### Chapter 124 A brief moment of sweetness 6

In the private room.

Su Wanwan poured tea for Su Zhenhua and the person in charge one by one, then smiled and said, "Grandpa, uncle du, please have some tea."

Du Mingwei glanced at su Wanwan and Su Zhenhua and gave them face. He picked up the cup and took a sip of tea.

Su Wanwan and Su Zhenhua looked at each other and secretly heaved a sigh of relief. Du Mingwei's attitude meant that there was room for negotiation and he didn't block the road.

Su Wanwan waited for du Mingwei to put down the teacup, then she deliberated over her words and slowly said, "uncle du, our company's funds were indeed a bit difficult to turn around some time ago, so we owed you some money. But you can rest assured that we are now transferring funds and will transfer it to your company's account in the next two days. So for this product, I hope we can continue to cooperate."

Du Mingwei put down his teacup, looked at su Wanwan, and then his eyes fell on Su Zhenhua. He sighed softly, "President su, we've known each other for so many years, so I won't play games with you. It's not that I don't want to work with you anymore, nor that I don't care about our old friendship, but when it comes to business, you have to pay attention to integrity. When your SU group owed us money, I let you delay it because of our many years of cooperation. You said three months before. And the result? You dragged it on for half a year, and not only that, you even hid the actual situation of your company from me. If I didn't ask someone to find out, I don't know how long I would have been kept in the dark!"

As du Mingwei spoke, he couldn't help but get excited.

Su Zhenhua could not help but look a little ashamed. They were indeed in the wrong in this matter. boss du, we're really sorry about this matter. We didn't mean to hide it from you. We just thought that the capital problem would be solved soon, so there's no need to say so much and affect our cooperation. But don't worry, now that our company has received the PEI family group's investment and the company's situation has stabilized, such a thing will not happen again.

"The PEI family corporation?"

Du Mingwei's furrowed brows relaxed, and a light flashed in his eyes. the PEI group you're talking about, are you referring to ran ran?"

"Yes, it's the PEI family's company in L city,"

Du Mingwei straightened his back and couldn't help but praise, "not bad, boss su. You actually managed to get PEI family group's investment."

Su Zhenhua smiled and humbly said that he didn't deserve it. However, there was pride in his expression. He paused for a moment before he continued, "then, about our cooperation ..."

The light in du Mingwei's eyes dimmed. although you have the PEI family group's investment, it's still just an investment. If you don't do well, you can withdraw your investment at any time, right? "

"No, the PEI family corporation will never withdraw its capital!"

Su Zhenhua answered resolutely and decisively. He then looked at su Wanwan and said word by word, " because my granddaughter has already married PEI Munian.

Su Wanwan raised her eyes in shock and looked at Su Zhenhua, her black pupils suddenly contracting.

She had never expected that her grandfather would suddenly reveal that she was married to PEI Munian. She could not help but exclaim, " grandfather!

They had agreed to keep her marriage with PEI Munian a secret. Now that they had not even held their wedding, her grandfather had already exposed it. Wasn't he going back on his word?

What would PEI Munian think if she knew about this?
