Chapter 172 A fight at the head of the bed and at the end of the bed (14)

Su Wanwan said that she liked him, whether it was in the past or now.

This was such a beautiful sentence, the answer he had always dreamed of, but could he believe Yingluo?

She had told him too many lies, and he could clearly tell the truth from other people's words, but for her, he had already lost his judgment. He didn't know which of her words were true and which were false.

PEI Munian's eyes stared at su Wan, trying to find a flaw in her eyes. He looked for a long time but couldn't see anything. His hands unconsciously clenched, but he still suppressed the surging emotions in his heart. He spoke in a deep voice, his words carrying a trace of ridicule, "you said you liked me in the past. Su Wanwan, I think you've forgotten what you said to me three years ago, right?"

Three years ago

Su Wanwan's mind slowly floated to the words she once said and her heart sank slightly. At that time, she suffered too much of a blow. She originally wanted to find PEI Munian to settle the score, but in the end, she muddleheadedly slept with him. At that time, she was also young and arrogant. How could she be willing to be laughed at by PEI Munian? so, she took the initiative to mock and ridicule PEI Munian. She said as ugly as her words were.

Now that she had said that she liked PEI Munian, there was no way he would believe her.

The light at the bottom of su Wanwan's eyes flickered and she was somewhat speechless for a moment.

Su Wanwan didn't speak. PEI Munian's eyes suddenly sank again. A trace of coldness gathered in her eyes and gradually spread.

What she said just now, was it really a lie?

Why was she always able to say such sincere words without even blinking? So naturally, he was toying with other people's feelings?

The more PEI Munian thought about it, the more uncomfortable the ball of anger in her heart felt. It was running around in his body, making him extremely anxious and restless, ready to explode.

Su Wanwan's scalp went numb from PEI Munian's cold stare and cold sweat broke out on her back. Her confession to him was sincere, but she forgot that she had once said such heartless words. She didn't know if it was too late to remedy it now.

Su Wanwan knew that PEI Munian might not believe her explanation, but even if there was only a faint hope, she still had to take a gamble.

Su Wanwan secretly took a breath. She clenched her hands and then released them. She seemed to be going all out and said, "PEI Munian, three years ago, I did say some nasty things about Wanwan. However, those were not true. In these three years, I have never forgotten you and have always liked you.

What she said three years ago wasn't true, Wanwan.

PEI Munian really didn't know if she should laugh or be angry at su Wanwan's explanation. Was she so perfunctory even when looking for an excuse?

As su Wanwan spoke, she peeked at PEI Munian's expression. Seeing that his expression didn't have the slightest hint of gentleness, she also felt that this explanation was too powerless, even though it was the truth.

Su Wanwan lowered her eyes and couldn't help but have a trace of frustration in her voice. PEI Munian, I know you won't believe what I said. I don't want to explain myself for what happened in the past, but I still want to tell you that I'm sincere when I say that I like you.

A sincere Yingluo

Su Wanwan's sincerity, did he dare to believe it again?

He had once believed in her, and then he was completely defeated. Now that he believed her words again, would he make the same mistake?

He had never been afraid of any bet, but in the face of this one, he had to back down.
