

## Deeply 201

201 She was really lying to him (1)

Could it be that Wanwan didn't tell Su Zhenhua about their relationship?

Why? Su Wanwan had always been so filial, and Su Zhenhua had always hoped that she could live well with him. In this way, his PEI's group could always be the backing of the SU's company, and the SU's could take this opportunity to rise from the dead and regain its glory.

PEI Munian furrowed her brows, deep in thought.

Su Zhenhua looked at PEI Munian's expression, and his face gradually became a little heavy. It seemed that su Wanwan didn't lie to him. She really couldn't grasp PEI Munian's heart, so she couldn't persuade him to hold the wedding.

Since he was here today, no matter what, he had to let PEI Munian confirm the wedding date.

Su Zhenhua thought for a moment and continued, "Munian, allow me to say something unpleasant. Even if you don't like our Wanwan, you were the one who wanted to take responsibility and marry her. Now that you've married her, and our Wanwan has been with you for a while, if you want to turn your back on us, we won't let you bully us so easily even if we're down and out now.

I don't like su Wanwan.

Su Zhenhua's words slowly reached PEI Munian's ears. PEI Munian's brows furrowed even more tightly, and her eyes darkened bit by bit.

The temperature of the surrounding air seemed to drop along with the coldness of his tears. Su Zhenhua stopped talking and looked at PEI Munian. Even at his age and having experienced many ups and downs, he was still shocked by the cold eyes of this young man.

However, in just a moment, PEI Munian's expression returned to her usual indifference, as if everything that had happened just now was just Su Zhenhua's illusion.

PEI Munian's thin lips parted slightly and her voice was faint. old master su, don't worry. Since I've already married su Wan, I will give her a proper status. I'm already preparing for the wedding.

The surprise came too suddenly. Su Zhenhua was stunned and could not react for a moment.

PEI Munian's lips curled into a smile. She looked at the stunned Su Zhenhua and continued, "I'll announce it to the public soon.

Su Zhenhua originally thought that he would have to go through a lot of trouble to get PEI Munian to relent. He did not expect him to agree so easily. At the same time, he was happy, but he also felt unreal and a little uneasy.

However, the joy in his heart quickly overcame his uneasiness. He smiled and couldn't help but laugh out loud. mu Nian, you're a responsible man indeed. It's Wanwan's blessing to be able to marry you. I'll be waiting to attend your wedding.

The corners of PEI Munian's lips were still upturned, but there was no smile in his eyes.

After Su Zhenhua left, PEI Munian's smile sank. She stared at an empty space and slowly fell into a daze.

A lot of doubts emerged from the bottom of his heart, bit by bit, and he couldn't suppress them.

He didn't understand why Su Wanwan didn't confess to Su Zhenhua about their feelings. He also didn't understand why Su Wanwan didn't mention the wedding to him and let Su Zhenhua interrogate her.

They had already come this far and let go of everything in the past. They had already decided to love each other and live a good life together. Why did she have to hide it from him? why didn't she mention marriage to him?

Why?

Why?

It was not that PEI Munian did not have an answer in her heart, but he did not even dare to think about it.

PEI Munian sat in a daze for a long time. The sun set and the whole city gradually darkened. It was dark and quiet until his mobile phone suddenly rang, Breaking the Silence in the room.
