Chapter 142 I want to live well with you (12)

PEI Munian placed her hands on the desk and panted slightly. The documents, pens, photo frames, and other things that he had flipped over were scattered all over the floor.

There was a ring inside. The sunlight from outside the window reflected in, and the diamond on the ring emitted a bright and beautiful light.

PEI Munian's dark eyes slowly shifted to the ring. The light was so piercing that his eyes gradually turned red and wet.

It was a misunderstanding.

Concern.

How he wished that the hurtful words su Wanwan once said to him were all a misunderstanding. How he wished that su Wanwan's concern for him was from her heart.

But?

The cruel reality was laid out in front of him again and again, forcing him to face it!

Everyone was fighting for su Wanwan's justice, then what about him? Who would stand up for him?

He fell in love with su Wanwan, so he deserved to be hurt?

Was su Wanwan always so unscrupulous because he loved her?

PEI Munian's eyes gradually darkened, and a storm brewed in them. He suddenly clenched his fists, and the veins on the back of his hands bulged.

The next second, he grabbed his car keys and wallet and strode to the door.

—

Xi Zhiwei had waited for a few hours and was filled with resentment. Just as she was about to leave in a Huff, PEI Munian's tall figure walked into the lounge.

Xi Zhiwei stood up immediately and looked at him with joy. brother mu Nian, you're done? "

PEI Munian's dark eyes swept over her and her voice was calm. aren't we going to eat? Let's go."

After saying that, he ignored Xi Zhiwei and walked straight to the elevator.

Xi Zhiwei was stunned for a full ten seconds before she suddenly reacted. Her beautiful face bloomed with an excited smile. She had thought that PEI Munian would not be eating with her today. She did not expect such a turn of events.

She hurriedly followed after him. brother mu Nian, wait for me!

—

Su Wanwan didn't sleep well last night because she was thinking about PEI Munian. This morning, she got up early to catch a plane and then waited here for a few hours. She was a little tired. She leaned against the sofa and her eyelids fell unconsciously. When PEI Munian and Xi Zhiwei came down, she didn't react for a while.

When she saw Xi Zhiwei take the initiative to hold PEI Munian's arm and PEI Munian only paused for a moment but did not shake her off, all of su Wanwan's fatigue disappeared without a trace!

PEI Munian had always hated people who had nothing to do with her touching her. When she first started to pursue him, she accidentally touched him once and his gaze was like a knife, as if he wanted to cut her into a thousand pieces.

As for Xi Zhiwei, although their relationship was not ordinary, he had never been so close to her before. Now, he was actually letting Xi Zhiwei hold his arm!

Su Wanwan suddenly stood up from the sofa.

PEI Munian and Xi Zhiwei walked towards the main door. When Xi Zhiwei saw su Wanwan, she deliberately held PEI Munian's arm tightly and raised her chin to signal to her.

Su Wanwan didn't have time to pay attention to her at the moment. All her attention was focused on PEI Munian.

She opened her eyes wide and looked at him, but she didn't know if he didn't see her or just ignored her. He didn't even look at her from the corner of his eyes and walked straight past her.
