said this kind of thing in front of me, but who knows, you might say another kind of thing in front of my son. Then, you'll complain to my son and say that I forced you to leave, right? ”

Su Wanwan pulled the corners of her lips but couldn't smile.

In the past, she cared about her feelings because she was PEI Munian's mother and her mother-in-law. She loved PEI Munian, so she would naturally respect her and give in to her. She did not fuss over many things with her.

But now, he was stunned.

She had already drawn a clear line between her and PEI Munian, so why should she tolerate her mockery and slander?

“Madam, since you're fine, I'll take my leave.” Su Wanwan was too lazy to talk to her anymore and turned around to leave.

Mrs. PEI continued, ” alright, if you're really that decisive, then say this in front of mu Nian. If you dare to say it, I'll believe you.

Su Wanwan's footsteps slightly stagnated.

Mrs. PEI looked at her and glared at her. She knew it. Su Wanwan, this cunning woman, only dared to act arrogant in front of her. In front of men, she only knew how to act pitiful to gain sympathy. Otherwise, how could her son be confused by her and be unable to tell right from wrong?

Wasn't mu Nian's purpose for this extremely embarrassing scene tonight to avenge her?

Of course, there was nothing wrong with exposing Xi Zhiwei's true colors. However, he could have exposed her so many times, but he had to choose to do it at a public occasion like the engagement banquet. Wasn't it to embarrass Xi Zhiwei and make su Wanwan proud?

She didn't care about the PEI family's face at all. Because su Wanwan did these things again and again without caring about the consequences, she really couldn't accept such a woman!

The sound of footsteps came from the door. Father PEI, PEI Munian, and ning Jingting's figures appeared in front of them. When Mrs. PEI saw PEI Munian, her lips curved up. Her black eyes were still fixed on su Wanwan and she spoke again, " now that Munian is here, su Wanwan, do you dare to repeat what you just said to me? "

Mrs. PEI's words made the three people's gazes turn to su Wanwan. PEI Munian frowned and subconsciously walked towards su Wanwan.

Originally, she didn't need to pay attention to Madam PEI's provocation, but there were some things that Wanwan wanted to say clearly in person!

"PEI Munian."

Su Wanwan's Red lips opened slightly. Her black eyes looked at the man who was approaching her step by step and she said word by word, " you listen well. I, su Wanwan, don't want you anymore. Between us, from this moment on, there is no connection!
