Chapter 175 A fight at the head of the bed and at the end of the bed (17)

Su Wanwan was naturally embarrassed to take the initiative to say such words. Her cheeks couldn't help but blush and her eyes were a little erratic. But thinking about it, she and PEI Munian were husband and wife. This kind of thing was very normal. What was there for her to be embarrassed about?

That's right, she wasn't shy at all.

Su Wanwan suppressed her shyness and maintained her calm.

After PEI Munian returned to her senses, her black eyes stared at su Wan's face, her gaze slightly burning. you, are you really willing? "

"W-we're husband and wife. Of course, I'm willing." Su Wanwan's cheeks became redder and redder, but she still pretended to be natural. isn't, isn't it? "

Although su Wanwan tried her best to hide the trembling in her voice, PEI Munian could still hear it.

She was still afraid, but she didn't seem to want to dampen his spirits.

He really wanted her, but he didn't want her to accommodate her feelings like this. Since they had decided to start over, they were equal, and she had the right to refuse to do things she didn't want to do.

"Wanwan."

PEI Munian opened her lips slightly, her voice low and charming. if you're not ready, you don't have to force yourself.

".....?"

She had already abandoned her reservations and taken the initiative, and he was still going to reject her? Why didn't I see him being such a gentleman before?

The more he acted like this, the more uneasy su Wanwan felt. She kept feeling that PEI Munian's gentleness at this moment might be an illusion.

Could she be dreaming again?

Su Wanwan thought about it and her eyebrows furrowed tightly. She urgently needed to prove that everything in front of her was real. She raised her head and stared at the handsome face above her. She bit her lower lip, then straightened her body, wrapped her arms around PEI Munian's neck, and kissed her red lips.

Su Wanwan kissed him without warning. PEI Munian's mind went blank for a moment and he quickly reacted. There was almost no room for thinking and he couldn't help but fall.

Which man could resist the temptation of the woman he loved?

Moreover, he had been suppressing it for a long time!

PEI Munian turned from the guest to the host. Her tongue pried open su Wanwan's lips and swept wantonly in her mouth, tasting the sweetness that belonged to her. Su Wanwan also hugged him tightly, as if to prove that he really existed. She didn't dare to relax for a moment.

As they kissed, the two of them fell back onto the soft bed. PEI Munian's kiss continued to spread downwards, her large palm sliding under her clothes and caressing her delicate and smooth skin.

His palm was very hot. The places he touched seemed to leave a trail of flames. Her body started to burn bit by bit. A feeling that she had never felt before rushed up. Su Wan's throat involuntarily let out a soft groan.

After su Wanwan made this sound, she scared herself. She widened her eyes in shock and then covered her mouth with both hands.

Why did she make such a sound? it was so embarrassing!

After PEI Munian heard su Wanwan's voice, she was also stunned for a moment. He had done this with su Wanwan so many times before, but she had always been numb and indifferent.

Without feelings, she put herself in another world. Even if he deliberately tormented her sometimes, she would clench her teeth and not say a word, making him feel extremely defeated.

But now, because of him, she had such a vivid expression and no longer suppressed her drooling.
