Chapter 149 I want to live well with you (19)

Su Wanwan didn't fall hard, it was just a little painful. She reflexively wanted to stand up, but suddenly, she seemed to have thought of something. A trace of slyness flashed through her eyes very quickly and she cried out in pain.

PEI Munian had already walked to the side of his car and was about to open the door when he heard a voice behind him. He paused and looked sideways, but in the next moment, he opened the door as if nothing had happened.

Su Wanwan glanced at PEI Munian's movements from the corner of her eye. She secretly gritted her teeth and, as if she was going all out, directly reached out and pinched her thigh.

Su Wanwan was in so much pain that she shouted, " it hurts.

PEI Munian was about to sit in the car, but she stopped subconsciously.

When the hotel staff saw su Wanwan fall, he quickly came to help her. Su Wanwan pushed him away without hesitation and continued to wail, " it really hurts, it really hurts. Will my foot break? "

The corner of the waiter's lips couldn't help but Twitch. This acting was so exaggerated. It wasn't that he broke his leg, but that the nerve in his brain was broken, right?

Although PEI Munian didn't move, she still didn't have any intention of walking back. Su Wanwan made up her mind and pinched herself again. Tears flowed out and she sobbed, " I can't stand up. My leg is really broken.

PEI Munian's hands, which were hanging by her sides, clenched tightly. The light in her eyes darkened, and there was a slight struggle.

His rationality told him not to care about su Wanwan anymore. She only knew how to act, only knew how to gain his sympathy, only knew how to deceive her. He clearly knew everything, but he just couldn't move his feet.

Su Wanwan's painful cries came from behind. The struggle in his eyes became more and more intense. Finally, his feet seemed to not listen to his command and he walked back.

Seeing that PEI Munian had returned, a light flashed in su Wanwan's eyes. At the same time, her suspended heart fell back a little. It seemed that PEI Munian still cared about her, so she had to figure out what exactly happened and why he suddenly changed his attitude towards her!

PEI Munian walked in front of su Wanwan and looked down at her from above. There was no expression on his handsome face, and even his eyes were cold. His voice was also extremely cold and hard. aren't you going to get up? How long do you want to lose face?"

Although his words were unpleasant to hear, su Wanwan was still happy. If he really hated her, he would just drive away.

Su Wanwan raised her eyes and looked at PEI Munian with her big eyes. The corners of her eyes were still wet and she looked quite pitiful.

“I, I twisted my ankle, I can’t stand up.”

PEI Munian’s dark eyes glanced at her feet. Her expression did not change, as if she did not believe her.

Su Wanwan frowned. I really can’t get up. It hurts so much. Ran ran, can you help me? ”

Although su Wanwan’s tone was pleading, as soon as her words fell, she unceremoniously grabbed PEI Munian’s hand and used his strength to prop her body up little by little. However, when she was halfway there, she suddenly seemed to be unable to support her strength and fell into PEI Munian’s arms.

“.....?” PEI Munian’s expression turned even colder. Without hesitation, she raised her hand and pulled her away.

Su Wanwan blinked her big innocent eyes and said weakly, ” “I didn’t do it on purpose. It’s just that my foot was in too much pain just now, so I couldn’t stand properly, Hanhan.”
