216 A surprise (6)

Su Wanwan indulged in happiness and joy and didn't notice the coldness on PEI Munian's body. However, in the blink of an eye, PEI Munian had collected all her true emotions and he was still affectionate.

He took out the ring from the jewelry box, picked up su Wanwan's hand, put the ring on her slender and white ring finger, and put it on little by little.

PEI Munian stood up. Su Wanwan couldn't help but hug him tightly. Her face was pressed against his chest and she listened to his steady and powerful heartbeat. The corners of her lips rose slightly. Munian, thank you for giving me this surprise. I'm the happiest person in the world now.

PEI Munian allowed her to hug her as she lowered her dark eyes. Her gaze landed on her delicate side profile and saw the dazzling brilliance in her eyes. Her red lips curved and the corners of his lips slowly curled up into a smile.

"Do you like this surprise?"

Su Wanwan could no longer use words to express her joy and pleasure. She only nodded hard in his arms.

PEI Munian seemed to be amused by her appearance. His hand caressed su Wan's hair and gently stroked it. His voice was cold and elegant. this is nothing. I have an even bigger surprise for you.

A bigger surprise?

Su Wanwan couldn't help but raise her head from PEI Munian's arms. Her beautiful eyes were wide open and she asked in confusion, "What else is there?"

This surprise was already enough to shock her. He actually had another surprise?

"I can't tell you now, but you'll know tomorrow night."

"Tomorrow night?" Su Wanwan was even more puzzled.

we're holding a mid-year celebration tomorrow night, and I want to bring you along. Also, I want to invite the old man as well. I have something important to announce to the public.

The PEI corporation's mid-year celebration was a very important event for PEI Munian. Given their secret marriage, she thought he wouldn't bring her along. She didn't expect that Wanwan would invite her and her grandfather.

Furthermore, there was an important announcement to be made in public.

If it was any other time, su Wanwan wouldn't dare to think too much about it. But PEI Munian proposed to her just now and then said that he would take her to the mid-year celebration. Didn't this mean that he wanted to make her identity public? And the important thing he said he was going to announce ... Was Hanhan going to hold a wedding with her?

Was this the bigger surprise he was talking about?

Would he really give her a Grand and beautiful wedding?

She would be lying if she said she wasn't looking forward to it. Which woman didn't want to have a perfect wedding? This was a once-in-a-lifetime event, a once-in-a-lifetime good memory.

Su Wanwan's heart was fluctuating and she couldn't hold it in. She still asked, "are you ready to let Wanwan marry me?"

Although they had already registered their marriage, they were still a step away from being a real couple. Now that PEI Munian had proposed to her, wouldn't they just have to hold their wedding?

Little by little, he would complete these steps and resolve the regrets between them.

PEI Munian raised her hand and pinched su Wanwan's chin. Seeing the anticipation and urgency in her eyes, he still smiled and asked instead of answering, "do you want to?"

Su Wanwan couldn't help but laugh and pursed her red lips. Although she also wanted to pretend to be reserved, how could she really be reserved in front of the person she loved, so she nodded honestly.
