234 I don't care for you anymore (4)

When su Wanwan opened the door, Xi Zhiwei was still there. She didn't look at her and quickly left.

Xi Zhiwei's hair was pulled by su Wanwan just now. Her whole scalp was still tingling with pain. She was about to catch up to su Wanwan to settle the score when a loud noise suddenly came from the room behind her.

Xi Zhiwei's footsteps suddenly stopped. She turned around and looked into the room.

PEI Munian was smashing things in the room, almost smashing and kicking everything in the room. The floor was a mess.

Every sound made Xi Zhiwei's heart tremble.

After an unknown period of time, the room finally quieted down. PEI Munian's tall figure fell to the ground and she sat there in a daze, not knowing what she was thinking.

Xi Zhiwei walked in uneasily and slowly walked up to her. Through the light from outside, she saw PEI Munian's hand cut by something. Bright red blood was dripping out and dyeing the floor red.

Xi Zhiwei's hand covered her mouth and she said in shock, "Brother mu Nian, you're injured? Why is there so much blood?"

Xi Zhiwei said as she squatted down. brother mu Nian, let's go to the hospital.

"Get lost," he said. A low voice came out of his throat. It was extremely cold.

"Brother mu Nian!" Xi Zhiwei frowned anxiously and reached out to help PEI Munian up, but she was pushed away by PEI Munian. Her voice was full of hostility. don't touch me! I told you to get lost!"

Xi Zhiwei staggered from PEI Munian's throw and her eyes turned red.

Just now, when su Wanwan bullied her, he turned a blind eye. Now that she was concerned about him, he still told her to get lost so fiercely. Why can't he see her heart?!

The more Xi Zhiwei thought about it, the more aggrieved she felt and her tears fell.

Beside him, Xi Zhiwei was sobbing very sadly. PEI Munian turned her face and saw the tears on Xi Zhiwei's face. Suddenly, he was very envious of her.

At least, when she was sad, she could cry. However, when he was sad, his tears could only be in his heart. No matter how sad he was, he didn't dare to show it in front of su Wanwan.

He took revenge on her. He treated her the same way she treated him. She took away his most precious happiness, and he also took away the thing she cared about the most. She made him so sad, and he also made her sad.

However, he didn't feel any joy from taking revenge. He took revenge on her, but only felt endless sadness and despair.

For those who didn't care about you, your revenge was simply empty talk and a joke.

Today, su Wanwan was in such a sorry state, but he felt that the person who was really in a sorry state was him, Xuanji.

He was like a laughable executioner who thought he had defeated others, but in reality, he was the only one who had been defeated.

PEI Munian's lips curled up and she slowly smiled. As she smiled, her eyes slowly became moist.

—

Su Wanwan didn't know how long she ran for until her whole body had no strength. Her legs went soft and she knelt on the ground. She covered her face and didn't want to cry, but her tears still flowed through the gaps of her fingers and flowed out little by little.

PEI Munian had said so many unpleasant and hurtful words to her, but none of them could compare to the words he had said just now. Every word was like a heavy bomb that had blown her heart into pieces. This time, there might be no way to piece it back together.

"Wanwan."

The man's voice suddenly came from behind. Then, a car drove to su Wanwan's side. Su Wanwan looked over with tears in her eyes. The lights were piercing and she only vaguely saw a figure coming down from the driver's seat and quickly walking towards her.
