Chapter 162 A fight at the head of the bed and at the end of the bed (4)

What real or fake stupidity?

Su Wanwan blinked blankly, unable to understand the meaning of PEI Munian's words.

It was that innocent look again. She was clearly full of schemes, but that beautiful face was always like an angel, without a single flaw.

If he didn't know her so well, he wouldn't be able to resist her temptation.

PEI Munian's fingers suddenly pinched su Wanwan's chin, forcing her to raise her head. His black eyes stared at her eyes, wanting to see the depths of her eyes and see the thoughts she was hiding deeply, but he gained nothing.

He seemed to be self-deprecating and ridiculing himself. He said in a low voice, "su Wan, I'll tell you one last time. No matter what you want, you won't succeed, so you'd better know your place. Otherwise, you'll only lose more!

No matter what she wanted, she would not succeed?

Was PEI Munian hinting to her that he would never like her?

No, she didn't believe it. She still remembered how he had softened his attitude towards her. At that time, he had kissed her so passionately, and his sweet tone when he called her.

All of these were not fake.

Su Wanwan shook her head unconsciously and her voice could not stop panicking. PEI Munian, I did do something wrong in the past, but I, we're already married. I want to start over with you and live well in the future. Can't I do that?"

Even now, she was still lying and trying to confuse him.

PEI Munian curled her lips coldly. There was no emotion in her eyes. She looked at her as if she was looking at a stranger. Instead of answering, she asked, "su Wanwan, do you only want these?"

Su Wanwan was stunned by PEI Munian's question.

Was this all she wanted?

Of course not. If possible, she wanted Hanhan to love her, just like how she loved him.

Su Wanwan's lips gently wriggled, opened her mouth, and wanted to answer, but she was a little shy in her heart, so she seemed to want to say something but stopped.

PEI Munian looked at her stammering and already knew the answer in her heart. It was a lie that could be exposed easily. She might as well not say it.

PEI Munian was thoroughly disappointed. She had always been like this, only speaking sweet words and never being sincere.

Sometimes, he thought that it would be better for her to tell him what she wanted from him. Perhaps he would fulfill her wish. At least, he would not hold such a ridiculous hope when it was a deal with a clear price.

Su Wanwan struggled for a while and finally suppressed her shyness. She said softly, " PEI Munian, my Yueyue.

"Forget it, you don't have to answer."

PEI Munian cut her off cleanly and pushed her hand away from his arm without any explanation. "I'll sleep in the guest room tonight."

After a pause, he lowered his voice and warned, " don't alarm mom and dad.

With that, he pulled open the door and strode away without looking back.

Su Wanwan was stunned on the spot. She looked at PEI Munian's back as she left, and her eyes reddened little by little.

So many people had told her that PEI Munian had feelings for her, and even she herself had thought that PEI Munian had feelings for her. That was why she had tried so hard to win him back and express her feelings to him, but he had still left her with a cold back view time and time again.

She didn't know what to do to make him accept her again.

Perhaps, everything before was just her imagination, so she could not force his feelings now.
