Chapter 147 I want to live well with you (17)

PEI Munian looked at Xi Zhiwei. Her face was full of sincerity and her tone was soft. She was pleading for peace. PEI Munian thought of his good brother, Xi Zhiqian, and his heart softened. He picked up the red wine on the table and clinked glasses with Xi Zhiwei. Then, he finished it in one gulp.

Xi Zhiwei's eyes curved into a smile. She raised her head and drank the wine in one gulp. Then she picked up the wine and continued to fill the two glasses.

Because of su Wanwan, PEI Munian's mood had been at its lowest. Xi Zhiwei almost didn't need to say anything, and he had already drunk one glass after another. Xi Zhiwei gently persuaded him to drink less, but her hand kept pouring wine for PEI Munian.

Suddenly, Xi Zhiwei's phone rang.

At first, Xi Zhiwei did not want to pay attention to him. Tonight was a once in a thousand years opportunity. No matter who it was, they should not even think about disturbing her.

However, the phone kept ringing. Even though it hung up automatically, it continued to ring in the next second.

PEI Munian paused in her drinking and glanced at Xi Zhiwei. not picking it up? "

"Brother mu Nian, it's rare for you to have a meal with me. I don't think it's anything urgent, so you don't have to worry about it."

Xi Zhiwei took out her phone from her bag and hung up. Just as she was about to turn it off, her phone rang again.

PEI Munian said indifferently, " I'd better answer it. It must be something urgent since you called so urgently.

"Alright, I, I'll listen to you."

Xi Zhiwei lowered her eyes and pressed the answer button with some dissatisfaction. Although her voice remained soft, her tone was not very good. sister li, what's the matter? " I'm eating now."

Sister Li's voice was extremely anxious and serious. Weiwei, are you in dynasty now? "

Xi Zhiwei did not expect sister li to know that she was in dynasty. She said in surprise, "How did you know?"

"Then are you really having dinner with a married man? Don't you know that the reporters are already waiting at the entrance of dynasty, ready to take photos of you seducing a married man? the scandal you caused last time hasn't even subsided yet, why are you doing this again? Do you still want to stay in the entertainment industry?" Sister Li's voice instantly rose by several degrees.

Xi Zhiwei was inexplicably reprimanded. what married man? What reporter? I'm just having a meal with brother mu Nian!"

“You mean the PEI family’s CEO, PEI Munian?”

“That’s right, I’m having dinner with my brother mu Nian, what married man? Where did you hear that from?”

but I’ve just received news that you’ve seduced a married man. Be it a married man or the PEI family’s CEO, you can’t have this meal anymore. I’ve already sent someone to pick you up. Keep a low profile and come out from dynasty’s back door. The front door is already blocked by reporters.

Xi Zhiwei’s expression turned even uglier when she heard sister li making the decision for her on her own. She did not want to lose her temper in front of PEI Munian, so she made a hand gesture to PEI Munian and then got up to walk towards the washroom.

After entering the washroom, she closed the door and said in a cold tone, “ why can’t brother mu Nian and I have a meal? how can the reporters accuse me of seducing a married man during a meal? Moreover, why would there be reporters out of nowhere? I didn’t see any reporters when I came in.”

Weiwei, I’m your manager. No matter what I want you to do, it’s for your own good. Although President PEI isn’t married, there was news of him and su Wanwan spending a night together. And you also exposed that you were at odds with su Wanwan. The storm hasn’t subsided yet, and now you’re exposing news of you having a meal with President PEI and being intimate with him. What do you think the press conference will write about you? ”
