225 When the dream is shattered (5)

The lights shone on PEI Munian. The man's posture was straight and handsome. His every frown and smile attracted everyone's attention. When he looked at su Wanwan, everyone unconsciously followed his gaze and looked at her.

Su Wanwan became the focus of everyone's attention in an instant. Her heart jumped up little by little. Nervousness, shyness, anticipation, sweetness, all the emotions rolled in her body. She smiled, her eyes were as soft as water, and she looked back at PEI Munian.

The two of them looked at each other affectionately, and the crowd couldn't help but start discussing. What was going on?

Everyone knew that PEI Munian and su Wanwan's one-night-long scandal had been spreading like wildfire. It had once made the whole city know about it. Everyone was waiting for the follow-up, but the two of them had been silent all this time.

Gradually, the scandal was suppressed by new things, and everyone forgot about it.

However, at such an important event at the PEI family corporation today, PEI Munian invited old master su and su Wanwan over and even said that she had something important to announce. Could it be that the two of them were really together secretly and were now preparing to get engaged or married?

If this was really the case, then su Wanwan could be said to have turned from a Crow to a Phoenix, flying to the top of the branch in one day. Su Zhenhua also had a reversal of fortune. Those who ridiculed and despised him before now had to compliment and curry favor with him.

As everyone was guessing, they couldn't help but wonder if they had offended the SU family's grandfather and grandson before. If they had, they were afraid that their future days would not be good.

"Before I announce this, I want to invite my female companion tonight, miss su Wanwan, to come on stage." PEI Munian's deep voice continued to ring in everyone's ears through the microphone.

His words made everyone more certain of their guess just now. They looked at su Wan with all kinds of gazes. Some were envious, some were jealous, some were disbelieving, some were secretly shocked, and some were prepared to court old master su.

Only Xi Zhiwei stood in the crowd, her lips curved into a cold smile.

Su Wanwan went on stage under everyone's gaze. PEI Munian held her hand and stood in the middle of the stage with her.

The beautiful woman was like a pair of lovers. Su Wanwan turned her face sideways and looked at PEI Munian. Her eyes were full of affectionate words and her whole body was filled with a strong sense of happiness.

PEI Munian's dark eyes also looked at her. His gaze was cold and calm, but his voice was extremely gentle. Wanwan, are you ready? Are you ready to receive this big surprise I'm giving you?"

Su Wanwan's cheeks were pink, as beautiful as a delicate flower. She gently nodded.

PEI Munian shifted her gaze away from her face and looked at Su Zhenhua, who was feeling smug. He opened his thin lips and slowly said, "this is a very important matter. Ran ran, I hereby announce that our PEI family group will fully acquire the SU family from today onwards.

Everyone was waiting for PEI Munian to announce the good news between her and su Wanwan. No one expected that what he announced wasn't good news, but the news of the acquisition of Qin Zhuan.

To put it nicely, it was an acquisition, but to put it bluntly, it was an annexation!

The SU family's enterprise had been in the business world for many years and was unwilling to give up even at the most critical moment. Now that the PEI family's enterprise had announced its acquisition, didn't that mean that they were going to eradicate the SU family?

So Wanwan, this su Wanwan, wasn't in a relationship with PEI Munian, but Wanwan had completely offended Prince PEI? Therefore, Prince PEI wanted to Annex the SU Corporation and destroy the SU family!
