

Deeply 167

Chapter 167 A fight at the head of the bed and at the end of the bed (9)

Just as Xi Zhiwei's lips were about to touch PEI Munian's, an alarm suddenly sounded outside. Xi Zhiwei was stunned and her eyes were filled with confusion.

Why did the alarm go off? Could something have happened outside?

Vaguely, Xi Zhiwei heard a commotion outside the door. She could only straighten her body, stand up, and walk towards the door, planning to go out and see what was going on.

After the alarm sounded, people kept opening the door and coming out, asking what happened. Suddenly, the entire corridor was in a mess. Su Wanwan looked at each one of them, trying to find out which room Xi Zhiwei and PEI Munian were in. Finally, she saw Xi Zhiwei in the crowd.

She opened the door of the room in the middle and walked out. She looked around, as if she wanted to know what had happened. However, she did not see PEI Munian. PEI Munian was still in the room and had not come out.

Damn it! The alarm had gone off and he was still in his room. Did he really want to be with Xi Zhiwei that much?

Su Wanwan clenched her hands tightly and gritted her silver teeth. The more they wanted to stay together, the more she would not let them do as they wished.

Su Wanwan's Black eyes turned and suddenly, a plan came to her mind. She took advantage of the chaos in the crowd, lowered her body, and quietly walked towards the door of the room. Then, she slipped into the room from behind Xi Zhiwei and gently closed the door.

When Xi Zhiwei came out, she did not bring anything. She closed the door. Let's see how she can come in again!

The hotel's security rushed over quickly. After understanding the situation, they quickly checked the surroundings and did not find anything wrong, so they came back to comfort the guests. The guests were relieved and returned to their rooms. Xi Zhiwei also turned around to return to her room, but she did not know why the door was closed. Her eyes widened in shock and she could not help but reach out to knock on the door. brother mu Nian, open the door! Brother mu Nian, please."

How could the door be closed? she was clearly stuck just now!

Xi Zhiwei's brows furrowed and her knocking on the door became louder. brother mu Nian, did you hear me? Open the door! Brother mu Nian!"

Su Wanwan hid behind the door and listened to Xi Zhiwei's shout. Her lips curved and her eyes were full of pride. I'll see how you come in!

Xi Zhiwei shouted for a while, but there was no sound from inside. PEI Munian was probably dead drunk. She did not book this room, so even if she wanted to go to the front desk to ask for another room card, they would not give it to her.

Such a good opportunity, why did it come so close? It was like this last time, and it was like this again! It's all because of this stupid alarm. Who's so immoral to break the alarm! Xi Zhiwei slammed the door hard and stomped her feet, but she was helpless.

She paced back and forth in front of the door for a few minutes, but she had no choice but to leave.

Su Wanwan listened to the footsteps outside the door that were gradually getting further away. The corners of her lips curved up, and her eyebrows almost curved into a crescent moon.

Xi Zhiwei, if you want to fight with me, you are still too young!

Su Wanwan proudly raised her chin.

However, there was such a huge commotion outside just now, and Xi Zhiwei had been knocking on the door and calling for help. Why did PEI Munian not move at all? Wasn't he inside?

A touch of strangeness appeared in su Wanwan's eyes. She thought about it and still mustered up her courage. She walked inside step by step. As her footsteps approached, she saw the big bed in the room. She saw PEI Munian lying on it with her eyes closed, but her mouth was muttering something.
